Sec. 9. **[80A.48] SECTION 204; DENIAL, SUSPENSION, REVOCATION, CONDITION, OR LIMITATION OF EXEMPTIONS.**

(a) Enforcement related powers. Except with respect to a federal covered security or a transaction involving a federal covered security, an order under this chapter may deny, suspend application of, condition, limit, or revoke an exemption created under section 80A.45(3)(C), (7) or (8) or 80A.46 or an exemption or waiver created under section 80A.47 with respect to a specific security, transaction, or offer. **REGISTRATION OF SECURITIES AND NOTICE FILING OF
FEDERAL COVERED SECURITIES**

Sec. 10. **[80A.49] SECTION 301; SECURITIES REGISTRATION REQUIREMENT.**

It is unlawful for a person to offer or sell a security in this state unless:

- (1) the security is a federal covered security;
- (2) the security, transaction, or offer is exempted from registration under sections 80A.45 through 80A.47; or
- (3) the security is registered under this chapter.

Sec. 11. **[80A.50] SECTION 302; FEDERAL COVERED SECURITIES; SMALL CORPORATE OFFERING REGISTRATION.**

(a) Federal covered securities.

(1) Required filing of records. With respect to a federal covered security, as defined in Section 18(b)(2) of the Securities Act of 1933 (15 U.S.C. Section 77r(b)(2)), that is not otherwise exempt under sections 80A.45 through 80A.47, a rule adopted or order issued under this chapter may require the filing of any or all of the following records:

(A) before the initial offer of a federal covered security in this state, all records that are part of a federal registration statement filed with the Securities and Exchange Commission under the Securities Act of 1933 and a consent to service of process complying with section 80A.88 signed by the issuer;

(B) after the initial offer of the federal covered security in this state, all records that are part of an amendment to a federal registration statement filed with the Securities and Exchange Commission under the Securities Act of 1933; and

(C) to the extent necessary or appropriate to compute fees, a report of the value of the federal covered securities sold or offered to persons present in this state, if the sales data are not included in records filed with the Securities and Exchange Commission.

(2) Notice filing effectiveness and renewal. A notice filing under subsection (a) is effective for one year commencing on the later of the notice filing or the effectiveness of the offering filed with the Securities and Exchange Commission. On or before expiration, the issuer may renew a notice filing by filing a copy of those records filed by the issuer with the Securities and Exchange Commission that are required by rule or order under this chapter to be filed. A previously filed consent to service of process complying with section

80A.88 may be incorporated by reference in a renewal. A renewed notice filing becomes effective upon the expiration of the filing being renewed.

(3) **Notice filings for federal covered securities under section 18(b)(4)(D).** With respect to a security that is a federal covered security under Section 18(b)(4)(D) of the Securities Act of 1933 (15 U.S.C. Section 77r(b)(4)(D)), a rule under this chapter may require a notice filing by or on behalf of an issuer to include a copy of Form D, including the Appendix, as promulgated by the Securities and Exchange Commission, and a consent to service of process complying with section 80A.88 signed by the issuer not later than 15 days after the first sale of the federal covered security in this state.

(4) **Stop orders.** Except with respect to a federal security under Section 18(b)(1) of the Securities Act of 1933 (15 U.S.C. Section 77r(b)(1)), if the administrator finds that there is a failure to comply with a notice or fee requirement of this section, the administrator may issue a stop order suspending the offer and sale of a federal covered security in this state. If the deficiency is corrected, the stop order is void as of the time of its issuance and no penalty may be imposed by the administrator.

(b) **Small corporation offering registration.**

(1) **Registration required.** A security meeting the conditions set forth in this section may be registered as set forth in this section.

(2) **Availability.** Registration under this section is available only to the issuer of securities and not to an affiliate of the issuer or to any other person for resale of the issuer's securities. The issuer must be organized under the laws of one of the states or possessions of the United States. The securities offered must be exempt from registration under the Securities Act of 1933 pursuant to Rule 504 of Regulation D (15 U.S.C. section 77c).

(iii) is currently subject to a state administrative enforcement order or judgment entered by a state securities administrator or the Securities and Exchange Commission within five years before the filing of the small corporate offering registration application, or is subject to a federal or state administrative enforcement order or judgment in which fraud or deceit, including, but not limited to, making untrue statements of material facts or omitting to state material facts, was found and the order or judgment was entered within five years before the filing of the small corporate offering registration application;

(iv) is currently subject to an order, judgment, or decree of a court of competent jurisdiction temporarily restraining or enjoining, or is subject to an order, judgment, or decree of a court of competent jurisdiction permanently restraining or enjoining the party from engaging in or continuing any conduct or practice in connection with the purchase or sale of any security or involving the making of a false filing with a state or with the Securities and Exchange Commission entered within five years before the filing of the small corporate offering registration application; or

(v) is subject to a state's administrative enforcement order, or judgment that prohibits, denies, or revokes the use of an exemption for registration in connection with the offer, purchase, or sale of securities,

(I) except that clauses (i) to (iv) do not apply if the person subject to the disqualification is duly licensed or registered to conduct securities-related business in the state in which the administrative order or judgment was entered against the person or if the dealer employing the party is licensed or registered in this state and the form BD filed in this state discloses the order, conviction, judgment, or decree relating to the person, and

(II) except that the disqualification under this subdivision is automatically waived if the state securities administrator or federal agency that created the basis for disqualification determines upon a showing of good cause that it is not necessary under the circumstances to deny the registration.

(4) **Filing and effectiveness of registration statement.** A small corporate offering registration statement must be filed with the administrator. If no stop order is in effect and no proceeding is pending under section 80A.54, such registration statement shall become effective automatically at the close of business on the 20th day after filing of the registration statement or the last amendment of the registration statement or at such earlier time as the administrator may designate by rule or order.

(5) **Contents of registration statement.** A small corporate offering registration statement under this section shall be on Form U-7, including exhibits required by the instructions thereto, as adopted by the North American Securities Administrators Association, or such alternative form as may be designated by the administrator by rule or order and must include:

(A) a consent to service of process complying with section 80A.88;

(B) a statement of the type and amount of securities to be offered and the amount of securities to be offered in this state;

(C) a specimen or copy of the security being registered, unless the security is uncertificated, a copy of the issuer's articles of incorporation and bylaws or their substantial equivalents in effect, and a copy of any indenture or other instrument covering the security to be registered;

(D) a signed or conformed copy of an opinion of counsel concerning the legality of the securities being registered which states whether the securities, when sold, will be validly issued, fully paid, and nonassessable and, if debt securities, binding obligations of the issuer;

(E) the states (i) in which the securities are proposed to be offered; (ii) in which a registration statement or similar filing has been made in connection with the offering including information as to effectiveness of each such filing; and (iii) in which a stop order or similar proceeding has been entered or in which proceedings or actions seeking such an order are pending;

(F) a copy of the offering document proposed to be delivered to offerees; and

(G) a copy of any other pamphlet, circular, form letter, advertisement, or other sales literature intended as of the effective date to be used in connection with the offering and any solicitation of interest used in compliance with section 80A.46(17)(B).

(6) **Copy to purchaser.** A copy of the offering document as filed with the administrator must be delivered to each person purchasing the securities prior to sale of the securities to such person.

Sec. 12. [80A.51] SECTION 303; SECURITIES REGISTRATION BY COORDINATION.

(a) Registration permitted. A security for which a registration statement has been filed under the Securities Act of 1933 in connection with the same offering may be registered by coordination under this section.

(b) Required records. A registration statement and accompanying records under this section must contain or be accompanied by the following records in addition to the information specified in section 80A.53 and a consent to service of process complying with section 80A.88:

(1) a copy of the latest form of prospectus filed under the Securities Act of 1933;

(2) a copy of the articles of incorporation and bylaws or their substantial equivalents currently in effect; a copy of any agreement with or among underwriters; a copy of any indenture or other instrument governing the issuance of the security to be registered; and a specimen, copy, or description of the security that is required by rule adopted or order issued under this chapter;

(2) the registration statement has been on file for at least 20 days or a shorter period provided by rule adopted or order issued under this chapter.

(d) Notice of federal registration statement effectiveness. The registrant shall promptly notify the administrator in a record of the date when the federal registration statement becomes effective and the content of any price amendment and shall promptly file a record containing the price amendment. If the notice is not timely received, the administrator may issue a stop order, without prior notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until compliance with this section. The administrator shall promptly notify the registrant of an order by telegram, telephone, or electronic means and promptly confirm this notice by a record. If the registrant subsequently complies with the notice requirement of this section, the stop order is void as of the date of its issuance.

(e) Effectiveness of registration statement. If the federal registration statement becomes effective before each of the conditions in this section is satisfied or is waived by the administrator, the registration statement is automatically effective under this chapter when all the conditions are satisfied or waived. If the registrant notifies the administrator of the date when the federal registration statement is expected to become effective, the administrator shall promptly notify the registrant by telegram, telephone, or electronic means and promptly confirm this notice by a record, indicating whether all the conditions are satisfied or waived and whether the administrator intends the institution of a proceeding under section 80A.54. The notice by the administrator does not preclude the institution of such a proceeding.

(2) the confirmation of a sale made by or for the account of the person;

(3) payment pursuant to such a sale; or

(4) delivery of the security pursuant to such a sale.

Sec. 14. **[80A.53] SECTION 305; SECURITIES REGISTRATION FILINGS.**

(a) **Who may file.** A registration statement may be filed by the issuer, a person on whose behalf the offering is to be made, or a broker-dealer registered under this chapter.

(b) **Status of offering.** A registration statement filed under section 80A.51 or 80A.52 must specify:

(1) the amount of securities to be offered in this state;

(2) the states in which a registration statement or similar record in connection with the offering has been or is to be filed; and

(3) any adverse order, judgment, or decree issued in connection with the offering by a state securities regulator, the Securities and Exchange Commission, or a court.

(c) **Incorporation by reference.** A record filed under this chapter or the predecessor act within five years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the record is currently accurate.

(d) **Nonissuer distribution.** In the case of a nonissuer distribution, information or a record may not be required under subsection (i) or section 80A.52, unless it is known to the person filing the registration statement or to the person on whose behalf the distribution is to be made or unless it can be furnished by those persons without unreasonable effort or expense.

(e) **Escrow and impoundment.** A rule adopted or order issued under this chapter may require as a condition of registration that a security issued within the previous five years or to be issued to a promoter for a consideration substantially less than the public offering price or to a person for a consideration other than cash be deposited in escrow; and that the proceeds from the sale of the registered security in this state be impounded until the issuer receives a specified amount from the sale of the security either in this state or elsewhere. The conditions of any escrow or impoundment required under this subsection may be established

by rule adopted or order issued under this chapter, but the administrator may not reject a depository institution solely because of its location in another state.

