ARTICLE 2

AIDS TO LOCAL GOVERNMENTS

Section 1. Minnesota Statutes 2006, section 477A.011, subdivision 34, is amended to read:

Subd. 34. **City revenue need.** (a) For a city with a population equal to or greater than 2,500, "city revenue need" is the sum of (1) 5.0734098 times the pre-1940 housing percentage; plus (2) 19.141678 times the population decline percentage; plus (3) 2504.06334 times the road accidents factor; plus (4) 355.0547; minus (5) the metropolitan area factor; minus (6) 49.10638 times the household size.

(b) For a city with a population less than 2,500, "city revenue need" is the sum of (1) 2.387 times the pre-1940 housing percentage; plus (2) 2.67591 times the commercial industrial percentage; plus (3) 3.16042 times the population decline percentage; plus (4) 1.206 times the transformed population; minus (5) 62.772.

(c) For a city with a population of 2,500 or more and a population in one of the most recently available five years that was less than 2,500, "city revenue need" is the sum of (1) its city revenue need calculated under paragraph (a) multiplied by its transition factor; plus (2) its city revenue need calculated under the formula in paragraph (b) multiplied by the difference between one and its transition factor. For purposes of this paragraph, a city's "transition factor" is equal to 0.2 multiplied by the number of years that the city's population estimate has been 2,500 or more. This provision only applies for aids payable in calendar years 2006 to 2008 to cities with a 2002 population of less than 2,500. It applies to any city for aids payable in 2009 and thereafter. The city revenue need under this paragraph may not be less than 285.

(d) The city revenue need cannot be less than zero.

(e) For calendar year 2005 and subsequent years, the city revenue need for a city, as determined in paragraphs (a) to (d), is multiplied by the ratio of the annual implicit price deflator for government consumption expenditures and gross investment for state and local governments as prepared by the United States Department of Commerce, for the most recently available year to the 2003 implicit price deflator for state and local government purchases.

EFFECTIVE DATE. This section is effective for aids payable in calendar year 2009 and thereafter.

Sec. 13. Minnesota Statutes 2006, section 290.191, subdivision 5, is amended to read:

Subd. 5. **Determination of sales factor.** For purposes of this section, the following rules apply in determining the sales factor.

(a) The sales factor includes all sales, gross earnings, or receipts received in the ordinary course of the business, except that the following types of income are not included in the sales factor:

(1) interest;

(2) dividends;

(3) sales of capital assets as defined in section 1221 of the Internal Revenue Code;

(4) sales of property used in the trade or business, except sales of leased property of a type which is regularly sold as well as leased;

(5) sales of debt instruments as defined in section 1275(a)(1) of the Internal Revenue Code or sales of stock; and

(6) royalties, fees, or other like income of a type which qualify for a subtraction from federal taxable income under section 290.01, subdivision 19d(10).

(b) Sales of tangible personal property are made within this state if the property is received by a purchaser at a point within this state, and the taxpayer is taxable in this state, regardless of the f.o.b. point, other conditions of the sale, or the ultimate destination of the property.

(c) Tangible personal property delivered to a common or contract carrier or foreign vessel for delivery to a purchaser in another state or nation is a sale in that state or nation, regardless of f.o.b. point or other conditions of the sale.

(d) Notwithstanding paragraphs (b) and (c), when intoxicating liquor, wine, fermented malt beverages, cigarettes, or tobacco products are sold to a purchaser who is licensed by a state or political subdivision to resell this property only within the state of ultimate destination, the sale is made in that state.

(e) Sales made by or through a corporation that is qualified as a domestic international sales corporation under section 992 of the Internal Revenue Code are not considered to have been made within this state.

(f) Sales, rents, royalties, and other income in connection with real property is attributed to the state in which the property is located.

(g) Receipts from the lease or rental of tangible personal property, including finance leases and true leases, must be attributed to this state if the property is located in this state and to other states if the property is not located in this state. Receipts from the lease or rental of moving property including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment are included in the numerator of the receipts factor to the extent that the property is used in this state. The extent of the use of moving property is determined as follows:

(1) A motor vehicle is used wholly in the state in which it is registered.

(2) The extent that rolling stock is used in this state is determined by multiplying the receipts from the lease or rental of the rolling stock by a fraction, the numerator of which is the miles traveled within this state by the leased or rented rolling stock and the denominator of which is the total miles traveled by the leased or rented rolling stock.

(3) The extent that an aircraft is used in this state is determined by multiplying the receipts from the lease or rental of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this state and the denominator of which is the total number of landings of the aircraft.

(4) The extent that a vessel, mobile equipment, or other mobile property is used in the state is determined by multiplying the receipts from the lease or rental of the property by a fraction, the numerator of which is the number of days during the taxable year the property was in this state and the denominator of which is the total days in the taxable year.

(h) Royalties and other income not described in paragraph (a), clause (6), received for the use of or for the privilege of using intangible property, including patents, know-how, formulas, designs, processes, patterns, copyrights, trade names, service names, franchises, licenses, contracts, customer lists, or similar items, must be attributed to the state in which the property is used by the purchaser. If the property is used in more than one state, the royalties or other income must be apportioned to this state pro rata according to the portion of use in this state. If the portion of use in this state cannot be determined, the royalties or other income must be excluded from both the numerator and the denominator. Intangible property is used in this state if the purchaser uses the intangible property or the rights therein in the regular course of its business operations in this state, regardless of the location of the purchaser's customers.

(i) Sales of intangible property are made within the state in which the property is used by the purchaser. If the property is used in more than one state, the sales must be apportioned to this state pro rata according to the portion of use in this state. If the portion of use in this state cannot be determined, the sale must be excluded from both the numerator and the denominator of the sales factor. Intangible property is used in this state if the purchaser used the intangible property in the regular course of its business operations in this state.

(j) Receipts from the performance of services must be attributed to the state where the services are received. For the purposes of this section, receipts from the performance of services provided to a corporation, partnership, or trust may only be attributed to a state where it has a fixed place of doing business. If the state where the services are received is not readily determinable or is a state where the corporation, partnership, or trust receiving the service does not have a fixed place of doing business, the services shall be deemed to be received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. If the ordering office cannot be determined, the services shall be deemed to be received at the office of the customer to which the services are billed.

(k) For the purposes of this subdivision and subdivision 6, paragraph (l), receipts from management, distribution, or administrative services performed by a corporation or trust for a fund of a corporation or trust regulated under United States Code, title 15, sections 80a-1 through 80a-64, must be attributed to the state where the shareholder of the fund resides. Under this paragraph, receipts for services attributed to shareholders are determined on the basis of the ratio of: (1) the average of the outstanding shares in the fund owned by shareholders residing within Minnesota at the beginning and end of each year; and (2) the average of the total number of outstanding shares in the fund at the beginning and end of each year. Residence of the shareholder, in the case of an individual, is determined by the mailing address furnished by the shareholder to the fund. Residence of the shareholder, when the shares are held by an insurance company as a depositor for the insurance company policyholders, is the mailing address of the policyholders. In the case of an insurance company holding the shares as a depositor for the insurance company policyholders, if the mailing address of the policyholders cannot be determined by the taxpayer, the receipts must be excluded from both the numerator and denominator. Residence of other shareholders is the mailing address of the shareholder.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2009.

Sec. 14. Minnesota Statutes 2006, section 290.191, subdivision 6, is amended to read:

Subd. 6. **Determination of receipts factor for financial institutions.** (a) For purposes of this section, the rules in this subdivision and ~~subdivision~~ subdivisions 5, paragraph (k), and 8 apply in determining the receipts factor for financial institutions.

(b) "Receipts" for this purpose means gross income, including net taxable gain on disposition of assets, including securities and money market instruments, when derived from transactions and activities in the regular course of the taxpayer's trade or business.

(c) "Money market instruments" means federal funds sold and securities purchased under agreements to resell, commercial paper, banker's acceptances, and purchased certificates of deposit and similar instruments to the extent that the instruments are reflected as assets under generally accepted accounting principles.

(d) "Securities" means United States Treasury securities, obligations of United States government agencies and corporations, obligations of state and political subdivisions, corporate stock, bonds, and other securities, participations in securities backed by mortgages held by United States or state government agencies, loan-backed securities and similar investments to the extent the investments are reflected as assets under generally accepted accounting principles.

(e) Receipts from the lease or rental of real or tangible personal property, including both finance leases and true leases, must be attributed to this state if the property is located in this state. Receipts from the lease or rental of tangible personal property that is characteristically moving property, including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment are included in the numerator of the receipts factor to the extent that the property is used in this state. The extent of the use of moving property is determined as follows:

(1) A motor vehicle is used wholly in the state in which it is registered.

(2) The extent that rolling stock is used in this state is determined by multiplying the receipts from the lease or rental of the rolling stock by a fraction, the numerator of which is the miles traveled within this state by the leased or rented rolling stock and the denominator of which is the total miles traveled by the leased or rented rolling stock.

(3) The extent that an aircraft is used in this state is determined by multiplying the receipts from the lease or rental of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this state and the denominator of which is the total number of landings of the aircraft.

(4) The extent that a vessel, mobile equipment, or other mobile property is used in the state is determined by multiplying the receipts from the lease or rental of property by a fraction, the numerator of which is the number of days during the taxable year the property was in this state and the denominator of which is the total days in the taxable year.

(f) Interest income and other receipts from assets in the nature of loans that are secured primarily by real estate or tangible personal property must be attributed to this state if the security property is located in this state under the principles stated in paragraph (e).

(g) Interest income and other receipts from consumer loans not secured by real or tangible personal property that are made to residents of this state, whether at a place of business, by traveling loan officer, by mail, by telephone or other electronic means, must be attributed to this state.

(h) Interest income and other receipts from commercial loans and installment obligations that are unsecured by real or tangible personal property or secured by intangible property must be attributed to this state if the proceeds of the loan are to be applied in this state. If it cannot be determined where the funds are to be applied, the income and receipts are attributed to the state in which the office of the borrower from which the application would be made in the regular course of business is located. If this cannot be determined, the transaction is disregarded in the apportionment formula.

(i) Interest income and other receipts from a participating financial institution's portion of participation and syndication loans must be attributed under paragraphs (e) to (h). A participation loan is an arrangement in which a lender makes a loan to a borrower and then sells, assigns, or otherwise transfers all or a part of the loan to a purchasing financial institution. A syndication loan is a loan transaction involving multiple financial institutions in which all the lenders are named as parties to the loan documentation, are known to the borrower, and have privity of contract with the borrower.

(j) Interest income and other receipts including service charges from financial institution credit card and travel and entertainment credit card receivables and credit card holders' fees must be attributed to the state to which the card charges and fees are regularly billed.

(k) Merchant discount income derived from financial institution credit card holder transactions with a merchant must be attributed to the state in which the merchant is located. In the case of merchants located within and outside the state, only receipts from merchant discounts attributable to sales made from locations within the state are attributed to this state. It is presumed, subject to rebuttal, that the location of a merchant is the address shown on the invoice submitted by the merchant to the taxpayer.

(l) Receipts from the performance of fiduciary and other services must be attributed to the state in which the services are received. For the purposes of this section, services provided to a corporation, partnership, or trust must be attributed to a state where it has a fixed place of doing business. If the state where the services are received is not readily determinable or is a state where the corporation, partnership, or trust does not have a fixed place of doing business, the services shall be deemed to be received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. If the ordering office cannot be determined, the services shall be deemed to be received at the office of the customer to which the services are billed.

(m) Receipts from the issuance of travelers checks and money orders must be attributed to the state in which the checks and money orders are purchased.

(n) Receipts from investments of a financial institution in securities and from money market instruments must be apportioned to this state based on the ratio that total deposits from this state, its residents, including any business with an office or other place of business in this state, its political subdivisions, agencies, and instrumentalities bear to the total deposits from all states, their residents, their political subdivisions, agencies, and instrumentalities. In the case of an unregulated financial institution subject to this section, these receipts are apportioned to this state based on the ratio that its gross business income, excluding such receipts, earned from sources within this state bears to gross business income, excluding such receipts, earned from sources within all states. For purposes of this subdivision, deposits made by this state, its residents, its political subdivisions, agencies, and instrumentalities must be attributed to this state, whether or not the deposits are accepted or maintained by the taxpayer at locations within this state.

(o) A financial institution's interest in property described in section 290.015, subdivision 3, paragraph (b), is included in the receipts factor in the same manner as assets in the nature of securities or money market instruments are included in paragraph (n).

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2009.

Subd. 2. **Developing a set of criteria.** A business subsidy may not be granted until the grantor has adopted criteria after a public hearing for awarding business subsidies

that comply with this section. The criteria may not be adopted on a case-by-case basis. The criteria must set specific minimum requirements that recipients must meet in order to be eligible to receive business subsidies. The criteria must include a specific wage floor for the wages to be paid for the jobs created. The wage floor may be stated as a specific dollar amount or may be stated as a formula that will generate a specific dollar amount. A grantor may deviate from its criteria by documenting in writing the reason for the deviation and attaching a copy of the document to its next annual report to the department. The commissioner of employment and economic development may assist local government agencies in developing criteria. A copy of the criteria must be submitted to the Department of Employment and Economic Development along with the first annual report following the enactment of this section or with the first annual report after it has adopted criteria, whichever is earlier. Notwithstanding section 116J.993, subdivision 3, clauses (1) and (21), for the purpose of this subdivision, "business subsidies" as defined under section 116J.993 includes the following forms of financial assistance:

(1) a business subsidy of $25,000 or more; and

(2) business loans and guarantees of $75,000 or more.

A public hearing and notice under this subdivision is not required if a hearing and notice on the subsidy is otherwise required by law.

(b) Public notice of a proposed business subsidy under this subdivision by a state government grantor, other than the Iron Range Resources and Rehabilitation Board, must be published in the State Register. Public notice of a proposed business subsidy under this subdivision by a local government grantor or the Iron Range Resources and Rehabilitation Board must be published in a local newspaper of general circulation. The public notice must identify the location at which information about the business subsidy, including a summary of the terms of the subsidy, is available. Published notice should be sufficiently conspicuous in size and placement to distinguish the notice from the surrounding text. The grantor must make the information available in printed paper copies and, if possible, on the Internet. The government agency must provide at least a ten-day notice for the public hearing.

(c) The public notice must include the date, time, and place of the hearing.

(d) The public hearing by a state government grantor other than the Iron Range Resources and Rehabilitation Board must be held in St. Paul.

(e) If more than one nonstate grantor provides a business subsidy to the same recipient, the nonstate grantors may designate one nonstate grantor to hold a single public hearing regarding the business subsidies provided by all nonstate grantors. For the purposes of this paragraph, "nonstate grantor" includes the iron range resources and rehabilitation board.

(f) The public notice of any public meeting about a business subsidy agreement, including those required by this subdivision and by subdivision 4, must include notice that a person with residence in or the owner of taxable property in the granting jurisdiction may file a written complaint with the grantor if the grantor fails to comply with sections

Local government agencies of a local government with a population of 2,500 or less are exempt from filing this report if they have not awarded a business subsidy in the past five years. The report must include a list of recipients that did not complete the recipient report required under subdivision 7 and a list of recipients that have not met their job and wage goals within two years and the steps being taken to bring them into compliance or to recoup the subsidy.

If the commissioner has not received the report by April 1 from an entity required to report, the commissioner shall issue a warning to the government agency. If the commissioner has still not received the report by June 1 of that same year from an entity required to report, then that government agency may not award any business subsidies until the report has been filed.

(b) The report required under paragraph (a) is also required for financial assistance of $25,000 and greater that is excluded from the definition of "business subsidy" by section 116J.993, subdivision 3, clause (1), and of $75,000 and greater that is excluded from the definition of "business subsidy" by section 116J.993, subdivision 3, clause (21). (4) the date the project will be completed;

(5) the name and address of the parent corporation of the recipient, if any; and

(6) any other information the commissioner may request.

(c) Within one year of completing a report under paragraph (b), the local government agency must report to the commissioner on progress in achieving the purposes and goals under clause (3).

(d) The commissioner of employment and economic development must provide information on reporting requirements to state and local government agencies.

(b) The commissioner shall send notice to each business that fails to timely submit the report required under paragraph (a). The notice shall demand that the business submit the report within 60 days. Where good cause exists, the commissioner may extend the period for submitting the report as long as a request for extension is filed by the business before the expiration of the 60-day period. The commissioner shall notify the commissioner of the Department of Employment and Economic Development and the appropriate job opportunity subzone administrator whenever notice is sent to a business under this paragraph.

(c) A business that fails to submit the report as required under paragraph (b) is no longer a qualified business under section 469.310, subdivision 11, and is subject to the repayment provisions of section 469.319.

EFFECTIVE DATE. This section is effective beginning with reports required to be filed October 15, 2008.

Sec. 9. Minnesota Statutes 2006, section 290.06, is amended by adding a subdivision to read:

Subd. 35. **Seed capital investment credit.** (a) An individual, estate, or trust is allowed a credit against the tax imposed by this chapter for investments in a qualifying business certified under section 116J.8732, subdivision 3. The credit equals 45 percent of the amount invested by the taxpayer in qualified businesses during the taxable year. The credit must not exceed $112,500 for each taxable year.

(b) A pass-through entity that invests in a qualified business must be considered to be the taxpayer for purposes of the investment limitations in this subdivision and the amount of the credit allowed with respect to a pass-through entity's investment in a qualified business must be determined at the pass-through entity level. The amount of the total credit determined at the pass-through entity level must be allowed to the members in proportion to their respective interests in the pass-through entity.

(c) An investment made in a qualified business from the assets of a retirement plan is deemed to be the retirement plan participant's investment for the purpose of this subdivision if a separate account is maintained for the plan participant and the participant directly controls where the account assets are invested.

(d) The investment must be made on or after the certification effective date and must be at risk in the business to be eligible for the tax credit under this subdivision. An investment for which a credit is received under this subdivision must remain in the qualified business for at least three years. Investments placed in escrow do not qualify for the credit.

(e) The entire amount of an investment for which a credit is claimed under this subdivision must be expended by the qualified business for plant, equipment, research and development, marketing and sales activity, or working capital for the qualified business.

