BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

ARTICLE 1

CHILD WELFARE: ALTERNATIVE RESPONSE

Section 1. Minnesota Statutes 2004, section 626.556, subdivision 1, is amended to read:

Subdivision 1. **PUBLIC POLICY.** The legislature hereby declares that the public policy of this state is to protect children whose health or welfare may be jeopardized through physical abuse, neglect, or sexual abuse. While it is recognized that most parents want to keep their children safe, sometimes circumstances or conditions interfere with their ability to do so. When this occurs, families are best served by interventions that engage their protective capacities and address immediate safety concerns and ongoing risks of child maltreatment. In furtherance of this public policy, it is the intent of the legislature under this section to strengthen the family and make the home, school, and community safe for children by promoting responsible child care in all settings; and to provide, when necessary, a safe temporary or permanent home environment for physically or sexually abused or neglected children.

In addition, it is the policy of this state to require the reporting of neglect, physical or sexual abuse of children in the home, school, and community settings; to provide for

the voluntary reporting of abuse or neglect of children; to require ~~the~~ a family assessment and, when appropriate, as the preferred response to reports not alleging substantial child endangerment; to require an investigation of the reports when the report alleges substantial child endangerment; and to provide protective and ~~counseling,~~ family support, and family preservation services when needed in appropriate cases.

Sec. 2. Minnesota Statutes 2004, section 626.556, subdivision 2, is amended to read:

Subd. 2. **DEFINITIONS.** As used in this section, the following terms have the meanings given them unless the specific content indicates otherwise:

(a) “Family assessment” means a comprehensive assessment of child safety, risk of subsequent child maltreatment, and family strengths and needs that is applied to a child maltreatment report that does not allege substantial child endangerment. Family assessment does not include a determination as to whether child maltreatment occurred but does determine the need for services to address the safety of family members and the risk of subsequent maltreatment.

(b) “Investigation” means fact gathering related to the current safety of a child and the risk of subsequent maltreatment that determines whether child maltreatment occurred and whether child protective services are needed. An investigation must be used when reports involve substantial child endangerment, and for reports of maltreatment in facilities required to be licensed under chapter 245A or 245B; under sections 144.50 to 144.58 and 241.021; in a school as defined in sections 120A.05, subdivisions 9, 11, and 13, and 124D.10; or in a nonlicensed personal care provider association as defined in sections 256B.04, subdivision 16, and 256B.0625, subdivision 19a.

(c) “Substantial child endangerment” means a person responsible for a child’s care, a person who has a significant relationship to the child as defined in section 609.341, or a person in a position of authority as defined in section 609.341, who by act or omission commits or attempts to commit an act against a child under their care that constitutes any of the following:

(1) egregious harm as defined in section 260C.007, subdivision 14;

(2) sexual abuse as defined in paragraph (d);

(3) abandonment under section 260C.301, subdivision 2;

(4) neglect as defined in paragraph (f), clause (2), that substantially endangers the child’s physical or mental health, including a growth delay, which may be referred to as failure to thrive, that has been diagnosed by a physician and is due to parental neglect;

(5) murder in the first, second, or third degree under section 609.185, 609.19, or 609.195;

(6) manslaughter in the first or second degree under section 609.20 or 609.205;

New language is indicated by underline, deletions by ~~strikeout~~.

(7) assault in the first, second, or third degree under section 609.221, 609.222, or 609.223;

(8) solicitation, inducement, and promotion of prostitution under section 609.322;

(9) criminal sexual conduct under sections 609.342 to 609.3451;

(10) solicitation of children to engage in sexual conduct under section 609.352;

(11) malicious punishment or neglect or endangerment of a child under section 609.377 or 609.378;

(12) use of a minor in sexual performance under section 617.246; or

(13) parental behavior, status, or condition which mandates that the county attorney file a termination of parental rights petition under section 260C.301, subdivision 3, paragraph (a).

(d) "Sexual abuse" means the subjection of a child by a person responsible for the child's care, by a person who has a significant relationship to the child, as defined in section 609.341, or by a person in a position of authority, as defined in section 609.341, subdivision 10, to any act which constitutes a violation of section 609.342 (criminal sexual conduct in the first degree), 609.343 (criminal sexual conduct in the second degree), 609.344 (criminal sexual conduct in the third degree), 609.345 (criminal sexual conduct in the fourth degree), or 609.3451 (criminal sexual conduct in the fifth degree). Sexual abuse also includes any act which involves a minor which constitutes a violation of prostitution offenses under sections 609.321 to 609.324 or 617.246. Sexual abuse includes threatened sexual abuse.

(b) (e) "Person responsible for the child's care" means (1) an individual functioning within the family unit and having responsibilities for the care of the child such as a parent, guardian, or other person having similar care responsibilities, or (2) an individual functioning outside the family unit and having responsibilities for the care of the child such as a teacher, school administrator, other school employees or agents, or other lawful custodian of a child having either full-time or short-term care responsibilities including, but not limited to, day care, babysitting whether paid or unpaid, counseling, teaching, and coaching.

(4) failure to ensure that the child is educated as defined in sections 120A.22 and 260C.163, subdivision 11, which does not include a parent's refusal to provide the parent's child with sympathomimetic medications, consistent with section 125A.091, subdivision 5;

(5) nothing in this section shall be construed to mean that a child is neglected solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child in lieu of medical care; except that a parent, guardian, or caretaker, or a person mandated to report pursuant to subdivision 3, has a duty to report if a lack of medical care may cause serious danger to the child's health. This section does not impose upon persons, not otherwise legally responsible for providing a child with necessary food, clothing, shelter, education, or medical care, a duty to provide that care;

(6) prenatal exposure to a controlled substance, as defined in section 253B.02, subdivision 2, used by the mother for a nonmedical purpose, as evidenced by withdrawal symptoms in the child at birth, results of a toxicology test performed on the mother at delivery or the child at birth, or medical effects or developmental delays during the child's first year of life that medically indicate prenatal exposure to a controlled substance;

(7) "medical neglect" as defined in section 260C.007, subdivision 6, clause (5);

(8) chronic and severe use of alcohol or a controlled substance by a parent or person responsible for the care of the child that adversely affects the child's basic needs and safety; or

(9) emotional harm from a pattern of behavior which contributes to impaired emotional functioning of the child which may be demonstrated by a substantial and observable effect in the child's behavior, emotional response, or cognition that is not within the normal range for the child's age and stage of development, with due regard to the child's culture.

(d) (g) "Physical abuse" means any physical injury, mental injury, or threatened injury, inflicted by a person responsible for the child's care on a child other than by accidental means, or any physical or mental injury that cannot reasonably be explained by the child's history of injuries, or any aversive or deprivation procedures, or regulated interventions, that have not been authorized under section 121A.67 or 245.825. Abuse does not include reasonable and moderate physical discipline of a child administered by a parent or legal guardian which does not result in an injury. Abuse does not include the use of reasonable force by a teacher, principal, or school employee as allowed by section 121A.582. Actions which are not reasonable and moderate include, but are not limited to, any of the following that are done in anger or without regard to the safety of the child:

(1) throwing, kicking, burning, biting, or cutting a child;

New language is indicated by underline, deletions by ~~strikeout~~.

- (5) unreasonable interference with a child's breathing;
- (6) threatening a child with a weapon, as defined in section 609.02, subdivision 6;

~~(f)~~ (n) "Threatened injury" means a statement, overt act, condition, or status that represents a substantial risk of physical or sexual abuse or mental injury. Threatened injury includes, but is not limited to, exposing a child to a person responsible for the child's care, as defined in paragraph ~~(b)~~ (c), clause (1), who has:

(1) subjected a child to, or failed to protect a child from, an overt act or condition that constitutes egregious harm, as defined in section 260C.007, subdivision 14, or a similar law of another jurisdiction;

Sec. 3. Minnesota Statutes 2004, section 626.556, subdivision 3, is amended to read:

Subd. 3. **PERSONS MANDATED TO REPORT.** (a) A person who knows or has reason to believe a child is being neglected or physically or sexually abused, as defined in subdivision 2, or has been neglected or physically or sexually abused within the preceding three years, shall immediately report the information to the local welfare agency, agency responsible for assessing or investigating the report, police department, or the county sheriff if the person is:

(1) a professional or professional's delegate who is engaged in the practice of the healing arts, social services, hospital administration, psychological or psychiatric treatment, child care, education, probation and correctional services, or law enforcement; or

(2) employed as a member of the clergy and received the information while engaged in ministerial duties, provided that a member of the clergy is not required by this subdivision to report information that is otherwise privileged under section 595.02, subdivision 1, paragraph (c).

The police department or the county sheriff, upon receiving a report, shall immediately notify the local welfare agency or agency responsible for assessing or investigating the report, orally and in writing. The local welfare agency, or agency responsible for assessing or investigating the report, upon receiving a report, shall

immediately notify the local police department or the county sheriff orally and in writing. The county sheriff and the head of every local welfare agency, agency responsible for assessing or investigating reports, and police department shall each designate a person within their agency, department, or office who is responsible for ensuring that the notification duties of this paragraph and paragraph (b) are carried out. Nothing in this subdivision shall be construed to require more than one report from any institution, facility, school, or agency.

(b) Any person may voluntarily report to the local welfare agency, agency responsible for assessing or investigating the report, police department, or the county sheriff if the person knows, has reason to believe, or suspects a child is being or has been neglected or subjected to physical or sexual abuse. The police department or the county sheriff, upon receiving a report, shall immediately notify the local welfare agency or agency responsible for assessing or investigating the report, orally and in writing. The local welfare agency or agency responsible for assessing or investigating the report, upon receiving a report, shall immediately notify the local police department or the county sheriff orally and in writing.

(c) A person mandated to report physical or sexual child abuse or neglect occurring within a licensed facility shall report the information to the agency responsible for licensing the facility under sections 144.50 to 144.58; 241.021; 245A.01 to 245A.16; or chapter 245B; or a nonlicensed personal care provider organization as defined in sections 256B.04, subdivision 16; and 256B.0625, subdivision 19. A health or corrections agency receiving a report may request the local welfare agency to provide assistance pursuant to subdivisions 10, 10a, and 10b. A board or other entity whose licensees perform work within a school facility, upon receiving a complaint of alleged maltreatment, shall provide information about the circumstances of the alleged maltreatment to the commissioner of education. Section 13.03, subdivision 4, applies to data received by the commissioner of education from a licensing entity.

(d) Any person mandated to report shall receive a summary of the disposition of any report made by that reporter, including whether the case has been opened for child protection or other services, or if a referral has been made to a community organization, unless release would be detrimental to the best interests of the child. Any person who is not mandated to report shall, upon request to the local welfare agency, receive a concise summary of the disposition of any report made by that reporter, unless release would be detrimental to the best interests of the child.

(e) For purposes of this subdivision, "immediately" means as soon as possible but in no event longer than 24 hours.

Sec. 4. Minnesota Statutes 2004, section 626.556, is amended by adding a subdivision to read:

Subd. 3d. AUTHORITY TO INTERVIEW. The agency responsible for assessing or investigating reports of child maltreatment has the authority to interview the child, the person or persons responsible for the child's care, the alleged perpetrator, and any other person with knowledge of the abuse or neglect for the purpose of gathering the facts, assessing safety and risk to the child, and formulating a plan.

New language is indicated by underline, deletions by ~~strikeout~~.

Sec. 5. Minnesota Statutes 2004, section 626.556, subdivision 10, is amended to read:

Subd. 10. **DUTIES OF LOCAL WELFARE AGENCY AND LOCAL LAW ENFORCEMENT AGENCY UPON RECEIPT OF A REPORT.** (a) Upon receipt of a report, the local welfare agency shall determine whether to conduct a family assessment or an investigation as appropriate to prevent or provide a remedy for child maltreatment. The local welfare agency:

(1) shall conduct an investigation on reports involving substantial child endangerment;

(2) shall begin an immediate investigation if, at any time when it is using a family assessment response, it determines that there is reason to believe that substantial child endangerment or a serious threat to the child's safety exists;

(3) may conduct a family assessment for reports that do not allege substantial child endangerment. In determining that a family assessment is appropriate, the local welfare agency may consider issues of child safety, parental cooperation, and the need for an immediate response; and

(4) may conduct a family assessment on a report that was initially screened and assigned for an investigation. In determining that a complete investigation is not required, the local welfare agency must document the reason for terminating the investigation and notify the local law enforcement agency if the local law enforcement agency is conducting a joint investigation.