(f) **Form of subscription.** A rule adopted or order issued under this chapter may require as a condition of registration that a security registered under this chapter be sold only on a specified form of subscription or sale contract and that a signed or conformed copy of each contract be filed under this chapter or preserved for a period specified by the rule or order, which may not be longer than five years.

(g) **Effective period.** Except while a stop order is in effect under section 80A.54, a registration statement is effective for one year after its effective date, or for any longer period designated in an order under this chapter during which the security is being offered or distributed in a nonexempted transaction by or for the account of the issuer or other person on whose behalf the offering is being made or by an underwriter or broker-dealer that is still offering part of an unsold allotment or subscription taken as a participant in the distribution. For the purposes of a nonissuer transaction, all outstanding securities of the same class identified in the registration statement as a security registered under this chapter are considered to be registered while the registration statement is effective. If any securities of the same class are outstanding, a registration statement may not be withdrawn until one year after its effective date. A registration statement may be withdrawn only with the approval of the administrator.

(h) **Periodic reports.** While a registration statement is effective, a rule adopted or order issued under this chapter may require the person that filed the registration statement to file reports, not more often than quarterly, to keep the information or other record in the registration statement reasonably current and to disclose the progress of the offering.

(i) **Posteffective amendments.** A registration statement may be amended after its effective date. The posteffective amendment becomes effective when the administrator so orders. If a posteffective amendment is made to increase the number of securities specified to be offered or sold, the person filing the amendment shall pay a registration fee. A posteffective amendment relates back to the date of the offering of the additional securities being registered if, within one year after the date of the sale, the amendment is filed and the additional registration fee is paid.

Sec. 15. **[80A.54] SECTION 306; DENIAL, SUSPENSION, AND REVOCATION OF SECURITIES REGISTRATION.**

(a) **Stop orders.** The administrator may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of, a registration statement if the administrator finds that the order is in the public interest and that:

(1) the registration statement as of its effective date or before the effective date in the case of an order denying effectiveness, an amendment under section 80A.53(j) as of its effective date, or a report under section 80A.53(i), is incomplete in a material respect or contains a statement that, in the light of the circumstances under which it was made, was false or misleading with respect to a material fact;

(2) this chapter or a rule adopted or order issued under this chapter or a condition imposed under this chapter has been willfully violated, in connection with the offering, by:

(A) the person filing the registration statement, if the person is directly or indirectly controlled by or acting for the issuer;

(B) the issuer;

(C) a partner, officer, or director of the issuer or a person having a similar status or performing similar functions;

(D) a promoter of the issuer;

(E) a person directly or indirectly controlling or controlled by the issuer; or

(F) an underwriter;

(3) the security registered or sought to be registered is the subject of a permanent or temporary injunction of a court of competent jurisdiction or an administrative stop order or similar order issued under any federal, foreign, or state law other than this chapter applicable to the offering, but the administrator may not institute a proceeding against an effective registration statement under this paragraph more than one year after the date of the order or injunction on which it is based, and the administrator may not issue an order under this paragraph on the basis of an order or injunction issued under the securities act of another state unless the order or injunction was based on conduct that would constitute, as of the date of the order, a ground for a stop order under this section;

(4) the issuer's enterprise or method of business includes or would include activities that are unlawful where performed;

(5) with respect to a security sought to be registered under section 80A.51, there has been a failure to comply with the undertaking required by section 80A.51(b)(4); or

(6) the applicant or registrant has not paid the filing fee, but the administrator shall void the order if the deficiency is corrected.

(b) **Institution of stop order.** The administrator may not institute a stop order proceeding against an effective registration statement on the basis of conduct or a transaction known to the administrator when the registration statement became effective unless the proceeding is instituted within 30 days after the registration statement became effective.

(c) **Summary process.** The administrator may summarily revoke, deny, postpone, or suspend the effectiveness of a registration statement pending final determination of an administrative proceeding. Upon the issuance of the order, the administrator shall promptly notify each person specified in subsection (d) that the order has been issued; the reasons for the revocation, denial, postponement, or suspension; and that within 15 days after the receipt of a request in a record from the person the matter will be scheduled for a hearing. If a hearing is not requested and none is ordered by the administrator, within 30 days after the date of service of the order, the order becomes final. If a hearing is requested or ordered, the administrator, after notice of and opportunity for hearing for each person subject to the order, may modify or vacate the order or extend the order until final determination.

(d) **Procedural requirements for stop order.** A stop order may not be issued under this section without:

(1) appropriate notice to the applicant or registrant, the issuer, and the person on whose behalf the securities are to be or have been offered;

(2) an opportunity for hearing; and

(3) findings of fact and conclusions of law in a record in accordance with chapter 14.

(e) **Modification or vacation of stop order.** The administrator may modify or vacate a stop order issued under this section if the administrator finds that the conditions that caused its issuance have changed or that it is necessary or appropriate in the public interest or for the protection of investors.

Sec. 16. [80A.55] SECTION 307; WAIVER AND MODIFICATION.

The administrator may waive or modify, in whole or in part, any or all of the requirements of sections 80A.50, 80A.51, and 80A.52(b) or the requirement of any information or record in a registration statement or in a periodic report filed pursuant to section 80A.53(i).

(b) **Exemptions from registration.** The following persons are exempt from the registration requirement of subsection (a):

(1) a broker-dealer without a place of business in this state if its only transactions effected in the state are with:

(ii) within 45 days after the customer's first transaction in this state, the person files an application for registration as a broker-dealer in this state and a further transaction is not effected more than 75 days after the date on which the application is filed, or, if earlier, the date on which the administrator notifies the person that the administrator has denied the application for registration or has stayed the pendency of the application for good cause;

(G) not more than three customers in this state during the previous 12 months, in addition to those customers specified in subparagraphs (A) through (F) and under subparagraph (H), if the broker-dealer is registered under the Securities Exchange Act of 1934 or not required to be registered under the Securities Exchange Act of 1934 and is registered under the securities act of the state in which the broker-dealer has its principal place of business; and

(H) any other person exempted by rule adopted or order issued under this chapter; and

(2) a person that deals solely in United States government securities and is supervised as a dealer in government securities by the Board of Governors of the Federal Reserve System, the Comptroller of the Currency, the Federal Deposit Insurance Corporation, or the Office of Thrift Supervision; and

(3) a broker-dealer that is registered in Canada and who has no office or other physical presence in this state if the broker-dealer complies with the following conditions:

(c) **Limits on employment or association.** It is unlawful for a broker-dealer, or for an issuer engaged in offering, offering to purchase, purchasing, or selling securities in this state, directly or indirectly, to employ or associate with an individual to engage in an activity related to securities transactions in this state if the registration of the individual is suspended or revoked or the individual is barred from employment or association with a broker-dealer, an issuer, an investment adviser, or a federal covered investment adviser by an order of the administrator under this chapter, the Securities and Exchange Commission, or a self-regulatory organization. A broker-dealer or issuer does not violate this subsection if the broker-dealer or issuer did not know and in the exercise of reasonable care could not have known, of the suspension, revocation, or bar. Upon request from a broker-dealer or issuer and for good cause, an order under this chapter may modify or waive, in whole or in part, the application of the prohibitions of this subsection to the broker-dealer.

(d) **Foreign transactions.** A rule adopted or order issued under this chapter may permit:

(1) a broker-dealer that is registered in Canada or other foreign jurisdiction and that does not have a place of business in this state to effect transactions in securities with or for, or attempt to effect the purchase or sale of any securities by:

(A) an individual from Canada or other foreign jurisdiction who is temporarily present in this state and with whom the broker-dealer had a bona fide customer relationship before the individual entered the United States;

(B) an individual from Canada or other foreign jurisdiction who is present in the state and whose transactions are in a self-directed tax advantaged retirement plan of which the individual is the holder or contributor in that foreign jurisdiction; or

(C) an individual who is present in this state, with whom the broker-dealer customer relationship arose while the individual was temporarily or permanently resident in Canada or the other foreign jurisdiction; and

(2) an agent who represents a broker-dealer that is exempt under this subsection to effect transactions in securities or attempt to effect the purchase or sale of securities in this state as permitted for a broker-dealer described in paragraph (1).

(C) the individual files with the administrator a consent to service of process complying with Section 611 before commencing any such representation; and

(D) the individual files with the administrator a notice that contains (i) the full legal name, address, and phone of the individual; (ii) any other names used by the individual in the prior five years; (iii) a statement whether the individual is, or within the last prior years has been, licensed by or registered with any state or federal government, government agency, or any self-regulatory organization, commodities exchange, or securities exchange as a broker-dealer, registered representative, investment advisor, or investment advisor representative, including, if applicable, the individual's IARD/CRD number; (iv) an undertaking to notify the administrator in writing of a change in any of the foregoing within five business days of such change; and (v) any additional information that may be required by rule adopted or order issued under this chapter. This notice must be filed before the individual commences any issuer representation. The notice is effective through December 31 of the year following the year in which it is filed and may be renewed annually in such manner as prescribed by the administrator; and

(12) any other individual exempted by rule adopted or order issued under this chapter.

(c) **Registration effective only while employed or associated.** The registration of an agent is effective only while the agent is employed by or associated with a broker-dealer registered under this chapter or an issuer that is offering, selling, or purchasing its securities in this state.

(d) **Limit on employment or association.** It is unlawful for a broker-dealer, or an issuer engaged in offering, selling, or purchasing securities in this state, to employ or associate with an agent who transacts business in the state on behalf of broker-dealers or issuers unless the agent is registered under subsection (a) or exempt from registration under subsection (b).

(e) **Limit on affiliations.** An individual may not act as an agent for more than one broker-dealer or one issuer at a time, unless the broker-dealer or the issuer for which the agent acts are affiliated by direct or indirect common control or are authorized by rule or order under this chapter.

Sec. 19. [80A.58] SECTION 403; INVESTMENT ADVISER REGISTRATION REQUIREMENT AND EXEMPTIONS.

(a) **Registration requirement.** It is unlawful for a person to transact business in this state as an investment adviser unless the person is registered under this chapter as an investment adviser or is exempt from registration as an investment adviser under subsection (b).

(b) **Exemptions from registration.** The following persons are exempt from the registration requirement of subsection (a):

(1) any person whose only clients in this state are:

(A) federal covered investment advisers, investment advisers registered under this chapter, or broker-dealers registered under this chapter;

(B) institutional investors;

(C) bona fide preexisting clients whose principal places of residence are not in this state if the investment adviser is registered under the securities act of the state in which the clients maintain principal places of residence; or

(D) any other client exempted by rule adopted or order issued under this chapter;

(2) a person without a place of business in this state if the person has had, during the preceding 12 months, not more than five clients that are resident in this state in addition to those specified under paragraph (1); or

(3) any other person exempted by rule adopted or order issued under this chapter.