(f) A taxpayer who owns a controlling interest in the qualified business or who receives more than 50 percent of the taxpayer's gross annual income from the qualified business is not entitled to a credit under this subdivision. A member of the immediate family of a taxpayer disqualified by this subdivision is not entitled to the credit under this subdivision. For purposes of this subdivision, "immediate family" means the taxpayer's spouse, parent, sibling, or child or the spouse of any such person.

(g) The commissioner may disallow any credit otherwise allowed under this subdivision if any representation by a business in the application for certification as a qualified business proves to be false or if the taxpayer or qualified business fails to satisfy any conditions under this subdivision or section 116J.8732 or any conditions consistent with those requirements otherwise determined by the commissioner. The commissioner has four years after the due date of the return or after the return was filed, whichever period expires later, to audit the credit and assess additional tax that may be found due to failure to comply with the provisions of this subdivision and section 116J.8732. The

amount of any credit disallowed by the commissioner that reduced the taxpayer's income tax liability for any or all applicable tax years, plus penalty and interest as provided under chapter 289A, must be paid by the taxpayer.

(h) If the amount of the credit under this subdivision for any taxable year exceeds the limitations under paragraph (a), the excess is a credit carryover to each of the four succeeding taxable years. The entire amount of the excess unused credit for the taxable year must be carried first to the earliest of the taxable years to which the credit may be carried. The amount of the unused credit that may be added under this paragraph may not exceed the taxpayer's liability for tax, less the credit for the taxable year. Each year, the aggregate amount of seed capital investment tax credit allowed for investments under this subdivision is limited to allocations that a border city has available for tax reductions in border city enterprise zones under section 469.169. The city must annually notify the commissioner of the amount of its section 469.169 allocations that it wishes to use to provide credits under this paragraph and the commissioner, after verifying the available allocation, shall implement the limit under this paragraph. If investments in qualified businesses reported to the commissioner exceed the limit on credits for investments imposed by this subdivision, the credit must be allowed to taxpayers in the chronological order of their investments in qualified businesses as determined from the forms filed under section 116J.8732.

EFFECTIVE DATE. This section is effective July 1, 2008, for taxable years beginning after December 31, 2007, and only applies to investments made after the qualified business has been certified by the commissioner of employment and economic development.

All of the taxable property, both real and personal, within that taxing district shall be deemed to be benefited by projects to the extent of the special taxes levied under this subdivision. Subject to the consent by resolution of the governing body of the city in and for which it was created, an authority may levy a tax upon all taxable property within that taxing district. The tax shall be extended, spread, and included with and as a part of the general taxes for state, county, and municipal purposes by the county auditor, to be collected and enforced therewith, together with the penalty, interest, and costs. As the tax, including any penalties, interest, and costs, is collected by the county treasurer it shall be accumulated and kept in a separate fund to be known as the "housing and redevelopment project fund." The money in the fund shall be turned over to the authority at the same time and in the same manner that the tax collections for the city are turned over to the city, and shall be expended only for the purposes of sections 469.001 to 469.047. It shall be paid out upon vouchers signed by the chair of the authority or an authorized representative. The amount of the levy shall be an amount approved by the governing body of the city, but shall not exceed ~~0.0144~~ 0.0185 percent of taxable market value ~~for the current levy year, notwithstanding section 273.032~~. The authority shall each year formulate and file a budget in accordance with the budget procedure of the city in the same manner as required of executive departments of the city or, if no budgets are required to be filed, by August 1. The amount of the tax levy for the following year shall be based on that budget.

(2) recertify the affected parcels and extend duration of the district, in whole or in part, to compensate;

(3) recertify or correct the original tax capacity rate for the district;

(4) adjust the tax rates of one or more of the taxing districts imposing taxes in the tax increment financing districts for one or more years to recoup amounts advanced by the county or other entity to the authority to replace the reduced increments; or

(5) take other appropriate action so that the amount of increment compensates for or offsets the error or mistake and correctly reflects application of the law.

(b) At least 30 days before exercising authority under this subdivision, the county auditor must notify the authority and the municipality, in writing, of the intent to do so, including supporting information to describe reason for the proposed action. The authority and municipality may waive the time requirement of this paragraph. If the city or the

authority objects before expiration of the 30-day period, the matter must be submitted to the commissioner of revenue for a decision or resolution of the dispute. The commissioner of revenue shall consult with the Office of the State Auditor before making a decision.

Subd. 5. **Construction of Mall of America phase II.** (a) The governing bodies of the city of Bloomington and the Bloomington Port Authority, as a condition of providing tax increments or other financial assistance for parking facilities and other public improvements, must enter into an agreement with the developers of the project that ensures that the facility complies with the sustainable building guidelines in Minnesota Statutes, section 16B.325, and that it must be, to the greatest extent practicable, constructed of American-made steel.

(b) The agreement must prohibit any additional draw from an aquifer for the purpose of a man-made lake, waterpark, or similar entertainment venue.

Subd. 6. **Living wage.** Any agreement to provide financial assistance to phase II of the Mall of America project must include a provision that requires payment of wages that meet the requirements of Minnesota Statutes, section 469.310, subdivision 11, paragraph (g), to persons employed on a full-time basis at the facility. This subdivision does not apply to seasonal or temporary employees or to internships or similar positions intended to provide career experience or training. This subdivision does not apply to nonprofit organizations, educational institutions, or businesses that employ fewer than 50 employees.

The labor peace agreement must be an enforceable agreement and must prohibit the labor organization and its members from engaging in any boycott or other activity advising customers not to patronize any hotel that is part of Phase II for at least the first five years of the hotel's operation, and must cover all operations at the hotel, other than construction, alteration, or repair of the premises separately owned and operated, which are conducted by lessees or tenants or under management agreements, except retail operations, including gift, jewelry, and clothing shops that have annual gross revenues of less than $250,000.

The Port Authority of the city of Bloomington may, but is not required to, issue or cause the sale of bonds, a developer's note, or other obligations to finance the improvements. If a governmental entity other than the city of Bloomington issues the obligations used to finance the parking facilities and other public improvements, the city may transfer the funds available under this section and section 27 for financing the project to the entity that issued the bonds.

Subd. 2. **Sales tax.** The city of Bloomington may charter a special taxing authority, which is a separate political subdivision. The geographic area of the special taxing authority consists of Tax Increment Financing Districts No. 1-C and No. 1-G in the city. The city council is the governing body of the special taxing authority. The special taxing authority may impose, by resolution, a sales tax of not less than one-half of one percent and not more than one percent within its boundaries. The provisions of Minnesota Statutes, section 297A.99, except for subdivisions 2 and 3, govern the imposition, administration, collection, and enforcement of the tax authorized in this subdivision.

Subd. 3. **Lodging tax.** The city may impose, by ordinance, a tax of up to one percent on the gross receipts subject to the lodging tax under Minnesota Statutes, section 469.190. This tax is in addition to any tax imposed under Minnesota Statutes, section 469.190, and may be imposed within a tax district defined by the city council, which must include Tax Increment Districts No. 1-C and No. 1-G in the city of Bloomington and may include additional areas of the city, which are not required to be contiguous.

Subd. 4. **Admissions and recreation tax.** The city may impose, by ordinance, a tax of up to one percent on admissions to entertainment and recreational facilities and rental of recreation equipment at sites within a tax district defined by the city council, which must include Tax Increment Financing Districts No. 1-C and No. 1-G in the city of Bloomington and may include additional areas of the city, which are not required to be contiguous.

Subd. 5. **Food and beverage tax.** The city may impose, by ordinance, an additional sales tax of up to three percent on sales of food and beverages primarily for consumption on or off the premises by restaurants and places of refreshment as defined by resolution

of the city within Tax Increment Financing Districts No. 1-C and No. 1-G in the city of Bloomington.

Subd. 6. **Lodging taxes.** Notwithstanding any law or ordinance, the city may use the unobligated proceeds of any existing city lodging tax attributable to imposition of the tax on lodging facilities constructed after the date of enactment of this act within Tax Increment Financing District No. 1-G. In this subdivision, "unobligated proceeds of any existing city lodging tax" means the proceeds of a lodging tax imposed by the city of Bloomington prior to May 1, 2008, to the extent the proceeds of the tax are not contractually pledged to any other specific uses. Lodging tax proceeds derived from lodging facilities constructed after the date of enactment of this act within Tax Increment Financing District No. 1-G that have been required by law to be expended for promotion of the metropolitan sports area or for marketing and promotion of the city by the city convention bureau may be expended for the purposes described in subdivision 1, notwithstanding the dedications in those laws.

EFFECTIVE DATE. This section is effective the day after compliance by the governing body of the city of Bloomington with Minnesota Statutes, section 645.021, subdivision 3, with respect to this section and section 30.

Sec. 29. **MALL OF AMERICA PHASE II PARKING FACILITY REVENUE BONDS.**

Subdivision 1. **Issuing authority.** (a) The city of Bloomington may contract with any of the following authorities to issue and sell revenue bonds for the purposes and in the amounts specified in subdivision 2:

(1) the commissioner of finance, exercising the authority granted under this section and Minnesota Statutes, sections 16A.672 to 16A.675;

(2) the Agricultural and Economic Development Board, exercising the powers granted under this section and Minnesota Statutes, chapter 41A; or

(3) the Minnesota Public Facilities Authority, exercising the powers granted under this section and Minnesota Statutes, chapter 446A.

(b) The authority granted in this section is in addition to the statutes in paragraph (a) and notwithstanding any contrary provisions in them.

(c) The contract must include as a party the developer of phase II of the Mall of America and may include as a party any other entity deemed appropriate by the city of Bloomington, the issuing authority, and the developer.

Subd. 2. **Purposes and amounts.** (a) The revenue bonds may be issued in a single or multiple issues and sold for the following purposes:

(1) to pay the costs to design, construct, furnish, and equip parking facilities and related public improvements for phase II of the Mall of America;

(2) to pay the costs of issuance, debt service, and bond insurance or other credit enhancements, and to fund reserves; and

(3) to refund bonds issued under this section.

(b) The amount of bonds that may be issued for the purposes of paragraph (a), clause (1), may not exceed per issue the estimated cost from time to time of the parking facilities

and other public improvements, including soft costs; the amount of bonds that may be issued for the purposes of paragraph (a), clauses (2) and (3), is not limited.

Subd. 3. **Revenue sources.** The debt service on the bonds is payable only from the following sources:

(1) the tax revenues referred to in section 28; and

(2) other nonstate revenues pledged to the payment of the bonds.

Subd. 4. **Sale and issuance; proceeds.** (a) The issuing authority may sell and issue the bonds on the terms and conditions the issuing authority determines to be in the best interests of the state after reviewing an agreement between the city of Bloomington and the developer of phase II of the Mall of America setting out the terms upon which the city of Bloomington will use the proceeds of the bond sales. The bonds may be sold at public or private sale at a price or prices the issuing authority finds appropriate. The issuing authority may enter any agreements or pledges the issuing authority determines necessary or useful to sell the bonds that are not inconsistent with this section.

(b) The city may enter into a preliminary agreement with the issuing authority under which the city agrees, if the revenue bonds are not issued, to pay or cause to be paid the costs and expenses incurred by the issuing authority relating to the proposed issuance of the revenue bonds.

(c) The proceeds of the bonds issued under this section must be credited to a special Mall of America revenue bond proceeds account with the issuing authority or a trustee and are appropriated to the issuing authority for payment to the city of Bloomington for the purposes specified in subdivision 2.

Subd. 5. **Security.** The issuing authority may irrevocably pledge and appropriate for payment of the revenue bonds and premium, if any, and interest thereon the revenues it receives from the city of Bloomington derived from tax increments and taxes the city is authorized to impose under section 28. By a resolution of the issuing authority or by an indenture of trust executed under its authority, the issuing authority may make any and all covenants with bondholders, or with a trustee for the bondholders, that are determined by the issuing authority to be necessary and proper to ensure the marketability of the revenue bonds and the segregation and application of the revenues pledged to the payment of the revenue bonds. Any tax revenues transferred to the issuing authority that are not required by the terms of the bonds or other obligations issued under this section, or related documents, to be applied to the payment of the principal, premium, or interest on the bonds or other obligations, the funding of reserves, or the payment of fees, costs, or reimbursements, must be transferred to the city of Bloomington. The revenue bonds are not general obligations of the issuing authority but are payable solely from the revenues received by the city of Bloomington and the proceeds thereof that are pledged to the payment of the revenue bonds. The revenue bonds must not be taken into account for purposes of any limitation on the principal amount of bonds of the issuing authority under Minnesota Statutes, section 446A.12, subdivision 1, or other law. The proceeds of the revenue bonds to be applied to the costs of parking facilities and other public improvements may be made available by the issuing authority to the city of Bloomington for those purposes by a loan agreement or other agreement between the issuing authority and the city. The city may, by resolution or in a loan agreement or other instrument with the issuing authority, pledge to the payment of the revenue bonds issued by the authority all or a portion of the revenues collected from the imposition of the taxes the city is

authorized to impose under section 28 and make any or all covenants determined by the city and the issuing authority to be necessary and proper for the security or marketability of the revenue bonds to be issued by the issuing authority and the payment of the costs and expenses incurred by the issuing authority relating to the revenue bonds.

Subd. 6. **Refunding bonds.** The issuing authority may issue bonds to refund outstanding bonds issued under subdivision 1, including the payment of any redemption premiums on the bonds and any interest accrued or to accrue to the first redemption date after delivery of the refunding bonds. The proceeds of the refunding bonds may, in the discretion of the issuing authority, be applied to the purchases or payment at maturity of the bonds to be refunded, or the redemption of the outstanding bonds on the first redemption date after delivery of the refunding bonds and may, until so used, be placed in escrow to be applied to the purchase, retirement, or redemption. Refunding bonds issued under this subdivision must be issued and secured in the manner provided by the issuing authority.

Subd. 7. **Not a general or moral obligation.** Bonds issued under this section are not general or moral obligations of the issuing authority, and the full faith, credit, and taxing powers of the state are not pledged for their payment. The bonds may not be paid directly, in whole or in part, from a tax of statewide application on any class of property, income, transaction, or privilege. Payment of the bonds is limited to the revenues explicitly authorized to be pledged under this section. The state neither makes nor has a moral obligation to pay the bonds if the pledged revenues and other legal security for them is insufficient.

Subd. 8. **Trustee.** The issuing authority may contract with and appoint a trustee for bond holders. The trustee has the powers and authority vested in it by the issuing authority under the bond and trust indentures.

Subd. 9. **Pledges.** Any pledge made of money, property, or other revenues to the bonds by the issuing authority is valid and binding from the time the pledge is made. The money or property pledged and later received by the issuing authority is immediately subject to the lien of the pledge without any physical delivery of the property or money or further act, and the lien of any pledge is valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the issuing authority, whether or not those parties have notice of the lien or pledge. The resolution, indenture, agreement, or other instrument by which a pledge is created need not be recorded. Any tax revenues pledged to the issuing authority that are not required by the terms of the bonds or other obligations issued under this section, or related documents, to be applied to the payment of the principal, premium, or interest on the bonds or other obligations, the funding of reserves, or the payment of fees, costs, or reimbursements, must be released from the pledge to the bonds and other obligations in accordance with the terms of the bonds, other obligations, and related documents.

Subd. 10. **Bonds; purchase and cancellation.** The issuing authority, subject to agreements with bondholders that may then exist, may, out of any money available for the purpose, purchase bonds of the issuing authority at a price not exceeding (1) if the bonds are then redeemable, the redemption price then applicable plus accrued interest, or (2) if the bonds are not redeemable, the redemption price applicable on the first date after the purchase upon which the bonds become subject to redemption plus accrued interest to that date.

Subd. 11. **State pledge against impairment of contracts.** The state pledges and agrees with the holders of any bonds that the state will not limit or alter the rights vested in

the issuing authority to fulfill the terms of any agreements made with the bondholders, or in any way impair the rights and remedies of the holders until the bonds, together with interest on them, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of the bondholders, are fully met and discharged. The issuing authority may include this pledge and agreement of the state in any agreement with the holders of bonds issued under this section.

EFFECTIVE DATE. This section is effective the day after the governing body of the city of Bloomington and its chief clerical officer timely complete their compliance with Minnesota Statutes, section 645.021, subdivision 3, with respect to this section and section 30.

The commissioner shall consider an executed letter of intent to issue financing for the project from a licensed financial institution or institutions that requires the funding described in this section as a condition of placing the financing to be evidence of the financial necessity of such assistance and must subsequently affirm in writing whether assistance is necessary to make the project financially feasible.

The developer may assign its right to reimbursement under the development agreement as collateral for any loan to fund the construction.

Subd. 6. **Recovery of state costs.** The developer shall advance all of the costs of the commissioner to evaluate the need for the assistance and negotiate the development agreement as a condition of commencement of the negotiation. Notwithstanding the provisions of Minnesota Statutes, section 16C.095, the commissioner may contract with outside entities for any assistance needed in developing this development agreement.

Subd. 7. **LCPFP Review.** The commissioner shall submit the completed development agreement to the Legislative Commission on Planning and Fiscal Policy for approval. The development agreement is not effective until approved by the commission, provided that, if the commission has not approved or rejected the development agreement within 120 days of its submission by the commissioner, it will be deemed to have been approved.

The amount determined under subdivision 5 shall not be greater than it would have been had the actual bona fide sale price of the real property at an arm's-length transaction been used in lieu of the market value determined under subdivision 5. The additional taxes shall be extended against the property on the tax list for the current year, provided that no interest or penalties shall be levied on the additional taxes if timely paid.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 14. Minnesota Statutes 2006, section 273.111, subdivision 4, is amended to read:

Subd. 4. **Determination of value.** (a) The value of any real estate described in subdivision 3 shall upon timely application by the owner, in the manner provided in subdivision 8, be determined solely with reference to its appropriate agricultural classification and value notwithstanding sections 272.03, subdivision 8, and 273.11. ~~In determining the value for ad valorem tax purposes, the assessor shall use sales data for agricultural lands located outside the seven metropolitan counties having similar soil types, number of degree days, and other similar agricultural characteristics.~~ Furthermore, the assessor shall not consider any added values resulting from nonagricultural factors. In order to account for the presence of nonagricultural influences that may affect the value of agricultural land, the commissioner of revenue shall develop a fair and uniform method of determining agricultural values for each county in the state that are consistent with this subdivision. The commissioner shall annually assign the resulting values to each county, and these values shall be used as the basis for determining the agricultural value for all properties in the county qualifying for tax deferment under this section.

