Notice of such suspension or revocation may be given personally or by mail sent to the temporary address stated in the registration and to the insurer or independent adjusting firm company who submitted the independent adjuster information.

Sec. 40. Minnesota Statutes 2008, section 72B.08, subdivision 8, is amended to read:

Subd. 8. **Bond.** In the case of any licensee or permit holder who has had a license or permit suspended or revoked or whose license renewal has been prohibited by a lawful order of the commissioner, the commissioner may condition the issuance of a new license on the filing of a surety bond in an amount not to exceed \$10,000, made and conditioned in accordance with the requirements of section ~~72B.04, subdivision 4~~ 72B.041, subdivision 3, relating to public adjusters' bonds. Nothing in this subdivision shall reduce or alter the bonding requirements for a public adjuster.

Sec. 41. Minnesota Statutes 2008, section 79A.03, subdivision 8, is amended to read:

Subd. 8. **Processing application.** The commissioner shall grant or deny the group's application to self-insure within 60 days after a complete application has been filed, provided that the time may be extended for an additional 30 days upon 15 days' prior notice to the applicant. The commissioner shall grant approval for self-insurance upon a determination that the financial ability of the self-insurer's group is sufficient to fulfill all joint and several obligations of the member companies that may arise under chapter 176 or this chapter; the gross annual premium of the group members is at least ~~\$300,000~~ 150 percent of the WCRA minimum retention in effect at the time of the application; the group has established a fund pursuant to Minnesota Rules, parts 2780.4100 to 2780.5000; the group has contracted with a licensed workers' compensation service company to administer its program; and the required securities or surety bond shall be on deposit prior to the effective date of coverage for any member. Approval shall be effective until revoked by order of the commissioner or until the employer members of the group become insured.

EFFECTIVE DATE. This section is effective August 1, 2010, and applies to applications processed on or after that date, but not to self-insured groups existing as of that date.

Sec. 42. Minnesota Statutes 2008, section 79A.06, subdivision 5, is amended to read:

Subd. 5. **Private employers who have ceased to be self-insured.** (a) Private employers who have ceased to be private self-insurers shall discharge their continuing obligations to secure the payment of compensation which is accrued during the period of self-insurance, for purposes of Laws 1988, chapter 674, sections 1 to 21, by compliance with all of the following obligations of current certificate holders:

(1) Filing reports with the commissioner to carry out the requirements of this chapter;

(2) Depositing and maintaining a security deposit for accrued liability for the payment of any compensation which may become due, pursuant to chapter 176. However, if a private employer who has ceased to be a private self-insurer purchases an insurance policy from an insurer authorized to transact workers' compensation insurance in this state which provides coverage of all claims for compensation arising out of injuries occurring during the entire period the employer was self-insured, whether or not reported during that period, the policy will:

(i) discharge the obligation of the employer to maintain a security deposit for the payment of the claims covered under the policy;

(ii) discharge any obligation which the self-insurers' security fund has or may have for payment of all claims for compensation arising out of injuries occurring during the period the employer was self-insured, whether or not reported during that period; and

(iii) discharge the obligations of the employer to pay any future assessments to the self-insurers' security fund; provided, however, that a member that terminates its self-insurance authority on or after August 1, 2010, shall be liable for an assessment under paragraph (b). The actuarial opinion shall not take into consideration any transfer of the member's liabilities to an insurance policy if the member obtains a replacement policy as described in this subdivision within one year of the date of terminating its self-insurance.

A private employer who has ceased to be a private self-insurer may instead buy an insurance policy described above, except that it covers only a portion of the period of time during which the private employer was self-insured; purchase of such a policy discharges any obligation that the self-insurers' security fund has or may have for payment of all claims for compensation arising out of injuries occurring during the period for which the policy provides coverage, whether or not reported during that period.

A policy described in this clause may not be issued by an insurer unless it has previously been approved as to form and substance by the commissioner; and

(3) Paying within 30 days all assessments of which notice is sent by the security fund, for a period of seven years from the last day its certificate of self-insurance was in effect. Thereafter, the private employer who has ceased to be a private self-insurer may either: (i) continue to pay within 30 days all assessments of which notice is sent by the security fund until it has no incurred liabilities for the payment of compensation arising out of injuries during the period of self-insurance; or (ii) pay the security fund a cash payment equal to four percent of the net present value of all remaining incurred liabilities for the payment of compensation under sections 176.101 and 176.111 as certified by a

member of the casualty actuarial society. Assessments shall be based on the benefits paid by the employer during the calendar year immediately preceding the calendar year in which the employer's right to self-insure is terminated or withdrawn.