(c) **Limits on employment or association.** It is unlawful for an investment adviser, directly or indirectly, to employ or associate with an individual to engage in an activity related to investment advice in this state if the registration of the individual is suspended or revoked or the individual is barred from employment or association with an investment adviser, federal covered investment adviser, or broker-dealer by an order under this chapter, the Securities and Exchange Commission, or a self-regulatory organization, unless the investment adviser did not know, and in the exercise of reasonable care could not have known, of the suspension, revocation, or bar. Upon request from the investment adviser and for good cause, the administrator, by order, may waive, in whole or in part, the application of the prohibitions of this subsection to the investment adviser.

Sec. 20. [80A.60] SECTION 405; FEDERAL COVERED INVESTMENT ADVISER NOTICE FILING REQUIREMENT.

(a) **Notice filing requirement.** Except with respect to a federal covered investment adviser described in subsection (b), it is unlawful for a federal covered investment adviser to transact business in this state as a federal covered investment adviser unless the federal covered investment adviser complies with subsection (c).

(b) **Notice filing requirement not required.** The following federal covered investment advisers are not required to comply with subsection (c):

(1) a federal covered investment adviser without a place of business in this state if its only clients in this state are:

(A) federal covered investment advisers, investment advisers registered under this chapter, and broker-dealers registered under this chapter;

(B) institutional investors;

(C) bona fide preexisting clients whose principal places of residence are not in this state; or

(D) other clients specified by rule adopted or order issued under this chapter;

(2) a federal covered investment adviser without a place of business in this state if the person has had, during the preceding 12 months, not more than five clients that are resident in this state in addition to those specified under paragraph (1); and

(3) any other person excluded by rule adopted or order issued under this chapter.

(c) **Notice filing procedure.** A person acting as a federal covered investment adviser, not excluded under subsection (b), shall file a notice, a consent to service of process complying with section 80A.88, and such records as have been filed with the Securities and Exchange Commission under the Investment Advisers Act of 1940 required by rule adopted or order issued under this chapter and pay the fees specified in section 80A.65(e).

(d) **Effectiveness of filing.** The notice under subsection (c) becomes effective upon its filing.

Sec. 21. [80A.61] SECTION 406; REGISTRATION BY BROKER-DEALER, AGENT, AND INVESTMENT ADVISER.

(a) **Application for initial registration.** A person shall register as a broker-dealer, agent, or investment adviser by filing an application and a consent to service of process complying with section 80A.88, and paying the fee specified in section 80A.65 and any reasonable fees charged by the designee of the administrator for processing the filing. The application must contain:

(1) the information or record required for the filing of a uniform application; and

(2) upon request by the administrator, any other financial or other information or record that the administrator determines is appropriate.

(b) **Amendment.** If the information or record contained in an application filed under subsection (a) is or becomes inaccurate or incomplete in a material respect, the registrant shall promptly file a correcting amendment.

(c) **Effectiveness of registration.** If an order is not in effect and a proceeding is not pending under section 80A.67, registration becomes effective at noon on the 45th day after a completed application is filed, unless the registration is denied. A rule adopted or order issued under this chapter may set an earlier effective date or may defer the effective date until noon on the 45th day after the filing of any amendment completing the application.

(d) **Registration renewal.** A registration is effective until midnight on December 31 of the year for which the application for registration is filed. Unless an order is in effect under section 80A.67, a registration may be automatically renewed each year by filing such records as are required by rule adopted or order issued under this chapter, by paying the fee specified in section 80A.65, and by paying costs charged by the designee of the administrator for processing the filings.

(e) **Additional conditions or waivers.** A rule adopted or order issued under this chapter may impose such other conditions, not inconsistent with the National Securities Markets Improvement Act of 1996. An order issued under this chapter may waive, in whole or in part, specific requirements in connection with registration as are in the public interest and for the protection of investors.

Sec. 22. [80A.62] SECTION 407; SUCCESSION AND CHANGE IN REGISTRATION OF BROKER-DEALER OR INVESTMENT ADVISER.

(a) **Succession.** A broker-dealer or investment adviser may succeed to the current registration of another broker-dealer or investment adviser or a notice filing of a federal covered investment adviser, and a federal covered investment adviser may succeed to the current registration of an investment adviser or notice filing of another federal covered investment adviser, by filing as a successor an application for registration pursuant to section 80A.56 or 80A.58 or a notice pursuant to section 80A.60 for the unexpired portion of the current registration or notice filing.

(b) **Organizational change.** A broker-dealer or investment adviser that changes its form of organization or state of incorporation or organization may continue its registration by filing an amendment to its registration if the change does not involve a material change in its financial condition or management. The amendment becomes effective when filed or on a date designated by the registrant in its filing. The new organization is a successor to the original registrant for the purposes of this chapter. If there is a material change in financial condition or management, the broker-dealer or investment adviser shall file a new application for registration. A predecessor registered under this chapter shall stop conducting its securities business other than winding down transactions and shall file for withdrawal of broker-dealer or investment adviser registration within 45 days after filing its amendment to effect succession.

(c) **Name change.** A broker-dealer or investment adviser that changes its name may continue its registration by filing an amendment to its registration. The amendment becomes effective when filed or on a date designated by the registrant.

(d) **Change of control.** A change of control of a broker-dealer or investment adviser may be made in accordance with a rule adopted or order issued under this chapter.

Sec. 23. [80A.63] SECTION 408; TERMINATION OF EMPLOYMENT OR ASSOCIATION OF AGENT AND TRANSFER OF EMPLOYMENT OR ASSOCIATION.

(a) **Notice of termination.** If an agent registered under this chapter terminates employment by or association with a broker-dealer or issuer, or terminates activities that require registration as an agent, the broker-dealer, or issuer shall promptly file a notice of termination. If the registrant learns that the broker-dealer or issuer has not filed the notice, the registrant may do so.

(b) **Transfer of employment or association.** If an agent registered under this chapter terminates employment by or association with a broker-dealer registered under this chapter and begins employment by or association with another broker-dealer registered under this chapter, then upon the filing by or on behalf of the registrant, within 30 days after the termination, of an application for registration that complies with the requirement of section 80A.61(a) and payment of the filing fee required under section 80A.65, the registration of the agent is:

(1) immediately effective as of the date of the completed filing, if the agent's Central Registration Depository record or successor record does not contain a new or amended disciplinary disclosure within the previous 12 months; or

(2) temporarily effective as of the date of the completed filing, if the agent's Central Registration Depository record or successor record contains a new or amended disciplinary disclosure within the preceding 12 months.

(c) **Withdrawal of temporary registration.** The administrator may withdraw a temporary registration if there are or were grounds for discipline as specified in section 80A.67 and the administrator does so within 30 days after the filing of the application. If the administrator does not withdraw the temporary registration within the 30 day period, registration becomes automatically effective on the 31st day after filing.

(d) **Power to prevent registration.** The administrator may prevent the effectiveness of a transfer of an agent under subsection (b)(1) or (2) based on the public interest and the protection of investors.

(e) **Termination of registration or application for registration.** If the administrator determines that a registrant or applicant for registration is no longer in existence or has ceased to act as a broker-dealer, agent, or investment adviser, or is the subject of an adjudication of incapacity or is subject to the control of a committee, conservator, or guardian, or cannot reasonably be located, a rule adopted or order issued under this chapter may require the registration be canceled or terminated or the application denied. The administrator may reinstate a canceled or terminated registration, with or without hearing, and may make the registration retroactive.

Sec. 24. **[80A.64] SECTION 409; WITHDRAWAL OF REGISTRATION OF BROKER-DEALER, AGENT, AND INVESTMENT ADVISER.**

Withdrawal of registration by a broker-dealer, agent, or investment adviser becomes effective 60 days after the filing of the application to withdraw or within any shorter period as provided by rule adopted or order issued under this chapter unless a revocation or suspension proceeding is pending when the application is filed. If a proceeding is pending, withdrawal becomes effective when and upon such conditions as required by rule adopted or order issued under this chapter. The administrator may institute a revocation or suspension proceeding under section 80A.67 within one year after the withdrawal became effective automatically and issue a revocation or suspension order as of the last date on which registration was effective if a proceeding is not pending.

Sec. 25. **[80A.65] SECTION 410; FEES AND EXPENSES.**

Subdivision 1. **Registration or notice filing fee.** (a) There shall be a filing fee of \$100 for every application for registration or notice filing. There shall be an additional fee of one-tenth of one percent of

the maximum aggregate offering price at which the securities are to be offered in this state, and the maximum combined fees shall not exceed \$300.

(b) When an application for registration is withdrawn before the effective date or a preeffective stop order is entered under section 80A.54, all but the \$100 filing fee shall be returned. If an application to register securities is denied, the total of all fees received shall be retained.

(c) Where a filing is made in connection with a federal covered security under section 18(b)(2) of the Securities Act of 1933, there is a fee of \$100 for every initial filing. If the filing is made in connection with redeemable securities issued by an open end management company or unit investment trust, as defined in the Investment Company Act of 1940, there is an additional annual fee of 1/20 of one percent of the maximum aggregate offering price at which the securities are to be offered in this state during the notice filing period. The fee must be paid at the time of the initial filing and thereafter in connection with each renewal no later than July 1 of each year and must be sufficient to cover the shares the issuer expects to sell in this state over the next 12 months. If during a current notice filing the issuer determines it is likely to sell shares in excess of the shares for which fees have been paid to the administrator, the issuer shall submit an amended notice filing to the administrator under section 80A.50, together with a fee of 1/20 of one percent of the maximum aggregate offering price of the additional shares. Shares for which a fee has been paid, but which have not been sold at the time of expiration of the notice filing, may not be sold unless an additional fee to cover the shares has been paid to the administrator as provided in this section and section 80A.50. If the filing is made in connection with redeemable securities issued by such a company or trust, there is no maximum fee for securities filings made according to this paragraph. If the filing is made in connection with any other federal covered security under Section 18(b)(2) of the Securities Act of 1933, there is an additional fee of one-tenth of one percent of the maximum aggregate offering price at which the securities are to be offered in this state, and the combined fees shall not exceed \$300. Beginning with fiscal year 2001 and continuing each fiscal year thereafter, as of the last day of each fiscal year, the administrator shall determine the total amount of all fees that were collected under this paragraph in connection with any filings made for that fiscal year for securities of an open-end investment company on behalf of a security that is a federal covered security pursuant to section 18(b)(2) of the Securities Act of 1933. To the extent the total fees collected by the administrator in connection with these filings exceed \$25,000,000 in a fiscal year, the administrator shall refund, on a pro rata basis, to all persons who paid any fees for that fiscal year, the amount of fees collected by the administrator in excess of \$25,000,000. No individual refund is required of amounts of \$100 or less for a fiscal year.

Subd. 2. **Registration application and renewal filing fee.** Every applicant for an initial or renewal registration shall pay a filing fee of \$200 in the case of a broker-dealer, \$50 in the case of an agent, and \$100 in the case of an investment adviser. When an application is denied or withdrawn, the filing fee shall be retained. A registered agent who has terminated employment with one broker-dealer shall, before beginning employment with another broker-dealer, pay a transfer fee of \$25. The fee for a filing made according to section 80A.56 is \$100.

Subd. 3. **Amendment fee.** Any amendment to an existing registration requiring an order of the administrator shall require payment of an amendment fee of \$25. If the amendment increases the aggregate amount of securities to be registered, there shall be an additional fee calculated in accordance with subdivision 1, provided the maximum additional fees, if applicable, have not previously been paid. The administrator shall by rule designate those amendments which require an order of the administrator.

Subd. 4. **Periodic report fee.** Every periodic report required by section 80A.53 shall be accompanied by a fee of \$100.

Subd. 5. **Exemption filing fee.** The filing of any exemption for which notice is required to be given the administrator under section 80A.45 shall be accompanied by a fee of \$50.

Subd. 6. **Rescission offer filing fee.** The filing of a rescission offer under section 80A.77 shall be accompanied by the fees as calculated in subdivision 1.

Subd. 7. **Written opinion request fee.** Every request for a written opinion from the administrator shall be accompanied by a fee of \$50.

Subd. 7a. **Excess securities registration filing fee.** If securities of an issuer are sold in this state in excess of the quantity registered, the excess securities may be registered by paying a filing fee of \$100, and an additional fee in the amount of three times that which is prescribed under subdivision 1, for the excess securities to be registered. There shall be no maximum combined fees under this subdivision, notwithstanding the limitation set forth in subdivision 1, clause (a).

Registration of the excess securities shall be effective retroactively to the date of sale.

Subd. 8. **Expense deposits.** When the administrator deems it necessary to incur any expense in connection with any application or registration, the administrator shall have the power to require the interested person to make an advance deposit with the administrator in an amount estimated as sufficient to cover such expense. All such deposits shall be covered into the state treasury and credited to the state administrator's investigation fund, from which fund the administrator shall have power to make disbursements to pay for expenses necessarily incurred in the investigation. Any unexpended portion shall be refunded. On field examinations made by the administrator or an employee away from the office of the administrator, a per diem of \$10 for each such person may be charged in addition to actual expenses. Where additional technical, expert, or special services are used, the actual cost of such services may be charged in addition to actual expenses.

Subd. 9. **Generally.** No filing for which a fee is required shall be deemed to be filed or given any effect until the proper fee is paid. All fees and charges collected by the administrator shall be covered into the state treasury. When any person is entitled to a refund under this section, the administrator shall certify to the commissioner of finance the amount of the fee to be refunded to the applicant, and the commissioner of finance shall issue a warrant in payment thereof out of the fund to which such fee was credited in the manner provided by law. There is hereby appropriated to the person entitled to such refunds from the fund in the state treasury to which such fees were credited an amount to make such refunds and payments.

Sec. 26. ~~[80A.66]~~ **SECTION 411; POSTREGISTRATION REQUIREMENTS.**

(a) **Financial requirements.** Subject to Section 15(h) of the Securities Exchange Act of 1934 (15 U.S.C. Section 78o(h)) or Section 222 of the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-22), a rule adopted or order issued under this chapter may establish minimum financial requirements for broker-dealers registered or required to be registered under this chapter and investment advisers registered or required to be registered under this chapter.

(b) **Financial reports.** Subject to Section 15(h) of the Securities Exchange Act of 1934 (15 U.S.C. Section 78o(h)) or Section 222(b) of the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-22), a broker-dealer registered or required to be registered under this chapter and an investment adviser registered or required to be registered under this chapter shall file such financial reports as are required by a rule adopted or order issued under this chapter. If the information contained in a record filed under this subsection is or becomes inaccurate or incomplete in a material respect, the registrant shall promptly file a correcting amendment.

(c) **Record keeping.** Subject to Section 15(h) of the Securities Exchange Act of 1934 (15 U.S.C. Section 78o(h)) or Section 222 of the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-22):

(1) a broker-dealer registered or required to be registered under this chapter and an investment adviser registered or required to be registered under this chapter shall make and maintain the accounts,

correspondence, memoranda, papers, books, and other records required by rule adopted or order issued under this chapter;

(2) broker-dealer records required to be maintained under paragraph (1) may be maintained in any form of data storage acceptable under Section 17(a) of the Securities Exchange Act of 1934 (15 U.S.C. Section 78q(a)) if they are readily accessible to the administrator; and

(3) investment adviser records required to be maintained under paragraph (1) may be maintained in any form of data storage required by rule adopted or order issued under this chapter.

(d) **Audits or inspections.** The records of a broker-dealer registered or required to be registered under this chapter and of an investment adviser registered or required to be registered under this chapter are subject to such reasonable periodic, special, or other audits or inspections by a representative of the administrator, within or without this state, as the administrator considers necessary or appropriate in the public interest and for the protection of investors. An audit or inspection may be made at any time and without prior notice. The administrator may copy, and remove for audit or inspection copies of, all records the administrator reasonably considers necessary or appropriate to conduct the audit or inspection. The administrator may assess a reasonable charge for conducting an audit or inspection under this subsection.

(e) **Custody and discretionary authority bond or insurance.** Subject to Section 15(h) of the Securities Exchange Act of 1934 (15 U.S.C. Section 78o(h)) or Section 222 of the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-22), a rule adopted or order issued under this chapter may require a broker-dealer or investment adviser that has custody of or discretionary authority over funds or securities of a customer or client to obtain insurance or post a bond or other satisfactory form of security in an amount not to exceed \$25,000. The administrator may determine the requirements of the insurance, bond, or other satisfactory form of security. Insurance or a bond or other satisfactory form of security may not be required of a broker-dealer registered under this chapter whose net capital exceeds, or of an investment adviser registered under this chapter whose minimum financial requirements exceed, the amounts required by rule or order under this chapter. The insurance, bond, or other satisfactory form of security must permit an action by a person to enforce any liability on the insurance, bond, or other satisfactory form of security if instituted within the time limitations in section 80A.76(j)(2).

(f) **Requirements for custody.** Subject to Section 15(h) of the Securities Exchange Act of 1934 (15 U.S.C. Section 78o(h)) or Section 222 of the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-22), an agent may not have custody of funds or securities of a customer except under the supervision of a broker-dealer and an investment adviser representative may not have custody of funds or securities of a client except under the supervision of an investment adviser or a federal covered investment adviser. A rule adopted or order issued under this chapter may prohibit, limit, or impose conditions on a broker-dealer regarding custody of funds or securities of a customer and on an investment adviser regarding custody of securities or funds of a client.

(g) **Investment adviser brochure rule.** With respect to an investment adviser registered or required to be registered under this chapter, a rule adopted or order issued under this chapter may require that information or other record be furnished or disseminated to clients or prospective clients in this state as necessary or appropriate in the public interest and for the protection of investors and advisory clients.

(h) **Continuing education.** A rule adopted or order issued under this chapter may require an individual registered under section 80A.57 or 80A.59 to participate in a continuing education program approved by the Securities and Exchange Commission and administered by a self-regulatory organization or, in the absence of such a program, a rule adopted or order issued under this chapter may require continuing education for an individual registered under section 80A.59.

Sec. 27. **[80A.67] SECTION 412; DENIAL, REVOCATION, SUSPENSION, WITHDRAWAL, RESTRICTION, CONDITION, OR LIMITATION OF REGISTRATION.**

(a) Disciplinary conditions-applicants. If the administrator finds that the order is in the public interest and subsection (d) authorizes the action, an order issued under this chapter may deny an application, or may condition or limit registration of an applicant to be a broker-dealer, agent, or investment adviser, and, if the applicant is a broker-dealer or investment adviser, of a partner, officer, director, or person having a similar status or performing similar functions, or a person directly or indirectly in control of the broker-dealer or investment adviser.

(b) Disciplinary conditions-registrants. If the administrator finds that the order is in the public interest and subsection (d) authorizes the action an order issued under this chapter may revoke, suspend, condition, or limit the registration of a registrant and, if the registrant is a broker-dealer or investment adviser, of a partner, officer, director, or person having a similar status or performing similar functions, or a person directly or indirectly in control of the broker-dealer or investment adviser. However, the administrator may not:

(1) institute a revocation or suspension proceeding under this subsection based on an order issued under a law of another state that is reported to the administrator or a designee of the administrator more than one year after the date of the order on which it is based; or

(2) under subsection (d)(5)(A) or (B), issue an order on the basis of an order issued under the securities act of another state unless the other order was based on conduct for which subsection (d) would authorize the action had the conduct occurred in this state.

(c) Disciplinary penalties-registrants. If the administrator finds that the order is in the public interest and subsection (d)(1) through (6), (8), (9), (10), or (12) and (13) authorizes the action, an order under this chapter may censure, impose a bar, or impose a civil penalty in an amount up to \$10,000 for each violation, on a registrant, and, if the registrant is a broker-dealer or investment adviser, a partner, officer, director, person having a similar status or performing similar functions, or a person directly or indirectly in control, of the broker-dealer or investment adviser.

(d) Grounds for discipline. A person may be disciplined under subsections (a) through (c) if the person:

(1) has filed an application for registration in this state under this chapter or the predecessor act within the previous ten years, which, as of the effective date of registration or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained a statement that, in light of the circumstances under which it was made, was false or misleading with respect to a material fact;

(2) willfully violated or willfully failed to comply with this chapter or the predecessor act or a rule adopted or order issued under this chapter or the predecessor act within the previous ten years;

(3) has been convicted of a felony or within the previous ten years has been convicted of a misdemeanor involving a security, a commodity future or option contract, or an aspect of a business involving securities, commodities, investments, franchises, insurance, banking, or finance;

(4) is enjoined or restrained by a court of competent jurisdiction in an action instituted by the administrator under this chapter or the predecessor act, a state, the Securities and Exchange Commission, or the United States from engaging in or continuing an act, practice, or course of business involving an aspect of a business involving securities, commodities, investments, franchises, insurance, banking, or finance.