(b) In the case of property qualifying for tax deferment only under subdivision 3a, the value shall be based on the value in effect for assessment year 2008, multiplied by the ratio of the total taxable market value of all property in the county for the current assessment year divided by the total taxable market value of all property in the county for assessment year 2008.

EFFECTIVE DATE. This section is effective for assessment year 2009 and thereafter.

Sec. 15. Minnesota Statutes 2006, section 273.111, subdivision 8, is amended to read:

Subd. 8. **Application.** Application for deferment of taxes and assessment under this section shall be filed by May 1 of the year prior to the year in which the taxes are payable. Any application filed hereunder and granted shall continue in effect for subsequent years until the property no longer qualifies. ~~Such~~ The application ~~shall~~ must be filed with the assessor of the taxing district in which the real property is located on ~~such~~ the form ~~as may be~~ prescribed by the commissioner of revenue. The assessor may require proof by affidavit or otherwise that the property qualifies under ~~subdivisions~~ subdivision 3 ~~and 6~~ and may require the applicant to provide a copy of the appropriate schedule or form showing farm income that is attested to by the applicant as having been included in the most recently filed federal income tax return of the applicant.

EFFECTIVE DATE. This section is effective for applications filed after May 1, 2008.

Sec. 16. Minnesota Statutes 2006, section 273.111, subdivision 9, is amended to read:

Subd. 9. **Additional taxes.** When real property which is being, or has been valued and assessed under this section no longer qualifies under ~~subdivisions~~ subdivision 3 ~~and 6~~, the portion no longer qualifying shall be subject to additional taxes, in the amount equal to the difference between the taxes determined in accordance with subdivision 4, and the amount determined under subdivision 5. Provided, however, that the amount determined under subdivision 5 shall not be greater than it would have been had the actual bona fide sale price of the real property at an arm's-length transaction been used in lieu of the market value determined under subdivision 5. Such additional taxes shall be extended against the property on the tax list for the current year, provided, however, that no interest or penalties shall be levied on such additional taxes if timely paid, and provided further, that such additional taxes shall only be levied with respect to the last three years that the said property has been valued and assessed under this section.

EFFECTIVE DATE. This section is effective for deferred taxes payable in 2009 and thereafter.

Sec. 17. Minnesota Statutes 2006, section 273.111, subdivision 11, is amended to read:

Subd. 11. **Special local assessments.** The payment of special local assessments levied after June 1, 1967, for improvements made to any real property described in subdivision 3 together with the interest thereon shall, on timely application as provided in subdivision 8, be deferred as long as such property meets the conditions contained in ~~subdivisions~~ subdivision 3 ~~and 6~~ or 3a or is transferred to an agricultural preserve under sections 473H.02 to 473H.17. If special assessments against the property have been deferred pursuant to this subdivision, the governmental unit shall file with the county

recorder in the county in which the property is located a certificate containing the legal description of the affected property and of the amount deferred. When such property no longer qualifies under ~~subdivisions~~ subdivision 3 ~~and 6~~ or 3a, all deferred special assessments plus interest shall be payable in equal installments spread over the time remaining until the last maturity date of the bonds issued to finance the improvement for which the assessments were levied. If the bonds have matured, the deferred special assessments plus interest shall be payable within 90 days. The provisions of section 429.061, subdivision 2, apply to the collection of these installments. Penalty shall not be levied on any such special assessments if timely paid.

EFFECTIVE DATE. This section is effective for deferred taxes payable in 2009 and thereafter.

Sec. 18. Minnesota Statutes 2006, section 273.111, subdivision 11a, is amended to read:

Subd. 11a. **Continuation of tax treatment upon sale.** When real property qualifying under ~~subdivisions~~ subdivision 3 ~~and 6~~ is sold, no additional taxes or deferred special assessments plus interest shall be extended against the property provided the property continues to qualify pursuant to ~~subdivisions~~ subdivision 3 ~~and 6~~, and provided the new owner files an application for continued deferment within 30 days after the sale.

~~For purposes of meeting the income requirements of subdivision 6, the property purchased shall be considered in conjunction with other qualifying property owned by the purchaser.~~

EFFECTIVE DATE. This section is effective for deferred taxes payable in 2009 and thereafter.

Sec. 19. Minnesota Statutes 2006, section 273.111, subdivision 14, is amended to read:

Subd. 14. **Applicability of special assessment provisions.** (a) This section shall apply to special local assessments levied after July 1, 1967, and payable in the years thereafter, but shall not apply to any special assessments levied at any time by a county or district court under ~~the provisions of~~ chapter 116A or by a watershed district under chapter 103D.

(b) For special assessments levied by a watershed district under chapter 103D before June 1, 2008, this section is effective only for real property initially qualifying for tax deferment after May 31, 2008. For special assessments by a watershed district under chapter 103D levied after May 31, 2008, this section is effective for all real property qualifying for tax deferment under this section.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 20. Minnesota Statutes 2006, section 273.111, is amended by adding a subdivision to read:

Subd. 17. **Implementation of program.** This section must be applied to eligible properties by all county assessors, beginning no later than assessments for taxes levied in 2009, payable in 2010, and thereafter, unless the commissioner of revenue determines that a county is unable to comply with this requirement, in which case the county must implement it for taxes levied in 2010, payable in 2011, and thereafter.

Sec. 21. **[273.1115] AGGREGATE RESOURCE PRESERVATION PROPERTY TAX LAW.**

Subdivision 1. **Definitions.** For purposes of this section, "commercial aggregate deposit" and "actively mined" have the meanings given them in section 273.13, subdivision 23, paragraph (l).

Subd. 2. **Requirement.** Real estate is entitled to valuation under this section only if all of the following requirements are met:

(1) the property is classified 1a, 1b, 2a, or 2b property under section 273.13, subdivisions 22 and 23;

(2) the property is at least ten contiguous acres, when the application is filed under subdivision 3;

(3) the owner has filed a completed application for deferment as specified in subdivision 3 with the county assessor in the county in which the property is located;

(4) there are no delinquent taxes on the property; and

(5) a covenant on the land restricts its use as provided in subdivision 3, clause (4).

Subd. 3. **Application.** Application for valuation deferment under this section must be filed by May 1 of the assessment year. Any application filed and granted continues in effect for subsequent years until the property no longer qualifies, provided that supplemental affidavits under subdivision 8 are timely filed. The application must be filed with the assessor of the county in which the real property is located on such form as may be prescribed by the commissioner of revenue. The application must be executed and acknowledged in the manner required by law to execute and acknowledge a deed and must contain at least the following information and any other information the commissioner deems necessary:

(1) the legal description of the area;

(2) the name and address of owner;

(3) a copy of the affidavit filed under section 273.13, subdivision 23, paragraph (l), when property is classified as:

(i) 1b under section 273.13, subdivision 22, paragraph (b);

(ii) 2a under section 273.13, subdivision 23;

(iii) 2b under section 273.13, subdivision 23; or

(iv) 2e under section 273.13, subdivision 23, paragraph (l).

The application must include a similar document with the same information as contained in the affidavit under section 273.13, subdivision 23, paragraph (l); and

(4) a statement of proof from the owner that the land contains a restrictive covenant limiting its use for the property's surface to that which exists on the date of the application and limiting its future use to the preparation and removal of the commercial aggregate deposit under its surface. To qualify under this clause, the covenant must be binding on the owner or the owner's successor or assignee, and run with the land, except as provided in subdivision 5 allowing for the cancellation of the covenant under certain conditions.

Subd. 4. **Determination of value.** Upon timely application by the owner as provided in subdivision 3, notwithstanding sections 272.03, subdivision 8, and 273.11, the value of any qualifying land described in subdivision 3 must be valued as if it were agricultural property, using a per acre valuation equal to the current assessment year's average per acre valuation of agricultural land in the county. The assessor shall not consider any additional value resulting from potential alternative and future uses of the property. The buildings located on the land shall be valued by the assessor in the normal manner.

Subd. 5. **Cancellation of covenant.** The covenant required under subdivision 3 may be canceled in two ways:

(1) by the owner beginning with the next subsequent assessment year provided that the additional taxes as determined under subdivision 7 are paid by the owner at the time of cancellation; or

(2) by the city or town in which the property is located beginning with the next subsequent assessment year, if the city council or town board:

(i) changes the conditional use of the property;

(ii) revokes the mining permit; or

(iii) changes the zoning to disallow mining.

No additional taxes are imposed on the property under this clause.

Subd. 6. **County termination.** Within two years of the effective date of this section, a county may, following notice and public hearing, terminate application of this section in the county. The termination is effective upon adoption of a resolution of the county board. A county has 60 days from receipt of the first application for enrollment under this section to notify the applicant and any subsequent applicants of the county's intent to begin the process of terminating application of this section in the county. The county must act on the termination within six months. Upon termination by a vote of the county board, all applications received prior to and during notification of intent to terminate shall be deemed void. If the county board does not act on the termination within six months of notification, all applications for valuation for deferment received shall be deemed eligible for consideration to be enrolled under this section. Following this initial 60-day grace period, a termination applies prospectively and does not affect property enrolled under this section prior to the termination date. A county may reauthorize application of this section by a resolution of the county board revoking the termination.

Subd. 7. **Additional taxes.** When real property which has been valued and assessed under this section no longer qualifies, the portion of the land classified under subdivision 2, clause (1), is subject to additional taxes. The additional tax amount is determined by:

(1) computing the difference between (i) the current year's taxes determined in accordance with subdivision 4, and (ii) an amount as determined by the assessor based upon the property's current year's estimated market value of like real estate at its highest and best use and the appropriate local tax rate; and

(2) multiplying the amount determined in clause (1) by the number of years the land was in the program under this section. The current year's estimated market value as determined by the assessor must not exceed the market value that would result if the property was sold in an arms-length transaction and must not be greater than it would have been had the actual bona fide sale price of the property been used in lieu of that market

value. The additional taxes must be extended against the property on the tax list for the current year, except that interest or penalties must not be levied on these additional taxes if timely paid. The additional tax under this subdivision must not be imposed on that portion of the property which has actively been mined and has been removed from the program based upon the supplemental affidavits filed under subdivision 8.

Subd. 8. **Supplemental affidavits; mining activity on land.** When any portion of the property begins to be actively mined, the owner must file a supplemental affidavit within 60 days from the day any aggregate is removed stating the number of acres of the property that is actively being mined. The acres actively being mined shall be (1) valued and classified under section 273.13, subdivision 24, in the next subsequent assessment year, and (2) removed from the aggregate resource preservation property tax program under this section. The additional taxes under subdivision 7 must not be imposed on the acres that are actively being mined and have been removed from the program under this section. Copies of the original affidavit and all supplemental affidavits must be filed with the county assessor, the local zoning administrator, and the Department of Natural Resources, Division of Land and Minerals. A supplemental affidavit must be filed each time a subsequent portion of the property is actively mined, provided that the minimum acreage change is five acres, even if the actual mining activity constitutes less than five acres. Failure to file the affidavits timely shall result in the property losing its valuation deferment under this section, and additional taxes must be imposed as calculated under subdivision 7.

Subd. 9. **Lien.** The additional tax imposed by this section is a lien upon the property assessed to the same extent and for the same duration as other taxes imposed upon property within this state and, when collected, must be distributed in the manner provided by law for the collection and distribution of other property taxes.

Subd. 10. **Continuation of tax treatment upon sale.** When real property qualifying under subdivision 2 is sold, additional taxes must not be extended against the property if the property continues to qualify under subdivision 2, and the new owner files an application with the assessor for continued deferment within 30 days after the sale.

EFFECTIVE DATE. This section is effective for taxes levied in 2009, payable in 2010, and thereafter, except that for the 2009 assessment year, the application date under subdivision 5 shall be September 1, 2009, and subdivision 6 is effective the day following final enactment.

Sec. 22. **[273.113] TAX CREDIT FOR PROPERTY IN PROPOSED BOVINE TUBERCULOSIS MODIFIED ACCREDITED ZONE.**

Subdivision 1. **Definition.** For the purposes of this section, the following terms have the meanings given to them:

(1) "proposed bovine tuberculosis modified accredited zone" means the modified accredited zone proposed by the Board of Animal Health under section 35.244; and

(2) "located within" means that the herd is kept in the area for at least a part of calendar year 2007.

Subd. 2. **Eligibility; amount of credit.** Agricultural land classified under section 273.13, subdivision 23, located within a proposed bovine tuberculosis modified accredited zone is eligible for a property tax credit equal to the property tax on the parcel where the

herd had been located, excluding any tax attributable to residential structures. To begin to qualify for the tax credit, the owner shall file an application with the county by December 1 of the levy year. The credit must be given for each subsequent taxes payable year until the credit terminates under subdivision 4. The assessor shall indicate the amount of the property tax reduction on the property tax statement of each taxpayer receiving a credit under this section. The credit paid pursuant to this section shall be deducted from the tax due on the property as provided in section 273.1393.

Subd. 3. **Reimbursement for lost revenue.** The county auditor shall certify to the commissioner of revenue, as part of the abstracts of tax lists required to be filed with the commissioner under section 275.29, the amount of tax lost to the county from the property tax credit under subdivision 2. Any prior year adjustments must also be certified in the abstracts of tax lists. The commissioner of revenue shall review the certifications to determine their accuracy. The commissioner may make the changes in the certification that are considered necessary or return a certification to the county auditor for corrections. The commissioner shall reimburse each taxing district for the taxes lost. The payments must be made at the time provided in section 473H.10 for payment to taxing jurisdictions in the same proportion that the ad valorem tax is distributed. The amount necessary to make the reimbursements under this section is annually appropriated from the general fund to the commissioner of revenue.

Subd. 4. **Termination of credit.** The credits provided under this section cease to be available beginning with taxes payable in the year following the date when the Board of Animal Health has certified that the state is free of bovine tuberculosis.

Sec. 23. Minnesota Statutes 2006, section 273.121, as amended by Laws 2008, chapter 154, article 13, section 28, is amended to read:

273.121 VALUATION OF REAL PROPERTY, NOTICE.

Subdivision 1. **Notice.** Any county assessor or city assessor having the powers of a county assessor, valuing or classifying taxable real property shall in each year notify those persons whose property is to be included on the assessment roll that year if the person's address is known to the assessor, otherwise the occupant of the property. The notice shall be in writing and shall be sent by ordinary mail at least ten days before the meeting of the local board of appeal and equalization under section 274.01 or the review process established under section 274.13, subdivision 1c. Upon written request by the owner of the property, the assessor may send the notice in electronic form or by electronic mail instead of on paper or by ordinary mail. It shall contain: (1) the market value for the current and prior assessment, (2) the limited market value under section 273.11, subdivision 1a, for the current and prior assessment, (3) the qualifying amount of any improvements under section 273.11, subdivision 16, for the current assessment, (4) the market value subject to taxation after subtracting the amount of any qualifying improvements for the current assessment, (5) the classification of the property for the current and prior assessment, (6) a note that if the property is homestead and at least 45 years old, improvements made to the property may be eligible for a valuation exclusion under section 273.11, subdivision 16, (7) the assessor's office address, and (8) the dates, places, and times set for the meetings of the local board of appeal and equalization, the review process established under section 274.13, subdivision 1c, and the county board of appeal and equalization. The commissioner of revenue shall specify the form of the notice. The assessor shall attach to the assessment roll a statement that the notices required by this section have been mailed. Any assessor who is not provided sufficient funds from the assessor's governing

body to provide such notices, may make application to the commissioner of revenue to finance such notices. The commissioner of revenue shall conduct an investigation and, if satisfied that the assessor does not have the necessary funds, issue a certification to the commissioner of finance of the amount necessary to provide such notices. The commissioner of finance shall issue a warrant for such amount and shall deduct such amount from any state payment to such county or municipality. The necessary funds to make such payments are hereby appropriated. Failure to receive the notice shall in no way affect the validity of the assessment, the resulting tax, the procedures of any board of review or equalization, or the enforcement of delinquent taxes by statutory means.

Subd. 2. **Availability of data.** The notice must state where the information on the property is available, the times when the information may be viewed by the public, and the county's Web site address.

EFFECTIVE DATE. This section is effective for notices prepared in 2009 and thereafter.

Sec. 24. Minnesota Statutes 2006, section 273.124, subdivision 1, is amended to read:

Subdivision 1. **General rule.** (a) Residential real estate that is occupied and used for the purposes of a homestead by its owner, who must be a Minnesota resident, is a residential homestead.

Agricultural land, as defined in section 273.13, subdivision 23, that is occupied and used as a homestead by its owner, who must be a Minnesota resident, is an agricultural homestead.

Dates for establishment of a homestead and homestead treatment provided to particular types of property are as provided in this section.

Property held by a trustee under a trust is eligible for homestead classification if the requirements under this chapter are satisfied.

The assessor shall require proof, as provided in subdivision 13, of the facts upon which classification as a homestead may be determined. Notwithstanding any other law, the assessor may at any time require a homestead application to be filed in order to verify that any property classified as a homestead continues to be eligible for homestead status. Notwithstanding any other law to the contrary, the Department of Revenue may, upon request from an assessor, verify whether an individual who is requesting or receiving homestead classification has filed a Minnesota income tax return as a resident for the most recent taxable year for which the information is available.

When there is a name change or a transfer of homestead property, the assessor may reclassify the property in the next assessment unless a homestead application is filed to verify that the property continues to qualify for homestead classification.

(b) For purposes of this section, homestead property shall include property which is used for purposes of the homestead but is separated from the homestead by a road, street, lot, waterway, or other similar intervening property. The term "used for purposes of the homestead" shall include but not be limited to uses for gardens, garages, or other outbuildings commonly associated with a homestead, but shall not include vacant land held primarily for future development. In order to receive homestead treatment for the noncontiguous property, the owner must use the property for the purposes of the homestead, and must apply to the assessor, both by the deadlines given in subdivision

9. After initial qualification for the homestead treatment, additional applications for subsequent years are not required.

