(a) The commissioner shall seek sufficient private sector funding for the Office of Entrepreneurship and Small Business Development (OESBD) to develop, maintain, and market a virtual network to provide seamless access to statewide resources and expertise for entrepreneurs and existing businesses using private sector funding. Private sector funding must be for general support of the virtual network and must not be used to sponsor specific portions of the network. To the greatest extent possible, the network should be built on and linked to existing resources designed to make business assistance resources more accessible to Minnesota business.

(b) Any portion of the network that involves state information systems or state Web sites is subject to the authority of the Office of Enterprise Technology in chapter 16E, including, but not limited to:
