ARTICLE 2

STATE GOVERNMENT OPERATIONS

Section 1. [5.31] STATEWIDE VOTER REGISTRATION SYSTEM.

The secretary of state may sell intellectual property rights associated with the statewide voter registration system to other states or to units of local government in other states. Receipts from the sale must be deposited in the state treasury and credited to the Help America Vote Act account.

Sec. 2. [6.755] REPORTS TO THE LEGISLATURE.

Section 3.195 applies to the state auditor. For purposes of determining whether members or employees of the legislature wish to receive reports or publications prepared by the state auditor, the state auditor may send a brief listing of reports to each member. The state auditor must deliver reports or publications to the legislature electronically whenever it is cost effective.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 3. [6.79] STATE MANDATES.

A county, town, school district, or statutory or home rule charter city may file a written resolution with the state auditor objecting to a state mandate or making recommendations for reforming a state mandate. The state auditor must list on the state auditor’s Web site a list of all state mandates cited in a resolution under this section, and the name of the unit of local government citing the mandate.

Sec. 4. [6.80] RULE AND LAW WAIVER REQUESTS.

Subdivision 1. GENERALLY. (a) Except as provided in paragraph (b), a local government unit may request the state auditor to grant a waiver from one or more administrative rules or a temporary, limited exemption from enforcement of state procedural laws governing delivery of services by the local government unit. Two or more local government units may submit a joint application for a waiver or exemption under this section if they propose to cooperate in providing a service or program that is subject to the rule or law. Before submitting an application to the state auditor, the governing body of the local government unit must approve, in concept, the proposed waiver or exemption at a meeting required to be public under chapter 13D. A local government unit or two or more units acting jointly may apply for a waiver or exemption on behalf of a nonprofit organization providing services to clients whose costs are paid by the unit or units. A waiver or exemption granted to a nonprofit organization under this section applies to services provided to all the organization’s clients.

(b) A school district that is granted a variance from rules of the commissioner of education under section 122A.163, need not apply for a waiver of those rules under this section. A school district may not seek a waiver of rules under this section if the commissioner of education has authority to grant a variance to the rules under section...
122A.163. This paragraph does not preclude a school district from being included in a cooperative effort with another local government unit under this section.

(c) Before petitioning the state auditor's office for an exemption from an administrative rule, the petitioner must have requested and been denied such an exemption from the appropriate agency pursuant to sections 14.055 and 14.056.

Subd. 2. APPLICATION. A local government unit requesting a waiver of a rule or exemption from enforcement of a law under this section shall present a written application to the state auditor. The application must include:

(1) the name and address of the entity for whom a waiver of a rule or exemption from enforcement of a law is being requested;

(2) identification of the service or program at issue;

(3) identification of the administrative rule or the law imposing a procedural requirement with respect to which the waiver or exemption is sought;

(4) a description of the improved service outcome sought, including an explanation of the effect of the waiver or exemption in accomplishing that outcome, and why that outcome cannot be accomplished under established rules or laws;

(5) information on the state auditor's office treatment on similar cases;

(6) the name, address, and telephone number of any person, business, or other government unit the petitioner knows would be adversely affected by the grant of the petition; and

(7) a signed statement as to the accuracy of the facts presented.

A copy of the application must be provided by the requesting local government unit to the exclusive representative certified under section 179A.12 to represent employees who provide the service or program affected by the requested waiver or exemption.

Subd. 3. REVIEW PROCESS. (a) Upon receipt of an application from a local government unit, the state auditor shall review the application. The state auditor shall dismiss an application if the application proposes a waiver of rules or exemption from enforcement of laws that would result in due process violations, violations of federal law or the state or federal constitution, or the loss of services to people who are entitled to them.

(b) The state auditor shall determine whether a law from which an exemption for enforcement is sought is a procedural law, specifying how a local government unit is to achieve an outcome, rather than a substantive law prescribing the outcome or otherwise establishing policy. For the purposes of this section, "procedural law" does not include a statutory notice requirement. In making the determination, the state auditor shall consider whether the law specifies such requirements as:

(1) who must deliver a service;

(2) where the service must be delivered;

New language is indicated by underline, deletions by strikeout.
(3) to whom and in what form reports regarding the service must be made; and
(4) how long or how often the service must be made available to a given recipient.