(5) is the subject of an order, issued after notice and opportunity for hearing by:

(A) the securities, depository institution, insurance, or other financial services regulator of a state or by the Securities and Exchange Commission or other federal agency denying, revoking, barring, or suspending

registration as a broker-dealer, agent, investment adviser, federal covered investment adviser, or investment adviser representative;

(B) the securities regulator of a state or the Securities and Exchange Commission against a broker-dealer, agent, investment adviser, investment adviser representative, or federal covered investment adviser;

(C) the Securities and Exchange Commission or a self-regulatory organization suspending or expelling the registrant from membership in the self-regulatory organization;

(D) a court adjudicating a United States Postal Service fraud order;

(E) the insurance regulator of a state denying, suspending, or revoking registration as an insurance agent; or

(F) a depository institution regulator suspending or barring the person from the depository institution business;

(6) is the subject of an adjudication or determination, after notice and opportunity for hearing, by the Securities and Exchange Commission, the Commodity Futures Trading Commission; the Federal Trade Commission; a federal depository institution regulator, or a depository institution, insurance, or other financial services regulator of a state that the person willfully violated the Securities Act of 1933, the Securities Exchange Act of 1934, the Investment Advisers Act of 1940, the Investment Company Act of 1940, or the Commodity Exchange Act, the securities or commodities law of a state, or a federal or state law under which a business involving investments, franchises, insurance, banking, or finance is regulated;

(7) is insolvent, either because the person's liabilities exceed the person's assets or because the person cannot meet the person's obligations as they mature, but the administrator may not enter an order against an applicant or registrant under this paragraph without a finding of insolvency as to the applicant or registrant;

(8) refuses to allow or otherwise impedes the administrator from conducting an audit or inspection under section 80A.66(d) or refuses access to a registrant's office to conduct an audit or inspection under section 80A.66(d);

(9) has failed to reasonably supervise an agent, investment adviser representative, or other individual, if the agent, investment adviser representative, or other individual was subject to the person's supervision and committed a violation of this chapter or the predecessor act or a rule adopted or order issued under this chapter or the predecessor act within the previous ten years;

(10) has not paid the proper filing fee within 30 days after having been notified by the administrator of a deficiency, but the administrator shall vacate an order under this paragraph when the deficiency is corrected;

(11) after notice and opportunity for a hearing, has been found within the previous ten years:

(A) by a court of competent jurisdiction to have willfully violated the laws of a foreign jurisdiction under which the business of securities, commodities, investment, franchises, insurance, banking, or finance is regulated;

(B) to have been the subject of an order of a securities regulator of a foreign jurisdiction denying, revoking, or suspending the right to engage in the business of securities as a broker-dealer, agent, investment adviser, investment adviser representative, or similar person; or

(C) to have been suspended or expelled from membership by or participation in a securities exchange or securities association operating under the securities laws of a foreign jurisdiction;

(12) is the subject of a cease and desist order issued by the Securities and Exchange Commission or issued under the securities, commodities, investment, franchise, banking, finance, or insurance laws of a state;

(13) has engaged in dishonest or unethical practices in the securities, commodities, investment, franchise, banking, finance, or insurance business within the previous ten years; or

(14) is not qualified on the basis of factors such as training, experience, and knowledge of the securities business. However, in the case of an application by an agent for a broker-dealer that is a member of a self-regulatory organization or by an individual for registration as an investment adviser representative, a denial order may not be based on this paragraph if the individual has successfully completed all examinations required by subsection (e). The administrator may require an applicant for registration under section 80A.57 or 80A.59 who has not been registered in a state within the two years preceding the filing of an application in this state to successfully complete an examination.

(e) **Examinations.** A rule adopted or order issued under this chapter may require that an examination, including an examination developed or approved by an organization of securities regulators, be successfully completed by a class of individuals or all individuals. An order issued under this chapter may waive, in whole or in part, an examination as to an individual and a rule adopted under this chapter may waive, in whole or in part, an examination as to a class of individuals if the administrator determines that the examination is not necessary or appropriate in the public interest and for the protection of investors.

(f) **Summary process.** The administrator may suspend or deny an application summarily; restrict, condition, limit, or suspend a registration; or censure, bar, or impose a civil penalty on a registrant before final determination of an administrative proceeding. Upon the issuance of an order, the administrator shall promptly notify each person subject to the order that the order has been issued, the reasons for the action, and that within 15 days after the receipt of a request in a record from the person the matter will be scheduled for a hearing. If a hearing is not requested and none is ordered by the administrator within 30 days after the date of service of the order, the order becomes final by operation of law. If a hearing is requested or ordered, the administrator, after notice of and opportunity for hearing to each person subject to the order, may modify or vacate the order or extend the order until final determination.

(g) **Procedural requirements.** An order issued may not be issued under this section, except under subsection (f), without:

- (1) appropriate notice to the applicant or registrant;
- (2) opportunity for hearing; and
- (3) findings of fact and conclusions of law in a record in accordance with chapter 14.

(h) **Control person liability.** A person that controls, directly or indirectly, a person not in compliance with this section may be disciplined by order of the administrator under subsections (a) through (c) to the same extent as the noncomplying person, unless the controlling person did not know, or knowingly or recklessly disregarded evidence, of the existence of conduct that is a ground for discipline under this section.

(i) **Limit on investigation or proceeding.** The administrator may not institute a proceeding under subsection (a), (b), or (c) based solely on material facts actually known by the administrator unless an investigation or the proceeding is instituted within one year after the administrator actually acquires knowledge of the material facts.

FRAUD AND LIABILITIES

Sec. 28. **[80A.68] SECTION 501; GENERAL FRAUD.**

It is unlawful for a person, in connection with the offer, sale, or purchase of a security, directly or indirectly:

- (1) to employ a device, scheme, or artifice to defraud;

(2) to make an untrue statement of a material fact or to omit to state a material fact necessary in order to make a statement made, in the light of the circumstances under which it is made, not misleading; or

(3) to engage in an act, practice, or course of business that operates or would operate as a fraud or deceit upon another person.

Sec. 29. [80A.69] SECTION 502; PROHIBITED CONDUCT IN PROVIDING INVESTMENT ADVICE.

(a) **Fraud in providing investment advice.** It is unlawful for a person that advises others for compensation, either directly or indirectly or through publications or writings, as to the value of securities or the advisability of investing in, purchasing, or selling securities or that, for compensation and as part of a regular business, issues or promulgates analyses or reports relating to securities:

(1) to employ a device, scheme, or artifice to defraud another person; or

(2) to engage in an act, practice, or course of business that operates or would operate as a fraud or deceit upon another person.

(b) **Rules defining fraud.** A rule adopted under this chapter may define an act, practice, or course of business of an investment adviser or an investment adviser representative, other than a supervised person of a federal covered investment adviser, as fraudulent, deceptive, or manipulative, and prescribe means reasonably designed to prevent investment advisers and investment adviser representatives, other than supervised persons of a federal covered investment adviser, from engaging in acts, practices, and courses of business defined as fraudulent, deceptive, or manipulative.

(c) **Rules specifying contents of advisory contract.** A rule adopted under this chapter may specify the contents of an investment advisory contract entered into, extended, or renewed by an investment adviser.

Sec. 30. [80A.70] SECTION 503; EVIDENTIARY BURDEN.

(a) **Civil.** In a civil action or administrative proceeding under this chapter, a person claiming an exemption, exception, preemption, or exclusion has the burden to prove the applicability of the claim.

(b) **Criminal.** In a criminal proceeding under this chapter, a person claiming an exemption, exception, preemption, or exclusion has the burden of going forward with evidence of the claim.

Sec. 31. [80A.71] SECTION 504; FILING OF SALES AND ADVERTISING LITERATURE.

(a) **Filing requirement.** Except as otherwise provided in subsection (b), a rule adopted or order issued under this chapter may require the filing of a prospectus, pamphlet, circular, form letter, advertisement, sales literature, or other advertising record relating to a security or investment advice, addressed or intended for distribution to prospective investors, including clients or prospective clients of a person registered or required to be registered as an investment adviser under this chapter.

(b) **Excluded communications.** This section does not apply to sales and advertising literature specified in subsection (a) which relates to a federal covered security, a federal covered investment adviser, or a security or transaction exempted by section 80A.45, 80A.46, or 80A.47 except as required pursuant to section 80A.45(7).

Sec. 32. [80A.72] SECTION 505; MISLEADING FILINGS.

It is unlawful for a person to make or cause to be made, in a record that is used in an action or proceeding or filed under this chapter other than a contested case hearing, a statement that, at the time and in the light of the circumstances under which it is made, is false or misleading in a material respect, or, in

connection with the statement, to omit to state a material fact necessary to make the statement made, in the light of the circumstances under which it was made, not false or misleading.

Sec. 33. [80A.73] SECTION 506; MISREPRESENTATIONS CONCERNING REGISTRATION OR EXEMPTION.

The filing of an application for registration, a registration statement, a notice filing under this chapter, the registration of a person, the notice filing by a person, or the registration of a security under this chapter does not constitute a finding by the administrator that a record filed under this chapter is true, complete, and not misleading. The filing or registration or the availability of an exemption, exception, preemption, or exclusion for a security or a transaction does not mean that the administrator has passed upon the merits or qualifications of, or recommended or given approval to, a person, security, or transaction. It is unlawful to make, or cause to be made, to a purchaser, customer, client, or prospective customer or client a representation inconsistent with this section.

Sec. 34. [80A.74] SECTION 507; QUALIFIED IMMUNITY.

A broker-dealer, agent, investment adviser, federal covered investment adviser, or investment adviser representative is not liable to another broker-dealer, agent, investment adviser, federal covered investment adviser, or investment adviser representative for defamation relating to a statement that is contained in a record required by the administrator, or designee of the administrator, the Securities and Exchange Commission, or a self-regulatory organization, unless the person knew, or should have known at the time that the statement was made, that it was false in a material respect or the person acted in reckless disregard of the statement's truth or falsity.

Sec. 35. [80A.75] SECTION 508; CRIMINAL PENALTIES.

(a) **Criminal penalties.** A person that willfully violates this chapter, or a rule adopted or order issued under this chapter, except section 80A.71 or the notice filing requirements of section 80A.50 or 80A.60, or that willfully violates section 80A.72 knowing the statement made to be false or misleading in a material respect, upon conviction, shall be fined not more than \$10,000 or imprisoned not more than five years or both. Each of the acts specified constitutes a separate offense and a prosecution or conviction for any such offense does not bar prosecution or conviction for any other offense.

(b) **Criminal reference not required.** The attorney general with or without a reference from the administrator, may institute criminal proceedings under this chapter.

(c) **No limitation on other criminal enforcement.** This chapter does not limit the power of this state to punish a person for conduct that constitutes a crime under other laws of this state.

Sec. 36. [80A.76] SECTION 509; CIVIL LIABILITY.

(a) **Securities Litigation Uniform Standards Act.** Enforcement of civil liability under this section is subject to the Securities Litigation Uniform Standards Act of 1998.