(c) Residential real estate that is occupied and used for purposes of a homestead by a relative of the owner is a homestead but only to the extent of the homestead treatment that would be provided if the related owner occupied the property. For purposes of this paragraph and paragraph (g), "relative" means a parent, stepparent, child, stepchild, grandparent, grandchild, brother, sister, uncle, aunt, nephew, or niece. This relationship may be by blood or marriage. Property that has been classified as seasonal residential recreational property at any time during which it has been owned by the current owner or spouse of the current owner will not be reclassified as a homestead unless it is occupied as a homestead by the owner; this prohibition also applies to property that, in the absence of this paragraph, would have been classified as seasonal residential recreational property at the time when the residence was constructed. Neither the related occupant nor the owner of the property may claim a property tax refund under chapter 290A for a homestead occupied by a relative. In the case of a residence located on agricultural land, only the house, garage, and immediately surrounding one acre of land shall be classified as a homestead under this paragraph, except as provided in paragraph (d).

(d) Agricultural property that is occupied and used for purposes of a homestead by a relative of the owner, is a homestead, only to the extent of the homestead treatment that would be provided if the related owner occupied the property, and only if all of the following criteria are met:

(1) the relative who is occupying the agricultural property is a son, daughter, brother, sister, grandson, granddaughter, father, or mother of the owner of the agricultural property or a son, daughter, brother, sister, grandson, or granddaughter of the spouse of the owner of the agricultural property;

(2) the owner of the agricultural property must be a Minnesota resident;

(3) the owner of the agricultural property must not receive homestead treatment on any other agricultural property in Minnesota; and

(4) the owner of the agricultural property is limited to only one agricultural homestead per family under this paragraph.

Neither the related occupant nor the owner of the property may claim a property tax refund under chapter 290A for a homestead occupied by a relative qualifying under this paragraph. For purposes of this paragraph, "agricultural property" means the house, garage, other farm buildings and structures, and agricultural land.

Application must be made to the assessor by the owner of the agricultural property to receive homestead benefits under this paragraph. The assessor may require the necessary proof that the requirements under this paragraph have been met.

(e) In the case of property owned by a property owner who is married, the assessor must not deny homestead treatment in whole or in part if only one of the spouses occupies the property and the other spouse is absent due to: (1) marriage dissolution proceedings, (2) legal separation, (3) employment or self-employment in another location, or (4) other personal circumstances causing the spouses to live separately, not including an intent to obtain two homestead classifications for property tax purposes. To qualify under clause (3), the spouse's place of employment or self-employment must be at least 50 miles distant from the other spouse's place of employment, and the homesteads must be at least 50 miles

distant from each other. Homestead treatment, in whole or in part, shall not be denied to the owner's spouse who previously occupied the residence with the owner if the absence of the owner is due to one of the exceptions provided in this paragraph.

(f) The assessor must not deny homestead treatment in whole or in part if:

(1) in the case of a property owner who is not married, the owner is absent due to residence in a nursing home, boarding care facility, or an elderly assisted living facility property as defined in section 273.13, subdivision 25a, and the property is not otherwise occupied; or

(2) in the case of a property owner who is married, the owner or the owner's spouse or both are absent due to residence in a nursing home, boarding care facility, or an elderly assisted living facility property as defined in section 273.13, subdivision 25a, and the property is not occupied or is occupied only by the owner's spouse.

(g) If an individual is purchasing property with the intent of claiming it as a homestead and is required by the terms of the financing agreement to have a relative shown on the deed as a co-owner, the assessor shall allow a full homestead classification. This provision only applies to first-time purchasers, whether married or single, or to a person who had previously been married and is purchasing as a single individual for the first time. The application for homestead benefits must be on a form prescribed by the commissioner and must contain the data necessary for the assessor to determine if full homestead benefits are warranted.

(h) If residential or agricultural real estate is occupied and used for purposes of a homestead by a child of a deceased owner and the property is subject to jurisdiction of probate court, the child shall receive relative homestead classification under paragraph (c) or (d) to the same extent they would be entitled to it if the owner was still living, until the probate is completed. For purposes of this paragraph, "child" includes a relationship by blood or by marriage.

(i) If a single-family home, duplex, or triplex classified as either residential homestead or agricultural homestead is also used to provide licensed child care, the portion of the property used for licensed child care must be classified as a part of the homestead property.

EFFECTIVE DATE. This section is effective for taxes payable in 2009 and thereafter.

Sec. 25. Minnesota Statutes 2007 Supplement, section 273.124, subdivision 14, as amended by Laws 2008, chapter 154, article 2, section 7, is amended to read:

Subd. 14. **Agricultural homesteads; special provisions.** (a) Real estate of less than ten acres that is the homestead of its owner must be classified as class 2a under section 273.13, subdivision 23, paragraph (a), if:

(1) the parcel on which the house is located is contiguous on at least two sides to (i) agricultural land, (ii) land owned or administered by the United States Fish and Wildlife Service, or (iii) land administered by the Department of Natural Resources on which in lieu taxes are paid under sections 477A.11 to 477A.14;

(2) its owner also owns a noncontiguous parcel of agricultural land that is at least 20 acres;

(3) the noncontiguous land is located not farther than four townships or cities, or a combination of townships or cities from the homestead; and

(4) the agricultural use value of the noncontiguous land and farm buildings is equal to at least 50 percent of the market value of the house, garage, and one acre of land.

Homesteads initially classified as class 2a under the provisions of this paragraph shall remain classified as class 2a, irrespective of subsequent changes in the use of adjoining properties, as long as the homestead remains under the same ownership, the owner owns a noncontiguous parcel of agricultural land that is at least 20 acres, and the agricultural use value qualifies under clause (4). Homestead classification under this paragraph is limited to property that qualified under this paragraph for the 1998 assessment.

(b)(i) Agricultural property shall be classified as the owner's homestead, to the same extent as other agricultural homestead property, if all of the following criteria are met:

(1) the property consists of at least 40 acres including undivided government lots and correctional 40's;

(2) the owner, the owner's spouse, the son or daughter of the owner or owner's spouse, the brother or sister of the owner or owner's spouse, or the grandson or granddaughter of the owner or the owner's spouse, is actively farming the agricultural property, either on the person's own behalf as an individual or on behalf of a partnership operating a family farm, family farm corporation, joint family farm venture, or limited liability company of which the person is a partner, shareholder, or member;

(3) both the owner of the agricultural property and the person who is actively farming the agricultural property under clause (2), are Minnesota residents;

(4) neither the owner nor the spouse of the owner claims another agricultural homestead in Minnesota; and

(5) neither the owner nor the person actively farming the property lives farther than four townships or cities, or a combination of four townships or cities, from the agricultural property, except that if the owner or the owner's spouse is required to live in employer-provided housing, the owner or owner's spouse, whichever is actively farming the agricultural property, may live more than four townships or cities, or combination of four townships or cities from the agricultural property.

The relationship under this paragraph may be either by blood or marriage.

(ii) Real property held by a trustee under a trust is eligible for agricultural homestead classification under this paragraph if the qualifications in clause (i) are met, except that "owner" means the grantor of the trust.

(iii) Property containing the residence of an owner who owns qualified property under clause (i) shall be classified as part of the owner's agricultural homestead, if that property is also used for noncommercial storage or drying of agricultural crops.

(c) Noncontiguous land shall be included as part of a homestead under section 273.13, subdivision 23, paragraph (a), only if the homestead is classified as class 2a and the detached land is located in the same township or city, or not farther than four townships or cities or combination thereof from the homestead. Any taxpayer of these noncontiguous lands must notify the county assessor that the noncontiguous land is part of the taxpayer's homestead, and, if the homestead is located in another county, the taxpayer must also notify the assessor of the other county.

(d) Agricultural land used for purposes of a homestead and actively farmed by a person holding a vested remainder interest in it must be classified as a homestead under section 273.13, subdivision 23, paragraph (a). If agricultural land is classified class 2a, any other dwellings on the land used for purposes of a homestead by persons holding vested remainder interests who are actively engaged in farming the property, and up to one acre of the land surrounding each homestead and reasonably necessary for the use of the dwelling as a home, must also be assessed class 2a.

(e) Agricultural land and buildings that were class 2a homestead property under section 273.13, subdivision 23, paragraph (a), for the 1997 assessment shall remain classified as agricultural homesteads for subsequent assessments if:

(1) the property owner abandoned the homestead dwelling located on the agricultural homestead as a result of the April 1997 floods;

(2) the property is located in the county of Polk, Clay, Kittson, Marshall, Norman, or Wilkin;

(3) the agricultural land and buildings remain under the same ownership for the current assessment year as existed for the 1997 assessment year and continue to be used for agricultural purposes;

(4) the dwelling occupied by the owner is located in Minnesota and is within 30 miles of one of the parcels of agricultural land that is owned by the taxpayer; and

(5) the owner notifies the county assessor that the relocation was due to the 1997 floods, and the owner furnishes the assessor any information deemed necessary by the assessor in verifying the change in dwelling. Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

(f) Agricultural land and buildings that were class 2a homestead property under section 273.13, subdivision 23, paragraph (a), for the 1998 assessment shall remain classified agricultural homesteads for subsequent assessments if:

(1) the property owner abandoned the homestead dwelling located on the agricultural homestead as a result of damage caused by a March 29, 1998, tornado;

(2) the property is located in the county of Blue Earth, Brown, Cottonwood, LeSueur, Nicollet, Nobles, or Rice;

(3) the agricultural land and buildings remain under the same ownership for the current assessment year as existed for the 1998 assessment year;

(4) the dwelling occupied by the owner is located in this state and is within 50 miles of one of the parcels of agricultural land that is owned by the taxpayer; and

(5) the owner notifies the county assessor that the relocation was due to a March 29, 1998, tornado, and the owner furnishes the assessor any information deemed necessary by the assessor in verifying the change in homestead dwelling. For taxes payable in 1999, the owner must notify the assessor by December 1, 1998. Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

(g) Agricultural property of a family farm corporation, joint family farm venture, family farm limited liability company, or partnership operating a family farm as described

under subdivision 8 shall be classified homestead, to the same extent as other agricultural homestead property, if all of the following criteria are met:

(1) the property consists of at least 40 acres including undivided government lots and correctional 40's;

(2) a shareholder, member, or partner of that entity is actively farming the agricultural property;

(3) that shareholder, member, or partner who is actively farming the agricultural property is a Minnesota resident;

(4) neither that shareholder, member, or partner, nor the spouse of that shareholder, member, or partner claims another agricultural homestead in Minnesota; and

(5) that shareholder, member, or partner does not live farther than four townships or cities, or a combination of four townships or cities, from the agricultural property.

Homestead treatment applies under this paragraph for property leased to a family farm corporation, joint farm venture, limited liability company, or partnership operating a family farm if legal title to the property is in the name of an individual who is a member, shareholder, or partner in the entity.

(h) To be eligible for the special agricultural homestead under this subdivision, an initial full application must be submitted to the county assessor where the property is located. Owners and the persons who are actively farming the property shall be required to complete only a one-page abbreviated version of the application in each subsequent year provided that none of the following items have changed since the initial application:

(1) the day-to-day operation, administration, and financial risks remain the same;

(2) the owners and the persons actively farming the property continue to live within the four townships or city criteria and are Minnesota residents;

(3) the same operator of the agricultural property is listed with the Farm Service Agency;

(4) a Schedule F or equivalent income tax form was filed for the most recent year;

(5) the property's acreage is unchanged; and

(6) none of the property's acres have been enrolled in a federal or state farm program since the initial application.

The owners and any persons who are actively farming the property must include the appropriate Social Security numbers, and sign and date the application. If any of the specified information has changed since the full application was filed, the owner must notify the assessor, and must complete a new application to determine if the property continues to qualify for the special agricultural homestead. The commissioner of revenue shall prepare a standard reapplication form for use by the assessors.

(i) Agricultural land and buildings that were class 2a homestead property under section 273.13, subdivision 23, paragraph (a), for the 2007 assessment shall remain classified agricultural homesteads for subsequent assessments if:

(1) the property owner abandoned the homestead dwelling located on the agricultural homestead as a result of damage caused by the August 2007 floods;

(2) the property is located in the county of Dodge, Fillmore, Houston, Olmsted, Steele, Wabasha, or Winona;

(3) the agricultural land and buildings remain under the same ownership for the current assessment year as existed for the 2007 assessment year;

(4) the dwelling occupied by the owner is located in this state and is within 50 miles of one of the parcels of agricultural land that is owned by the taxpayer; and

(5) the owner notifies the county assessor that the relocation was due to the August 2007 floods, and the owner furnishes the assessor any information deemed necessary by the assessor in verifying the change in homestead dwelling. For taxes payable in 2009, the owner must notify the assessor by December 1, 2008. Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

EFFECTIVE DATE. This section is effective for taxes payable in 2009 and thereafter.

Sec. 26. Minnesota Statutes 2006, section 273.13, subdivision 23, as amended by Laws 2008, chapter 154, article 2, section 12, is amended to read:

Subd. 23. **Class 2.** (a) ~~Class 2a property is agricultural land including any improvements~~ An agricultural homestead consists of class 2a agricultural land that is homesteaded, along with any class 2b rural vacant land that is contiguous to the class 2a land under the same ownership. The market value of the house and garage and immediately surrounding one acre of land has the same class rates as class 1a or 1b property under subdivision 22. The value of the remaining land including improvements up to the first tier valuation limit of agricultural homestead property has a net class rate of ~~0.55~~ 0.5 percent of market value. The remaining property over the first tier has a class rate of one percent of market value. For purposes of this subdivision, the "first tier valuation limit of agricultural homestead property" and "first tier" means the limit certified under section 273.11, subdivision 23.

(b) Class 2a agricultural land consists of parcels of property, or portions thereof, that are agricultural land and buildings. Class 2a property has a net class rate of one percent of market value, unless it is part of an agricultural homestead under paragraph (a). Class 2a property may contain property that would otherwise be classified as 2b, including but not limited to sloughs, wooded wind shelters, acreage abutting ditches, and other similar land impractical for the assessor to value separately from the rest of the property.

An assessor may classify the part of a parcel described in this subdivision that is used for agricultural purposes as class 2a and the remainder in the class appropriate to its use.

(c) Class 2b ~~property is (1)~~ rural vacant land consists of parcels of property, or portions thereof, that are unplatted real estate, rural in character and not used for agricultural purposes, including land used ~~exclusively~~ for growing trees for timber, lumber, and wood and wood products~~; (2) real estate~~, that is not improved with a structure ~~and is used exclusively for growing trees for timber, lumber, and wood and wood products, if the owner has participated or is participating in a cost-sharing program for afforestation, reforestation, or timber stand improvement on that particular property, administered or coordinated by the commissioner of natural resources; (3) real estate that is nonhomestead agricultural land; or (4) a landing area or public access area of a privately owned public use airport~~. The presence of a minor, ancillary nonresidential structure as defined by the

commissioner of revenue does not disqualify the property from classification under this paragraph. Any parcel of 20 acres or more improved with a structure that is not a minor, ancillary nonresidential structure must be split-classified, and ten acres must be assigned to the split parcel containing the structure. Class 2b property has a net class rate of one percent of market value~~, except that unplatted property described in clause (1) or (2) has a net class rate of .65 percent if it consists~~ unless it is part of an agricultural homestead under paragraph (a), or qualifies as class 2c under paragraph (d).

(d) Class 2c managed forest land consists of no less than ~~ten~~ 20 and no more than 1,920 acres ~~and~~ statewide per taxpayer that is being managed under a forest management plan that meets the requirements of chapter 290C, but is not enrolled in the sustainable forest resource management incentive program. It has a class rate of .65 percent, provided that the owner of the property must apply to the assessor ~~annually~~ to receive the reduced class rate and provide the information required by the assessor to verify that the property qualifies for the reduced rate. The commissioner of natural resources must concur that the land is qualified. The commissioner of natural resources shall annually provide county assessors verification information on a timely basis.

~~(c)~~ (e) Agricultural land as used in this section means contiguous acreage of ten acres or more, used during the preceding year for agricultural purposes. "Agricultural purposes" as used in this section means the raising ~~or~~, cultivation, drying, or storage of agricultural products for sale, or the storage of machinery or equipment used in support of agricultural production by the same farm entity. For a property to be classified as agricultural based only on the drying or storage of agricultural products, the products being dried or stored must have been produced by the same farm entity as the entity operating the drying or storage facility. "Agricultural purposes" also includes enrollment in the Reinvest in Minnesota program under sections 103F.501 to 103F.535 or the federal Conservation Reserve Program as contained in Public Law 99-198 or a similar state or federal conservation program if the property was classified as agricultural (i) under this subdivision for the assessment year 2002 or (ii) in the year prior to its enrollment. ~~Contiguous acreage on the same parcel, or contiguous acreage on an immediately adjacent parcel under the same ownership, may also qualify as agricultural land, but only if it is pasture, timber, waste, unusable wild land, or land included in state or federal farm programs.~~ Agricultural classification ~~for property shall be determined excluding the house, garage, and immediately surrounding one acre of land, and~~ shall not be based upon the market value of any residential structures on the parcel or contiguous parcels under the same ownership.

~~(d)~~ (f) Real estate of less than ten acres, ~~excluding the house, garage, and immediately surrounding one acre of land, of less than ten acres~~ which is exclusively ~~and~~ or intensively used for raising or cultivating agricultural products, shall be considered as agricultural land. To qualify under this paragraph, property that includes a residential structure must be used intensively for one of the following purposes:

(i) for drying or storage of grain or storage of machinery or equipment used to support agricultural activities on other parcels of property operated by the same farming entity;

(ii) as a nursery, provided that only those acres used to produce nursery stock are considered agricultural land;

(iii) for livestock or poultry confinement, provided that land that is used only for pasturing and grazing does not qualify; or

(iv) for market farming; for purposes of this paragraph, "market farming" means the cultivation of one or more fruits or vegetables or production of animal or other agricultural products for sale to local markets by the farmer or an organization with which the farmer is affiliated.

(g) Land shall be classified as agricultural even if all or a portion of the agricultural use of that property is the leasing to, or use by another person for agricultural purposes.

Classification under this subdivision is not determinative for qualifying under section 273.111.

(h) The property classification under this section supersedes, for property tax purposes only, any locally administered agricultural policies or land use restrictions that define minimum or maximum farm acreage.

~~(c)~~ (i) The term "agricultural products" as used in this subdivision includes production for sale of:

(1) livestock, dairy animals, dairy products, poultry and poultry products, fur-bearing animals, horticultural and nursery stock, fruit of all kinds, vegetables, forage, grains, bees, and apiary products by the owner;

(2) fish bred for sale and consumption if the fish breeding occurs on land zoned for agricultural use;

(3) the commercial boarding of horses if the boarding is done in conjunction with raising or cultivating agricultural products as defined in clause (1);

(4) property which is owned and operated by nonprofit organizations used for equestrian activities, excluding racing;

(5) game birds and waterfowl bred and raised for use on a shooting preserve licensed under section 97A.115;

(6) insects primarily bred to be used as food for animals;

(7) trees, grown for sale as a crop, including short rotation woody crops, and not sold for timber, lumber, wood, or wood products; and

(8) maple syrup taken from trees grown by a person licensed by the Minnesota Department of Agriculture under chapter 28A as a food processor.

~~(f)~~ (j) If a parcel used for agricultural purposes is also used for commercial or industrial purposes, including but not limited to:

(1) wholesale and retail sales;

(2) processing of raw agricultural products or other goods;

(3) warehousing or storage of processed goods; and

(4) office facilities for the support of the activities enumerated in clauses (1), (2), and (3),

the assessor shall classify the part of the parcel used for agricultural purposes as class 1b, 2a, or 2b, whichever is appropriate, and the remainder in the class appropriate to its use. The grading, sorting, and packaging of raw agricultural products for first sale is considered an agricultural purpose. A greenhouse or other building where horticultural or nursery products are grown that is also used for the conduct of retail sales must be

classified as agricultural if it is primarily used for the growing of horticultural or nursery products from seed, cuttings, or roots and occasionally as a showroom for the retail sale of those products. Use of a greenhouse or building only for the display of already grown horticultural or nursery products does not qualify as an agricultural purpose.

The assessor shall determine and list separately on the records the market value of the homestead dwelling and the one acre of land on which that dwelling is located. If any farm buildings or structures are located on this homesteaded acre of land, their market value shall not be included in this separate determination.

~~(g)~~ (k) Class 2d airport landing area consists of a landing area or public access area of a privately owned public use airport. It has a class rate of one percent of market value. To qualify for classification under this paragraph ~~(b), clause (4)~~, a privately owned public use airport must be licensed as a public airport under section 360.018. For purposes of this paragraph ~~(b), clause (4)~~, "landing area" means that part of a privately owned public use airport properly cleared, regularly maintained, and made available to the public for use by aircraft and includes runways, taxiways, aprons, and sites upon which are situated landing or navigational aids. A landing area also includes land underlying both the primary surface and the approach surfaces that comply with all of the following:

(i) the land is properly cleared and regularly maintained for the primary purposes of the landing, taking off, and taxiing of aircraft; but that portion of the land that contains facilities for servicing, repair, or maintenance of aircraft is not included as a landing area;

(ii) the land is part of the airport property; and

(iii) the land is not used for commercial or residential purposes.

The land contained in a landing area under this paragraph ~~(b), clause (4),~~ must be described and certified by the commissioner of transportation. The certification is effective until it is modified, or until the airport or landing area no longer meets the requirements of this paragraph ~~(b), clause (4)~~. For purposes of this paragraph ~~(b), clause (4)~~, "public access area" means property used as an aircraft parking ramp, apron, or storage hangar, or an arrival and departure building in connection with the airport.

(l) Class 2e consists of land with a commercial aggregate deposit that is not actively being mined and is not otherwise classified as class 2a or 2b. It has a class rate of one percent of market value. To qualify for classification under this paragraph, the property must be at least ten contiguous acres in size and the owner of the property must record with the county recorder of the county in which the property is located an affidavit containing:

(1) a legal description of the property;

(2) a disclosure that the property contains a commercial aggregate deposit that is not actively being mined but is present on the entire parcel enrolled;

(3) documentation that the conditional use under the county or local zoning ordinance of this property is for mining; and

(4) documentation that a permit has been issued by the local unit of government or the mining activity is allowed under local ordinance. The disclosure must include a statement from a registered professional geologist, engineer, or soil scientist delineating the deposit and certifying that it is a commercial aggregate deposit.

For purposes of this section and section 273.1115, "commercial aggregate deposit" means a deposit that will yield crushed stone or sand and gravel that is suitable for use

as a construction aggregate; and "actively mined" means the removal of top soil and overburden in preparation for excavation or excavation of a commercial deposit.

(m) When any portion of the property under this subdivision or subdivision 22 begins to be actively mined, the owner must file a supplemental affidavit within 60 days from the day any aggregate is removed stating the number of acres of the property that is actively being mined. The acres actively being mined must be (1) valued and classified under subdivision 24 in the next subsequent assessment year, and (2) removed from the aggregate resource preservation property tax program under section 273.1115, if the land was enrolled in that program. Copies of the original affidavit and all supplemental affidavits must be filed with the county assessor, the local zoning administrator, and the Department of Natural Resources, Division of Land and Minerals. A supplemental affidavit must be filed each time a subsequent portion of the property is actively mined, provided that the minimum acreage change is five acres, even if the actual mining activity constitutes less than five acres.

EFFECTIVE DATE. The portions of this section reducing the agricultural class rate, expanding the definition of "agricultural purposes" in paragraph (e) and "agricultural products" in paragraph (h), and relating to managed forest land in paragraph (d), are effective for taxes payable in 2009 and thereafter. The remainder of the section is effective for taxes payable in 2010 and thereafter.

Sec. 27. Minnesota Statutes 2006, section 273.13, subdivision 25, as amended by Laws 2008, chapter 154, article 2, section 13, is amended to read:

Subd. 25. **Class 4.** (a) Class 4a is residential real estate containing four or more units and used or held for use by the owner or by the tenants or lessees of the owner as a residence for rental periods of 30 days or more, excluding property qualifying for class 4d. Class 4a also includes hospitals licensed under sections 144.50 to 144.56, other than hospitals exempt under section 272.02, and contiguous property used for hospital purposes, without regard to whether the property has been platted or subdivided. The market value of class 4a property has a class rate of 1.25 percent.

(b) Class 4b includes:

(1) residential real estate containing less than four units that does not qualify as class 4bb, other than seasonal residential recreational property;

(2) manufactured homes not classified under any other provision;

(3) a dwelling, garage, and surrounding one acre of property on a nonhomestead farm classified under subdivision 23, paragraph (b) containing two or three units; and

(4) unimproved property that is classified residential as determined under subdivision 33.

The market value of class 4b property has a class rate of 1.25 percent.

(c) Class 4bb includes:

(1) nonhomestead residential real estate containing one unit, other than seasonal residential recreational property; and

(2) a single family dwelling, garage, and surrounding one acre of property on a nonhomestead farm classified under subdivision 23, paragraph (b).

Class 4bb property has the same class rates as class 1a property under subdivision 22.

Property that has been classified as seasonal residential recreational property at any time during which it has been owned by the current owner or spouse of the current owner does not qualify for class 4bb.

(d) Class 4c property includes:

(1) except as provided in subdivision 22, paragraph (c), or subdivision 23, paragraph (b), clause (1), real and personal property devoted to temporary and seasonal residential occupancy for recreation purposes, including real and personal property devoted to temporary and seasonal residential occupancy for recreation purposes and not devoted to commercial purposes for more than 250 days in the year preceding the year of assessment. For purposes of this clause, property is devoted to a commercial purpose on a specific day if any portion of the property is used for residential occupancy, and a fee is charged for residential occupancy. Class 4c property must contain three or more rental units. A "rental unit" is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site equipped with water and electrical hookups for recreational vehicles. Class 4c property must provide recreational activities such as renting ice fishing houses, boats and motors, snowmobiles, downhill or cross-country ski equipment; provide marina services, launch services, or guide services; or sell bait and fishing tackle. A camping pad offered for rent by a property that otherwise qualifies for class 4c is also class 4c regardless of the term of the rental agreement, as long as the use of the camping pad does not exceed 250 days. In order for a property to be classified as class 4c, seasonal residential recreational for commercial purposes under this clause, at least 40 percent of the annual gross lodging receipts related to the property must be from business conducted during 90 consecutive days and either (i) at least 60 percent of all paid bookings by lodging guests during the year must be for periods of at least two consecutive nights; or (ii) at least 20 percent of the annual gross receipts must be from charges for rental of fish houses, boats and motors, snowmobiles, downhill or cross-country ski equipment, or charges for marina services, launch services, and guide services, or the sale of bait and fishing tackle. For purposes of this determination, a paid booking of five or more nights shall be counted as two bookings. Class 4c also includes commercial use real property used exclusively for recreational purposes in conjunction with class 4c property devoted to temporary and seasonal residential occupancy for recreational purposes, up to a total of two acres, provided the property is not devoted to commercial recreational use for more than 250 days in the year preceding the year of assessment and is located within two miles of the class 4c property with which it is used. Owners of real and personal property devoted to temporary and seasonal residential occupancy for recreation purposes and all or a portion of which was devoted to commercial purposes for not more than 250 days in the year preceding the year of assessment desiring classification as class 4c, must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located must be designated class 4c as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on which they are located will be designated as class 3a. The owner of property desiring designation as class 4c property must provide guest registers or other records demonstrating that the units for which class 4c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility operated on a commercial basis not directly related to temporary and seasonal residential occupancy for recreation purposes does not qualify for class 4c;

(2) qualified property used as a golf course if:

(i) it is open to the public on a daily fee basis. It may charge membership fees or dues, but a membership fee may not be required in order to use the property for golfing, and its green fees for golfing must be comparable to green fees typically charged by municipal courses; and

(ii) it meets the requirements of section 273.112, subdivision 3, paragraph (d).

A structure used as a clubhouse, restaurant, or place of refreshment in conjunction with the golf course is classified as class 3a property;

(3) real property up to a maximum of three acres of land owned and used by a nonprofit community service oriented organization and that is not used for residential purposes on either a temporary or permanent basis, qualifies for class 4c provided that it meets either of the following:

(i) the property is not used for a revenue-producing activity for more than six days in the calendar year preceding the year of assessment; or

(ii) the organization makes annual charitable contributions and donations at least equal to the property's previous year's property taxes and the property is allowed to be used for public and community meetings or events for no charge, as appropriate to the size of the facility.

For purposes of this clause,

(A) "charitable contributions and donations" has the same meaning as lawful gambling purposes under section 349.12, subdivision 25, excluding those purposes relating to the payment of taxes, assessments, fees, auditing costs, and utility payments;

(B) "property taxes" excludes the state general tax;

(C) a "nonprofit community service oriented organization" means any corporation, society, association, foundation, or institution organized and operated exclusively for charitable, religious, fraternal, civic, or educational purposes, and which is exempt from federal income taxation pursuant to section 501(c)(3), (10), or (19) of the Internal Revenue Code of 1986, as amended through December 31, 1990; and

(D) "revenue-producing activities" shall include but not be limited to property or that portion of the property that is used as an on-sale intoxicating liquor or 3.2 percent malt liquor establishment licensed under chapter 340A, a restaurant open to the public, bowling alley, a retail store, gambling conducted by organizations licensed under chapter 349, an insurance business, or office or other space leased or rented to a lessee who conducts a for-profit enterprise on the premises.

Any portion of the property qualifying under item (i) which is used for revenue-producing activities for more than six days in the calendar year preceding the year of assessment shall be assessed as class 3a. The use of the property for social events open exclusively to members and their guests for periods of less than 24 hours, when an admission is not charged nor any revenues are received by the organization shall not be considered a revenue-producing activity.

The organization shall maintain records of its charitable contributions and donations and of public meetings and events held on the property and make them available upon request any time to the assessor to ensure eligibility. An organization meeting the requirement under item (ii) must file an application by May 1 with the assessor for

eligibility for the current year's assessment. The commissioner shall prescribe a uniform application form and instructions;

(4) postsecondary student housing of not more than one acre of land that is owned by a nonprofit corporation organized under chapter 317A and is used exclusively by a student cooperative, sorority, or fraternity for on-campus housing or housing located within two miles of the border of a college campus;

(5) manufactured home parks as defined in section 327.14, subdivision 3;

(6) real property that is actively and exclusively devoted to indoor fitness, health, social, recreational, and related uses, is owned and operated by a not-for-profit corporation, and is located within the metropolitan area as defined in section 473.121, subdivision 2;

(7) a leased or privately owned noncommercial aircraft storage hangar not exempt under section 272.01, subdivision 2, and the land on which it is located, provided that:

(i) the land is on an airport owned or operated by a city, town, county, Metropolitan Airports Commission, or group thereof; and

(ii) the land lease, or any ordinance or signed agreement restricting the use of the leased premise, prohibits commercial activity performed at the hangar.

If a hangar classified under this clause is sold after June 30, 2000, a bill of sale must be filed by the new owner with the assessor of the county where the property is located within 60 days of the sale;

(8) a privately owned noncommercial aircraft storage hangar not exempt under section 272.01, subdivision 2, and the land on which it is located, provided that:

(i) the land abuts a public airport; and

(ii) the owner of the aircraft storage hangar provides the assessor with a signed agreement restricting the use of the premises, prohibiting commercial use or activity performed at the hangar; and

(9) residential real estate, a portion of which is used by the owner for homestead purposes, and that is also a place of lodging, if all of the following criteria are met:

(i) rooms are provided for rent to transient guests that generally stay for periods of 14 or fewer days;

(ii) meals are provided to persons who rent rooms, the cost of which is incorporated in the basic room rate;

(iii) meals are not provided to the general public except for special events on fewer than seven days in the calendar year preceding the year of the assessment; and

(iv) the owner is the operator of the property.

The market value subject to the 4c classification under this clause is limited to five rental units. Any rental units on the property in excess of five, must be valued and assessed as class 3a. The portion of the property used for purposes of a homestead by the owner must be classified as class 1a property under subdivision 22~~.~~; and

(10) real property up to a maximum of three acres and operated as a restaurant as defined under section 157.15, subdivision 12, provided it: (A) is located on a lake as defined under section 103G.005, subdivision 15, paragraph (a), clause (3); and (B) is either devoted to commercial purposes for not more than 250 consecutive days, or

receives at least 60 percent of its annual gross receipts from business conducted during four consecutive months. Gross receipts from the sale of alcoholic beverages must be included in determining the property's qualification under subitem (B). The property's primary business must be as a restaurant and not as a bar. Gross receipts from gift shop sales located on the premises must be excluded. Owners of real property desiring 4c classification under this clause must submit an annual declaration to the assessor by February 1 of the current assessment year, based on the property's relevant information for the preceding assessment year.

Class 4c property has a class rate of 1.5 percent of market value, except that (i) each parcel of seasonal residential recreational property not used for commercial purposes has the same class rates as class 4bb property, (ii) manufactured home parks assessed under clause (5) have the same class rate as class 4b property, (iii) commercial-use seasonal residential recreational property has a class rate of one percent for the first $500,000 of market value, and 1.25 percent for the remaining market value, (iv) the market value of property described in clause (4) has a class rate of one percent, (v) the market value of property described in clauses (2) ~~and~~, (6), and (10) has a class rate of 1.25 percent, and (vi) that portion of the market value of property in clause (9) qualifying for class 4c property has a class rate of 1.25 percent.

(e) Class 4d property is qualifying low-income rental housing certified to the assessor by the Housing Finance Agency under section 273.128, subdivision 3. If only a portion of the units in the building qualify as low-income rental housing units as certified under section 273.128, subdivision 3, only the proportion of qualifying units to the total number of units in the building qualify for class 4d. The remaining portion of the building shall be classified by the assessor based upon its use. Class 4d also includes the same proportion of land as the qualifying low-income rental housing units are to the total units in the building. For all properties qualifying as class 4d, the market value determined by the assessor must be based on the normal approach to value using normal unrestricted rents.

Class 4d property has a class rate of 0.75 percent.

EFFECTIVE DATE. This section is effective for taxes payable in 2009 and thereafter, except that for the 2008 assessment year, the declaration to the assessor shall be September 1, 2008.

Sec. 28. Minnesota Statutes 2006, section 273.13, subdivision 33, is amended to read:

Subd. 33. **Classification of unimproved property.** (a) All real property that is not improved with a structure must be classified according to its current use.

(b) Except as provided in subdivision 23, paragraph (c), real property that is not improved with a structure and for which there is no identifiable current use must be classified according to its highest and best use permitted under the local zoning ordinance. If the ordinance permits more than one use, the land must be classified according to the highest and best use permitted under the ordinance. If no such ordinance exists, the assessor shall consider the most likely potential use of the unimproved land based upon the use made of surrounding land or land in proximity to the unimproved land.

EFFECTIVE DATE. This section is effective for taxes payable in 2010 and thereafter.

Sec. 29. Minnesota Statutes 2006, section 273.1384, subdivision 2, is amended to read:

Subd. 2. **Agricultural homestead market value credit.** Property classified as ~~class 2a~~ agricultural homestead under section 273.13, subdivision 23, paragraph (a), is eligible for an agricultural credit. MINERALS

Section 1. Minnesota Statutes 2006, section 298.001, is amended by adding a subdivision to read:

Subd. 9. **Other iron bearing material.** "Other iron bearing material" means the material described in section 298.405.

Sec. 2. Minnesota Statutes 2006, section 298.22, subdivision 2, is amended to read:

Subd. 2. **Iron Range Resources and Rehabilitation Board.** There is hereby created the Iron Range Resources and Rehabilitation Board, consisting of 13 members, five of whom are state senators appointed by the Subcommittee on Committees of the Rules Committee of the senate, and five of whom are representatives, appointed by the speaker of the house of representatives. The remaining members shall be appointed one each by the senate majority leader, the speaker of the house of representatives, and the governor and must be nonlegislators who reside in a taconite assistance area as defined in section 273.1341. The members shall be appointed in January of every odd-numbered year, except that the initial nonlegislator members shall be appointed by July 1, 1999, and shall serve until January of the next odd-numbered year. Vacancies on the board shall be filled in the same manner as the original members were chosen. At least a majority of the legislative members of the board shall be elected from state senatorial or legislative districts in which over 50 percent of the residents reside within a taconite assistance area as defined in section 273.1341. All expenditures and projects made by the commissioner of Iron Range resources and rehabilitation shall be consistent with the priorities established in subdivision 8 and shall first be submitted to the Iron Range Resources and Rehabilitation Board for approval by a majority of the board of expenditures and projects for rehabilitation purposes as provided by this section, and the method, manner, and time of payment of all funds proposed to be disbursed shall be first approved or disapproved by the board. The board shall biennially make its report to the governor and the legislature on

or before November 15 of each even-numbered year. The expenses of the board shall be paid by the state from the funds raised pursuant to this section. Members of the board who are legislators may be reimbursed for expenses in the manner provided in sections 3.099, subdivision 1, and 3.101, and may receive per diem payments during the interims between legislative sessions in the manner provided in section 3.099, subdivision 1. Members of the board who are not legislators may receive per diem payments and be reimbursed for expenses at the lowest rate provided for legislative members.