c) If the application requests a waiver of a rule or temporary, limited exemptions from enforcement of a procedural law over which the Metropolitan Council or a metropolitan agency has jurisdiction, the state auditor shall also transmit a copy of the application to the council or applicable metropolitan agency, whichever has jurisdiction, for review and comment. The council or agency shall report its comments to the board within 60 days of the date the application was transmitted to the council or agency. The council or agency may point out any resources or technical assistance it may be able to provide a local government unit submitting a request under this section.

d) Within 15 days after receipt of the application, the state auditor shall transmit a copy of it to the commissioner of each agency having jurisdiction over a rule or law from which a waiver or exemption is sought. The agency may mail a notice that it has received an application for a waiver or exemption to all persons who have registered with the agency under section 14.14, subdivision 1a, identifying the rule or law from which a waiver or exemption is requested. If no agency has jurisdiction over the rule or law, the state auditor shall transmit a copy of the application to the attorney general. The agency shall inform the state auditor of its agreement with or objection to and grounds for objection to the waiver or exemption request within 60 days of the date when the application was transmitted to it. An agency’s failure to do so is considered agreement to the waiver or exemption. The state auditor shall decide whether to grant a waiver or exemption at the end of the 60-day response period. Interested persons may submit written comments to the state auditor on the waiver or exemption request up to the end of the 60-day response period.

e) If the exclusive representative of the affected employees of the requesting local government unit objects to the waiver or exemption request it may inform the state auditor of the objection to and the grounds for the objection to the waiver or exemption request within 60 days of the receipt of the application.

Subd. 4. HEARING. If a state agency under subdivision 3, paragraph (d), or the exclusive representative of the affected employees under subdivision 3, paragraph (e), has objected to a waiver or exemption request, the state auditor’s office shall set a date for a hearing on the applications. The hearing must be conducted informally at a time and place determined by all parties. Persons representing the local government unit shall present their case for the waiver or exemption, and persons representing the agency or the exclusive representative of the affected employees shall explain their objection to it. The state auditor may request additional information from the local government unit or either objecting party. The state auditor may also request, either before or at the hearing, information or comments from representatives of business, labor, local governments, state agencies, consultants, and members of the public. If necessary, the hearing may be continued for a later date. The state auditor may modify the terms of the waiver or exemption request in arriving at the agreement required under subdivision 3.

Subd. 5. CONDITIONS OF AGREEMENTS. (a) In determining whether to grant a petition for a waiver of a rule or exemption from enforcement of a law, the state  

New language is indicated by underline, deletions by strikeout.
auditor should consider the following factors:

(1) whether there is a true and unique impediment under current law to accomplishing the goal of the local government unit;

(2) granting the waiver of a rule or exemption from enforcement of law will only change procedural requirements of a local government unit;

(3) the purpose of any rule or law that is waived is still being met in another manner;

(4) granting the proposed waiver of a rule or exemption from enforcement of a law would result in a more efficient means of providing government services; and

(5) granting the proposed waiver will not have a significant negative impact on other state government, local government units, businesses, or citizens.

(b) If the state auditor grants a request for a waiver or exemption, the state auditor and the local government unit shall enter into an agreement providing for the delivery of the service or program that is the subject of the application. The agreement must specify desired outcomes, the reasons why the desired outcomes cannot be met under current laws or rules, and the means of measurement by which the state auditor will determine whether the outcomes specified in the agreement have been met. The agreement must specify the duration of the waiver or exemption. The duration of a waiver from an administrative rule may be for no less than two years and no more than four years, subject to renewal if both parties agree. An exemption from enforcement of a law terminates ten days after adjournment of the regular legislative session held during the calendar year following the year when the exemption is granted, unless the legislature has acted to extend or make permanent the exemption.

(c) The state auditor must report any grants of waivers or exemptions to the legislature, including the chairs of the governmental operations and appropriate policy committees in the house and senate, and the governor within 30 days.

(d) The state auditor may reconsider or renegotiate the agreement if the rule or law affected by the waiver or exemption is amended or repealed during the term of the original agreement. A waiver of a rule under this section has the effect of a variance granted by an agency under section 14.055. A local unit of government that is granted an exemption from enforcement of a procedural requirement in state law under this section is exempt from that law for the duration of the exemption. The state auditor may require periodic reports from the local government unit, or conduct investigations of the service or program.

Subd. 6. ENFORCEMENT. If the state auditor finds that the local government unit is failing to comply with the terms of the agreement under subdivision 5, the state auditor may rescind the agreement. Upon the rescission, the local unit of government becomes subject to the rules and laws covered by the agreement.