(b) **Liability of seller to purchaser.** A person is liable to the purchaser if the person sells a security in violation of section 80A.49 or, by means of an untrue statement of a material fact or an omission to state a material fact necessary in order to make the statement made, in light of the circumstances under which it is made, not misleading, the purchaser not knowing the untruth or omission and the seller not sustaining the burden of proof that the seller did not know and, in the exercise of reasonable care, could not have known of the untruth or omission. An action under this subsection is governed by the following:

(1) The purchaser may maintain an action to recover the consideration paid for the security, less the amount of any income received on the security, and interest from the date of the purchase, costs, and

reasonable attorneys' fees determined by the court, upon the tender of the security, or for actual damages as provided in paragraph (3).

(2) The tender referred to in paragraph (1) may be made any time before entry of judgment. Tender requires only notice in a record of ownership of the security and willingness to exchange the security for the amount specified. A purchaser that no longer owns the security may recover actual damages as provided in paragraph (3).

(3) Actual damages in an action arising under this subsection are the amount that would be recoverable upon a tender less the value of the security when the purchaser disposed of it, and interest from the date of the purchase, costs, and reasonable attorneys' fees determined by the court.

(c) Liability of purchaser to seller. A person is liable to the seller if the person buys a security by means of an untrue statement of a material fact or omission to state a material fact necessary in order to make the statement made, in light of the circumstances under which it is made, not misleading, the seller not knowing of the untruth or omission, and the purchaser not sustaining the burden of proof that the purchaser did not know, and in the exercise of reasonable care, could not have known of the untruth or omission. An action under this subsection is governed by the following:

(1) The seller may maintain an action to recover the security, and any income received on the security, costs, and reasonable attorneys' fees determined by the court, upon the tender of the purchase price, or for actual damages as provided in paragraph (3).

(2) The tender referred to in paragraph (1) may be made any time before entry of judgment. Tender requires only notice in a record of the present ability to pay the amount tendered and willingness to take delivery of the security for the amount specified. If the purchaser no longer owns the security, the seller may recover actual damages as provided in paragraph (3).

(3) Actual damages in an action arising under this subsection are the difference between the price at which the security was sold and the value the security would have had at the time of the sale in the absence of the purchaser's conduct causing liability, and interest from the date of the sale of the security, costs, and reasonable attorneys' fees determined by the court.

(d) Liability of unregistered broker-dealer and agent. A person acting as a broker-dealer or agent that sells or buys a security in violation of section 80A.56(a), 80A.57(a), or 80A.73 is liable to the customer. The customer, if a purchaser, may maintain an action for recovery of actual damages as specified in subsections (b)(1) through (3), or, if a seller, for a remedy as specified in subsections (c)(1) through (3).

(e) Liability of unregistered investment adviser and investment adviser representative. A person acting as an investment adviser or investment adviser representative that provides investment advice for compensation in violation of section 80A.58(a), 80A.59(a), or 80A.73 is liable to the client. The client may maintain an action to recover the consideration paid for the advice, interest from the date of payment, costs, and reasonable attorneys' fees determined by the court.

(f) Liability for investment advice. A person that receives directly or indirectly any consideration for providing investment advice to another person and that employs a device, scheme, or artifice to defraud the other person or engages in an act, practice, or course of business that operates or would operate as a fraud or deceit on the other person, is liable to the other person. An action under this subsection is governed by the following:

(1) The person defrauded may maintain an action to recover the consideration paid for the advice and the amount of any actual damages caused by the fraudulent conduct, interest from the date of the fraudulent conduct, costs, and reasonable attorneys' fees determined by the court, less the amount of any income received as a result of the fraudulent conduct.

(2) This subsection does not apply to a broker-dealer or its agents if the investment advice provided is solely incidental to transacting business as a broker-dealer and no special compensation is received for the investment advice.

(g) **Joint and several liability.** The following persons are liable jointly and severally with and to the same extent as persons liable under subsections (b) through (f):

(1) a person that directly or indirectly controls a person liable under subsections (b) through (f), unless the controlling person sustains the burden of proof that the person did not know, and in the exercise of reasonable care could not have known, of the existence of conduct by reason of which the liability is alleged to exist;

(2) an individual who is a managing partner, executive officer, or director of a person liable under subsections (b) through (f), including an individual having a similar status or performing similar functions, unless the individual sustains the burden of proof that the individual did not know and, in the exercise of reasonable care could have known, of the existence of conduct by reason of which the liability is alleged to exist;

(3) an individual who is an employee of or associated with a person liable under subsections (b) through (f) and who materially aids the conduct giving rise to the liability, unless the individual sustains the burden of proof that the individual did not know and, in the exercise of reasonable care could not have known, of the existence of conduct by reason of which the liability is alleged to exist; and

(4) a person that is a broker-dealer, agent, investment adviser, or investment adviser representative that materially aids the conduct giving rise to the liability under subsections (b) through (f), unless the person sustains the burden of proof that the person did not know and, in the exercise of reasonable care could not have known, of the existence of conduct by reason of which liability is alleged to exist.

(h) **Right of contribution.** A person liable under this section has a right of contribution as in cases of tort against any other person liable under this section for the same conduct.

(i) **Survival of cause of action.** A cause of action under this section survives the death of an individual who might have been a plaintiff or defendant.

(j) **Statute of limitations.** A person may not obtain relief:

(1) under subsection (b) for violation of section 80A.49, or under subsection (d) or (e), unless the action is instituted within one year after the violation occurred; or

(2) under subsection (b), other than for violation of section 80A.49, or under subsection (c) or (f), unless the action is instituted within the earlier of two years after discovery of the facts constituting the violation or five years after the violation.

(k) **No enforcement of violative contract.** A person that has made, or has engaged in the performance of, a contract in violation of this chapter or a rule adopted or order issued under this chapter, or that has acquired a purported right under the contract with knowledge of conduct by reason of which its making or performance was in violation of this chapter, may not base an action on the contract.

(l) **No contractual waiver.** A condition, stipulation, or provision binding a person purchasing or selling a security or receiving investment advice to waive compliance with this chapter or a rule adopted or order issued under this chapter is void.

(m) **Survival of other right or remedies.** The rights and remedies provided by this chapter are in addition to any other rights or remedies that may exist, but this chapter does not create a cause of action not specified in this section or section 80A.66(e).

Sec. 37. **[80A.77] SECTION 510; RESCISSION OFFERS.**

A purchaser, seller, or recipient of investment advice may not maintain an action under section 80A.76 if:

(1) the purchaser, seller, or recipient of investment advice receives in a record, before the action is instituted:

(A) an offer stating the respect in which liability under section 80A.76 may have arisen and fairly advising the purchaser, seller, or recipient of investment advice of that person's rights in connection with the offer, and any financial or other information necessary to correct all material misrepresentations or omissions in the information that was required by this chapter to be furnished to that person at the time of this purchase, sale, or investment advice;

(B) if the basis for relief under this section may have been a violation of section 80A.76(b), an offer to repurchase the security for cash, payable on delivery of the security, equal to the consideration paid, and interest from the date of the purchase, less the amount of any income received on the security, or, if the purchaser no longer owns the security, an offer to pay the purchaser upon acceptance of the offer damages in an amount that would be recoverable upon a tender, less the value of the security when the purchaser disposed of it, and interest from the date of the purchase in cash equal to the damages computed in the manner provided in this subsection.

(C) if the basis for relief under this section may have been a violation of section 80A.76(c), an offer to tender the security, on payment by the seller of an amount equal to the purchase price paid, less income received on the security by the purchaser and interest from the date of the sale; or if the purchaser no longer owns the security, an offer to pay the seller upon acceptance of the offer, in cash, damages in the amount of the difference between the price at which the security was purchased and the value the security would have had at the time of the purchase in the absence of the purchaser's conduct that may have caused liability and interest from the date of the sale.

(D) if the basis for relief under this section may have been a violation of section 80A.76(d); and if the customer is a purchaser, an offer to pay as specified in subparagraph (B); or, if the customer is a seller, an offer to tender or to pay as specified in subparagraph (C);

(E) if the basis for relief under this section may have been a violation of section 80A.76(e), an offer to reimburse in cash the consideration paid for the advice and interest from the date of payment; or

(F) if the basis for relief under this section may have been a violation of section 80A.76(f), an offer to reimburse in cash the consideration paid for the advice, the amount of any actual damages that may have been caused by the conduct, and interest from the date of the violation causing the loss;

(2) the offer under paragraph (1) states that it must be accepted by the purchaser, seller, or recipient of investment advice within 30 days after the date of its receipt by the purchaser, seller, or recipient of investment advice or any shorter period, of not less than three days, that the administrator, by order, specifies;

(3) the offeror has the present ability to pay the amount offered or to tender the security under paragraph (1);

(4) the offer under paragraph (1) is delivered to the purchaser, seller, or recipient of investment advice, or sent in a manner that ensures receipt by the purchaser, seller, or recipient of investment advice; and

(5) the purchaser, seller, or recipient of investment advice that accepts the offer under paragraph (1) in a record within the period specified under paragraph (2) is paid in accordance with the terms of the offer.

ADMINISTRATION AND JUDICIAL REVIEW

Sec. 38. [80A.78] SECTION 601; ADMINISTRATION.

(a) **Administration.** The administrator shall administer this chapter.

(b) **Unlawful use of records or information.** It is unlawful for the administrator or an officer, employee, or designee of the administrator to use for personal benefit or the benefit of others records or other information obtained by or filed with the administrator that are not public under section 80A.84(b). This chapter does not authorize the administrator or an officer, employee, or designee of the administrator to disclose the record or information, except in accordance with section 80A.79, 80A.84(c), or 80A.85.

(c) **No privilege or exemption created or diminished.** This chapter does not create or diminish a privilege or exemption that exists at common law, by statute or rule, or otherwise.

(d) **Investor education.** The administrator may develop and implement investor education initiatives to inform the public about investing in securities, with particular emphasis on the prevention and detection of securities fraud. In developing and implementing these initiatives, the administrator may collaborate with public and nonprofit organizations with an interest in investor education. The administrator may accept a grant or donation from a person that is not affiliated with the securities industry or from a nonprofit organization, regardless of whether the organization is affiliated with the securities industry, to develop and implement investor education initiatives. This subsection does not authorize the administrator to require participation or monetary contributions of a registrant in an investor education program.

Sec. 39. **[80A.79] SECTION 602; INVESTIGATIONS AND SUBPOENAS.**

(a) **Authority to investigate.** The administrator may:

(1) conduct public or private investigations within or outside of this state which the administrator considers necessary or appropriate to determine whether a person has violated, is violating, or is about to violate this chapter or a rule adopted or order issued under this chapter, or to aid in the enforcement of this chapter or in the adoption of rules and forms under this chapter;

(2) require or permit a person to testify, file a statement, or produce a record, under oath or otherwise as the administrator determines, as to all the facts and circumstances concerning a matter to be investigated or about which an action or proceeding is to be instituted; and

(3) publish a record concerning an action, proceeding, or an investigation under, or a violation of, this chapter or a rule adopted or order issued under this chapter if the administrator determines it is necessary or appropriate in the public interest and for the protection of investors.