Sec. 3. Minnesota Statutes 2006, section 298.22, subdivision 5a, as added by Laws 2008, chapter 154, article 8, section 3, is amended to read:

Subd. 5a. **Forest trust.** The commissioner, upon the affirmative vote of a majority of the members of the board, may purchase forest lands in the taconite assistance area defined in under section 273.1341 with funds specifically authorized for the purchase. The acquired forest lands must be held in trust for the benefit of the citizens of the taconite assistance area as the Iron Range Miners' Memorial Forest. The forest trust lands shall be managed and developed for recreation and economic development purposes. The commissioner, upon the affirmative vote of a majority of the members of the board, may sell forest lands purchased under this subdivision if the board finds that the sale advances the purposes of the trust. Proceeds derived from the management or sale of the lands and from the sale of timber or removal of gravel or other minerals from these forest lands shall be deposited into an Iron Range Miners' Memorial Forest account that is established within the state financial accounts. Funds may be expended from the account upon approval of a majority of the members of the board to purchase, manage, administer, convey interests in, and improve the forest lands. By majority vote of the members of the board, money in the Iron Range Miners' Memorial Forest account may be transferred into the corpus of the Douglas J. Johnson economic protection trust fund established under sections 298.291 to 298.294. The property acquired under the authority granted by this subdivision and income derived from the property or the operation or management of the property are exempt from taxation by the state or its political subdivisions while held by the forest trust.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 4. Minnesota Statutes 2006, section 298.22, is amended by adding a subdivision to read:

Subd. 12. **Data classification.** Data collected by the commissioner on any application to determine the eligibility of an applicant for any loan or equity investment made from funds that are available to the commissioner under this section or otherwise by law, and to assess or monitor the applicant's or recipient's default risk or to collect payments owed are: (1) private data on individuals as defined in section 13.02, subdivision 12; and (2) nonpublic data as defined in section 13.02, subdivision 9. The names of the recipients of the financial assistance and the amounts of financial assistance are public data.

Sec. 5. Minnesota Statutes 2007 Supplement, section 298.227, is amended to read:

298.227 TACONITE ECONOMIC DEVELOPMENT FUND.

(a) An amount equal to that distributed pursuant to each taconite producer's taxable production and qualifying sales under section 298.28, subdivision 9a, shall be held by the Iron Range Resources and Rehabilitation Board in a separate taconite economic development fund for each taconite and direct reduced ore producer. Money from the

fund for each producer shall be released by the commissioner after review by a joint committee consisting of an equal number of representatives of the salaried employees and the nonsalaried production and maintenance employees of that producer. The District 11 director of the United States Steelworkers of America, on advice of each local employee president, shall select the employee members. In nonorganized operations, the employee committee shall be elected by the nonsalaried production and maintenance employees. The review must be completed no later than six months after the producer presents a proposal for expenditure of the funds to the committee. The funds held pursuant to this section may be released only for workforce development and associated public facility improvement, or for acquisition of plant and stationary mining equipment and facilities for the producer or for research and development in Minnesota on new mining, or taconite, iron, or steel production technology, but only if the producer provides a matching expenditure to be used for the same purpose of at least 50 percent of the distribution based on 14.7 cents per ton beginning with distributions in 2002. Effective for proposals for expenditures of money from the fund beginning May 26, 2007, the commissioner may not release the funds before the next scheduled meeting of the board. If the board rejects a proposed expenditure, the funds must be deposited in the Taconite Environmental Protection Fund under sections 298.222 to 298.225. If a producer uses money which has been released from the fund prior to May 26, 2007 to procure haulage trucks, mobile equipment, or mining shovels, and the producer removes the piece of equipment from the taconite tax relief area defined in section 273.134 within ten years from the date of receipt of the money from the fund, a portion of the money granted from the fund must be repaid to the taconite economic development fund. The portion of the money to be repaid is 100 percent of the grant if the equipment is removed from the taconite tax relief area within 12 months after receipt of the money from the fund, declining by ten percent for each of the subsequent nine years during which the equipment remains within the taconite tax relief area. If a taconite production facility is sold after operations at the facility had ceased, any money remaining in the fund for the former producer may be released to the purchaser of the facility on the terms otherwise applicable to the former producer under this section. If a producer fails to provide matching funds for a proposed expenditure within six months after the commissioner approves release of the funds, the funds are available for release to another producer in proportion to the distribution provided and under the conditions of this section. Any portion of the fund which is not released by the commissioner within ~~two years~~ one year of its deposit in the fund shall be divided between the taconite environmental protection fund created in section 298.223 and the Douglas J. Johnson economic protection trust fund created in section 298.292 for placement in their respective special accounts. Two-thirds of the unreleased funds shall be distributed to the taconite environmental protection fund and one-third to the Douglas J. Johnson economic protection trust fund.

(b) Notwithstanding the requirements of paragraph (a), setting the amount of distributions and the review process, an amount equal to ten cents per taxable ton of production in 2007, for distribution in 2008 only, that would otherwise be distributed under paragraph (a), may be used for a loan for the cost of construction of a biomass energy facility. This amount must be deducted from the distribution under paragraph (a) for which a matching expenditure by the producer is not required. The granting of the loan is subject to approval by the Iron Range Resources and Rehabilitation Board; interest must be payable on the loan at the rate prescribed in section 298.2213, subdivision 3. Repayments of the loan and interest must be deposited in the northeast Minnesota economic development fund established in section 298.2213. If a loan is not made under

this paragraph by July 1, 2009, the amount that had been made available for the loan under this paragraph must be transferred to the northeast Minnesota economic development fund. Money distributed in 2008 to the fund established under this section that exceeds ten cents per ton is available to qualifying producers under paragraph (a) on a pro rata basis.

If 2008 H.F. No. 1812 is enacted and includes a provision that amends this section in a manner that is different from the amendment in this section, the amendment in this section supersedes the amendment in 2008 H.F. No. 1812, notwithstanding section 645.26.

EFFECTIVE DATE. The section is effective the day following final enactment.

Sec. 6. Minnesota Statutes 2006, section 298.24, subdivision 1, as amended by Laws 2008, chapter 154, article 8, section 5, is amended to read:

Subdivision 1. **Imposed; calculation.** (a) For concentrate produced in 2001, 2002, and 2003, there is imposed upon taconite and iron sulphides, and upon the mining and quarrying thereof, and upon the production of iron ore concentrate therefrom, and upon the concentrate so produced, a tax of $2.103 per gross ton of merchantable iron ore concentrate produced therefrom. For concentrates produced in 2005, the tax rate is the same rate imposed for concentrates produced in 2004. For concentrates produced in 2009 and subsequent years, the tax is also imposed upon other iron bearing material.

(b) For concentrates produced in 2006 and subsequent years, the tax rate shall be equal to the preceding year's tax rate plus an amount equal to the preceding year's tax rate multiplied by the percentage increase in the implicit price deflator from the fourth quarter of the second preceding year to the fourth quarter of the preceding year. "Implicit price deflator" means the implicit price deflator for the gross domestic product prepared by the Bureau of Economic Analysis of the United States Department of Commerce.

(c) ~~On concentrates produced in 1997 and thereafter,~~ An additional tax is imposed equal to three cents per gross ton of merchantable iron ore concentrate for each one percent that the iron content of the product exceeds 72 percent, when dried at 212 degrees Fahrenheit.

(d) The tax on taconite and iron sulphides shall be imposed on the average of the production for the current year and the previous two years. The rate of the tax imposed will be the current year's tax rate. This clause shall not apply in the case of the closing of a taconite facility if the property taxes on the facility would be higher if this clause and section 298.25 were not applicable. The tax on other iron bearing material shall be imposed on the current year production.

(e) If the tax or any part of the tax imposed by this subdivision is held to be unconstitutional, a tax of $2.103 per gross ton of merchantable iron ore concentrate produced shall be imposed.

(f) Consistent with the intent of this subdivision to impose a tax based upon the weight of merchantable iron ore concentrate, the commissioner of revenue may indirectly determine the weight of merchantable iron ore concentrate included in fluxed pellets by subtracting the weight of the limestone, dolomite, or olivine derivatives or other basic flux additives included in the pellets from the weight of the pellets. For purposes of this paragraph, "fluxed pellets" are pellets produced in a process in which limestone, dolomite, olivine, or other basic flux additives are combined with merchantable iron ore concentrate.

No subtraction from the weight of the pellets shall be allowed for binders, mineral and chemical additives other than basic flux additives, or moisture.

(g)(1) Notwithstanding any other provision of this subdivision, for the first two years of a plant's commercial production of direct reduced ore from ore mined in this state, no tax is imposed under this section. As used in this paragraph, "commercial production" is production of more than 50,000 tons of direct reduced ore in the current year or in any prior year, "noncommercial production" is production of 50,000 tons or less of direct reduced ore in any year, and "direct reduced ore" is ore that results in a product that has an iron content of at least 75 percent. For the third year of a plant's commercial production of direct reduced ore, the rate to be applied to direct reduced ore is 25 percent of the rate otherwise determined under this subdivision. For the fourth commercial production year, the rate is 50 percent of the rate otherwise determined under this subdivision; for the fifth commercial production year, the rate is 75 percent of the rate otherwise determined under this subdivision; and for all subsequent commercial production years, the full rate is imposed.

(2) Subject to clause (1), production of direct reduced ore in this state is subject to the tax imposed by this section, but if that production is not produced by a producer of taconite ~~or,~~ iron sulfides, or other iron bearing material, the production of taconite ~~or,~~ iron sulfides, or other iron bearing material, that is consumed in the production of direct reduced iron in this state is not subject to the tax imposed by this section on taconite ~~or,~~ iron sulfides, or other iron bearing material.

(3) Notwithstanding any other provision of this subdivision, no tax is imposed on direct reduced ore under this section during the facility's noncommercial production of direct reduced ore. The taconite or iron sulphides consumed in the noncommercial production of direct reduced ore is subject to the tax imposed by this section on taconite and iron sulphides. Three-year average production of direct reduced ore does not include production of direct reduced ore in any noncommercial year. Three-year average production for a direct reduced ore facility that has noncommercial production is the average of the commercial production of direct reduced ore for the current year and the previous two commercial years.

(4) This paragraph applies only to plants for which all environmental permits have been obtained and construction has begun before July 1, 2008.

EFFECTIVE DATE. This section is effective for production in 2009 and thereafter, except that the amendment to paragraph (g) is effective the day following final enactment.

Sec. 7. Minnesota Statutes 2006, section 298.25, as amended by Laws 2008, chapter 154, article 8, section 6, is amended to read:

298.25 TAXES ADDITIONAL TO OCCUPATION TAX; IN LIEU OF OTHER TAXES.

The taxes imposed under section 298.24 shall be in addition to the occupation tax imposed upon the business of mining and producing iron ore. Except as herein otherwise provided, such taxes shall be in lieu of all other taxes upon ~~such~~ taconite, iron sulphides, ~~and~~ direct reduced ore, and other iron bearing material or the lands in which they are contained, or upon the mining or quarrying thereof, or the production of concentrate or direct reduced ore therefrom, or upon the concentrate or direct reduced ore produced, or upon the machinery, equipment, tools, supplies and buildings used in such mining,

quarrying or production, or upon the lands occupied by, or used in connection with, such mining, quarrying or production facilities. If electric or steam power for the mining, transportation or concentration of ~~such~~ taconite, concentrates ~~or~~, direct reduced ore, or other iron bearing material produced therefrom is generated in plants principally devoted to the generation of power for such purposes, the plants in which such power is generated and all machinery, equipment, tools, supplies, transmission and distribution lines used in the generation and distribution of such power, shall not be considered to be machinery, equipment, tools, supplies and buildings used in the mining, quarrying, or production of taconite, taconite concentrates or direct reduced ore within the meaning of this section, and shall be subject to general property taxation. Nothing ~~herein shall prevent~~ in this section prevents the assessment and taxation under the general property tax law of:

(1) the surface of reserve land containing taconite or other iron bearing material and not occupied by such facilities or used in connection ~~therewith~~ with them at the value ~~thereof~~ of the land without regard to the taconite ~~or~~, iron sulphides ~~therein, nor the assessment and taxation of~~, or other iron bearing materials in the land;

(2) merchantable iron ore or other minerals, or iron-bearing materials other than taconite or iron sulphides in ~~such~~ the lands ~~in the manner provided by law, nor the assessment and taxation of~~;

(3) facilities used in producing sulphur or sulphur products from iron sulphide concentrates, or in refining ~~such~~ sulphur products~~, under the general property tax laws. Nothing herein shall except from general taxation or from taxation as provided by other laws~~; or

(4) any property used for residential or townsite purposes, including utility services ~~thereto~~ to that property.

This section does not provide an exemption from general property taxation for ore docks even if located at the site of a taconite production facility.

EFFECTIVE DATE. This section is effective for production in 2009 and thereafter.

Sec. 8. Minnesota Statutes 2006, section 298.28, subdivision 3, is amended to read:

Subd. 3. **Cities; towns.** (a) 12.5 cents per taxable ton, less any amount distributed under subdivision 8, and paragraph (b), must be allocated to the taconite municipal aid account to be distributed as provided in section 298.282.

(b) An amount must be allocated to towns or cities that is annually certified by the county auditor of a county containing a taconite tax relief area as defined in section 273.134, paragraph (b), within which there is (1) an organized township if, as of January 2, 1982, more than 75 percent of the assessed valuation of the township consists of iron ore or (2) a city if, as of January 2, 1980, more than 75 percent of the assessed valuation of the city consists of iron ore.

(c) The amount allocated under paragraph (b) will be the portion of a township's or city's certified levy equal to the proportion of (1) the difference between 50 percent of January 2, 1982, assessed value in the case of a township and 50 percent of the January 2, 1980, assessed value in the case of a city and its current assessed value to (2) the sum of its current assessed value plus the difference determined in (1), provided that the amount distributed shall not exceed $55 per capita in the case of a township or $75 per capita in the case of a city. For purposes of this limitation, population will be determined according

to the 1980 decennial census conducted by the United States Bureau of the Census. If the current assessed value of the township exceeds 50 percent of the township's January 2, 1982, assessed value, or if the current assessed value of the city exceeds 50 percent of the city's January 2, 1980, assessed value, this paragraph shall not apply. For purposes of this paragraph, "assessed value," when used in reference to years other than 1980 or 1982, means the appropriate net tax capacities multiplied by 10.2.

(d) In addition to other distributions under this subdivision, three cents per taxable ton for distributions in 2009 must be allocated for distribution to towns that are entirely located within the taconite tax relief area defined in section 273.134, paragraph (b). For distribution in 2010 and subsequent years, the three-cent amount must be annually increased in the same proportion as the increase in the implicit price deflator as provided in section 298.24, subdivision 1. The amount available under this paragraph will be distributed to eligible towns on a per capita basis, provided that no town may receive more than $50,000 in any year under this paragraph. Any amount of the distribution that exceeds the $50,000 limitation for a town under this paragraph must be redistributed on a per capita basis among the other eligible towns, to whose distributions do not exceed $50,000.

EFFECTIVE DATE. This section is effective for distributions in 2009 and thereafter.

Sec. 9. Minnesota Statutes 2006, section 298.28, subdivision 9d, as added by Laws 2008, chapter 154, article 8, section 9, is amended to read:

Subd. 9d. **Iron Range higher education account.** ~~Two~~ Five cents per taxable ton must be allocated to the Iron Range Resources and Rehabilitation Board to be deposited in an Iron Range higher education account that is hereby created, to be used for higher education programs conducted at educational institutions in the taconite assistance area defined in section 273.1341. The Iron Range Higher Education committee under section 298.2214 and the Iron Range Resources and Rehabilitation Board must approve all expenditures from the account.

EFFECTIVE DATE. This section is effective for production in 2007, distributions in 2008, and thereafter.

Sec. 10. Minnesota Statutes 2006, section 298.28, subdivision 12, is amended to read:

Subd. 12. **Estimates.** On or before October 10 of each calendar year each producer of taconite ~~or~~, iron sulphides, and other iron-bearing material subject to taxation under section 298.24 ~~(~~, hereinafter ~~called~~ referred to as "taxpayer"~~),~~ shall file with the commissioner of revenue an estimate of the amount of tax ~~which~~ that would be payable by ~~such~~ the taxpayer under ~~said~~ the law for ~~such~~ the calendar year; provided ~~such~~ that the estimate shall be in an amount not less than the amount due on the mining and production of concentrates up to September 30 of ~~said~~ the year plus the amount becoming due because of probable production between September 30 and December 31 of ~~said~~ the year, less any credit allowable as provided in subdivision 13. The commissioner of revenue shall annually on or before October 10 report an estimated distribution amount to each taxing district and the officers with whom such report is so filed shall use the amount so indicated as being distributable to each taxing district in computing the permissible tax levy of ~~such~~ the county or city in the year in which ~~such~~ the estimate is made, and payable in the next ~~ensuing~~ calendar year, except that one cent per taxable ton of the amount distributed under subdivision 5, paragraph (d), shall not be deducted in calculating the

permissible levy. In any calendar year in which a general property tax levy has been made, if the taxes distributable to any ~~such~~ county or city are greater than the amount estimated by the commissioner to be paid to ~~any such~~ the county or city ~~in such~~ that year, the excess of ~~such~~ the distribution shall be held in a special fund by the county or city and shall not be expended until the succeeding calendar year, and shall be included in computing the permissible levies of ~~such~~ the county or city payable in such year. If the amounts distributable to ~~any such~~ the county or city after final determination by the commissioner of revenue under this section are less than the amounts by which a taxing district's levies were reduced pursuant to this section, ~~such~~ the county or city may issue certificates of indebtedness in the amount of the shortage, and may include in its next tax levy an amount sufficient to pay ~~such~~ the certificates of indebtedness and interest thereon, or, if no certificates were issued, an amount equal to ~~such~~ the shortage.