Subd. 7. ACCESS TO DATA. If a local government unit, through a cooperative program under this section, gains access to data collected, created, received, or maintained by another local government that is classified as not public, the unit gaining
access is governed by the same restrictions on access to and use of the data as the unit that collected, created, received, or maintained the data.

Sec. 5. [8.065] PRIVATE ATTORNEY CONTRACTS.

The attorney general may not enter into a contract for legal services in which the fees and expenses paid by the state exceed, or can reasonably be expected to exceed, $1,000,000 unless the attorney general first submits the proposed contract to the Legislative Advisory Commission, and waits at least 20 days to receive a possible recommendation from the commission.

Sec. 6. [10.60] PUBLIC WEB SITES AND PUBLICATIONS.

Subdivision 1. DEFINITIONS. For purposes of this section:

(1) "political subdivision" means a county, statutory or home rule charter city, town, school district, or other municipal corporation, and the Metropolitan Council and a metropolitan or regional agency;

(2) "publication" means a document printed with public money by an elected or appointed official of a state agency or political subdivision that is intended to be distributed publicly outside of the state agency or political subdivision;

(3) "state agency" means an entity in the executive, judicial, or legislative branch of state government; and

(4) "Web site" means a site maintained on the World Wide Web that is available for unrestricted public access and that is maintained with public money by an elected or appointed official of a state agency or political subdivision.

Subd. 2. PURPOSE OF WEB SITE AND PUBLICATIONS. The purpose of a Web site and a publication must be to provide information about the duties and jurisdiction of a state agency or political subdivision or to facilitate access to public services and information related to the responsibilities or functions of the state agency or political subdivision.

Subd. 3. PROHIBITIONS. (a) A Web site or publication must not include pictures or other materials that tend to attribute the Web site or publication to an individual or group of individuals instead of to a public office, state agency, or political subdivision. A publication must not include the words "with the compliments of" or contain letters of personal greeting that promote an elected or appointed official of a state agency or political subdivision.

(b) A Web site may not contain a link to a Weblog or site maintained by a candidate, a political committee, a political party or party unit, a principal campaign committee, or a state committee. Terms used in this paragraph have the meanings given them in chapter 10A, except that "candidate" also includes a candidate for an elected office of a political subdivision.

Subd. 4. PERMITTED MATERIAL. (a) Material specified in this subdivision may be included on a Web site or in a publication, but only if the material complies with subdivision 2. This subdivision is not a comprehensive list of material that may

New language is indicated by underline, deletions by strikeout.
be contained on a Web site or in a publication, if the material complies with subdivision 2.

(b) A Web site or publication may include biographical information about an elected or appointed official, a single official photograph of the official, and photographs of the official performing functions related to the office. There is no limitation on photographs, Webcasts, archives of Webcasts, and audio or video files that facilitate access to information or services or inform the public about the duties and obligations of the office or that are intended to promote trade or tourism. A state Web site or publication may include photographs or information involving civic or charitable work done by the governor's spouse, provided that these activities relate to the functions of the governor's office.

(c) A Web site or publication may include press releases, proposals, policy positions, and other information directly related to the legal functions, duties, and jurisdiction of a public official or organization.

Subd. 5. OTHER STANDARDS. This section does not prohibit a state agency or political subdivision from adopting more restrictive standards for the content of a Web site or publication maintained by the agency or political subdivision.

Subd. 6. ENFORCEMENT. Violation of this section is not a crime and is not subject to civil penalty.

EFFECTIVE DATE. This section is effective for state agencies July 1, 2005. This section is effective for political subdivisions July 1, 2006.

Sec. 7. Minnesota Statutes 2004, section 11A.24, subdivision 6, is amended to read:

Subd. 6. OTHER INVESTMENTS. (a) In addition to the investments authorized in subdivisions 1 to 5, and subject to the provisions in paragraph (b), the state board may invest funds in:

(1) venture capital investment businesses through participation in limited partnerships, trusts, private placements, limited liability corporations, limited liability companies, limited liability partnerships, and corporations;

(2) real estate ownership interests or loans secured by mortgages or deeds of trust or shares of real estate investment trusts through investment in limited partnerships, bank sponsored collective funds, trusts, mortgage participation agreements, and insurance company commingled accounts, including separate accounts;

(3) regional and mutual funds through bank sponsored collective funds and open-end investment companies registered under the Federal Investment Company Act of 1940, and closed-end mutual funds listed on an exchange regulated by a governmental agency;

(4) resource investments through limited partnerships, trusts, private placements, limited liability corporations, limited liability companies, limited liability partnerships, and corporations; and

New language is indicated by underline, deletions by strikeout.
(5) international securities.