If the report alleges neglect, physical abuse, or sexual abuse by a parent, guardian, or individual functioning within the family unit as a person responsible for the child's care, the local welfare agency shall immediately conduct ~~an~~ a family assessment ~~including gathering~~ or investigation as identified in clauses (1) to (4). In conducting a family assessment or investigation, the local welfare agency shall gather information on the existence of substance abuse and domestic violence and offer protective social services for purposes of preventing further abuses ~~future child maltreatment~~, safeguarding and enhancing the welfare of the abused or neglected minor, and supporting and preserving family life whenever possible. If the report alleges a violation of a criminal statute involving sexual abuse, physical abuse, or neglect or endangerment, under section 609.378, the local law enforcement agency and local welfare agency shall coordinate the planning and execution of their respective investigation and assessment efforts to avoid a duplication of fact-finding efforts and multiple interviews. Each agency shall prepare a separate report of the results of its investigation. In cases of alleged child maltreatment resulting in death, the local agency may rely on the fact-finding efforts of a law enforcement investigation to make a determination of whether or not maltreatment occurred. When necessary the local welfare agency shall seek authority to remove the child from the custody of a parent, guardian, or adult with whom the child is living. In performing any of these duties, the local welfare agency shall maintain appropriate records.

New language is indicated by underline, deletions by ~~strikeout~~.

If the family assessment or investigation indicates there is a potential for abuse of alcohol or other drugs by the parent, guardian, or person responsible for the child's care, the local welfare agency shall conduct a chemical use assessment pursuant to Minnesota Rules, part 9530.6615. The local welfare agency shall report the determination of the chemical use assessment, and the recommendations and referrals for alcohol and other drug treatment services to the state authority on alcohol and drug abuse.

(b) When a local agency receives a report or otherwise has information indicating that a child who is a client, as defined in section 245.91, has been the subject of physical abuse, sexual abuse, or neglect at an agency, facility, or program as defined in section 245.91, it shall, in addition to its other duties under this section, immediately inform the ombudsman established under sections 245.91 to 245.97. The commissioner of education shall inform the ombudsman established under sections 245.91 to 245.97 of reports regarding a child defined as a client in section 245.91 that maltreatment occurred at a school as defined in sections 120A.05, subdivisions 9, 11, and 13, and 124D.10.

(c) Authority of the local welfare agency responsible for assessing or investigating the child abuse or neglect report, the agency responsible for assessing or investigating the report, and of the local law enforcement agency for investigating the alleged abuse or neglect includes, but is not limited to, authority to interview, without parental consent, the alleged victim and any other minors who currently reside with or who have resided with the alleged offender. The interview may take place at school or at any facility or other place where the alleged victim or other minors might be found or the child may be transported to, and the interview conducted at, a place appropriate for the interview of a child designated by the local welfare agency or law enforcement agency. The interview may take place outside the presence of the alleged offender or parent, legal custodian, guardian, or school official. For family assessments, it is the preferred practice to request a parent or guardian's permission to interview the child prior to conducting the child interview, unless doing so would compromise the safety assessment. Except as provided in this paragraph, the parent, legal custodian, or guardian shall be notified by the responsible local welfare or law enforcement agency no later than the conclusion of the investigation or assessment that this interview has occurred. Notwithstanding rule 49.02 of the Minnesota Rules of Procedure for Juvenile Courts, the juvenile court may, after hearing on an ex parte motion by the local welfare agency, order that, where reasonable cause exists, the agency withhold notification of this interview from the parent, legal custodian, or guardian. If the interview took place or is to take place on school property, the order shall specify that school officials may not disclose to the parent, legal custodian, or guardian the contents of the notification of intent to interview the child on school property, as provided under this paragraph, and any other related information regarding the interview that may be a part of the child's school record. A copy of the order shall be sent by the local welfare or law enforcement agency to the appropriate school official.

(d) When the local welfare, local law enforcement agency, or the agency responsible for assessing or investigating a report of maltreatment determines that an

interview should take place on school property, written notification of intent to interview the child on school property must be received by school officials prior to the interview. The notification shall include the name of the child to be interviewed, the purpose of the interview, and a reference to the statutory authority to conduct an interview on school property. For interviews conducted by the local welfare agency, the notification shall be signed by the chair of the local social services agency or the chair's designee. The notification shall be private data on individuals subject to the provisions of this paragraph. School officials may not disclose to the parent, legal custodian, or guardian the contents of the notification or any other related information regarding the interview until notified in writing by the local welfare or law enforcement agency that the investigation or assessment has been concluded, unless a school employee or agent is alleged to have maltreated the child. Until that time, the local welfare or law enforcement agency or the agency responsible for assessing or investigating a report of maltreatment shall be solely responsible for any disclosures regarding the nature of the assessment or investigation.

Except where the alleged offender is believed to be a school official or employee, the time and place, and manner of the interview on school premises shall be within the discretion of school officials, but the local welfare or law enforcement agency shall have the exclusive authority to determine who may attend the interview. The conditions as to time, place, and manner of the interview set by the school officials shall be reasonable and the interview shall be conducted not more than 24 hours after the receipt of the notification unless another time is considered necessary by agreement between the school officials and the local welfare or law enforcement agency. Where the school fails to comply with the provisions of this paragraph, the juvenile court may order the school to comply. Every effort must be made to reduce the disruption of the educational program of the child, other students, or school staff when an interview is conducted on school premises.

(e) Where the alleged offender or a person responsible for the care of the alleged victim or other minor prevents access to the victim or other minor by the local welfare agency, the juvenile court may order the parents, legal custodian, or guardian to produce the alleged victim or other minor for questioning by the local welfare agency or the local law enforcement agency outside the presence of the alleged offender or any person responsible for the child's care at reasonable places and times as specified by court order.

(f) Before making an order under paragraph (e), the court shall issue an order to show cause, either upon its own motion or upon a verified petition, specifying the basis for the requested interviews and fixing the time and place of the hearing. The order to show cause shall be served personally and shall be heard in the same manner as provided in other cases in the juvenile court. The court shall consider the need for appointment of a guardian ad litem to protect the best interests of the child. If appointed, the guardian ad litem shall be present at the hearing on the order to show cause.

(g) The commissioner of human services, the ombudsman for mental health and mental retardation, the local welfare agencies responsible for investigating reports, the

commissioner of education, and the local law enforcement agencies have the right to enter facilities as defined in subdivision 2 and to inspect and copy the facility's records, including medical records, as part of the investigation. Notwithstanding the provisions of chapter 13, they also have the right to inform the facility under investigation that they are conducting an investigation, to disclose to the facility the names of the individuals under investigation for abusing or neglecting a child, and to provide the facility with a copy of the report and the investigative findings.

(h) The local welfare agency or the agency responsible for assessing or conducting a family assessment shall collect available and relevant information to determine child safety, risk of subsequent child maltreatment, and family strengths and needs. The local welfare agency or the agency responsible for investigating the report shall collect available and relevant information to ascertain whether maltreatment occurred and whether protective services are needed. Information collected includes, when relevant, information with regard to the person reporting the alleged maltreatment, including the nature of the reporter's relationship to the child and to the alleged offender, and the basis of the reporter's knowledge for the report; the child allegedly being maltreated; the alleged offender; the child's caretaker; and other collateral sources having relevant information related to the alleged maltreatment. The local welfare agency or the agency responsible for assessing or investigating the report may make a determination of no maltreatment early in an assessment, and close the case and retain immunity, if the collected information shows no basis for a full assessment or investigation.

Information relevant to the assessment or investigation must be asked for, and may include:

(1) the child's sex and age, prior reports of maltreatment, information relating to developmental functioning, credibility of the child's statement, and whether the information provided under this clause is consistent with other information collected during the course of the assessment or investigation;

(2) the alleged offender's age, a record check for prior reports of maltreatment, and criminal charges and convictions. The local welfare agency or the agency responsible for assessing or investigating the report must provide the alleged offender with an opportunity to make a statement. The alleged offender may submit supporting documentation relevant to the assessment or investigation;

(3) collateral source information regarding the alleged maltreatment and care of the child. Collateral information includes, when relevant: (i) a medical examination of the child; (ii) prior medical records relating to the alleged maltreatment or the care of the child maintained by any facility, clinic, or health care professional and an interview with the treating professionals; and (iii) interviews with the child's caretakers, including the child's parent, guardian, foster parent, child care provider, teachers, counselors, family members, relatives, and other persons who may have knowledge regarding the alleged maltreatment and the care of the child; and

(4) information on the existence of domestic abuse and violence in the home of the child, and substance abuse.

New language is indicated by underline, deletions by ~~strikeout~~.

Nothing in this paragraph precludes the local welfare agency, the local law enforcement agency, or the agency responsible for assessing or investigating the report from collecting other relevant information necessary to conduct the assessment or investigation. Notwithstanding section 13.384 or 144.335, the local welfare agency has access to medical data and records for purposes of clause (3). Notwithstanding the data's classification in the possession of any other agency, data acquired by the local welfare agency or the agency responsible for assessing or investigating the report during the course of the assessment or investigation are private data on individuals and must be maintained in accordance with subdivision 11. Data of the commissioner of education collected or maintained during and for the purpose of an investigation of alleged maltreatment in a school are governed by this section, notwithstanding the data's classification as educational, licensing, or personnel data under chapter 13.

In conducting an assessment or investigation involving a school facility as defined in subdivision 2, paragraph ~~(f)~~ (i), the commissioner of education shall collect investigative reports and data that are relevant to a report of maltreatment and are from local law enforcement and the school facility.

(i) In the initial stages of an assessment or investigation Upon receipt of a report, the local welfare agency shall conduct a face-to-face observation of contact with the child reported to be maltreated and a face-to-face interview of the alleged offender and with the child's primary caregiver sufficient to complete a safety assessment and ensure the immediate safety of the child. The face-to-face contact with the child and primary caregiver shall occur immediately if substantial child endangerment is alleged and within five calendar days for all other reports. If the alleged offender was not already interviewed as the primary caregiver, the local welfare agency shall also conduct a face-to-face interview with the alleged offender in the early stages of the assessment or investigation. At the initial contact, the local child welfare agency or the agency responsible for assessing or investigating the report must inform the alleged offender of the complaints or allegations made against the individual in a manner consistent with laws protecting the rights of the person who made the report. The interview with the alleged offender may be postponed if it would jeopardize an active law enforcement investigation.

(j) When conducting an investigation, the local welfare agency shall use a question and answer interviewing format with questioning as nondirective as possible to elicit spontaneous responses. For investigations only, the following interviewing methods and procedures must be used whenever possible when collecting information:

- (1) audio recordings of all interviews with witnesses and collateral sources; and
- (2) in cases of alleged sexual abuse, audio-video recordings of each interview with the alleged victim and child witnesses.

(k) In conducting an assessment or investigation involving a school facility as defined in subdivision 2, paragraph ~~(f)~~ (i), the commissioner of education shall collect available and relevant information and use the procedures in paragraphs ~~(h)~~, (i), (k), and ~~(j)~~ subdivision 3d, except that the requirement for face-to-face observation of the child and face-to-face interview of the alleged offender is to occur in the initial stages

of the assessment or investigation provided that the commissioner may also base the assessment or investigation on investigative reports and data received from the school facility and local law enforcement, to the extent those investigations satisfy the requirements of paragraphs ~~(h)~~, (i), (k), and ~~(j)~~ subdivision 3d.

Sec. 6. Minnesota Statutes 2004, section 626.556, subdivision 10b, is amended to read:

Subd. 10b. DUTIES OF COMMISSIONER; NEGLECT OR ABUSE IN FACILITY. (a) This section applies to the commissioners of human services, health, and education. The commissioner of the agency responsible for assessing or investigating the report shall immediately assess or investigate if the report alleges that:

(1) a child who is in the care of a facility as defined in subdivision 2 is neglected, physically abused, sexually abused, or is the victim of maltreatment in a facility by an individual in that facility, or has been so neglected or abused, or been the victim of maltreatment in a facility by an individual in that facility within the three years preceding the report; or

(2) a child was neglected, physically abused, sexually abused, or is the victim of maltreatment in a facility by an individual in a facility defined in subdivision 2, while in the care of that facility within the three years preceding the report.