(b) **Administrator powers to investigate.** For the purpose of an investigation under this chapter, the administrator or its designated officer may administer oaths and affirmations, subpoena witnesses, seek compulsion of attendance, take evidence, require the filing of statements, and require the production of any records that the administrator considers relevant or material to the investigation.

(c) **Procedure and remedies for noncompliance.** If a person does not appear or refuses to testify, file a statement, produce records, or otherwise does not obey a subpoena as required by the administrator under this chapter, the administrator may refer the matter to the attorney general, who may apply to the district court or a court of another state to enforce compliance. The court may:

(1) hold the person in contempt;

(2) order the person to appear before the administrator;

(3) order the person to testify about the matter under investigation or in question;

(4) order the production of records;

(5) grant injunctive relief, including restricting or prohibiting the offer or sale of securities or the providing of investment advice;

(6) impose a civil penalty up to \$10,000 for each violation; and

(7) grant any other necessary or appropriate relief.

(d) **Application for relief.** This section does not preclude a person from applying to the district court or a court of another state for relief from a request to appear, testify, file a statement, produce records, or obey a subpoena.

(e) **Use immunity procedure.** An individual is not excused from attending, testifying, filing a statement, producing a record or other evidence, or obeying a subpoena of the administrator under this chapter or in an action or proceeding instituted by the administrator under this chapter on the ground that the required testimony, statement, record, or other evidence, directly or indirectly, may tend to incriminate the individual or subject the individual to a criminal fine, penalty, or forfeiture. If the individual refuses to testify, file a statement or produce a record or other evidence on the basis of the individual's privilege against self-incrimination, the administrator may apply to the district court to compel the testimony, the filing of the statement, the production of the record, or the giving of other evidence. The testimony, record, or other evidence compelled under such an order may not be used, directly or indirectly, against the individual in a criminal case, except in a prosecution for perjury or contempt or otherwise failing to comply with the order.

(f) **Assistance to securities regulator of another jurisdiction.** At the request of the securities regulator of another state or a foreign jurisdiction, the administrator may provide assistance if the requesting regulator states that it is conducting an investigation to determine whether a person has violated, is violating, or is about to violate a law or rule of the other state or foreign jurisdiction relating to securities matters that the requesting regulator administers or enforces. The administrator may provide the assistance by using the authority to investigate and the powers conferred by this section as the administrator determines is necessary or appropriate. The assistance may be provided without regard to whether the conduct described in the request would also constitute a violation of this chapter or other law of this state if occurring in this state. In deciding whether to provide the assistance, the administrator may consider whether the requesting regulator is permitted and has agreed to provide assistance reciprocally within its state or foreign jurisdiction to the administrator on securities matters when requested; whether compliance with the request would violate or prejudice the public policy of this state; and the availability of resources and employees of the administrator to carry out the request for assistance.

Sec. 40. **[80A.80] SECTION 603; CIVIL ENFORCEMENT.**

(a) **Civil action instituted by administrator.** If the administrator believes that a person has engaged, is engaging, or is about to engage in an act, practice, or course of business constituting a violation of this chapter or a rule adopted or order issued under this chapter or that a person has, is, or is about to engage in an act, practice, or course of business that materially aids a violation of this chapter or a rule adopted or order issued under this chapter, the administrator may maintain an action in the district court to enjoin the act, practice, or course of business and to enforce compliance with this chapter or a rule adopted or order issued under this chapter.

(b) **Relief available.** In an action under this section and on a proper showing, the court may:

(1) issue a permanent or temporary injunction, restraining order, or declaratory judgment;

(2) order other appropriate or ancillary relief, which may include:

(A) an asset freeze, accounting, writ of attachment, writ of general or specific execution, and appointment of a receiver or conservator, that may be the administrator, for the defendant or the defendant's assets;

(B) ordering the administrator to take charge and control of a defendant's property, including investment accounts and accounts in a depository institution, rents, and profits; to collect debts; and to acquire and dispose of property;

(C) imposing a civil penalty up to \$10,000 for each violation; an order of rescission, restitution, or disgorgement directed to a person that has engaged in an act, practice, or course of business constituting a violation of this chapter or the predecessor act or a rule adopted or order issued under this chapter or the predecessor act; and

(D) ordering the payment of prejudgment and postjudgment interest; or

(3) order such other relief as the court considers appropriate.

(c) **No bond required.** The administrator may not be required to post a bond in an action or proceeding under this chapter.

Sec. 41. **[80A.81] SECTION 604; ADMINISTRATIVE ENFORCEMENT.**

(a) **Issuance of an order or notice.** If the administrator determines that a person has engaged, is engaging, or is about to engage in an act, practice, or course of business constituting a violation of this chapter or a rule adopted or order issued under this chapter or that a person has materially aided, is materially aiding, or is about to materially aid an act, practice, or course of business constituting a violation of this chapter or a rule adopted or order issued under this chapter, the administrator may:

(1) issue an order directing the person to cease and desist from engaging in the act, practice, or course of business or to take other action necessary or appropriate to comply with this chapter;

(2) issue an order denying, suspending, revoking, or conditioning the exemptions for a broker-dealer under section 80A.56(b)(1)(D) or (F) or an investment adviser under section 80A.58(b)(1)(C); or

(3) issue an order under section 80A.48.

(b) **Summary process.** An order under subsection (a) is effective on the date of issuance. Upon issuance of the order, the administrator shall promptly serve each person subject to the order with a copy of the order and a notice that the order has been entered. The order must include a statement whether the administrator will seek a civil penalty or costs of the investigation, a statement of the reasons for the order, and notice that, within 15 days after receipt of a request in a record from the person, the matter will be scheduled for a hearing. If a person subject to the order does not request a hearing and none is ordered by the administrator within 30 days after the date of service of the order, the order, which may include a civil penalty or costs of the investigation if a civil penalty or costs were sought in the statement accompanying the order, becomes final as to that person by operation of law. If a hearing is requested or ordered, the administrator, after notice of an opportunity for hearing to each person subject to the order, may modify or vacate the order or extend it until final determination.

(c) **Procedure for final order.** If a hearing is requested or ordered pursuant to subsection (b), a hearing must be held under chapter 14. A final order may not be issued unless the administrator makes findings of fact and conclusions of law in a record according to chapter 14. The final order may make final, vacate, or modify the order issued under subsection (a).

(d) **Civil penalty.** In a final order under subsection (c), the administrator may impose a civil penalty up to \$10,000 for each violation.

(e) **Costs.** In a final order, the administrator may charge the actual cost of an investigation or proceeding for a violation of this chapter or a rule adopted or order issued under this chapter.

(f) **Filing of certified final order with court; effect of filing.** If a petition for judicial review of a final order is not filed in accordance with section 80A.86, the administrator may file a certified copy of the

final order with the clerk of a court of competent jurisdiction. The order so filed has the same effect as a judgment of the court and may be recorded, enforced, or satisfied in the same manner as a judgment of the court.

(g) **Enforcement by court; further civil penalty.** If a person does not comply with an order under this section, the administrator may petition a court of competent jurisdiction to enforce the order. The court may not require the administrator to post a bond in an action or proceeding under this section. If the court finds, after service and opportunity for hearing, that the person was not in compliance with the order, the court may adjudge the person in civil contempt of the order. The court may impose a further civil penalty against the person for contempt in an amount up to \$10,000 for each violation and may grant any other relief the court determines is just and proper in the circumstances.

Sec. 42. **[80A.82] SECTION 605; RULES, FORMS, ORDERS, INTERPRETATIVE OPINIONS, AND HEARINGS.**

(a) **Issuance and adoption of forms, orders, and rules.** The administrator may:

(1) issue forms and orders and, after notice and comment, may adopt and amend rules necessary or appropriate to carry out this chapter and may repeal rules, including rules and forms governing registration statements, applications, notice filings, reports, and other records;

(2) by rule, define terms, whether or not used in this chapter, but those definitions may not be inconsistent with this chapter; and

(3) by rule, classify securities, persons, and transactions and adopt different requirements for different classes.

(b) **Findings and cooperation.** Under this chapter, a rule or form may not be adopted or amended, or an order issued or amended, unless the administrator finds that the rule, form, order, or amendment is necessary or appropriate in the public interest or for the protection of investors and is consistent with the purposes intended by this chapter. In adopting, amending, and repealing rules and forms, section 80A.85 applies in order to achieve uniformity among the states and coordination with federal laws in the form and content of registration statements, applications, reports, and other records, including the adoption of uniform rules, forms, and procedures.

(c) **Financial statements.** Subject to Section 15(h) of the Securities Exchange Act and Section 222 of the Investment Advisers Act of 1940, the administrator may require that a financial statement filed under this chapter be prepared in accordance with generally accepted accounting principles in the United States and comply with other requirements specified by rule adopted or order issued under this chapter. A rule adopted or order issued under this chapter may establish:

(1) subject to Section 15(h) of the Securities Exchange Act and Section 222 of the Investment Advisers Act of 1940, the form and content of financial statements required under this chapter;

(2) whether unconsolidated financial statements must be filed; and

(3) whether required financial statements must be audited by an independent certified public accountant.

(d) **Interpretative opinions.** The administrator may provide interpretive opinions or issue determinations that the administrator will not institute a proceeding or an action under this chapter against a specified person for engaging in a specified act, practice, or course of business if the determination is consistent with this chapter. A rule adopted or order issued under this chapter may establish a reasonable charge for interpretative opinions or determinations that the administrator will not institute an action or a proceeding under this chapter.

(e) **Effect of compliance.** A penalty under this chapter may not be imposed for, and liability does not arise from conduct that is engaged in or omitted in good faith believing it conforms to a rule, form, or order of the administrator under this chapter.

(f) **Presumption for public hearings.** A hearing in an administrative proceeding under this chapter must be conducted in public unless the administrator for good cause consistent with this chapter determines that the hearing will not be so conducted.

Sec. 43. **[80A.83] SECTION 606; ADMINISTRATIVE FILES AND OPINIONS.**

(a) **Public register of filings.** The administrator shall maintain, or designate a person to maintain, a register of applications for registration of securities; registration statements; notice filings; applications for registration of broker-dealers, agents, investment advisers, and investment adviser representatives; notice filings by federal covered investment advisers that are or have been effective under this chapter or the predecessor act; notices of claims of exemption from registration or notice filing requirements contained in a record; orders issued under this chapter or the predecessor act; and interpretative opinions or no action determinations issued under this chapter.

(b) **Public availability.** The administrator shall make all rules, forms, interpretative opinions, and orders available to the public.