(b) The investments authorized in paragraph (a) must conform to the following provisions:

(1) the aggregate value of all investments made according to paragraph (a), clauses (1) to (4), may not exceed 35 percent of the market value of the fund for which the state board is investing;

(2) there must be at least four unrelated owners of the investment other than the state board for investments made under paragraph (a), clause (1), (2), (3), or (4);

(3) state board participation in an investment vehicle is limited to 20 percent thereof for investments made under paragraph (a), clause (1), (2), (3), or (4); and

(4) state board participation in a limited partnership does not include a general partnership interest or other interest involving general liability. The state board may not engage in any activity as a limited partner which creates general liability.

(c) All financial, business, or proprietary data collected, created, received, or maintained by the state board in connection with investments authorized by paragraph (a), clause (1), (2), or (4), are nonpublic data under section 13.02, subdivision 9. As used in this paragraph, “financial, business, or proprietary data” means data, as determined by the responsible authority for the state board, that is of a financial, business, or proprietary nature, the release of which could cause competitive harm to the state board, the legal entity in which the state board has invested or has considered an investment, the managing entity of an investment, or a portfolio company in which the legal entity holds an interest. As used in this section, “business data” is data described in section 13.591, subdivision 1. Regardless of whether they could be considered financial, business, or proprietary data, the following data received, prepared, used, or retained by the state board in connection with investments authorized by paragraph (a), clause (1), (2), or (4), are public at all times:

(1) the name and industry group classification of the legal entity in which the state board has invested or in which the state board has considered an investment;

(2) the state board commitment amount, if any;

(3) the funded amount of the state board’s commitment to date, if any;

(4) the market value of the investment by the state board;

(5) the state board’s internal rate of return for the investment, including expenditures and receipts used in the calculation of the investment’s internal rate of return; and

(6) the age of the investment in years.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 8. Minnesota Statutes 2004, section 13.635, is amended by adding a subdivision to read:

New language is indicated by underline, deletions by strikeout.
Subd. 1a. STATE BOARD OF INVESTMENT. Certain government data of the State Board of Investment related to investments are classified under section 11A.24, subdivision 6.

Sec. 9. [14.127] LEGISLATIVE APPROVAL REQUIRED.

Subdivision 1. COST THRESHOLDS. An agency must determine if the cost of complying with a proposed rule in the first year after the rule takes effect will exceed $25,000 for: (1) any one business that has less than 50 full-time employees; or (2) any one statutory or home rule charter city that has less than ten full-time employees. For purposes of this section, "business" means a business entity organized for profit or as a nonprofit, and includes an individual, partnership, corporation, joint venture, association, or cooperative.

Subd. 2. AGENCY DETERMINATION. An agency must make the determination required by subdivision 1 before the close of the hearing record, or before the agency submits the record to the administrative law judge if there is no hearing. The administrative law judge must review and approve or disapprove the agency determination under this section.

Subd. 3. LEGISLATIVE APPROVAL REQUIRED. If the agency determines that the cost exceeds the threshold in subdivision 1, or if the administrative law judge disapproves the agency’s determination that the cost does not exceed the threshold in subdivision 1, any business that has less than 50 full-time employees or any statutory or home rule charter city that has less than ten full-time employees may file a written statement with the agency claiming a temporary exemption from the rules. Upon filing of such a statement with the agency, the rules do not apply to that business or that city until the rules are approved by a law enacted after the agency determination or administrative law judge disapproval.

Subd. 4. EXCEPTIONS. (a) Subdivision 3 does not apply if the administrative law judge approves an agency’s determination that the legislature has appropriated money to sufficiently fund the expected cost of the rule upon the business or city proposed to be regulated by the rule.

(b) Subdivision 3 does not apply if the administrative law judge approves an agency’s determination that the rule has been proposed pursuant to a specific federal statutory or regulatory mandate.

(c) This section does not apply if the rule is adopted under section 14.388 or under another law specifying that the rulemaking procedures of this chapter do not apply.

(d) This section does not apply to a rule adopted by the Public Utilities Commission.