The commissioner of the agency responsible for assessing or investigating the report shall arrange for the transmittal to the commissioner of reports received by local agencies and may delegate to a local welfare agency the duty to investigate reports. In conducting an investigation under this section, the commissioner has the powers and duties specified for local welfare agencies under this section. The commissioner of the agency responsible for assessing or investigating the report or local welfare agency may interview any children who are or have been in the care of a facility under investigation and their parents, guardians, or legal custodians.

(b) Prior to any interview, the commissioner of the agency responsible for assessing or investigating the report or local welfare agency shall notify the parent, guardian, or legal custodian of a child who will be interviewed in the manner provided for in subdivision 10d, paragraph (a). If reasonable efforts to reach the parent, guardian, or legal custodian of a child in an out-of-home placement have failed, the child may be interviewed if there is reason to believe the interview is necessary to protect the child or other children in the facility. The commissioner of the agency responsible for assessing or investigating the report or local agency must provide the information required in this subdivision to the parent, guardian, or legal custodian of a child interviewed without parental notification as soon as possible after the interview. When the investigation is completed, any parent, guardian, or legal custodian notified under this subdivision shall receive the written memorandum provided for in subdivision 10d, paragraph (c).

(c) In conducting investigations under this subdivision the commissioner or local welfare agency shall obtain access to information consistent with subdivision 10, paragraphs (h), (i), and (j). In conducting assessments or investigations under this

subdivision, the commissioner of education shall obtain access to reports and investigative data that are relevant to a report of maltreatment and are in the possession of a school facility as defined in subdivision 2, paragraph (f) (i), notwithstanding the classification of the data as educational or personnel data under chapter 13. This includes, but is not limited to, school investigative reports, information concerning the conduct of school personnel alleged to have committed maltreatment of students, information about witnesses, and any protective or corrective action taken by the school facility regarding the school personnel alleged to have committed maltreatment.

(d) The commissioner may request assistance from the local social services agency.

Sec. 7. Minnesota Statutes 2004, section 626.556, subdivision 10e, is amended to read:

Subd. 10e. **DETERMINATIONS.** ~~Upon the conclusion of every assessment or investigation it conducts,~~ (a) The local welfare agency shall conclude the family assessment or the investigation within 45 days of the receipt of a report. The conclusion of the assessment or investigation may be extended to permit the completion of a criminal investigation or the receipt of expert information requested within 45 days of the receipt of the report.

(b) After conducting a family assessment, the local welfare agency shall determine whether services are needed to address the safety of the child and other family members and the risk of subsequent maltreatment.

(c) After conducting an investigation, the local welfare agency shall make two determinations: first, whether maltreatment has occurred; and second, whether child protective services are needed. Upon the conclusion of

(d) If the commissioner of education conducts an assessment or investigation by the commissioner of education, the commissioner shall determine whether maltreatment occurred and what corrective or protective action was taken by the school facility. If a determination is made that maltreatment has occurred, the commissioner shall report to the employer, the school board, and any appropriate licensing entity the determination that maltreatment occurred and what corrective or protective action was taken by the school facility. In all other cases, the commissioner shall inform the school board or employer that a report was received, the subject of the report, the date of the initial report, the category of maltreatment alleged as defined in paragraph (a) (f), the fact that maltreatment was not determined, and a summary of the specific reasons for the determination.

(e) When maltreatment is determined in an investigation involving a facility, the investigating agency shall also determine whether the facility or individual was responsible, or whether both the facility and the individual were responsible for the maltreatment using the mitigating factors in paragraph (d) (i). Determinations under this subdivision must be made based on a preponderance of the evidence and are private data on individuals or nonpublic data as maintained by the commissioner of education.

New language is indicated by underline, deletions by ~~strikeout~~.

(a) (f) For the purposes of this subdivision, "maltreatment" means any of the following acts or omissions:

- (1) physical abuse as defined in subdivision 2, paragraph ~~(d)~~ (g);
- (2) neglect as defined in subdivision 2, paragraph ~~(e)~~ (f);
- (3) sexual abuse as defined in subdivision 2, paragraph ~~(a)~~ (d);
- (4) mental injury as defined in subdivision 2, paragraph ~~(k)~~ (m); or
- (5) maltreatment of a child in a facility as defined in subdivision 2, paragraph ~~(f)~~ (i).

(b) (g) For the purposes of this subdivision, a determination that child protective services are needed means that the local welfare agency has documented conditions during the assessment or investigation sufficient to cause a child protection worker, as defined in section 626.559, subdivision 1, to conclude that a child is at significant risk of maltreatment if protective intervention is not provided and that the individuals responsible for the child's care have not taken or are not likely to take actions to protect the child from maltreatment or risk of maltreatment.

~~(e)~~ (h) This subdivision does not mean that maltreatment has occurred solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child, in lieu of medical care. However, if lack of medical care may result in serious danger to the child's health, the local welfare agency may ensure that necessary medical services are provided to the child.

~~(d)~~ (i) When determining whether the facility or individual is the responsible party for determined maltreatment in a facility, the investigating agency shall consider at least the following mitigating factors:

(1) whether the actions of the facility or the individual caregivers were according to, and followed the terms of, an erroneous physician order, prescription, individual care plan, or directive; however, this is not a mitigating factor when the facility or caregiver was responsible for the issuance of the erroneous order, prescription, individual care plan, or directive or knew or should have known of the errors and took no reasonable measures to correct the defect before administering care;

(2) comparative responsibility between the facility, other caregivers, and requirements placed upon an employee, including the facility's compliance with related regulatory standards and the adequacy of facility policies and procedures, facility training, an individual's participation in the training, the caregiver's supervision, and facility staffing levels and the scope of the individual employee's authority and discretion; and

(3) whether the facility or individual followed professional standards in exercising professional judgment.

(j) Individual counties may implement more detailed definitions or criteria that indicate which allegations to investigate, as long as a county's policies are consistent

with the definitions in the statutes and rules and are approved by the county board. Each local welfare agency shall periodically inform mandated reporters under subdivision 3 who work in the county of the definitions of maltreatment in the statutes and rules and any additional definitions or criteria that have been approved by the county board.

Sec. 8. Minnesota Statutes 2004, section 626.556, subdivision 10f, is amended to read:

Subd. 10f. **NOTICE OF DETERMINATIONS.** Within ten working days of the conclusion of a family assessment, the local welfare agency shall notify the parent or guardian of the child of the need for services to address child safety concerns or significant risk of subsequent child maltreatment. The local welfare agency and the family may also jointly agree that family support and family preservation services are needed. Within ten working days of the conclusion of an assessment investigation, the local welfare agency or agency responsible for assessing or investigating the report shall notify the parent or guardian of the child, the person determined to be maltreating the child, and if applicable, the director of the facility, of the determination and a summary of the specific reasons for the determination. The notice must also include a certification that the information collection procedures under subdivision 10, paragraphs (h), (i), and (j), were followed and a notice of the right of a data subject to obtain access to other private data on the subject collected, created, or maintained under this section. In addition, the notice shall include the length of time that the records will be kept under subdivision 11c. The investigating agency shall notify the parent or guardian of the child who is the subject of the report, and any person or facility determined to have maltreated a child, of their appeal or review rights under this section or section 256.022.

Sec. 9. Minnesota Statutes 2004, section 626.556, subdivision 10i, is amended to read:

Subd. 10i. **ADMINISTRATIVE RECONSIDERATION OF FINAL DETERMINATION OF MALTREATMENT AND DISQUALIFICATION BASED ON SERIOUS OR RECURRING MALTREATMENT; REVIEW PANEL.** (a) Administrative reconsideration is not applicable in family assessments since no determination concerning maltreatment is made. For investigations, except as provided under paragraph (c), an individual or facility that the commissioner of human services, a local social service agency, or the commissioner of education determines has maltreated a child, an interested person acting on behalf of the child, regardless of the determination, who contests the investigating agency's final determination regarding maltreatment, may request the investigating agency to reconsider its final determination regarding maltreatment. The request for reconsideration must be submitted in writing to the investigating agency within 15 calendar days after receipt of notice of the final determination regarding maltreatment or, if the request is made by an interested person who is not entitled to notice, within 15 days after receipt of the notice by the parent or guardian of the child. Effective January 1, 2002, an individual who was determined to have maltreated a child under this section and who was disqualified on the basis of serious or recurring maltreatment under sections 245C.14 and 245C.15, may request

reconsideration of the maltreatment determination and the disqualification. The request for reconsideration of the maltreatment determination and the disqualification must be submitted within 30 calendar days of the individual's receipt of the notice of disqualification under sections 245C.16 and 245C.17.

(b) Except as provided under paragraphs (e) and (f), if the investigating agency denies the request or fails to act upon the request within 15 calendar days after receiving the request for reconsideration, the person or facility entitled to a fair hearing under section 256.045 may submit to the commissioner of human services or the commissioner of education a written request for a hearing under that section. Section 256.045 also governs hearings requested to contest a final determination of the commissioner of education. For reports involving maltreatment of a child in a facility, an interested person acting on behalf of the child may request a review by the Child Maltreatment Review Panel under section 256.022 if the investigating agency denies the request or fails to act upon the request or if the interested person contests a reconsidered determination. The investigating agency shall notify persons who request reconsideration of their rights under this paragraph. The request must be submitted in writing to the review panel and a copy sent to the investigating agency within 30 calendar days of receipt of notice of a denial of a request for reconsideration or of a reconsidered determination. The request must specifically identify the aspects of the agency determination with which the person is dissatisfied.

(c) If, as a result of a reconsideration or review, the investigating agency changes the final determination of maltreatment, that agency shall notify the parties specified in subdivisions 10b, 10d, and 10f.

(d) Except as provided under paragraph (f), if an individual or facility contests the investigating agency's final determination regarding maltreatment by requesting a fair hearing under section 256.045, the commissioner of human services shall assure that the hearing is conducted and a decision is reached within 90 days of receipt of the request for a hearing. The time for action on the decision may be extended for as many days as the hearing is postponed or the record is held open for the benefit of either party.

(e) Effective January 1, 2002, if an individual was disqualified under sections 245C.14 and 245C.15, on the basis of a determination of maltreatment, which was serious or recurring, and the individual has requested reconsideration of the maltreatment determination under paragraph (a) and requested reconsideration of the disqualification under sections 245C.21 to 245C.27, reconsideration of the maltreatment determination and reconsideration of the disqualification shall be consolidated into a single reconsideration. If reconsideration of the maltreatment determination is denied or the disqualification is not set aside under sections 245C.21 to 245C.27, the individual may request a fair hearing under section 256.045. If an individual requests a fair hearing on the maltreatment determination and the disqualification, the scope of the fair hearing shall include both the maltreatment determination and the disqualification.

(f) Effective January 1, 2002, if a maltreatment determination or a disqualification based on serious or recurring maltreatment is the basis for a denial of a license under

section 245A.05 or a licensing sanction under section 245A.07, the license holder has the right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. As provided for under section 245A.08, subdivision 2a, the scope of the contested case hearing shall include the maltreatment determination, disqualification, and licensing sanction or denial of a license. In such cases, a fair hearing regarding the maltreatment determination shall not be conducted under paragraph (b). If the disqualified subject is an individual other than the license holder and upon whom a background study must be conducted under chapter 245C, the hearings of all parties may be consolidated into a single contested case hearing upon consent of all parties and the administrative law judge.

(g) For purposes of this subdivision, "interested person acting on behalf of the child" means a parent or legal guardian; stepparent; grandparent; guardian ad litem; adult stepbrother, stepsister, or sibling; or adult aunt or uncle; unless the person has been determined to be the perpetrator of the maltreatment.

Sec. 10. Minnesota Statutes 2004, section 626.556, is amended by adding a subdivision to read:

Subd. 10l. DOCUMENTATION. When a case is closed that has been open for services, the local welfare agency shall document the outcome of the family assessment or investigation, including a description of services provided and the removal or reduction of risk to the child, if it existed.

Sec. 11. Minnesota Statutes 2004, section 626.556, is amended by adding a subdivision to read:

Subd. 10m. PROVISION OF CHILD PROTECTIVE SERVICES. The local welfare agency shall create a written plan, in collaboration with the family whenever possible, within 30 days of the determination that child protective services are needed or upon joint agreement of the local welfare agency and the family that family support and preservation services are needed. Child protective services for a family are voluntary unless ordered by the court.