EFFECTIVE DATE. This section is effective for production in 2009 and thereafter.

Sec. 11. Minnesota Statutes 2006, section 298.292, subdivision 2, as amended by Laws 2008, chapter 154, article 8, section 11, is amended to read:

Subd. 2. **Use of money.** Money in the Douglas J. Johnson economic protection trust fund may be used for the following purposes:

(1) to provide loans, loan guarantees, interest buy-downs and other forms of participation with private sources of financing, but a loan to a private enterprise shall be for a principal amount not to exceed one-half of the cost of the project for which financing is sought, and the rate of interest on a loan to a private enterprise shall be no less than the lesser of eight percent or an interest rate three percentage points less than a full faith and credit obligation of the United States government of comparable maturity, at the time that the loan is approved;

(2) to fund reserve accounts established to secure the payment when due of the principal of and interest on bonds issued pursuant to section 298.2211;

(3) to pay in periodic payments or in a lump sum payment any or all of the interest on bonds issued pursuant to chapter 474 for the purpose of constructing, converting, or retrofitting heating facilities in connection with district heating systems or systems utilizing alternative energy sources;

(4) to invest in a venture capital fund or enterprise that will provide capital to other entities that are engaging in, or that will engage in, projects or programs that have the purposes set forth in subdivision 1. No investments may be made in a venture capital fund or enterprise unless at least two other unrelated investors make investments of at least $500,000 in the venture capital fund or enterprise, and the investment by the Douglas J. Johnson economic protection trust fund may not exceed the amount of the largest investment by an unrelated investor in the venture capital fund or enterprise. For purposes of this subdivision, an "unrelated investor" is a person or entity that is not related to the entity in which the investment is made or to any individual who owns more than 40 percent of the value of the entity, in any of the following relationships: spouse, parent, child, sibling, employee, or owner of an interest in the entity that exceeds ten percent of the value of all interests in it. These contributions include contributions to a corporate reserve account the use of which is restricted to real property improvements or acquisitions, contributions to the corporation which are used for real property improvements or acquisitions, and the amount of principal amortized by the corporation on its indebtedness due to the financing of real property acquisition or improvement or the averaging of principal paid by the corporation over the term of its real property-related indebtedness.

(b) The articles of incorporation require that the board of directors limit the purchase price of stock or membership interests for new member-occupants or resident shareholders to an amount which does not exceed the transfer value for the membership or stock as defined in clause (a).

(c) The articles of incorporation require that the total distribution out of capital to a member shall not exceed that transfer value.

(d) The articles of incorporation require that upon liquidation of the corporation any assets remaining after retirement of corporate debts and distribution to members will

For these purposes, "benefits under this subdivision" means the difference in the net tax capacity of the units which no longer qualify as computed under this subdivision and as computed under the otherwise applicable law, times the local tax rate applicable to the building for that taxes payable year. Upon discovery of a failure to notify, the assessor shall inform the auditor of the difference in net tax capacity for the building or buildings in which units no longer qualify, and the auditor shall calculate the benefits under this subdivision. Such amount, plus a penalty equal to 100 percent of that amount, shall then be demanded of the building's owner. The property owner may appeal the county's determination by serving copies of a petition for review with county officials as provided in section 278.01 and filing a proof of service as provided in section 278.01 with the Minnesota Tax Court within 60 days of the date of the notice from the county. sections 273.125, subdivision 5, and 278.03, but including section 278.05, subdivision 2. If the amount of the benefits under this subdivision and penalty are not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount of the benefit and penalty to the succeeding year's tax list to be collected as part of the property taxes on the affected buildings.

EFFECTIVE DATE. This section is effective the day following final enactment.

A camping pad offered for rent by a property that otherwise qualifies for class 4c is also class 4c regardless of the term of the rental agreement, as long as the use of the camping pad does not exceed 250 days. In order for a property to be classified as class 4c, seasonal residential recreational for commercial purposes, at least 40 percent of the annual gross lodging receipts related to the property must be from business conducted during 90 consecutive days and either (i) at least 60 percent of all paid bookings by lodging guests during the year must be for periods of at least two consecutive nights; or (ii) at least 20 percent of the annual gross receipts must be from charges for rental of fish houses, boats and motors, snowmobiles, downhill or cross-country ski equipment, or charges for marina services, launch services, and guide services, or the sale of bait and fishing tackle. For purposes of this determination, a paid booking of five or more nights shall be counted as two bookings. Class 4c also includes commercial use real property used exclusively for recreational purposes in conjunction with class 4c property devoted to temporary and seasonal residential occupancy for recreational purposes, up to a total of two acres, provided the property is not devoted to commercial recreational use for more than 250 days in the year preceding the year of assessment and is located within two miles of the

class 4c property with which it is used. Owners of real and personal property devoted to temporary and seasonal residential occupancy for recreation purposes and all or a portion of which was devoted to commercial purposes for not more than 250 days in the year preceding the year of assessment desiring classification as class 4c, must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located must be designated class 4c as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on which they are located will be designated as class 3a. The owner of property desiring designation as class 4c property must provide guest registers or other records demonstrating that the units for which class 4c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility operated on a commercial basis not directly related to temporary and seasonal residential occupancy for recreation purposes does not qualify for class 4c;

(ii) it meets the requirements of section 273.112, subdivision 3, paragraph (d).

A structure used as a clubhouse, restaurant, or place of refreshment in conjunction with the golf course is classified as class 3a property;

(3) real property up to a maximum of three acres of land owned and used by a nonprofit community service oriented organization and that is not used for residential purposes on either a temporary or permanent basis, qualifies for class 4c provided that it meets either of the following:

(B) "property taxes" excludes the state general tax;

(C) a "nonprofit community service oriented organization" means any corporation, society, association, foundation, or institution organized and operated exclusively for charitable, religious, fraternal, civic, or educational purposes, and which is exempt from federal income taxation pursuant to section 501(c)(3), (10), or (19) of the Internal Revenue Code ~~of 1986, as amended through December 31, 1990~~; and

The remaining portion of the building shall be classified by the assessor based upon its use. Sec. 12. Minnesota Statutes 2006, section 273.124, subdivision 13, as amended by Laws 2008, chapter 154, article 13, section 29, is amended to read:

Subd. 13. **Homestead application.** (a) A person who meets the homestead requirements under subdivision 1 must file a homestead application with the county assessor to initially obtain homestead classification.

(b) The format and contents of a uniform homestead application shall be prescribed by the commissioner of revenue. The application must clearly inform the taxpayer that this application must be signed by all owners who occupy the property or by the qualifying relative and returned to the county assessor in order for the property to receive homestead treatment.

(c) Every property owner applying for homestead classification must furnish to the county assessor the Social Security number of each occupant who is listed as an owner

of the property on the deed of record, the name and address of each owner who does not occupy the property, and the name and Social Security number of each owner's spouse who occupies the property. The application must be signed by each owner who occupies the property and by each owner's spouse who occupies the property, or, in the case of property that qualifies as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

If a property owner occupies a homestead, the property owner's spouse may not claim another property as a homestead unless the property owner and the property owner's spouse file with the assessor an affidavit or other proof required by the assessor stating that the property qualifies as a homestead under subdivision 1, paragraph (e).

Owners or spouses occupying residences owned by their spouses and previously occupied with the other spouse, either of whom fail to include the other spouse's name and Social Security number on the homestead application or provide the affidavits or other proof requested, will be deemed to have elected to receive only partial homestead treatment of their residence. The remainder of the residence will be classified as nonhomestead residential. When an owner or spouse's name and Social Security number appear on homestead applications for two separate residences and only one application is signed, the owner or spouse will be deemed to have elected to homestead the residence for which the application was signed.

The Social Security numbers, state or federal tax returns or tax return information, including the federal income tax schedule F required by this section, or affidavits or other proofs of the property owners and spouses~~, and the federal income tax schedule F required by this section,~~ submitted under this or another section to support a claim for a property tax homestead classification are private data on individuals as defined by section 13.02, subdivision 12, but, notwithstanding that section, the private data may be disclosed to the commissioner of revenue, or, for purposes of proceeding under the Revenue Recapture Act to recover personal property taxes owing, to the county treasurer.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for the property to receive homestead status, a homestead application must be filed with the assessor. The Social Security number of each relative and spouse of a relative occupying the property shall be required on the homestead application filed under this subdivision. If a different relative of the owner subsequently occupies the property, the owner of the property must notify the assessor within 30 days of the change in occupancy. The Social Security number of a relative or relative's spouse occupying the property is private data on individuals as defined by section 13.02, subdivision 12, but may be disclosed to the commissioner of revenue, or, for the purposes of proceeding under the Revenue Recapture Act to recover personal property taxes owing, to the county treasurer.

(e) The homestead application shall also notify the property owners that the application filed under this section will not be mailed annually and that if the property is granted homestead status for any assessment year, that same property shall remain classified as homestead until the property is sold or transferred to another person, or the owners, the spouse of the owner, or the relatives no longer use the property as their homestead. Upon the sale or transfer of the homestead property, a certificate of value must be timely filed with the county auditor as provided under section 272.115. Failure to notify the assessor within 30 days that the property has been sold, transferred, or that the owner, the spouse of the owner, or the relative is no longer occupying the property as a

homestead, shall result in the penalty provided under this subdivision and the property will lose its current homestead status.

(f) If the homestead application is not returned within 30 days, the county will send a second application to the present owners of record. The notice of proposed property taxes prepared under section 275.065, subdivision 3, shall reflect the property's classification. If a homestead application has not been filed with the county by December 15, the assessor shall classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner may be entitled to receive the homestead classification by proper application under section 375.192.

(g) At the request of the commissioner, each county must give the commissioner a list that includes the name and Social Security number of each occupant of homestead property who is the property owner, property owner's spouse, qualifying relative of a property owner, or a spouse of a qualifying relative. The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

(h) If the commissioner finds that a property owner may be claiming a fraudulent homestead, the commissioner shall notify the appropriate counties. Within 90 days of the notification, the county assessor shall investigate to determine if the homestead classification was properly claimed. If the property owner does not qualify, the county assessor shall notify the county auditor who will determine the amount of homestead benefits that had been improperly allowed. For the purpose of this section, "homestead benefits" means the tax reduction resulting from the classification as a homestead under section 273.13, the taconite homestead credit under section 273.135, the residential homestead and agricultural homestead credits under section 273.1384, and the supplemental homestead credit under section 273.1391.

The county auditor shall send a notice to the person who owned the affected property at the time the homestead application related to the improper homestead was filed, demanding reimbursement of the homestead benefits plus a penalty equal to 100 percent of the homestead benefits. The person notified may appeal the county's determination by serving copies of a petition for review with county officials as provided in section 278.01 and filing proof of service as provided in section 278.01 with the Minnesota Tax Court within 60 days of the date of the notice from the county. Procedurally, the appeal is governed by the provisions in chapter 271 which apply to the appeal of a property tax assessment or levy, but without requiring any prepayment of the amount in controversy. If the amount of homestead benefits and penalty is not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount of taxes and penalty to the county treasurer. The county treasurer will add interest to the unpaid homestead benefits and penalty amounts at the rate provided in section 279.03 for real property taxes becoming delinquent in the calendar year during which the amount remains unpaid. Interest may be assessed for the period beginning 60 days after demand for payment was made.

If the person notified is the current owner of the property, the treasurer may add the total amount of homestead benefits, penalty, interest, and costs to the ad valorem taxes otherwise payable on the property by including the amounts on the property tax statements under section 276.04, subdivision 3. The amounts added under this paragraph to the ad valorem taxes shall include interest accrued through December 31 of the year preceding the taxes payable year for which the amounts are first added. These amounts, when added

to the property tax statement, become subject to all the laws for the enforcement of real or personal property taxes for that year, and for any subsequent year.

If the person notified is not the current owner of the property, the treasurer may collect the amounts due under the Revenue Recapture Act in chapter 270A, or use any of the powers granted in sections 277.20 and 277.21 without exclusion, to enforce payment of the homestead benefits, penalty, interest, and costs, as if those amounts were delinquent tax obligations of the person who owned the property at the time the application related to the improperly allowed homestead was filed. The treasurer may relieve a prior owner of personal liability for the homestead benefits, penalty, interest, and costs, and instead extend those amounts on the tax lists against the property as provided in this paragraph to the extent that the current owner agrees in writing. On all demands, billings, property tax statements, and related correspondence, the county must list and state separately the amounts of homestead benefits, penalty, interest and costs being demanded, billed or assessed.

(i) Any amount of homestead benefits recovered by the county from the property owner shall be distributed to the county, city or town, and school district where the property is located in the same proportion that each taxing district's levy was to the total of the three taxing districts' levy for the current year. Any amount recovered attributable to taconite homestead credit shall be transmitted to the St. Louis County auditor to be deposited in the taconite property tax relief account. Any amount recovered that is attributable to supplemental homestead credit is to be transmitted to the commissioner of revenue for deposit in the general fund of the state treasury. The total amount of penalty collected must be deposited in the county general fund.

(j) If a property owner has applied for more than one homestead and the county assessors cannot determine which property should be classified as homestead, the county assessors will refer the information to the commissioner. The commissioner shall make the determination and notify the counties within 60 days.

(k) In addition to lists of homestead properties, the commissioner may ask the counties to furnish lists of all properties and the record owners. The Social Security numbers and federal identification numbers that are maintained by a county or city assessor for property tax administration purposes, and that may appear on the lists retain their classification as private or nonpublic data; but may be viewed, accessed, and used by the county auditor or treasurer of the same county for the limited purpose of assisting the commissioner in the preparation of microdata samples under section 270C.12.

(l) On or before April 30 each year beginning in 2007, each county must provide the commissioner with the following data for each parcel of homestead property by electronic means as defined in section 289A.02, subdivision 8:

(i) the property identification number assigned to the parcel for purposes of taxes payable in the current year;

(ii) the name and Social Security number of each occupant of homestead property who is the property owner, property owner's spouse, qualifying relative of a property owner, or spouse of a qualifying relative;

(iii) the classification of the property under section 273.13 for taxes payable in the current year and in the prior year;

(iv) an indication of whether the property was classified as a homestead for taxes payable in the current year because of occupancy by a relative of the owner or by a spouse of a relative;

(v) the property taxes payable as defined in section 290A.03, subdivision 13, for the current year and the prior year;

(vi) the market value of improvements to the property first assessed for tax purposes for taxes payable in the current year;

(vii) the assessor's estimated market value assigned to the property for taxes payable in the current year and the prior year;

(viii) the taxable market value assigned to the property for taxes payable in the current year and the prior year;

(ix) whether there are delinquent property taxes owing on the homestead;

(x) the unique taxing district in which the property is located; and

(xi) such other information as the commissioner decides is necessary.

The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 13. Minnesota Statutes 2006, section 273.124, subdivision 21, is amended to read:

Subd. 21. **Trust property; homestead.** Real property held by a trustee under a trust is eligible for classification as homestead property if:

(1) the grantor or surviving spouse of the grantor of the trust occupies and uses the property as a homestead;

or thereafter but who continues to qualify under clause (3) as it existed for taxes payable in 2005.

For purposes of this subdivision, "grantor" is defined as the person creating or establishing a testamentary, inter Vivos, revocable or irrevocable trust by written instrument or through the exercise of a power of appointment.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 14. Minnesota Statutes 2006, section 273.13, subdivision 22, as amended by Laws 2008, chapter 154, article 2, section 11, is amended to read:

Subd. 22. **Class 1.** (a) Except as provided in subdivision 23 and in paragraphs (b) and (c), real estate which is residential and used for homestead purposes is class 1a. In the case of a duplex or triplex in which one of the units is used for homestead purposes, the entire property is deemed to be used for homestead purposes. The market value of class 1a property must be determined based upon the value of the house, garage, and land.

The first $500,000 of market value of class 1a property has a net class rate of one percent of its market value; and the market value of class 1a property that exceeds $500,000 has a class rate of 1.25 percent of its market value.

(b) Class 1b property includes homestead real estate or homestead manufactured homes used for the purposes of a homestead by

(1) any person who is blind as defined in section 256D.35, or the blind person and the blind person's spouse; ~~or~~

(2) any person who is permanently and totally disabled or by the disabled person and the disabled person's spouse; or

(3) the surviving spouse of a permanently and totally disabled veteran homesteading a property classified under this paragraph for taxes payable in 2008.

Property is classified and assessed under clause (2) only if the government agency or income-providing source certifies, upon the request of the homestead occupant, that the homestead occupant satisfies the disability requirements of this paragraph, and that the property is not eligible for the valuation exclusion under subdivision 34.

Property is classified and assessed under paragraph (b) only if the commissioner of revenue or the county assessor certifies that the homestead occupant satisfies the requirements of this paragraph.

Permanently and totally disabled for the purpose of this subdivision means a condition which is permanent in nature and totally incapacitates the person from working at an occupation which brings the person an income. The first $50,000 market value of class 1b property has a net class rate of .45 percent of its market value. The remaining market value of class 1b property has a class rate using the rates for class 1a or class 2a property, whichever is appropriate, of similar market value.

