

CHAPTER 249—S.F.No. 2500

An act relating to horse racing; providing for sharing of purse set-aside and breeder's fund revenue; modifying certain restrictions on simulcasting; amending Minnesota Statutes 2006, sections 240.06, subdivision 5a, by adding a subdivision; 240.13, subdivision 6.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2006, section 240.06, subdivision 5a, is amended to read:

Subd. 5a. **Additional license; metropolitan area.** (a) Notwithstanding subdivision 5, the commission may issue one additional class A license within the seven-county metropolitan area, provided that the additional license may only be issued for a facility:

- (1) located more than 20 miles from any other racetrack in existence on January 1, 1987;
- (2) containing a track no larger than five-eighths of a mile in circumference;
- (3) used exclusively for at which standardbred racing is the only form of live horse racing conducted;
- (4) not owned or operated by a governmental entity or a nonprofit organization; and
- (5) that has a current road or highway system adequate to facilitate present and future vehicular traffic expeditiously to and from the facility.

The consideration of clause (5) shall prevail when two competing licensees are relatively equal regarding other considerations mandated by law or rule.

(b) An application for an additional class A license within the seven-county metropolitan area may not delay or adversely affect an application for a class A license for a facility to be located outside the seven-county metropolitan area.

Sec. 2. Minnesota Statutes 2006, section 240.06, is amended by adding a subdivision to read:

Subd. 5b. **Sharing of purse set-aside and breeders fund revenue.** Notwithstanding subdivision 5, a class A licensed racetrack operating within the seven-county metropolitan area may:

- (1) enter into an agreement with a horsepersons' organization that represents a breed other than the breed racing at the licensee's racetrack under which the licensee agrees to pay a percentage of simulcasting or card club revenues to the purse set-aside account of another class A licensed racetrack operating within the seven-county metropolitan area. The licensee may only enter into such an agreement with a horsepersons' organization that represents a breed other than the breed racing at the licensee's racetrack. All amounts contributed to a class A racetrack under such an agreement must go to purses for races run at that racetrack; and

(2) conduct simulcasting on all breeds of horses if it:

(i) enters into an agreement with another class A licensed racetrack within the seven-county metropolitan area regarding simulcasting of any breed of horses raced at such other class A licensed racetrack that the class A racetrack elects to simulcast; and

(ii) contributes to the purse set-aside account of another class A licensed racetrack operating within the seven-county metropolitan area, and to the breeders fund, an amount equal to the amount that would have been contributed to the set-aside account and the breeders fund, as required by statute, if the simulcast had been conducted at such other class A licensed racetrack. The percentages used to determine the amount of the simulcast contribution to the purse set-aside account and the breeders fund will be the percentage required under law. Contributions to the purse set-aside account shall be used by such other class A licensed racetrack for purses for races conducted by that racetrack in the same manner as if the simulcast had occurred at that racetrack.

Sec. 3. Minnesota Statutes 2006, section 240.13, subdivision 6, is amended to read:

Subd. 6. **Simulcasting.** (a) The commission may permit an authorized licensee to conduct simulcasting at the licensee's facility on any day authorized by the commission. All simulcasts must comply with the Interstate Horse Racing Act of 1978, United States Code, title 15, sections 3001 to 3007.

(b) The commission may not authorize any day for simulcasting at a class A facility during the racing season, and a licensee may not be allowed to transmit out-of-state telecasts of races the licensee conducts, unless the licensee has obtained the approval of the horsepersons' organization representing the majority of the horsepersons racing the breed involved at the licensed racetrack during the preceding 12 months. In the case of a class A facility licensed under section 240.06, subdivision 5a, the approval applicable to the first year of the racetrack's operation may be obtained from the horsepersons' organization that represents the majority of horsepersons who will race the breed involved at the licensed racetrack during the first year of the racetrack's operation.

(c) The licensee may pay fees and costs to an entity transmitting a telecast of a race to the licensee for purposes of conducting pari-mutuel wagering on the race. The licensee may deduct fees and costs related to the receipt of televised transmissions from a pari-mutuel pool on the televised race, provided that one-half of any amount recouped in this manner must be added to the amounts required to be set aside for purses.

(d) With the approval of the commission and subject to the provisions of this subdivision, a licensee may transmit telecasts of races it conducts, for wagering purposes, to locations outside the state, and the commission may allow this to be done on a commingled pool basis.

(e) Except as otherwise provided in this section, simulcasting may be conducted on a separate pool basis or, with the approval of the commission, on a commingled pool basis. All provisions of law governing pari-mutuel betting apply to simulcasting except as otherwise provided in this subdivision or in the commission's rules. If pools are commingled, wagering at the licensed facility must be on equipment electronically linked with the equipment at the licensee's class A facility or with the sending racetrack via the totalizator computer at the licensee's class A facility. Subject to the approval of the commission, the types of betting, takeout, and distribution of winnings on commingled pari-mutuel pools are those in effect at the sending racetrack. Breakage for pari-mutuel

pools on a televised race must be calculated in accordance with the law or rules governing the sending racetrack for these pools, and must be distributed in a manner agreed to between the licensee and the sending racetrack. Notwithstanding subdivision 7 and section 240.15, subdivision 5, the commission may approve procedures governing the definition and disposition of unclaimed tickets that are consistent with the law and rules governing unclaimed tickets at the sending racetrack. For the purposes of this section, "sending racetrack" is either the racetrack outside of this state where the horse race is conducted or, with the consent of the racetrack, an alternative facility that serves as the racetrack for the purpose of commingling pools.

(f) Except as otherwise provided in section 240.06, subdivision 5b, paragraph (2), if there is more than one class B licensee conducting racing within the seven-county metropolitan area, simulcasting may be conducted only on races run by a breed that ran at the licensee's class A facility within the 12 months preceding the event.

Sec. 4. **EFFECTIVE DATE.**

Sections 1 to 3 are effective the day following final enactment.