Sec. 12. Minnesota Statutes 2004, section 626.556, subdivision 11, is amended to read:

Subd. 11. **RECORDS.** (a) Except as provided in paragraph (b) or (d) and subdivisions 10b, 10d, 10g, and 11b, all records concerning individuals maintained by a local welfare agency or agency responsible for assessing or investigating the report under this section, including any written reports filed under subdivision 7, shall be private data on individuals, except insofar as copies of reports are required by subdivision 7 to be sent to the local police department or the county sheriff. All records concerning determinations of maltreatment by a facility are nonpublic data as maintained by the Department of Education, except insofar as copies of reports are required by subdivision 7 to be sent to the local police department or the county sheriff. Reports maintained by any police department or the county sheriff shall be private data on individuals except the reports shall be made available to the investigating, petitioning, or prosecuting authority, including county medical examiners or county

coroners. Section 13.82, subdivisions 8, 9, and 14, apply to law enforcement data other than the reports. The local social services agency or agency responsible for assessing or investigating the report shall make available to the investigating, petitioning, or prosecuting authority, including county medical examiners or county coroners or their professional delegates, any records which contain information relating to a specific incident of neglect or abuse which is under investigation, petition, or prosecution and information relating to any prior incidents of neglect or abuse involving any of the same persons. The records shall be collected and maintained in accordance with the provisions of chapter 13. In conducting investigations and assessments pursuant to this section, the notice required by section 13.04, subdivision 2, need not be provided to a minor under the age of ten who is the alleged victim of abuse or neglect. An individual subject of a record shall have access to the record in accordance with those sections, except that the name of the reporter shall be confidential while the report is under assessment or investigation except as otherwise permitted by this subdivision. Any person conducting an investigation or assessment under this section who intentionally discloses the identity of a reporter prior to the completion of the investigation or assessment is guilty of a misdemeanor. After the assessment or investigation is completed, the name of the reporter shall be confidential. The subject of the report may compel disclosure of the name of the reporter only with the consent of the reporter or upon a written finding by the court that the report was false and that there is evidence that the report was made in bad faith. This subdivision does not alter disclosure responsibilities or obligations under the Rules of Criminal Procedure.

(b) Upon request of the legislative auditor, data on individuals maintained under this section must be released to the legislative auditor in order for the auditor to fulfill the auditor's duties under section 3.971. The auditor shall maintain the data in accordance with chapter 13.

(c) The commissioner of education must be provided with all requested data that are relevant to a report of maltreatment and are in possession of a school facility as defined in subdivision 2, paragraph ~~(f)~~ (i), when the data is requested pursuant to an assessment or investigation of a maltreatment report of a student in a school. If the commissioner of education makes a determination of maltreatment involving an individual performing work within a school facility who is licensed by a board or other agency, the commissioner shall provide necessary and relevant information to the licensing entity to enable the entity to fulfill its statutory duties. Notwithstanding section 13.03, subdivision 4, data received by a licensing entity under this paragraph are governed by section 13.41 or other applicable law governing data of the receiving entity, except that this section applies to the classification of and access to data on the reporter of the maltreatment.

(d) The investigating agency shall exchange not public data with the Child Maltreatment Review Panel under section 256.022 if the data are pertinent and necessary for a review requested under section 256.022. Upon completion of the review, the not public data received by the review panel must be returned to the investigating agency.

CHILD WELFARE: PERMANENCY

Section 1. Minnesota Statutes 2004, section 257.85, subdivision 2, is amended to read:

Subd. 2. **SCOPE.** The provisions of this section apply to those situations in which the legal and physical custody of a child is established with a relative or important friend with whom the child has resided or had significant contact according to section 260C.201, subdivision 11, by a district court order issued on or after July 1, 1997, or a tribal court order issued on or after July 1, 2005, when the child has been removed from the care of the parent by previous district or tribal court order.

Sec. 2. Minnesota Statutes 2004, section 257.85, subdivision 3, is amended to read:

Subd. 3. **DEFINITIONS.** For purposes of this section, the terms defined in this subdivision have the meanings given them.

(a) "MFIP standard" means the transitional standard used to calculate assistance under the MFIP program, or, if permanent legal and physical custody of the child is given to a relative custodian residing outside of Minnesota, the analogous transitional standard or standard of need used to calculate assistance under the TANF program of the state where the relative custodian lives.

(b) "Local agency" means the local county social services agency or tribal social services agency with legal custody of a child prior to the transfer of permanent legal and physical custody.

(c) "Permanent legal and physical custody" means permanent legal and physical custody ordered by a Minnesota Juvenile Court under section 260C.201, subdivision ~~27~~ 11.

(d) "Relative" has the meaning given in section 260C.007, subdivision 27.

(e) "Relative custodian" means a person who has permanent legal and physical custody of a child. When siblings, including half-siblings and stepsiblings, are placed together in permanent legal and physical custody, the person receiving permanent legal and physical custody of the siblings is considered a relative custodian of all of the siblings for purposes of this section.

(f) "Relative custody assistance agreement" means an agreement entered into between a local agency and a person who has been or will be awarded permanent legal and physical custody of a child.

(g) "Relative custody assistance payment" means a monthly cash grant made to a relative custodian pursuant to a relative custody assistance agreement and in an amount calculated under subdivision 7.

New language is indicated by underline, deletions by ~~strikeout~~.

(h) "Remains in the physical custody of the relative custodian" means that the relative custodian is providing day-to-day care for the child and that the child lives with the relative custodian; absence from the relative custodian's home for a period of more than 120 days raises a presumption that the child no longer remains in the physical custody of the relative custodian.

Sec. 3. Minnesota Statutes 2004, section 259.23, subdivision 1, is amended to read:

Subdivision 1. **VENUE.** (a) Except as provided in section 260C.101, subdivision 2, the juvenile court shall have original jurisdiction in all adoption proceedings. The proper venue for an adoption proceeding shall be the county of the petitioner's residence, except as provided in paragraph (b). ~~However,~~

(b) Venue for the adoption of a child committed to the guardianship of the commissioner of human services shall be the county with jurisdiction in the matter according to section 260C.317, subdivision 3.

(c) Upon request of the petitioner, the court having jurisdiction over the matter under section 260C.317, subdivision 3, may transfer venue of an adoption proceeding involving a child under the guardianship of the commissioner to the county of the petitioner's residence upon determining that:

(1) the commissioner has given consent to the petitioner's adoption of the child or that consent is unreasonably withheld;

(2) there is no other adoption petition for the child that has been filed or is reasonably anticipated by the commissioner or the commissioner's delegate to be filed; and

(3) transfer of venue is in the best interests of the child.

Transfer of venue under this paragraph shall be according to the rules of adoption court procedure.

(d) In all other adoptions, if the petitioner has acquired a new residence in another county and requests a transfer of the adoption proceeding, the court in which an adoption is initiated may transfer the proceeding to the appropriate court in the new county of residence if the transfer is in the best interests of the person to be adopted. The court transfers the proceeding by ordering a continuance and by forwarding to the court administrator of the appropriate court a certified copy of all papers filed, together with an order of transfer. The transferring court also shall forward copies of the order of transfer to the commissioner of human services and any agency participating in the proceedings. The judge of the receiving court shall accept the order of the transfer and any other documents transmitted and hear the case; provided, however, the receiving court may in its discretion require the filing of a new petition prior to the hearing.

Sec. 4. Minnesota Statutes 2004, section 259.23, subdivision 2, is amended to read:

New language is indicated by underline, deletions by ~~strikeout~~.

(a) The full name, age and place of residence of petitioner, and if married, the date and place of marriage;

(b) The date petitioner acquired physical custody of the child and from what person or agency;

(c) The date of birth of the child, if known, and the state and county where born;

(d) The name of the child's parents, if known, and the guardian if there be one;

(e) The actual name of the child, if known, and any known aliases;

(f) The name to be given the child if a change of name is desired;

(g) The description and value of any real or personal property owned by the child;

(h) That the petitioner desires that the relationship of parent and child be established between petitioner and the child, and that it is to the best interests of the child for the child to be adopted by the petitioner.

In agency placements, the information required in clauses (d) and (e) above shall not be required to be alleged in the petition but shall be transmitted to the court by the commissioner of human services or the agency.

Sec. 5. Minnesota Statutes 2004, section 259.41, subdivision 3, is amended to read:

Subd. 3. **BACKGROUND CHECK; AFFIDAVIT OF HISTORY.** (a) At the time an adoption study is commenced, each prospective adoptive parent must:

(1) authorize access by the agency to any private data needed to complete the study;

(2) provide all addresses at which the prospective adoptive parent and anyone in the household over the age of 13 has resided in the previous ~~ten~~ five years; and

(3) disclose any names used previously other than the name used at the time of the study; and

~~(4) provide a set of fingerprints, which shall be forwarded to the Bureau of Criminal Apprehension to facilitate the criminal conviction background check required under paragraph (b).~~

(b) When the requirements of paragraph (a) have been met, the agency shall immediately begin a background check, on each person over the age of 13 living in the home, consisting, at a minimum, of the following:

(2) a check for data on substantiated maltreatment of a child or vulnerable adult and domestic violence data with local law enforcement and social services agencies and district courts; and

(3) for those persons under the age of 25, a check of juvenile court records.

Notwithstanding the provisions of section 260B.171 or 260C.171, the Bureau of Criminal Apprehension, local law enforcement and social services agencies, district courts, and juvenile courts shall release the requested information to the agency completing the adoption study.

(c) When paragraph (b) requires checking the data or records of local law enforcement and social services agencies and district and juvenile courts, the agency shall check with the law enforcement and social services agencies and courts whose jurisdictions cover the addresses under paragraph (a), clause (2). In the event that the agency is unable to complete any of the record checks required by paragraph (b), the agency shall document the fact and the agency's efforts to obtain the information.

(d) For a study completed under this section, when the agency has reasonable cause to believe that further information may exist on the prospective adoptive parent or household member over the age of 13 that may relate to the health, safety, or welfare of the child, the prospective adoptive parent or household member over the age of 13 shall provide the agency with a set of classifiable fingerprints obtained from an authorized law enforcement agency and the agency may obtain criminal history data from the National Criminal Records Repository by submitting fingerprints to the Bureau of Criminal Apprehension. The agency has reasonable cause when, but not limited to, the:

(1) information from the Bureau of Criminal Apprehension indicates that the prospective adoptive parent or household member over the age of 13 is a multistate offender;

(2) information from the Bureau of Criminal Apprehension indicates that multistate offender status is undetermined;

(3) the agency has received a report from the prospective adoptive parent or household member over the age of 13 or a third party indicating that the prospective adoptive parent or household member over the age of 13 has a criminal history in a jurisdiction other than Minnesota; or

(4) the prospective adoptive parent or household member over the age of 13 is or has been a resident of a state other than Minnesota in the prior five years.

~~(e)~~ (e) At any time prior to completion of the background check required under paragraph (b), a prospective adoptive parent may submit to the agency conducting the study a sworn affidavit stating whether they or any person residing in the household have been convicted of a crime. The affidavit shall also state whether the adoptive parent or any other person residing in the household is the subject of an open investigation of, or have been the subject of a substantiated allegation of, child or vulnerable-adult maltreatment within the past ten years. A complete description of the

crime, open investigation, or substantiated abuse, and a complete description of any sentence, treatment, or disposition must be included. The affidavit must contain an acknowledgment that if, at any time before the adoption is final, a court receives evidence leading to a conclusion that a prospective adoptive parent knowingly gave false information in the affidavit, it shall be determined that the adoption of the child by the prospective adoptive parent is not in the best interests of the child.

(d) (f) For the purposes of subdivision 1 and section 259.47, subdivisions 3 and 6, an adoption study is complete for placement, even though the background checks required by paragraph (b) have not been completed, if each prospective adoptive parent has completed the affidavit allowed by paragraph (e) (e) and the other requirements of this section have been met. The background checks required by paragraph (b) must be completed before an adoption petition is filed. If an adoption study has been submitted to the court under section 259.47, subdivision 3 or 6, before the background checks required by paragraph (b) were complete, an updated adoption study report which includes the results of the background check must be filed with the adoption petition. In the event that an agency is unable to complete any of the records checks required by paragraph (b), the agency shall submit with the petition to adopt an affidavit documenting the agency's efforts to complete the checks.