(e) Subdivision 3 does not apply if the governor waives application of subdivision 3. The governor may issue a waiver at any time, either before or after the rule would take effect, but for the requirement of legislative approval. As soon as possible after issuing a waiver under this paragraph, the governor must send notice of the waiver to the speaker of the house of representatives and the president of the senate and must publish notice of this determination in the State Register.

Subd. 5. SEVERABILITY. If an administrative law judge determines that part of a proposed rule exceeds the threshold specified in subdivision 1, but that a severable portion of a proposed rule does not exceed the threshold in subdivision 1, the administrative law judge may provide that the severable portion of the rule that does not exceed the threshold may take effect without legislative approval.

EFFECTIVE DATE. This section is effective July 1, 2005. This section applies to any rule for which the hearing record has not been closed before July 1, 2005, or, if there is no public hearing, for which the agency has not submitted the record to the administrative law judge before that date.

Sec. 10. Minnesota Statutes 2004, section 14.19, is amended to read:

14.19 DEADLINE TO COMPLETE RULEMAKING.

Within 180 days after issuance of the administrative law judge's report or that of the chief administrative law judge, the agency shall submit its notice of adoption, amendment, or repeal to the State Register for publication. If the agency has not submitted its notice to the State Register within 180 days, the rule is automatically withdrawn. The agency may not adopt the withdrawn rules without again following the procedures of sections 14.05 to 14.28, with the exception of section 14.101, if the noncompliance is approved by the chief administrative law judge. The agency shall report to the Legislative Coordinating Commission, other appropriate committees of the legislature, and the governor its failure to adopt rules and the reasons for that failure. The 180-day time limit of this section does not include:

(1) any days used for review by the chief administrative law judge or the commission if the review is required by law; or

(2) days during which the rule cannot be adopted, because of votes by legislative committees under section 14.126; or

(3) days during which the rule cannot be adopted because approval of the legislature is required under section 14.127.

Sec. 11. Minnesota Statutes 2004, section 15.054, is amended to read:

15.054 PUBLIC EMPLOYEES NOT TO PURCHASE MERCHANDISE FROM GOVERNMENTAL AGENCIES; EXCEPTIONS; PENALTY.

No officer or employee of the state or any of its political subdivisions shall sell or procure for sale or possess or control for sale to any other officer or employee of the state or subdivision, as appropriate, any property or materials owned by the state or subdivision except pursuant to conditions provided in this section. Property or materials owned by the state or a subdivision and not needed for public purposes, may be sold to an employee of the state or subdivision after reasonable public notice at a public auction or by sealed response, if the employee is not directly involved in the auction or process pertaining to the administration and collection of sealed responses. Requirements for reasonable public notice may be prescribed by other law or

ordinance so long as at least one week’s published notice is specified. An employee of the state or a political subdivision may purchase no more than one motor vehicle from the state in any 12-month period at any one auction. A person violating the provisions of this section is guilty of a misdemeanor. This section shall not apply to the sale of property or materials acquired or produced by the state or subdivision for sale to the general public in the ordinary course of business. Nothing in this section shall prohibit an employee of the state or a political subdivision from selling or possessing for sale public property if the sale or possession for sale is in the ordinary course of business or normal course of the employee’s duties.

Sec. 12. [15.60] PUBLIC SAFETY OFFICERS; AMERICAN FLAG.

(a) A public employer may not forbid a peace officer or firefighter from wearing a patch or pin depicting the flag of the United States of America on the employee’s uniform, according to customary and standard flag etiquette. However, a public employer may limit the size of a flag patch worn on a uniform to no more than three inches by five inches.

(b) For purposes of this section:

(1) “peace officer” has the meaning given in section 626.84, subdivision 1, paragraph (c) or (f);

(2) “firefighter” means a person as defined in section 299A.41, subdivision 4, clause (3) or (4); and

(3) “public employer” has the meaning given in section 179A.03, subdivision 15, and also includes a municipal fire department and an independent nonprofit firefighting corporation.

(c) A peace officer or firefighter who believes a public employer is violating this section may request the attorney general to issue an opinion on the issue. Upon request, the attorney general must issue a written opinion, which is binding, unless a court makes a contrary decision. If after issuing an opinion, the attorney general determines that a public employer continues to violate this section, the attorney general may bring an action in district court to compel compliance.