(c) **Copies of public records.** The administrator shall furnish a copy of a record that is a public record or a certification that the public record does not exist to a person that so requests. A rule adopted under this chapter may establish a reasonable charge for furnishing the record or certification. A copy of the record certified or a certificate by the administrator of a record's nonexistence is prima facie evidence of a record or its nonexistence.

Sec. 44. **[80A.84] SECTION 607; PUBLIC RECORDS; CONFIDENTIALITY.**

(a) **Presumption of public records.** Except as otherwise provided in subsection (b), records obtained by the administrator or filed under this chapter, including a record contained in or filed with a registration statement, application, notice filing, or report, are public records and are available for public examination.

(b) **Nonpublic records.** The following records are not public records and are not available for public examination under subsection (a):

(1) a record obtained by the administrator in connection with an audit or inspection under section 80A.66(d) or an investigation under section 80A.79;

(2) a part of a record filed in connection with a registration statement under sections 80A.49 and 80A.51 through 80A.53 or a record under section 80A.66(d) that contains trade secrets or confidential information if the person filing the registration statement or report has asserted a claim of confidentiality or privilege that is authorized by law;

(3) a record that is not required to be provided to the administrator or filed under this chapter and is provided to the administrator only on the condition that the record will not be subject to public examination or disclosure;

(4) a nonpublic record received from a person specified in section 80A.85(a);

(5) any social security number, residential address unless used as a business address, and residential telephone number contained in a record that is filed; and

(6) a record obtained by the administrator through a designee of the administrator that a rule or order under this chapter determines has been:

(A) expunged from the administrator's records by the designee; or

(B) determined to be nonpublic or nondisclosable by that designee if the administrator finds the determination to be in the public interest and for the protection of investors.

(c) **Administrator discretion to disclose.** If disclosure is for the purpose of a civil, administrative, or criminal investigation, action, or proceeding or to a person specified in section 80A.85(a), the administrator may disclose a record obtained in connection with an audit or inspection under section 80A.66(d) or a record obtained in connection with an investigation under section 80A.79.

Sec. 45. **[80A.85] SECTION 608; UNIFORMITY AND COOPERATION WITH OTHER AGENCIES.**

(a) **Objective of uniformity.** The administrator shall, in its discretion, cooperate, coordinate, consult, and, subject to section 80A.84, share records and information with the securities regulator of another state, Canada, a Canadian province or territory, a foreign jurisdiction, the Securities and Exchange Commission, the United States Department of Justice, the Commodity Futures Trading Commission, the Federal Trade Commission, the Securities Investor Protection Corporation, a self-regulatory organization, a national or international organization of securities regulators, a federal or state banking and insurance regulator, and a governmental law enforcement agency to effectuate greater uniformity in securities matters among the federal government, self-regulatory organizations, states, and foreign governments.

(b) **Policies to consider.** In cooperating, coordinating, consulting, and sharing records and information under this section and in acting by rule, order, or waiver under this chapter, the administrator shall, in its discretion, take into consideration in carrying out the public interest the following general policies:

- (1) maximizing effectiveness of regulation for the protection of investors;
- (2) maximizing uniformity in federal and state regulatory standards; and
- (3) minimizing burdens on the business of capital formation, without adversely effecting essentials of investor protection.

(c) **Subjects for cooperation.** The cooperation, coordination, consultation, and sharing of records and information authorized by this section includes:

- (1) establishing or employing one or more designees as a central depository for registration and notice filings under this chapter and for records required or allowed to be maintained under this chapter;
- (2) developing and maintaining uniform forms;
- (3) conducting a joint examination or investigation;
- (4) holding a joint administrative hearing;
- (5) instituting and prosecuting a joint civil or administrative proceeding;
- (6) sharing and exchanging personnel;
- (7) coordinating registrations under sections 80A.49 and 80A.56 through 80A.59 and exemptions under section 80A.47;
- (8) sharing and exchanging records, subject to section 80A.84;
- (9) formulating rules, statements of policy, guidelines, forms, and interpretative opinions and releases;
- (10) formulating common systems and procedures;
- (11) notifying the public of proposed rules, forms, statements of policy, and guidelines;

(12) attending conferences and other meetings among securities regulators, which may include representatives of governmental and private sector organizations involved in capital formation, deemed necessary or appropriate to promote or achieve uniformity; and

(13) developing and maintaining a uniform exemption from registration for small issuers, and taking other steps to reduce the burden of raising investment capital by small businesses.

Sec. 46. **[80A.86] SECTION 609; JUDICIAL REVIEW.**

(a) **Judicial review of orders.** A final order issued by the administrator under this chapter is subject to judicial review in accordance with chapter 14.

(b) **Judicial review of rules.** A rule adopted under this chapter is subject to judicial review in accordance with chapter 14.

Sec. 47. **[80A.87] SECTION 610; JURISDICTION.**

(a) **Sales and offers to sell.** Sections 80A.49, 80A.50, 80A.56(a), 80A.57(a), 80A.58(a), 80A.59(a), 80A.68, 80A.73, 80A.76, and 80A.77 do not apply to a person that sells or offers to sell a security unless the offer to sell or the sale is made in this state or the offer to purchase or the purchase is made and accepted in this state.

(b) **Purchases and offers to purchase.** Sections 80A.56(a), 80A.57(a), 80A.58(a), 80A.59(a), 80A.68, 80A.73, 80A.76, and 80A.77 do not apply to a person that purchases or offers to purchase a security unless the offer to purchase or the purchase is made in this state or the offer to sell or the sale is made and accepted in this state.

(c) **Offers in this state.** For the purpose of this section, an offer to sell or to purchase a security is made in this state, whether or not either party is then present in this state, if the offer:

(1) originates from within this state; or

(2) is directed by the offeror to a place in this state and received at the place to which it is directed.

(d) **Acceptances in this state.** For the purpose of this section, an offer to purchase or to sell is accepted in this state, whether or not either party is then present in this state, if the acceptance:

(1) is communicated to the offeror in this state and the offeree reasonably believes the offeror to be present in this state and the acceptance is received at the place in this state to which it is directed; and

(2) has not previously been communicated to the offeror, orally or in a record, outside this state.

(e) **Publications, radio, television, or electronic communications.** An offer to sell or to purchase is not made in this state when a publisher circulates or there is circulated on the publisher's behalf in this state a bona fide newspaper or other publication of general, regular, and paid circulation that is not published in this state, or that is published in this state but has had more than two-thirds of its circulation outside this state during the previous 12 months or when a radio or television program or other electronic communication originating outside this state is received in this state. A radio or television program, or other electronic communication is considered as having originated in this state if either the broadcast studio or the originating source of transmission is located in this state, unless:

(1) the program or communication is syndicated and distributed from outside this state for redistribution to the general public in this state;

(2) the program or communication is supplied by a radio, television, or other electronic network with the electronic signal originating from outside this state for redistribution to the general public in this state;

(3) the program or communication is an electronic communication that originates outside this state and is captured for redistribution to the general public in this state by a community antenna or cable, radio, cable television, or other electronic system; or

(4) the program or communication consists of an electronic communication that originates in this state, but which is not intended for distribution to the general public in this state.

(f) **Investment advice and misrepresentations.** Sections 80A.58(a), 80A.59(a), 80A.60(a), 80A.69, 80A.72, and 80A.73 apply to a person if the person engages in an act, practice, or course of business instrumental in effecting prohibited or actionable conduct in this state, whether or not either party is then present in this state.

Sec. 48. **[80A.88] SECTION 611; SERVICE OF PROCESS.**

(a) **Signed consent to service of process.** A consent to service of process complying with this section required by this chapter must be signed and filed in the form required by a rule or order under this chapter. A consent appointing the administrator the person's agent for service of process in a noncriminal action or proceeding against the person, or the person's successor or personal representative under this chapter or a rule adopted or order issued under this chapter after the consent is filed, has the same force and validity as if the service were made personally on the person filing the consent. A person that has filed a consent complying with this subsection in connection with a previous application for registration or notice filing need not file an additional consent.

(b) **Conduct constituting appointment of agent for service.** If a person, including a nonresident of this state, engages in an act, practice, or course of business prohibited or made actionable by this chapter or a rule adopted or order issued under this chapter and the person has not filed a consent to service of process under subsection (a), the act, practice, or course of business constitutes the appointment of the administrator as the person's agent for service of process in a noncriminal action or proceeding against the person or the person's successor or personal representative.

(c) **Procedure for service of process.** Service under subsection (a) or (b) may be made by providing a copy of the process to the office of the administrator, but it is not effective unless:

(1) the plaintiff, which may be the administrator, promptly sends notice of the service and a copy of the process, return receipt requested, to the defendant or respondent at the address set forth in the consent to service of process or, if a consent to service of process has not been filed, at the last known address, or takes other reasonable steps to give notice; and

(2) the plaintiff files an affidavit of compliance with this subsection in the action or proceeding on or before the return day of the process, if any, or within the time that the court, or the administrator in a proceeding before the administrator, allows.

(d) **Service in administrative proceedings or civil actions by administrator.** Service pursuant to subsection (c) may be used in a proceeding before the administrator or by the administrator in a civil action in which the administrator is the moving party.

(e) **Opportunity to defend.** If process is served under subsection (c), the court, or the administrator in a proceeding before the administrator, shall order continuances as are necessary or appropriate to afford the defendant or respondent reasonable opportunity to defend.

Sec. 49. **[80A.89] SECTION 612; SEVERABILITY CLAUSE.**

If any provision of this chapter or its application to any person or circumstances is held invalid, the invalidity does not affect other provisions or applications of this chapter that can be given effect without the invalid provision or application, and to this end the provisions of this chapter are severable.

TRANSITION

Sec. 50. [80A.90] SECTION 703; APPLICATION OF ACT TO EXISTING PROCEEDING AND EXISTING RIGHTS AND DUTIES.

(a) **Applicability of predecessor act to pending proceedings and existing rights.** The predecessor act exclusively governs all actions or proceedings that are pending on the effective date of this chapter or may be instituted on the basis of conduct occurring before the effective date of this chapter, but a civil action may not be maintained to enforce any liability under the predecessor act unless instituted within any period of limitation that applied when the cause of action accrued or within five years after the effective date of this chapter, whichever is earlier.

(b) **Continued effectiveness under predecessor act.** All effective registrations under the predecessor act, all administrative orders relating to the registrations, rules, statements of policy, interpretative opinions, declaratory rulings, no action determinations, and conditions imposed on the registrations under the predecessor act remain in effect while they would have remained in effect if this chapter had not been enacted. They are considered to have been filed, issued, or composed under this chapter, but are exclusively governed by the predecessor act.

(c) **Applicability of predecessor act to offers or sales.** The predecessor act exclusively applies to an offer or sale made within one year after the effective date of this chapter pursuant to an offering made in good faith before the effective date of this chapter on the basis of an exemption available under the predecessor act.

Sec. 51. **REPEALER.**