Sec. 6. Minnesota Statutes 2004, section 259.67, subdivision 2, is amended to read:

Subd. 2. **ADOPTION ASSISTANCE AGREEMENT.** The placing agency shall certify a child as eligible for adoption assistance according to rules promulgated by the commissioner. The placing agency shall not certify a child who remains under the jurisdiction of the sending agency pursuant to section 260.851, article 5, for state-funded adoption assistance when Minnesota is the receiving state. Not later than 30 days after a parent or parents are found and approved for adoptive placement of a child certified as eligible for adoption assistance, and before the final decree of adoption is issued, a written agreement must be entered into by the commissioner, the adoptive parent or parents, and the placing agency. The written agreement must be fully completed by the placing agency and in the form prescribed by the commissioner and must set forth the responsibilities of all parties, the anticipated duration of the adoption assistance payments, and the payment terms. The adoption assistance agreement shall be subject to the commissioner's approval, which must be granted or denied not later than 15 days after the agreement is entered.

The amount of adoption assistance is subject to the availability of state and federal funds and shall be determined through agreement with the adoptive parents. The agreement shall take into consideration the circumstances of the adopting parent or parents, the needs of the child being adopted and may provide ongoing monthly assistance, supplemental maintenance expenses related to the adopted person's special needs, nonmedical expenses periodically necessary for purchase of services, items, or equipment related to the special needs, and medical expenses. The placing agency or the adoptive parent or parents shall provide written documentation to support the need for adoption assistance payments. The commissioner may require periodic reevaluation of adoption assistance payments. The amount of ongoing monthly adoption assistance

granted may in no case exceed that which would be allowable for the child under foster family care and is subject to the availability of state and federal funds.

Sec. 7. Minnesota Statutes 2004, section 259.67, subdivision 4, is amended to read:

Subd. 4. **ELIGIBILITY CONDITIONS.** (a) The placing agency shall use the AFDC requirements as specified in federal law as of July 16, 1996, when determining the child's eligibility for adoption assistance under title IV-E of the Social Security Act. If the child does not qualify, the placing agency shall certify a child as eligible for state funded adoption assistance only if the following criteria are met:

(1) Due to the child's characteristics or circumstances it would be difficult to provide the child an adoptive home without adoption assistance.

(2)(i) A placement agency has made reasonable efforts to place the child for adoption without adoption assistance, but has been unsuccessful; or

(ii) the child's licensed foster parents desire to adopt the child and it is determined by the placing agency that the adoption is in the best interest of the child.

(3) The child has been a ward of the commissioner, a Minnesota-licensed child-placing agency, or a tribal social service agency of Minnesota recognized by the Secretary of the Interior. The placing agency shall not certify a child who remains under the jurisdiction of the sending agency pursuant to section 260.851, article 5, for state-funded adoption assistance when Minnesota is the receiving state.

(b) For purposes of this subdivision, the characteristics or circumstances that may be considered in determining whether a child is a child with special needs under United States Code, title 42, chapter 7, subchapter IV, part E, or meets the requirements of paragraph (a), clause (1), are the following:

(1) The child is a member of a sibling group to be placed as one unit in which at least one sibling is older than 15 months of age or is described in clause (2) or (3).

(2) The child has documented physical, mental, emotional, or behavioral disabilities.

(3) The child has a high risk of developing physical, mental, emotional, or behavioral disabilities.

(4) The child is adopted according to tribal law without a termination of parental rights or relinquishment, provided that the tribe has documented the valid reason why the child cannot or should not be returned to the home of the child's parent.

(c) When a child's eligibility for adoption assistance is based upon the high risk of developing physical, mental, emotional, or behavioral disabilities, payments shall not be made under the adoption assistance agreement unless and until the potential disability manifests itself as documented by an appropriate health care professional.

Sec. 8. Minnesota Statutes 2004, section 259.75, subdivision 1, is amended to read:

New language is indicated by underline, deletions by ~~strikeout~~.

Subdivision 1. **ESTABLISHMENT; CONTENTS; AVAILABILITY.** The commissioner of human services shall establish an adoption exchange, ~~which shall include but not be limited to a book, updated monthly,~~ that contains a photograph and description of each child who has been legally freed for adoption. The exchange service shall be available to all local social service agencies and licensed child-placing agencies whose purpose is to assist in the adoptive placement of children, and the exchange book shall be distributed to all such agencies.

Sec. 9. Minnesota Statutes 2004, section 259.79, subdivision 1, is amended to read:

Subdivision 1. **CONTENT.** (a) The adoption records of the commissioner, the commissioner's agents and licensed child-placing agencies shall contain copies of all relevant legal documents, responsibly collected genetic, medical and social history of the child and the child's birth parents, the child's placement record, copies of all pertinent agreements, contracts, and correspondence relevant to the adoption, and copies of all reports and recommendations made to the court.

(b) The commissioner of human services shall maintain a permanent record of all adoptions granted in district court in Minnesota regarding children who are:

(1) under guardianship of the commissioner or a licensed child-placing agency according to section 260C.201, subdivision 11, or 260C.317;

(2) placed by the commissioner, commissioner's agent, or licensed child-placing agency after a consent to adopt according to section 259.24 or under an agreement conferring authority to place for adoption according to section 259.25; or

(3) adopted after a direct adoptive placement approved by the district court under section 259.47.

Each record shall contain identifying information about the child, the birth or legal parents, and adoptive parents, including race where such data is available. The record must also contain: (1) the date the child was legally freed for adoption; (2) the date of the adoptive placement; (3) the name of the placing agency; (4) the county where the adoptive placement occurred; (5) the date that the petition to adopt was filed; (6) the county where the petition to adopt was filed; and (7) the date and county where the adoption decree was granted.

(c) Identifying information contained in the adoption record shall be confidential and shall be disclosed only pursuant to section 259.61.

Sec. 10. Minnesota Statutes 2004, section 259.85, subdivision 1, is amended to read:

Subdivision 1. **PURPOSE.** The commissioner of human services shall establish and supervise a postadoption service grants program to be administered by local social service agencies for the purpose of preserving and strengthening adoptive families. Sec. 11. Minnesota Statutes 2004, section 260.012, is amended to read:

260.012 DUTY TO ENSURE PLACEMENT PREVENTION AND FAMILY REUNIFICATION; REASONABLE EFFORTS.

(a) Once a child alleged to be in need of protection or services is under the court's jurisdiction, the court shall ensure that reasonable efforts, including culturally appropriate services, by the social services agency are made to prevent placement or to eliminate the need for removal and to reunite the child with the child's family at the earliest possible time, consistent with the best interests, safety, and protection of the child and when a child cannot be reunified with the parent or guardian from whom the child was removed, the court must ensure that the responsible social services agency makes reasonable efforts to finalize an alternative permanent plan for the child as provided in paragraph (e). In determining reasonable efforts to be made with respect to a child and in making those reasonable efforts, the child's best interests, health, and safety must be of paramount concern. Reasonable efforts to prevent placement and for rehabilitation and reunification are not always required except upon a determination by the court that:

(1) a termination of parental rights petition has been filed stating a prima facie case that:

(i) the parent has subjected a child to egregious harm as defined in section 260C.007, subdivision 14;

(ii) the parental rights of the parent to another child have been terminated involuntarily;

(iii) the child is an abandoned infant under section 260C.301, subdivision 2, paragraph (a), clause (2); or

(iv) the parent's custodial rights to another child have been involuntarily transferred to a relative under section 260C.201, subdivision 11, paragraph (e), clause (1), or a similar law of another jurisdiction; or

(2) the county attorney has filed a determination not to proceed with a termination of parental rights petition on these grounds was made under section 260C.301, subdivision 3, paragraph (b), and a permanency hearing is held within 30 days of the determination; or

(3) a termination of parental rights petition or other petition according to section 260C.201, subdivision 11, has been filed alleging a prima facie case that

(5) the provision of services or further services for the purpose of reunification is futile and therefore unreasonable under the circumstances.

(b) When the court makes one of the prima facie determinations under paragraph (a), either permanency pleadings under section 260C.201, subdivision 11, or a termination of parental rights petition under sections 260C.141 and 260C.301 must be filed. A permanency hearing under section 260C.201, subdivision 11, must be held within 30 days of this determination.

(c) In the case of an Indian child, in proceedings under sections 260B.178 or 260C.178, 260C.201, and 260C.301 the juvenile court must make findings and conclusions consistent with the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901 et seq., as to the provision of active efforts. If a child is under the court's delinquency jurisdiction, it shall be the duty of the court to ensure that reasonable efforts are made to reunite the child with the child's family at the earliest possible time, consistent with the best interests of the child and the safety of the public. In cases governed by the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901, the responsible social services agency must provide active efforts as required under United States Code, title 25, section 1911(d).

(b) (d) "Reasonable efforts to prevent placement" means:

(1) the agency has made reasonable efforts to prevent the placement of the child in foster care; or

(2) given the particular circumstances of the child and family at the time of the child's removal, there are no services or efforts available which could allow the child to safely remain in the home.

(e) "Reasonable efforts to finalize a permanent plan for the child" means due diligence by the responsible social services agency to:

(1) reunify the child with the parent or guardian from whom the child was removed;

(2) assess a noncustodial parent's ability to provide day-to-day care for the child and, where appropriate, provide services necessary to enable the noncustodial parent to safely provide the care, as required by section 260C.212, subdivision 4;

(3) conduct a relative search as required under section 260C.212, subdivision 5; and

(4) when the child cannot return to the parent or guardian from whom the child was removed, to plan for and finalize a safe and legally permanent alternative home for the child, preferably through adoption or transfer of permanent legal and physical custody of the child.

(f) Reasonable efforts are made upon the exercise of due diligence by the responsible social services agency to use culturally appropriate and available services to meet the needs of the child and the child's family in order to prevent removal of the child from the child's family; or upon removal, services to eliminate the need for removal and reunite the family. (1) Services may include those provided by the responsible social services agency and other culturally appropriate services available in the community. (2) At each stage of the proceedings where the court is required to review the appropriateness of the responsible social services agency's reasonable efforts as described in paragraphs (a), (d), and (e), the social services agency has the burden of demonstrating that:

(1) it has made reasonable efforts; or that provision of services or further services for the purpose of rehabilitation and reunification is futile and therefore unreasonable

under the circumstances or that reasonable efforts aimed at reunification are not required under this section to prevent placement of the child in foster care;

(2) it has made reasonable efforts to eliminate the need for removal of the child from the child's home and to reunify the child with the child's family at the earliest possible time;

(3) it has made reasonable efforts to finalize an alternative permanent home for the child; or

(4) reasonable efforts to prevent placement and to reunify the child with the parent or guardian are not required. The agency may meet this burden by stating facts in a sworn petition filed under section 260C.141, or by filing an affidavit summarizing the agency's reasonable efforts or facts the agency believes demonstrate there is no need for reasonable efforts to reunify the parent and child, or through testimony or a certified report required under juvenile court rules.

(3) No (g) Once the court determines that reasonable efforts for reunification are not required when the court makes a determination because the court has made one of the prima facie determinations under paragraph (a) unless, the court may only require reasonable efforts for reunification after a hearing according to section 260C.163, where the court finds there is not clear and convincing evidence of the facts upon which the court based its prima facie determination. In this case when there is clear and convincing evidence that the child is in need of protection or services, the court may proceed under section 260C.312. find the child in need of protection or services and order any of the dispositions available under section 260C.201, subdivision 1. Reunification of a surviving child with a parent is not required if the parent has been convicted of:

(i) (1) a violation of, or an attempt or conspiracy to commit a violation of, sections 609.185 to 609.20; 609.222, subdivision 2; or 609.223 in regard to another child of the parent;

(ii) (2) a violation of section 609.222, subdivision 2; or 609.223, in regard to the surviving child; or

(iii) (3) a violation of, or an attempt or conspiracy to commit a violation of, United States Code, title 18, section 1111(a) or 1112(a), in regard to another child of the parent.

(e) (h) The juvenile court, in proceedings under sections 260B.178 or 260C.178, 260C.201, and 260C.301 shall make findings and conclusions as to the provision of reasonable efforts. When determining whether reasonable efforts have been made, the court shall consider whether services to the child and family were:

- (1) relevant to the safety and protection of the child;
- (2) adequate to meet the needs of the child and family;
- (3) culturally appropriate;
- (4) available and accessible;

- (5) consistent and timely; and
- (6) realistic under the circumstances.

In the alternative, the court may determine that provision of services or further services for the purpose of rehabilitation is futile and therefore unreasonable under the circumstances or that reasonable efforts are not required as provided in paragraph (a).