Sec. 13. Minnesota Statutes 2004, section 16A.103, is amended by adding a subdivision to read:

Subd. 4. REPORT ON EXPENDITURE INCREASES. By January 10 of an odd-numbered year, the commissioner of finance must report on those programs or components of programs for which expenditures for the next biennium according to the forecast issued the previous November are projected to increase more than 15 percent over the expenditures for that program in the current biennium. The report must include an analysis of the factors that are causing the increases in expenditures.

Sec. 14. Minnesota Statutes 2004, section 16A.1286, subdivision 3, is amended to read:

Subd. 3. APPROPRIATION. Money transferred into the account is appropriated to the commissioner to pay for statewide systems services during the biennium in which it is appropriated.

New language is indicated by underline, deletions by strikeout.
Sec. 15. Minnesota Statutes 2004, section 16A.151, subdivision 2, is amended to read:

Subd. 2. EXCEPTIONS. (a) If a state official litigates or settles a matter on behalf of specific injured persons or entities, this section does not prohibit distribution of money to the specific injured persons or entities on whose behalf the litigation or settlement efforts were initiated. If money recovered on behalf of injured persons or entities cannot reasonably be distributed to those persons or entities because they cannot readily be located or identified or because the cost of distributing the money would outweigh the benefit to the persons or entities, the money must be paid into the general fund.

(b) Money recovered on behalf of a fund in the state treasury other than the general fund may be deposited in that fund.

(c) This section does not prohibit a state official from distributing money to a person or entity other than the state in litigation or potential litigation in which the state is a defendant or potential defendant.

(d) State agencies may accept funds as directed by a federal court for any restitution or monetary penalty under United States Code, title 18, section 3663(a)(3) or United States Code, title 18, section 3663A(a)(3). Funds received must be deposited in a special revenue account and are appropriated to the commissioner of the agency for the purpose as directed by the federal court.

(e) Subdivision 1 does not apply to a recovery or settlement of less than $750,000.

Sec. 16. Minnesota Statutes 2004, section 16A.152, subdivision 2, is amended to read:

Subd. 2. ADDITIONAL REVENUES; PRIORITY. (a) If on the basis of a forecast of general fund revenues and expenditures, the commissioner of finance determines that there will be a positive unrestricted budgetary general fund balance at the close of the biennium, the commissioner of finance must allocate money to the following accounts and purposes in priority order:

(1) the cash flow account established in subdivision 1 until that account reaches $350,000,000;

(2) the budget reserve account established in subdivision 1a until that account reaches $653,000,000;

The board shall establish criteria for the selection process and make this information public, and shall compile data on and conduct interviews of designers. The board’s selection criteria must include consideration of each interested designer’s performance on previous projects for the state or any other person. Upon completing the process, the board shall select the primary designer and shall state its reasons in writing. If the board’s vote for the selection of a primary designer results in a tie vote, the nonvoting member appointed under subdivision 2, paragraph (b), must vote for the selection of the primary designer. Notification to the commissioner of the selection shall be made not more than 60 days after receipt from a user agency of a request for a primary designer. The commissioner shall promptly notify the designer and the user agency. projects under their supervision, shall forward to the board a written report describing
each instance in which the performance of a designer selected by the board or the

responsive to program needs within the constraints of the budget, to solve design
problems and achieve a design consistent with the proposed function of the building,
to avoid costly design errors or omissions, and to observe the construction work. These

analysis. Money appropriated for the contract or purchase must be used to pay for the
analysis. A cost-benefit analysis must be performed for a project if an aggregation of
contracts or purchases for a project exceeds $50,000,000.

(b) All cost-benefit analysis documents under this section, including preliminary
drafts and notes, are public data.

(c) If a cost-benefit analysis does not show a positive benefit to the public, the
governor may approve a contract or purchase of goods or services if a cost-
effectiveness study had been done that shows the proposed project is the most effective
way to provide a necessary public good.

(d) This section applies to contracts for goods or services that are expected to have
a useful life of more than three years. This section does not apply for purchase of goods
or services for response to a natural disaster if an emergency has been declared by the
governor. This section does not apply to contracts involving the Minnesota state

The election judges shall mark the return envelope “Accepted” and initial or sign the return envelope below the word “Accepted” if the election judges are satisfied that:

Election judges must note the reason for rejection on the back of the envelope in the space provided for that purpose.

Failure to return unused ballots shall not invalidate a marked ballot, but a ballot shall not be counted if the affidavit on the return envelope is not properly executed. In all other respects the provisions of the Minnesota Election Law governing deposit and counting of ballots shall apply.