(c) Class 1c property is commercial use real and personal property that abuts public water as defined in section 103G.005, subdivision 15, and is devoted to temporary and seasonal residential occupancy for recreational purposes but not devoted to commercial purposes for more than 250 days in the year preceding the year of assessment, and that includes a portion used as a homestead by the owner, which includes a dwelling occupied as a homestead by a shareholder of a corporation that owns the resort, a partner in a

partnership that owns the resort, or a member of a limited liability company that owns the resort even if the title to the homestead is held by the corporation, partnership, or limited liability company. For purposes of this clause, property is devoted to a commercial purpose on a specific day if any portion of the property, excluding the portion used exclusively as a homestead, is used for residential occupancy and a fee is charged for residential occupancy. Class 1c property must contain three or more rental units. A "rental unit" is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site equipped with water and electrical hookups for recreational vehicles. Class 1c property must provide recreational activities such as the rental of ice fishing houses, boats and motors, snowmobiles, downhill or cross-country ski equipment; provide marina services, launch services, or guide services; or sell bait and fishing tackle. Any unit in which the right to use the property is transferred to an individual or entity by deeded interest, or the sale of shares or stock, no longer qualifies for class 1c even though it may remain available for rent. A camping pad offered for rent by a property that otherwise qualifies for class 1c is also class 1c, regardless of the term of the rental agreement, as long as the use of the camping pad does not exceed 250 days. The portion of the property used as a homestead is class 1a property under paragraph (a). The remainder of the property is classified as follows: the first $600,000 of market value is tier I, the next $1,700,000 of market value is tier II, and any remaining market value is tier III. The class rates for class 1c are: tier I, 0.50 percent; tier II, 1.0 percent; and tier III, 1.25 percent. Owners of real and personal property devoted to temporary and seasonal residential occupancy for recreation purposes in which all or a portion of the property was devoted to commercial purposes for not more than 250 days in the year preceding the year of assessment desiring classification as class 1c, must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located must be designated as class 1c as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on which they are located must be designated as class 3a commercial. The owner of property desiring designation as class 1c property must provide guest registers or other records demonstrating that the units for which class 1c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility operated on a commercial basis not directly related to temporary and seasonal residential occupancy for recreation purposes does not qualify for class 1c.

(d) Class 1d property includes structures that meet all of the following criteria:

(1) the structure is located on property that is classified as agricultural property under section 273.13, subdivision 23;

(2) the structure is occupied exclusively by seasonal farm workers during the time when they work on that farm, and the occupants are not charged rent for the privilege of occupying the property, provided that use of the structure for storage of farm equipment and produce does not disqualify the property from classification under this paragraph;

(3) the structure meets all applicable health and safety requirements for the appropriate season; and

(4) the structure is not salable as residential property because it does not comply with local ordinances relating to location in relation to streets or roads.

The market value of class 1d property has the same class rates as class 1a property under paragraph (a).

EFFECTIVE DATE. This section is effective for taxes payable in 2009 and thereafter.

Sec. 15. Minnesota Statutes 2006, section 273.13, subdivision 34, as added by Laws 2008, chapter 154, article 2, section 14, is amended to read:

To qualify for exclusion under this subdivision, the veteran must have been honorably discharged from the United States armed forces, as indicated by United States Government Form DD214 or other official military discharge papers, and must be certified by the United States Veterans Administration as having a service-connected disability.

(b)(1) For a disability rating of 70 percent or more, $150,000 of market value is excluded, except as provided in clause (2); and

(2) for a total (100 percent) and permanent disability, $300,000 of market value is excluded.

(c) If a disabled veteran qualifying for a valuation exclusion under paragraph (b), clause (2), predeceases the veteran's spouse, and if upon the death of the veteran the spouse holds the legal or beneficial title to the homestead and permanently resides there, the exclusion shall carry over to the benefit of the veteran's spouse for one additional assessment year or until such time as the spouse sells, transfers, or otherwise disposes of the property, whichever comes first.

(d) In the case of an agricultural homestead, only the portion of the property consisting of the house and garage and immediately surrounding one acre of land qualifies for the valuation exclusion under this subdivision.

(e) A property qualifying for a valuation exclusion under this subdivision is not eligible for the credit under section 273.1384, subdivision 1, or classification under subdivision 22, paragraph (b).

(f) To qualify for a valuation exclusion under this subdivision a property owner must apply to the assessor by July 1 of each assessment year, except that an annual reapplication is not required once a property has been accepted for a valuation exclusion under paragraph (b), clause (2), and the property continues to qualify until there is a change in ownership.

EFFECTIVE DATE. This section is effective for assessment year 2008 and thereafter, for taxes payable in 2009 and thereafter, except that the application date in paragraph (f) for the 2008 assessment year is extended to September 1, 2008.

Sec. 16. Minnesota Statutes 2006, section 274.014, subdivision 3, is amended to read:

Subd. 3. **Proof of compliance; transfer of duties.** (a) Any city or town that conducts local boards of appeal and equalization meetings must provide proof to the county assessor by December 1, 2006, and each year thereafter, that it is in compliance

with the requirements of subdivision 2. Beginning in 2006, this notice must also verify that there was a quorum of voting members at each meeting of the board of appeal and equalization in the current year. A city or town that does not comply with these requirements is deemed to have transferred its board of appeal and equalization powers to the county beginning with the following year's assessment and continuing unless the powers are reinstated under paragraph (c).

(b) The county shall notify the taxpayers when the board of appeal and equalization for a city or town has been transferred to the county under this subdivision and, prior to the meeting time of the county board of equalization, the county shall make available to those taxpayers a procedure for a review of the assessments, including, but not limited to, open book meetings. This alternate review process shall take place in April and May.

(c) A local board whose powers are transferred to the county under this subdivision may be reinstated by resolution of the governing body of the city or town and upon proof of compliance with the requirements of subdivision 2. The resolution and proofs must be provided to the county assessor by December 1 in order to be effective for the following year's assessment.

(d) A local board whose powers are transferred to the county under this subdivision may continue to employ a local assessor and is not deemed to have transferred its powers to make assessments.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 17. Minnesota Statutes 2006, section 276.04, subdivision 2, as amended by Laws 2008, chapter 154, article 2, section 19, is amended to read:

Subd. 2. **Contents of tax statements.** (a) The treasurer shall provide for the printing of the tax statements. The commissioner of revenue shall prescribe the form of the property tax statement and its contents. The statement must contain a tabulated statement of the dollar amount due to each taxing authority and the amount of the state tax from the parcel of real property for which a particular tax statement is prepared. The dollar amounts attributable to the county, the state tax, the voter approved school tax, the other local school tax, the township or municipality, and the total of the metropolitan special taxing districts as defined in section 275.065, subdivision 3, paragraph (i), must be separately stated. The amounts due all other special taxing districts, if any, may be aggregated except that any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be listed on a separate line directly under the appropriate county's levy. If the county levy under this paragraph includes an amount for a lake improvement district as defined under sections 103B.501 to 103B.581, the amount attributable for that purpose must be separately stated from the remaining county levy amount. In the case of Ramsey County, if the county levy under this paragraph includes an amount for public library service under section 134.07, the amount attributable for that purpose may be separated from the remaining county levy amount. The amount of the tax on homesteads qualifying under the senior citizens' property tax deferral program under chapter 290B is the total amount of property tax before subtraction of the deferred property tax amount. The amount of the tax on contamination value imposed under sections 270.91 to 270.98, if any, must also be separately stated. The dollar amounts, including the dollar amount of any special assessments, may be rounded to the nearest even whole dollar. For purposes of this section whole odd-numbered dollars may be adjusted to the next higher even-numbered dollar.

The amount of market value excluded under section 273.11, subdivision 16, if any, must also be listed on the tax statement.

(b) The property tax statements for manufactured homes and sectional structures taxed as personal property shall contain the same information that is required on the tax statements for real property.

(c) Real and personal property tax statements must contain the following information in the order given in this paragraph. The information must contain the current year tax information in the right column with the corresponding information for the previous year in a column on the left:

(1) the property's estimated market value under section 273.11, subdivision 1;

(2) the property's taxable market value after reductions under section 273.11, subdivisions 1a and 16;

(3) the property's gross tax, before credits;

(4) for homestead residential and agricultural properties, the credits under section 273.1384;

(5) any credits received under sections 273.119; ~~273.123~~ 273.1234 or 273.1235; 273.135; 273.1391; 273.1398, subdivision 4; 469.171; and 473H.10, except that the amount of credit received under section 273.135 must be separately stated and identified as "taconite tax relief"; and

(6) the net tax payable in the manner required in paragraph (a).

(d) If the county uses envelopes for mailing property tax statements and if the county agrees, a taxing district may include a notice with the property tax statement notifying taxpayers when the taxing district will begin its budget deliberations for the current year, and encouraging taxpayers to attend the hearings. If the county allows notices to be included in the envelope containing the property tax statement, and if more than one taxing district relative to a given property decides to include a notice with the tax statement, the county treasurer or auditor must coordinate the process and may combine the information on a single announcement.

EFFECTIVE DATE. This section is effective the day following final enactment.

The commissioner may require the appropriate documents in connection with obtaining and confirming information on unpaid amounts secured by other liens.

The application must state that program participation is voluntary. The application must also state that the deferred amount depends directly on the applicant's household income, and that program participation includes authorization for the annual deferred amount, the cumulative deferral and interest that appear on each year's notice prepared by the county under subdivision 6, is public data.

The application must state that program participants may claim the property tax refund based on the full amount of property taxes eligible for the refund, including any deferred amounts. The application must also state that property tax refunds will be used to offset any deferral and interest under this program, and that any other amounts subject to revenue recapture under section 270A.03, subdivision 7, will also be used to offset any deferral and interest under this program.

(b) As part of the initial application process, the commissioner may require the applicant to obtain at the applicant's own cost and submit:

(1) if the property is registered property under chapter 508 or 508A, a copy of the original certificate of title in the possession of the county registrar of titles (sometimes referred to as "condition of register"); or

(2) if the property is abstract property, a report prepared by a licensed abstracter showing the last deed and any unsatisfied mortgages, liens, judgments, and state and federal tax lien notices which were recorded on or after the date of that last deed with respect to the property or to the applicant.

The certificate or report under clauses (1) and (2) need not include references to any documents filed or recorded more than 40 years prior to the date of the certification or report. The certification or report must be as of a date not more than 30 days prior to submission of the application.

The commissioner may also require the county recorder or county registrar of the county where the property is located to provide copies of recorded documents related to the applicant or the property, for which the recorder or registrar shall not charge a fee. The commissioner may use any information available to determine or verify eligibility under this section. The household income from the application is private data on individuals as defined in section 13.02, subdivision 12.

the United States Housing Act of 1937, as the result of the implementation of a federal court order or consent decree to (2) the total number of units within the facility.

The housing and redevelopment authority for the city in which the facility is located, any public entity exercising the powers of such housing and redevelopment authority, or the county housing and redevelopment authority for the county in which the facility is located, shall annually certify to the assessor responsible for assessing the facility, at the time and in the manner required by the assessor, the number of units in the facility that are subject to the requirements of Section 5 of the United States Housing Act of 1937.

Debt also includes amounts owed to individuals as a result of civil, criminal, or administrative action brought by the state or a state agency pursuant to its statutory authority or for which the state or state agency acts in a fiduciary capacity in providing collection services in accordance with the regulations adopted under the Social Security Act at Code of Federal Regulations, title 45, section 302.33. When the commissioner provides collection services pursuant to a debt qualification plan, debt also includes an amount owed to the courts, local government units, Minnesota state colleges and universities governed by the Board of Trustees of the Minnesota State Colleges and Universities, or University of Minnesota ~~for which the commissioner provides collection services pursuant to contract~~.

A decision by the commissioner that a referred debt is uncollectible does not prevent the referring agency from taking additional collection action.

(b) Before a debt becomes 121 days past due, a referring agency may refer the debt to the commissioner for collection at any time after a debt becomes delinquent and uncontested and the debtor has no further administrative appeal of the amount of the debt. When a debt owed to a referring agency becomes 121 days past due, the referring agency must refer the debt to the commissioner for collection. This requirement does not apply if there is a dispute over the amount or validity of the debt, if the debt is the subject of legal action or administrative proceedings, or the agency determines that the debtor is adhering to acceptable payment arrangements. The commissioner may provide that certain types of debt need not be referred to the commissioner for collection under this paragraph. Methods and procedures for referral must follow internal guidelines prepared by the commissioner.

(c) If the referring agency is a court, the court must furnish a debtor's Social Security number to the commissioner when the court refers the debt.

If the notice is returned to the claimant agency as undeliverable, or the claimant agency has reason to believe the debtor did not receive the notice, the claimant agency shall obtain the ~~current~~ last known address of the debtor from the commissioner and resend the corrected notice.

(b) If a debt has been referred to the commissioner for collection under chapter 16D, and the referring agency meets the definition of claimant agency under this chapter, the commissioner must notify the debtor prior to using revenue recapture under this chapter for collection of the debt. The notice must be sent by United States mail or personal delivery to the last known address of the debtor.

EFFECTIVE DATE. This section is effective for debts referred after December 31, 2008.

Sec. 4. **[62U.071] HEALTH INSURANCE CREDIT.**

Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms have the meanings given them.

(b) "Commissioner" means the commissioner of commerce.

(c) "Employee" means an employee currently on an employer's payroll other than a retiree or disabled former employee.

(d) "Employer" means a person, firm, corporation, partnership, association, business trust, or other entity employing one or more persons, including a political subdivision of the state, filing payroll tax information on such employed person or persons.

(e) "Section 125 plan" means a cafeteria or premium-only plan under section 125 of the Internal Revenue Code that allows employees to pay for health insurance premiums with pretax dollars.

(f) "Small employer" means an employer with two to 50 employees.

Subd. 2. **Tax credits allowed; generally.** (a) Upon application, the commissioner shall allow tax credits to eligible small employers as incentives for the employers to provide section 125 plans or to encourage their employees to participate in existing section 125 plans. The applications for the credits must be made in the form and manner and at the times prescribed by the commissioner.

(b) The credits allowed under this section must not exceed the liability for tax paid by the employer. The liability for tax includes tax paid by the employer under chapter 290, ad valorem property tax on property used in the conduct of their trade or business, and the insurance premiums tax under chapter 297I. The commissioner must verify that the amount of the credit paid under this section does not exceed the employer's liability for tax paid in the previous calendar year.

Subd. 3. **Establishment credit.** (a) The commissioner shall pay a tax credit to eligible small employers that establish section 125 plans to the extent that credit authority is available under subdivision 5 for the fiscal year. An eligible small employer is eligible for a credit under this subdivision only once.

(b) To be eligible for a credit, a small employer must:

(1) not have offered health insurance to employees through a group health insurance plan, as defined in section 62A.10, or through a self-insured plan, as defined in section 62E.02, in the 12 months before applying for a tax credit under this subdivision;

(2) have established a section 125 plan within 90 days before applying for a tax credit under this subdivision, and must not have offered a section 125 plan to employees for at least a nine-month period before the establishment of the section 125 plan under this subdivision; and

(3) certify to the commissioner that the employer has established a section 125 plan and meets the requirements of 2008 S.F. 3780, article 4, section 10, subdivisions 2 and 3, if enacted.

(c) The amount of the credit under this subdivision equals the lesser of:

(1) the employer's actual cost to establish the section 125 plan; or

(2) $350.

Subd. 4. **Participation credit.** (a) The commissioner shall pay a tax credit to eligible small employers with section 125 plans. The amount of the credit equals the least of the following amounts:

(1) 50 percent of the amount the employer spends during the calendar year for incentives to encourage participation by the employer's nonparticipating employees in the employer's section 125 plan;

(2) $200 for each nonparticipating employee who begins participating in the employer's section 125 plan; or

(3) the amount of credit certificates the employer received for the calendar year.

(b) An eligible employer is a small employer that:

(1) offers a section 125 plan to its employees;

(2) has five percent or more of its employees not participating in the section 125 plan during the quarter prior to the application for the tax credit; and

(3) pays average compensation to its nonparticipating employees of no more than the maximum annual income of an individual who is eligible to participate in the MinnesotaCare program under chapter 256L.

(c) For purposes of this subdivision, "incentives to encourage participation" includes paying an increased employer share of the premium or other costs of the insurance, contributing to the employee's health savings account, or taking other measures that the commissioner considers likely to foster higher rates of participation; and "nonparticipating employee" means an employee who is not participating in the section 125 plan, and who is not otherwise covered by health insurance other than MinnesotaCare.

Subd. 5. **Credits and credit certificates.** (a) The commissioner may transfer all or part of the appropriation provided in 2008 S.F. 3780, article 4, section 10, subdivision 4, if enacted, to provide tax credits under subdivision 3. The commissioner shall allow tax credits under subdivision 3 to applicants on a first-come-first-served basis and the maximum amount of credits allowed for each fiscal year is limited to the amount transferred from the appropriation provided in S.F. 3780, article 4, section 10, subdivision 4, if enacted. If applications for credits exceed the allowance for the fiscal year, the commissioner shall hold the applications and award the credits from the amount appropriated for that purpose in the next fiscal year. If the commissioner does not transfer any of the appropriation provided in 2008 S.F. 3780, article 4, section 10, subdivision 4, if enacted, no tax credits are allowed under subdivision 3.

(b) Upon application, the commissioner shall award credit certificates to eligible employers for credits under subdivision 4. The maximum amount of credit certificates is limited to $730,000 per fiscal year. The commissioner shall award the certificates to eligible employers on a first-come-first-served basis, and certificates will apply to the calendar year in which the employer intends to provide incentives for nonparticipating employees to begin participating in the employer's section 125 plan. No employer may be awarded more than $5,000 in credit certificates. Following the close of the calendar year, employers who have been awarded certificates must report to the commissioner on the amount spent for incentives to encourage participation by nonparticipating employees, and the number of nonparticipating employees who became participating employees, and the commissioner must allow the appropriate credit amount as provided in subdivision 4, paragraph (a).

(c) The commissioner may transfer credit authority between the authorizations in paragraphs (a) and (b) based on the applications for the credits under subdivisions 3 and 4 or on other factors so that in the commissioner's opinion the allocation between the two credits will provide a more effective incentive to expand health care coverage.

Subd. 6. **Appropriation.** The amount necessary to award credits under subdivision 5, paragraph (b), is appropriated from the general fund to the commissioner of commerce in fiscal year 2009.

EFFECTIVE DATE. This section is effective for fiscal year 2009.

The dedication of land or dedication fee must be imposed by an ordinance jointly enacted by the park board and the city council. The ordinance may exclude senior housing and affordable housing from paying the fee or the dedication of land. The provisions of Minnesota Statutes, section 462.358, subdivisions 2b, paragraph (b), and 2c, apply to the imposition, application, and use of the dedication of land or the dedication fee.

The commissioner must provide the most complete and current data available, when requested, to the chairs of the senate and house of representatives committees on taxes.

Sec. 7. **APPROPRIATIONS.**