(d) (i) This section does not prevent out-of-home placement for treatment of a child with a mental disability when the child's diagnostic assessment or individual treatment plan indicates that appropriate and necessary treatment cannot be effectively provided outside of a residential or inpatient treatment program.

(e) (j) If continuation of reasonable efforts described in paragraph (b) to prevent placement or reunify the child with the parent or guardian from whom the child was removed is determined by the court to be inconsistent with the permanent plan for the child, or upon a determination or upon the court making one of the prima facie determinations under paragraph (a), reasonable efforts must be made to place the child in a timely manner in accordance with the permanent plan ordered by the court a safe and permanent home and to complete whatever steps are necessary to legally finalize the permanent plan for placement of the child.

(f) (k) Reasonable efforts to place a child for adoption or in another permanent placement may be made concurrently with reasonable efforts as described in paragraphs (a) and (b) to prevent placement or to reunify the child with the parent or guardian from whom the child was removed. When the responsible social services agency decides to concurrently make reasonable efforts for both reunification and permanent placement away from the parent under paragraphs paragraph (a) and (b), the agency shall disclose its decision and both plans for concurrent reasonable efforts to all parties and the court. When the agency discloses its decision to proceed on both plans for reunification and permanent placement away from the parent, the court's review of the agency's reasonable efforts shall include the agency's efforts under paragraphs (a) and (b) both plans.

Sec. 12. Minnesota Statutes 2004, section 260C.001, subdivision 3, is amended to read:

Subd. 3. **PERMANENCY AND TERMINATION OF PARENTAL RIGHTS.** The purpose of the laws relating to permanency and termination of parental rights is to ensure that:

- (1) when required and appropriate, reasonable efforts have been made by the social services agency to reunite the child with the child's parents in a home that is safe and permanent; and
- (2) if placement with the parents is not reasonably foreseeable, to secure for the child a safe and permanent placement, preferably with adoptive parents or a fit and willing relative through transfer of permanent legal and physical custody to that relative.

New language is indicated by underline, deletions by ~~strikeout~~.

Nothing in this section requires reasonable efforts to prevent placement or to reunify the child with the parent or guardian to be made in circumstances where the court has determined that the child has been subjected to egregious harm or, when the child is an abandoned infant, the parent has involuntarily lost custody of another child through a proceeding under section 260C.201, subdivision 11, or similar law of another state, the parental rights of the parent to a sibling have been involuntarily terminated, or the court has determined that reasonable efforts or further reasonable efforts to reunify the child with the parent or guardian would be futile.

The paramount consideration in all proceedings for permanent placement of the child under section 260C.201, subdivision 11, or the termination of parental rights is the best interests of the child. In proceedings involving an American Indian child, as defined in section 260.755, subdivision 8, the best interests of the child must be determined consistent with the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901, et seq.

Sec. 13. Minnesota Statutes 2004, section 260C.007, subdivision 8, is amended to read:

Subd. 8. **COMPELLING REASONS.** "Compelling reasons" means an individualized determination by the responsible social services agency, which is approved by the court, related to a request by the agency not to initiate proceedings to terminate parental rights or transfer permanent legal and physical custody of a child to the child's relative or former noncustodial parent under section 260C.301, subdivision 3.

Sec. 14. Minnesota Statutes 2004, section 260C.151, subdivision 6, is amended to read:

Subd. 6. **IMMEDIATE CUSTODY.** If the court makes individualized, explicit findings, based on the notarized petition or sworn affidavit, that there are reasonable grounds to believe the child is in surroundings or conditions which endanger the child's health, safety, or welfare that require that responsibility for the child's care and custody be immediately assumed by the court responsible social services agency and that continuation of the child in the custody of the parent or guardian is contrary to the child's welfare, the court may order that the officer serving the summons take the child into immediate custody for placement of the child in foster care. In ordering that responsibility for the care, custody, and control of the child be assumed by the responsible social services agency, the court is ordering emergency protective care as that term is defined in the juvenile court rules.

Sec. 15. Minnesota Statutes 2004, section 260C.178, is amended to read:

260C.178 DETENTION EMERGENCY REMOVAL HEARING.

Subdivision 1. **HEARING AND RELEASE REQUIREMENTS.** (a) If a child was taken into custody under section 260C.175, subdivision 1, clause (a) or (b)(2), the court shall hold a hearing within 72 hours of the time the child was taken into custody, excluding Saturdays, Sundays, and holidays, to determine whether the child should continue in custody.

New language is indicated by underline, deletions by ~~strikeout~~.

(b) Unless there is reason to believe that the child would endanger self or others, not return for a court hearing, run away from the child's parent, guardian, or custodian or otherwise not remain in the care or control of the person to whose lawful custody the child is released, or that the child's health or welfare would be immediately endangered, the child shall be released to the custody of a parent, guardian, custodian, or other suitable person, subject to reasonable conditions of release including, but not limited to, a requirement that the child undergo a chemical use assessment as provided in section 260C.157, subdivision 1. If the court determines there is reason to believe that the child would endanger self or others; not return for a court hearing; run away from the child's parent, guardian, or custodian or otherwise not remain in the care or control of the person to whose lawful custody the child is released; or that the child's health or welfare would be immediately endangered, the court shall order the child into foster care under the responsibility of the responsible social services agency or responsible probation or corrections agency for the purposes of protective care as that term is used in the juvenile court rules. In determining whether the child's health or welfare would be immediately endangered, the court shall consider whether the child would reside with a perpetrator of domestic child abuse.

(c) The court, before determining whether a child should be placed in or continue in custody foster care under the protective care of the responsible agency, shall also make a determination, consistent with section 260.012 as to whether reasonable efforts, ~~or were made to prevent placement or whether reasonable efforts to prevent placement are not required.~~ In the case of an Indian child, the court shall determine whether active efforts, according to the Indian Child Welfare Act of 1978, United States Code, title 25, section 1912(d), were made to prevent placement. The court shall also determine whether there are available services that would prevent the need for further detention. In the alternative, enter a finding that the responsible social services agency has made reasonable efforts to prevent placement when the agency establishes either:

(1) that it has actually provided services or made efforts in an attempt to prevent the child's removal but that such services or efforts have not proven sufficient to permit the child to safely remain in the home; or

(2) that there are no services or other efforts that could be made at the time of the hearing that could safely permit the child to remain home or to return home. When reasonable efforts to prevent placement are required and there are services or other efforts that could be ordered which would permit the child to safely return home, the court shall order the child returned to the care of the parent or guardian and the services or efforts put in place to ensure the child's safety. When the court makes a prima facie determination that one of the circumstances under paragraph (e) exists, the court shall determine that reasonable efforts to prevent placement and to return the child to the care of the parent or guardian are not required if the court makes a prima facie determination that one of the circumstances under paragraph (e) exists.

If the court finds the social services agency's preventive or reunification efforts have not been reasonable but further preventive or reunification efforts could not permit the child to safely remain at home, the court may nevertheless authorize or continue the removal of the child.

New language is indicated by underline, deletions by ~~strikeout~~.

(d) The court may not order or continue the foster care placement of the child unless the court makes explicit, individualized findings that continued custody of the child by the parent or guardian would be contrary to the welfare of the child.

(e) At the detention emergency removal hearing, or at any time during the course of the proceeding, and upon notice and request of the county attorney, the court shall make the following determinations:

(1) determine whether a termination of parental rights petition has been filed stating a prima facie case that:

(i) (1) the parent has subjected a child to egregious harm as defined in section 260C.007, subdivision 14;

(ii) (2) the parental rights of the parent to another child have been involuntarily terminated; or

(iii) (3) the child is an abandoned infant under section 260C.301, subdivision 2, paragraph (a), clause (2);

(2) that (4) the parents' custodial rights to another child have been involuntarily transferred to a relative under section 260C.201, subdivision 11, paragraph (e), clause (1), or a similar law of another jurisdiction; or

(5) the provision of services or further services for the purpose of reunification is futile and therefore unreasonable.

(f) When a petition to terminate parental rights is required under section 260C.301, subdivision 3 or 4, but the county attorney has determined not to proceed with a termination of parental rights petition under section 260C.307; or

(3) whether a termination of parental rights petition or other petition according to section 260C.201, subdivision 11, has been filed alleging a prima facie case that the provision of services or further services for the purpose of rehabilitation and reunification is futile and therefore unreasonable under the circumstances.

If the court determines that the county attorney is not proceeding with a termination of parental rights petition under section 260C.307, but is proceeding with a petition under section 260C.201, subdivision 11, the court shall schedule a permanency hearing within 30 days, and has instead filed a petition to transfer permanent legal and physical custody to a relative under section 260C.201, subdivision 11, the court shall schedule a permanency hearing within 30 days of the filing of the petition.

(g) If the county attorney has filed a petition under section 260C.307, the court shall schedule a trial under section 260C.163 within 90 days of the filing of the petition except when the county attorney determines that the criminal case shall proceed to trial first under section 260C.201, subdivision 3.

(h) If the court determines the child should be ordered into ~~out-of-home placement~~ foster care and the child's parent refuses to give information to the responsible social services agency regarding the child's father or relatives of the child,

New language is indicated by underline, deletions by ~~strikeout~~.

the court may order the parent to disclose the names, addresses, telephone numbers, and other identifying information to the responsible social services agency for the purpose of complying with the requirements of sections 260C.151, 260C.212, and 260C.215.

(g) (i) If a child ordered into ~~out-of-home placement~~ foster care has siblings, whether full, half, or step, who are also ordered into placement foster care, the court shall inquire of the responsible social services agency of the efforts to place the children together as required by section 260C.212, subdivision 2, paragraph (d), if placement together is in each child's best interests, unless a child is in placement due solely to the child's own behavior or a child is placed with a previously noncustodial parent who is not parent to all siblings. If the children are not placed together at the time of the hearing, the court shall inquire at each subsequent hearing of the agency's efforts to place the siblings together. If any sibling is not placed with another sibling or siblings, the agency must develop a plan for visitation among the siblings as required under section 260C.212, subdivision 1.

Subd. 2. **DURATION.** If the court determines that the child should continue in detention, it may order ~~detention continued for eight days, excluding Saturdays, Sundays and holidays, from and including the date of the order. The court shall include in its order the reasons for continued detention and the findings of fact which support these reasons.~~

Subd. 3. **PARENTAL VISITATION.** If a child has been taken into custody under section 260C.151, subdivision 5, or 260C.175, subdivision 1, clause (b)(2), and the court determines that the child should continue in ~~detention~~ foster care, the court shall include in its order reasonable rules for supervised or unsupervised parental visitation of the child in the ~~shelter~~ foster care facility unless it finds that visitation would endanger the child's physical or emotional well-being.

Subd. 4. **MENTAL HEALTH TREATMENT.** (a) Except as provided in paragraph (b), a child who is ~~held~~ ordered placed in detention foster care as an alleged victim of child abuse as defined in section 630.36, subdivision 2, may not be given mental health treatment specifically for the effects of the alleged abuse until the court finds that there is probable cause a prima facie basis to believe the abuse has occurred.

(b) A child described in paragraph (a) may be given mental health treatment prior to a probable cause prima facie finding of child abuse if the treatment is either agreed to by the child's parent or guardian in writing, or ordered by the court according to the standard contained in section 260C.201, subdivision 1.

Subd. 5. **COPIES OF ORDER.** Copies of the court's order shall be served upon the parties, including the supervisor of the detention placement facility, who ~~which~~ shall release the child or continue to hold the child as the court orders.

When the court's order is served upon these parties, notice shall also be given to the parties of the subsequent reviews provided by subdivision 6. The ~~notice~~ shall also inform each party of the right to submit to the court for ~~informal review~~ any new evidence regarding whether the child should be continued in detention and to request a hearing to present the evidence to the court.

New language is indicated by underline, deletions by ~~strikeout~~.

Subd. 6. **REVIEW.** If a child held in detention under a court order issued under subdivision 2 has not been released prior to expiration of the order, the court or referee shall informally review the child's case file to determine, under the standards provided by subdivision 1, whether detention should be continued. If detention is continued thereafter, informal reviews such as these shall be held within every eight days, excluding Saturdays, Sundays, and holidays, of the child's detention. When a child is placed in foster care, the child's placement shall be periodically reviewed as required under the juvenile court rules including notice to the parties required to be served with a copy of the order under subdivision 4.

A hearing, ~~rather than an informal review of the child's case file,~~ shall be held at the request of any one of the parties notified pursuant to subdivision 5, if that party notifies the court of a wish to present to the court new evidence concerning whether the child should be continued in detention or notifies the court of a wish to present an alternate placement arrangement to provide for the safety and protection of the child.

In addition, if a child was taken into detention custody under section 260C.151, subdivision 5, or 260C.175, subdivision 1, clause (c)(2), and is held placed in detention foster care or placed in another facility under a court order issued under subdivision 2, the court shall schedule and hold an adjudicatory hearing on the petition within 60 days of the detention emergency removal hearing upon the request of any party to the proceeding. However, if good cause is shown by a party to the proceeding why the hearing should not be held within that time period, the hearing shall be held within 90 days, unless the parties agree otherwise and the court so orders.

Subd. 7. **OUT-OF-HOME PLACEMENT PLAN.** (a) An out-of-home placement plan required under section 260C.212 shall be filed with the court within 30 days of the filing of a petition alleging the child to be in need of protection or services under section 260C.141, subdivision 1, or filed with the petition if the petition is a review of a voluntary placement under section 260C.141, subdivision 2.

(b) Upon the filing of the out-of-home placement plan which has been developed jointly with the parent and in consultation with others as required under section 260C.212, subdivision 1, the court may approve implementation of the plan by the responsible social services agency based on the allegations contained in the petition. The court shall send written notice of the approval of the out-of-home placement plan to all parties and the county attorney or may state such approval on the record at a hearing. A parent may agree to comply with the terms of the plan filed with the court.

(c) Upon notice and motion by a parent who agrees to comply with the terms of an out-of-home placement plan, the court may modify the plan and order the responsible social services agency to provide other or additional services for reunification, if reunification efforts are required, and the court determines the agency's plan inadequate under section 260.012. The responsible social services agency shall make reasonable attempts to engage a parent in case planning. If the parent refuses to cooperate in the development of the out-of-home placement plan or disagrees with the services recommended by the responsible social service agency, the

agency shall note such refusal or disagreement for the court in the out-of-home placement plan filed with the court. The agency shall notify the court of the services it will provide or efforts it will attempt under the plan notwithstanding the parent's refusal to cooperate or disagreement with the services. The parent may ask the court to modify the plan to require different or additional services requested by the parent, but which the agency refused to provide. The court may approve the plan as presented by the agency or may modify the plan to require services requested by the parent. The court's approval shall be based on the content of the petition.

(d) Unless the parent agrees to comply with the terms of the out-of-home placement plan, the court may not order a parent to comply with the provisions of the plan until the court makes a determination finds the child is in need of protection or services and orders disposition under section 260C.201, subdivision 1. However, the court may find that the responsible social services agency has made reasonable efforts for reunification if the agency makes efforts to implement the terms of an out-of-home placement plan approved under this section.

Sec. 16. Minnesota Statutes 2004, section 260C.201, subdivision 1, is amended to read:

Subdivision 1. **DISPOSITIONS.** (a) If the court finds that the child is in need of protection or services or neglected and in foster care, it shall enter an order making any of the following dispositions of the case:

(1) place the child under the protective supervision of the responsible social services agency or child-placing agency in the home of a parent of the child under conditions prescribed by the court directed to the correction of the child's need for protection or services:

(i) the court may order the child into the home of a parent who does not otherwise have legal custody of the child, however, an order under this section does not confer legal custody on that parent;

(ii) if the court orders the child into the home of a father who is not adjudicated, he must cooperate with paternity establishment proceedings regarding the child in the appropriate jurisdiction as one of the conditions prescribed by the court for the child to continue in his home; and

(iii) the court may order the child into the home of a noncustodial parent with conditions and may also order both the noncustodial and the custodial parent to comply with the requirements of a case plan under subdivision 2; or

(2) transfer legal custody to one of the following:

(i) a child-placing agency; or

(ii) the responsible social services agency. In placing making a foster care placement for a child whose custody has been transferred under this paragraph subdivision, the agencies agency shall make an individualized determination of how the placement is in the child's best interests using the consideration for relatives and the best interest factors in section 260C.212, subdivision 2, paragraph (b); or

New language is indicated by underline, deletions by ~~strikeout~~.

(3) order a trial home visit without modifying the transfer of legal custody to the responsible social services agency under clause (2). Trial home visit means the child is returned to the care of the parent or guardian from whom the child was removed for a period not to exceed six months. During the period of the trial home visit, the responsible social services agency:

(i) shall continue to have legal custody of the child, which means the agency may see the child in the parent's home, at school, in a child care facility, or other setting as the agency deems necessary and appropriate;

(ii) shall continue to have the ability to access information under section 260C.208;

(iii) shall continue to provide appropriate services to both the parent and the child during the period of the trial home visit;

(iv) without previous court order or authorization, may terminate the trial home visit in order to protect the child's health, safety, or welfare and may remove the child to foster care;

(v) shall advise the court and parties within three days of the termination of the trial home visit when a visit is terminated by the responsible social services agency without a court order; and

(vi) shall prepare a report for the court when the trial home visit is terminated whether by the agency or court order which describes the child's circumstances during the trial home visit and recommends appropriate orders, if any, for the court to enter to provide for the child's safety and stability. In the event a trial home visit is terminated by the agency by removing the child to foster care without prior court order or authorization, the court shall conduct a hearing within ten days of receiving notice of the termination of the trial home visit by the agency and shall order disposition under this subdivision or conduct a permanency hearing under subdivision 11 or 11a. The time period for the hearing may be extended by the court for good cause shown and if it is in the best interests of the child as long as the total time the child spends in foster care without a permanency hearing does not exceed 12 months.

(4) If the child has been adjudicated as a child in need of protection or services because the child is in need of special services or care to treat or ameliorate a physical or mental disability, the court may order the child's parent, guardian, or custodian to provide it. The court may order the child's health plan company to provide mental health services to the child. Section 62Q.535 applies to an order for mental health services directed to the child's health plan company. If the health plan, parent, guardian, or custodian fails or is unable to provide this treatment or care, the court may order it provided. Absent specific written findings by the court that the child's disability is the result of abuse or neglect by the child's parent or guardian, the court shall not transfer legal custody of the child for the purpose of obtaining special treatment or care solely because the parent is unable to provide the treatment or care. If the court's order for mental health treatment is based on a diagnosis made by a treatment professional, the court may order that the diagnosing professional not

provide the treatment to the child if it finds that such an order is in the child's best interests; or

(4) (5) If the court believes that the child has sufficient maturity and judgment and that it is in the best interests of the child, the court may order a child 16 years old or older to be allowed to live independently, either alone or with others as approved by the court under supervision the court considers appropriate, if the county board, after consultation with the court, has specifically authorized this dispositional alternative for a child.

(b) If the child was adjudicated in need of protection or services because the child is a runaway or habitual truant, the court may order any of the following dispositions in addition to or as alternatives to the dispositions authorized under paragraph (a):

(1) counsel the child or the child's parents, guardian, or custodian;

(2) place the child under the supervision of a probation officer or other suitable person in the child's own home under conditions prescribed by the court, including reasonable rules for the child's conduct and the conduct of the parents, guardian, or custodian, designed for the physical, mental, and moral well-being and behavior of the child; or with the consent of the commissioner of corrections, place the child in a group foster care facility which is under the commissioner's management and supervision;

(3) subject to the court's supervision, transfer legal custody of the child to one of the following:

(i) a reputable person of good moral character. No person may receive custody of two or more unrelated children unless licensed to operate a residential program under sections 245A.01 to 245A.16; or

(ii) a county probation officer for placement in a group foster home established under the direction of the juvenile court and licensed pursuant to section 241.021;

(4) require the child to pay a fine of up to \$100. The court shall order payment of the fine in a manner that will not impose undue financial hardship upon the child;

(5) require the child to participate in a community service project;

(6) order the child to undergo a chemical dependency evaluation and, if warranted by the evaluation, order participation by the child in a drug awareness program or an inpatient or outpatient chemical dependency treatment program;

(7) if the court believes that it is in the best interests of the child and of public safety that the child's driver's license or instruction permit be canceled, the court may order the commissioner of public safety to cancel the child's license or permit for any period up to the child's 18th birthday. If the child does not have a driver's license or permit, the court may order a denial of driving privileges for any period up to the child's 18th birthday. The court shall forward an order issued under this clause to the commissioner, who shall cancel the license or permit or deny driving privileges without a hearing for the period specified by the court. At any time before the expiration of the period of cancellation or denial, the court may, for good cause, order

the commissioner of public safety to allow the child to apply for a license or permit, and the commissioner shall so authorize;

(8) order that the child's parent or legal guardian deliver the child to school at the beginning of each school day for a period of time specified by the court; or

(9) require the child to perform any other activities or participate in any other treatment programs deemed appropriate by the court.

To the extent practicable, the court shall enter a disposition order the same day it makes a finding that a child is in need of protection or services or neglected and in foster care, but in no event more than 15 days after the finding unless the court finds that the best interests of the child will be served by granting a delay. If the child was under eight years of age at the time the petition was filed, the disposition order must be entered within ten days of the finding and the court may not grant a delay unless good cause is shown and the court finds the best interests of the child will be served by the delay.

(c) If a child who is 14 years of age or older is adjudicated in need of protection or services because the child is a habitual truant and truancy procedures involving the child were previously dealt with by a school attendance review board or county attorney mediation program under section 260A.06 or 260A.07, the court shall order a cancellation or denial of driving privileges under paragraph (b), clause (7), for any period up to the child's 18th birthday.

(d) In the case of a child adjudicated in need of protection or services because the child has committed domestic abuse and been ordered excluded from the child's parent's home, the court shall dismiss jurisdiction if the court, at any time, finds the parent is able or willing to provide an alternative safe living arrangement for the child, as defined in Laws 1997, chapter 239, article 10, section 2.

(e) When a parent has complied with a case plan ordered under subdivision 6 and the child is in the care of the parent, the court may order the responsible social services agency to monitor the parent's continued ability to maintain the child safely in the home under such terms and conditions as the court determines appropriate under the circumstances.

Sec. 17. Minnesota Statutes 2004, section 260C.201, subdivision 10, is amended to read:

Subd. 10. COURT REVIEW OF OUT-OF-HOME PLACEMENTS FOSTER CARE. (a) If the court places orders a child placed in a residential facility, as defined in section 260C.212, subdivision 1 foster care, the court shall review the out-of-home placement at least every 90 days as required in juvenile court rules to determine whether continued out-of-home placement is necessary and appropriate or whether the child should be returned home. This review is not required if the court has returned the child home, ordered the child permanently placed away from the parent under subdivision 11, or terminated rights under section 260C.301. Court review for a child permanently placed away from a parent, including where the child is under guardianship and legal custody of the commissioner, shall be governed by subdivision 11 or

section 260C.317, subdivision 3, whichever is applicable.

(b) No later than six months after the child's out-of-home placement in foster care, the court shall review agency efforts pursuant to section 260C.212, subdivision 2, and order that the efforts continue if the agency has failed to perform the duties under that section.

(c) The court shall review the out-of-home placement plan and may modify the plan as provided under subdivisions 6 and 7.

(d) When the court orders out-of-home placement transfer of custody to a responsible social services agency resulting in foster care or protective supervision with a noncustodial parent under subdivision 1, the court shall notify the parents of the provisions of subdivisions 11 and 11a as required under juvenile court rules.

Sec. 18. Minnesota Statutes 2004, section 260C.201, subdivision 11, is amended to read:

Subd. 11. REVIEW OF COURT-ORDERED PLACEMENTS; PERMANENT PLACEMENT DETERMINATION. (a) This subdivision and subdivision 11a do not apply in cases where the child is in placement due solely to the child's developmental disability or emotional disturbance, where legal custody has not been transferred to the responsible social services agency, and where the court finds compelling reasons under section 260C.007, subdivision 8, to continue the child in foster care past the time periods specified in this subdivision. Foster care placements of children due solely to their disability are governed by section 260C.141, subdivision 2b. In all other cases where the child is in foster care or in the care of a noncustodial parent under subdivision 1, the court shall conduct a hearing commence proceedings to determine the permanent status of a child not later than 12 months after the child is placed in foster care or in the care of a noncustodial parent. At the admit-deny hearing commencing such proceedings, the court shall determine whether there is a prima facie basis for finding that the agency made reasonable efforts, or in the case of an Indian child active efforts, required under section 260.012 and proceed according to the rules of juvenile court.

For purposes of this subdivision, the date of the child's placement in foster care is the earlier of the first court-ordered placement or 60 days after the date on which the child has been voluntarily placed in foster care by the child's parent or guardian. For purposes of this subdivision, time spent by a child under the protective supervision of the responsible social services agency in the home of a noncustodial parent pursuant to an order under subdivision 1 counts towards the requirement of a permanency hearing under this subdivision or subdivision 11a. Time spent on a trial home visit does not count towards the requirement of a permanency hearing under this subdivision or subdivision 11a.

For purposes of this subdivision, 12 months is calculated as follows:

(1) during the pendency of a petition alleging that a child is in need of protection or services, all time periods when a child is placed in foster care or in the home of a noncustodial parent are cumulated;

New language is indicated by underline, deletions by ~~strikeout~~.

(2) if a child has been placed in foster care within the previous five years under one or more previous petitions, the lengths of all prior time periods when the child was placed in foster care within the previous five years are cumulated. If a child under this clause has been in foster care for 12 months or more, the court, if it is in the best interests of the child and for compelling reasons, may extend the total time the child may continue out of the home under the current petition up to an additional six months before making a permanency determination.

(b) Unless the responsible social services agency recommends return of the child to the custodial parent or parents, not later than 30 days prior to ~~this the admit-deny hearing required under paragraph (a) and the rules of juvenile court~~, the responsible social services agency shall file pleadings in juvenile court to establish the basis for the juvenile court to order permanent placement of the child, including a termination of parental rights petition, according to paragraph (d). Notice of the hearing and copies of the pleadings must be provided pursuant to section 260C.152. ~~If a termination of parental rights petition is filed before the date required for the permanency planning determination and there is a trial under section 260C.163 scheduled on that petition within 90 days of the filing of the petition, no hearing need be conducted under this subdivision.~~

(c) The permanency proceedings shall be conducted in a timely fashion including that any trial required under section 260C.163 shall be commenced within 60 days of the admit-deny hearing required under paragraph (a). At the conclusion of the hearing permanency proceedings, the court shall:

(1) order the child returned to the care of the parent or guardian from whom the child was removed; or

(2) order a permanent placement or termination of parental rights if permanent placement or termination of parental rights is in the child's best interests. The "best interests of the child" means all relevant factors to be considered and evaluated. Transfer of permanent legal and physical custody, termination of parental rights, or guardianship and legal custody to the commissioner through a consent to adopt are preferred permanency options for a child who cannot return home.

(d) If the child is not returned to the home, the court must order one of the following dispositions:

(1) permanent legal and physical custody to a relative in the best interests of the child according to the following conditions:

(i) an order for transfer of permanent legal and physical custody to a relative shall only be made after the court has reviewed the suitability of the prospective legal and physical custodian;

(ii) in transferring permanent legal and physical custody to a relative, the juvenile court shall follow the standards applicable under this chapter and chapter 260, and the procedures set out in the juvenile court rules;

(iii) an order establishing permanent legal and physical custody under this subdivision must be filed with the family court;

New language is indicated by underline, deletions by ~~strikeout~~.

(iv) a transfer of legal and physical custody includes responsibility for the protection, education, care, and control of the child and decision making on behalf of the child;

(v) the social services agency may bring a petition or motion naming a fit and willing relative as a proposed permanent legal and physical custodian. The commissioner of human services shall annually prepare for counties information that must be given to proposed custodians about their legal rights and obligations as custodians together with information on financial and medical benefits for which the child is eligible; and

(vi) the juvenile court may maintain jurisdiction over the responsible social services agency, the parents or guardian of the child, the child, and the permanent legal and physical custodian for purposes of ensuring appropriate services are delivered to the child and permanent legal custodian or for the purpose of ensuring conditions ordered by the court related to the care and custody of the child are met;

(2) termination of parental rights when the requirements of sections 260C.301 to 260C.328 are met or according to the following conditions:

(i) unless order the social services agency has already filed to file a petition for termination of parental rights under section 260C.307, the court may order such a petition filed and in which case all the requirements of sections 260C.301 to 260C.328 remain applicable; and

(ii) an adoption completed subsequent to a determination under this subdivision may include an agreement for communication or contact under section 259.58;

(3) long-term foster care according to the following conditions:

(i) the court may order a child into long-term foster care only if it finds approves the responsible social service agency's compelling reasons that neither an award of permanent legal and physical custody to a relative, nor termination of parental rights is in the child's best interests; and

(ii) further, the court may only order long-term foster care for the child under this section if it finds the following:

(A) the child has reached age 12 and reasonable efforts by the responsible social services agency have failed has made reasonable efforts to locate and place the child with an adoptive family for the child or with a fit and willing relative who will agree to a transfer of permanent legal and physical custody of the child, but such efforts have not proven successful; or

(B) the child is a sibling of a child described in subitem (A) and the siblings have a significant positive relationship and are ordered into the same long-term foster care home; and

(iii) at least annually, the responsible social services agency reconsiders its provision of services to the child and the child's placement in long-term foster care to ensure that:

New language is indicated by underline, deletions by ~~strikeout~~.

(A) long-term foster care continues to be the most appropriate legal arrangement for meeting the child's need for permanency and stability, including whether there is another permanent placement option under this chapter that would better serve the child's needs and best interests;

(B) whenever possible, there is an identified long-term foster care family that is committed to being the foster family for the child as long as the child is a minor or under the jurisdiction of the court;

(C) the child is receiving appropriate services or assistance to maintain or build connections with the child's family and community;

(D) the child's physical and mental health needs are being appropriately provided for; and

(E) the child's educational needs are being met;

(4) foster care for a specified period of time according to the following conditions:

(i) foster care for a specified period of time may be ordered only if:

(A) the sole basis for an adjudication that the child is in need of protection or services is the child's behavior;

(B) the court finds that foster care for a specified period of time is in the best interests of the child; and

(C) the court finds approves the responsible social services agency's compelling reasons that neither an award of permanent legal and physical custody to a relative, nor termination of parental rights is in the child's best interests;

(ii) the order does not specify that the child continue in foster care for any period exceeding one year; or

(5) guardianship and legal custody to the commissioner of human services under the following procedures and conditions:

(i) there is an identified prospective adoptive home agreed to by the responsible social services agency that has agreed to adopt the child and the court accepts the parent's voluntary consent to adopt under section 259.24, except that such consent executed by a parent under this item, following proper notice that consent given under this provision is irrevocable upon acceptance by the court, shall be irrevocable unless fraud is established and an order issues permitting revocation as stated in item (vii);

(ii) if the court accepts a consent to adopt in lieu of ordering one of the other enumerated permanency dispositions, the court must review the matter at least every 90 days. The review will address the reasonable efforts of the agency to achieve a finalized adoption;

(iii) a consent to adopt under this clause vests all legal authority regarding the child, including guardianship and legal custody of the child, with the commissioner of human services as if the child were a state ward after termination of parental rights;

New language is indicated by underline, deletions by ~~strikeout~~.

(iv) the court must forward a copy of the consent to adopt, together with a certified copy of the order transferring guardianship and legal custody to the commissioner, to the commissioner; ~~and~~

(v) if an adoption is not finalized by the identified prospective adoptive parent within 12 months of the execution of the consent to adopt under this clause, the commissioner of human services or the commissioner's delegate shall pursue adoptive placement in another home unless the commissioner certifies that the failure to finalize is not due to either an action or a failure to act by the prospective adoptive parent;

(vi) notwithstanding item (v), as soon as the commissioner or commissioner's delegate determines that finalization of the adoption with the identified prospective adoptive parent is not possible, that the prospective adoptive parent is not cooperative in completing the steps necessary to finalize the adoption, or upon the commissioner's determination to withhold consent to the adoption under chapter 259, the commissioner or commissioner's delegate shall pursue adoptive placement in another home; and

(vii) unless otherwise required by the Indian Child Welfare Act, United States Code, title 25, section 1913, a consent to adopt executed under this section, following proper notice that consent given under this provision is irrevocable upon acceptance by the court, shall be irrevocable upon acceptance by the court except upon order permitting revocation issued by the same court after written findings that consent was obtained by fraud.

(e) In ordering a permanent placement of a child, the court must be governed by the best interests of the child, including a review of the relationship between the child and relatives and the child and other important persons with whom the child has resided or had significant contact.

(f) Once a permanent placement determination has been made and permanent placement has been established, further court reviews are necessary if:

(1) the placement is long-term foster care or foster care for a specified period of time;

(2) the court orders further hearings because it has retained jurisdiction of a transfer of permanent legal and physical custody matter;

(3) an adoption has not yet been finalized; or

(4) there is a disruption of the permanent or long-term placement.

(g) Court reviews of an order for long-term foster care, whether under this section or section 260C.317, subdivision 3, paragraph (d), ~~or foster care for a specified period of time~~ must be conducted at least yearly and must review the child's out-of-home placement plan and the reasonable efforts of the agency to finalize the permanent plan for the child including the agency's efforts to:

(1) ensure that long-term foster care continues to be the most appropriate legal arrangement for meeting the child's need for permanency and stability or, if not, to identify and attempt to finalize another permanent placement option under this chapter

that would better serve the child's needs and best interests;

(2) identify a specific long-term foster home for the child or a specific foster home for the time the child is specified to be out of the care of the parent, if one has not already been identified;

~~(2)~~ (3) support continued placement of the child in the identified home, if one has been identified;

~~(3)~~ (4) ensure appropriate services are provided to address the physical health, mental health, and educational needs of the child during the period of long-term foster care or foster care for a specified period of time and also ensure appropriate services or assistance to maintain relationships with appropriate family members and the child's community; and

(4) ~~(5)~~ plan for the child's independence upon the child's leaving long-term foster care living as required under section 260C.212, subdivision 1; and

~~(5)~~ where placement is for a specified period of time, a plan for the safe return of the child to the care of the parent.

(h) In the event it is necessary for a child that has been ordered into foster care for a specified period of time to be in foster care longer than one year after the permanency hearing held under this section, not later than 12 months after the time the child was ordered into foster care for a specified period of time, the matter must be returned to court for a review of the appropriateness of continuing the child in foster care and of the responsible social services agency's reasonable efforts to finalize a permanent plan for the child; if it is in the child's best interests to continue the order for foster care for a specified period of time past a total of 12 months, the court shall set objectives for the child's continuation in foster care, specify any further amount of time the child may be in foster care, and review the plan for the safe return of the child to the parent.

(i) An order under this subdivision permanently placing a child out of the home of the parent or guardian must include the following detailed findings:

(1) how the child's best interests are served by the order;

(2) the nature and extent of the responsible social service agency's reasonable efforts, or, in the case of an Indian child, active efforts to reunify the child with the parent or parents guardian where reasonable efforts are required;

(3) the parent's or parents' efforts and ability to use services to correct the conditions which led to the out-of-home placement; and

(4) whether that the conditions which led to the out-of-home placement have not been corrected so that the child can safely return home.

~~(j)~~ (j) An order for permanent legal and physical custody of a child may be modified under sections 518.18 and 518.185. substantial change in the parent's circumstances such that the parent could provide appropriate care for the child and that removal of the child from the child's permanent placement and the return to the parent's care would be in the best interest of the child. The responsible social services agency may ask the court to vacate an order for long-term foster care upon a prima facie showing that there is a factual basis for the court to order another permanency option under this chapter and that such an option is in the child's best interests. Upon a hearing where the court determines that there is a factual basis for vacating the order for long-term foster care and that another permanent order regarding the placement of the child is in the child's best interests, the court may vacate the order for long-term foster care and enter a different order for permanent placement that is in the child's best interests. The court shall not require further reasonable efforts to reunify the child with the parent or guardian as a basis for vacating the order for long-term foster care and ordering a different permanent placement in the child's best interests. The county attorney must file pleadings and give notice as required under the rules of juvenile court in order to modify an order for long-term foster care under this paragraph.

(j) (k) The court shall issue an order required under this section within 15 days of the close of the proceedings. The court may extend issuing the order an additional 15 days when necessary in the interests of justice and the best interests of the child.

Sec. 19. Minnesota Statutes 2004, section 260C.312, is amended to read:

260C.312 DISPOSITION; PARENTAL RIGHTS NOT TERMINATED.

(a) If, after a hearing, the court does not terminate parental rights but determines that the child is in need of protection or services, or that the child is neglected and in foster care, the court may find the child is in need of protection or services or neglected and in foster care and may enter an order in accordance with the provisions of section 260C.201.