(b) With respect to a self-insurer who terminates its self-insurance authority after April 1, 1998, that member shall obtain and file with the commissioner an actuarial opinion of its outstanding liabilities as determined by an associate or fellow of the Casualty Actuarial Society within 120 days of the date of its termination. If the actuarial opinion is not timely filed, the self-insurers' security fund may, at its discretion, engage the services of an actuary for this purpose. The expense of this actuarial opinion must be assessed against and be the obligation of the self-insurer. The commissioner may issue a certificate of default against the self-insurer for failure to pay this assessment to the self-insurers' security fund as provided by section 79A.04, subdivision 9. ~~The opinion must separate liability for indemnity benefits from liability for medical benefits, and must may discount each liabilities up to four percent per annum to net present value. Within 30 60 days after notification of approval of the actuarial opinion by the commissioner, the exiting member shall pay to the security fund an amount equal to 120 percent of that discounted outstanding indemnity liability, multiplied by the greater of the average annualized assessment rate since inception of the security fund or the annual rate at the time of the most recent assessment before termination determined as follows: a percentage will be determined by dividing the security fund's members' deficit as determined by the most recent audited financial statement of the security fund by the total actuarial liability of all members of the security fund as calculated by the commissioner within 30 days of the exit date of the member. This quotient will then be multiplied by that exiting member's total future liability as contained in the exiting member's actuarial opinion.~~ If the payment is not made within 30 days of the notification, interest on it at the rate prescribed by section 549.09 must be paid by the former member to the security fund until the principal amount is paid in full.

(c) A former member who terminated its self-insurance authority before April 1, 1998, who has paid assessments to the self-insurers' security fund for seven years, and whose annualized assessment is \$15,000 or less, may buy out of its outstanding liabilities to the self-insurers' security fund by an amount calculated as follows: 1.35 multiplied by the indemnity case reserves at the time of the calculation, multiplied by the then current self-insurers' security fund annualized assessment rate.

(d) A former member who terminated its self-insurance authority before April 1, 1998, and who is paying assessments within the first seven years after ceasing to be self-insured under paragraph (a), clause (3), may elect to buy out its outstanding liabilities to the self-insurers' security fund by obtaining and filing with the commissioner an actuarial opinion of its outstanding liabilities as determined by an associate or fellow of the Casualty Actuarial Society. The opinion must separate liability for indemnity benefits from liability for medical benefits, and must discount each up to four percent per annum to net present value. Within 30 days after notification of approval of the actuarial opinion by the commissioner, the member shall pay to the security fund an amount equal to 120 percent of that discounted outstanding indemnity liability, multiplied by the greater of the average annualized assessment rate since inception of the security fund or the annual rate at the time of the most recent assessment.

(e) A former member who has paid the security fund according to paragraphs (b) to (d) and subsequently receives authority from the commissioner to again self-insure shall be assessed under section 79A.12, subdivision 2, only on indemnity benefits paid on injuries

that occurred after the former member received authority to self-insure again; provided that the member furnishes verified data regarding those benefits to the security fund.

(f) In addition to proceedings to establish liabilities and penalties otherwise provided, a failure to comply may be the subject of a proceeding before the commissioner. An appeal from the commissioner's determination may be taken pursuant to the contested case procedures of chapter 14 within 30 days of the commissioner's written determination.

Any current or past member of the self-insurers' security fund is subject to service of process on any claim arising out of chapter 176 or this chapter in the manner provided by section 5.25, or as otherwise provided by law. The issuance of a certificate to self-insure to the private self-insured employer shall be deemed to be the agreement that any process which is served in accordance with this section shall be of the same legal force and effect as if served personally within this state.

EFFECTIVE DATE. This section is effective August 1, 2010, and applies to terminations of self-insurance authority that become effective on or after that date.

Sec. 43. Minnesota Statutes 2008, section 79A.21, subdivision 3, is amended to read:

Subd. 3. **Approval.** The commissioner shall approve an application for self-insurance upon a determination that all of the following conditions are met:

Subd. 15. **Protective list.** "Protective list" means the written list of names and addresses of prospective ~~purchasers~~ buyers with whom a licensee has negotiated the sale or rental of the property or to whom a licensee has exhibited the property before the expiration of the listing agreement. For the purposes of this subdivision, "property" means the property that is the subject of the listing agreement in question.

Sec. 49. Minnesota Statutes 2008, section 82.17, is amended by adding a subdivision to read:

Subd. 20a. **Responsible person.** "Responsible person" means a natural person that is an officer of a corporation, a partner of a partnership, a general partner of a limited liability partnership, or a manager of a limited liability company.

Sec. 50. Minnesota Statutes 2008, section 82.19, is amended to read:

82.19 COMPENSATION.

Subdivision 1. **Licensee to receive only from broker.** A licensee shall not accept a commission, compensation, referral fee, or other valuable consideration for the performance of any acts requiring a real estate license from any person except the real estate broker to whom the licensee is licensed or to whom the licensee was licensed at the time of the transaction.

Subd. 1a. **Commission-splitting, rebates, referral fee, and fees.** (a) In connection with a real estate or business opportunity transaction, a real estate broker or real estate salesperson shall not offer, pay, or give, and a person shall not accept, any compensation or other thing of value from a real estate broker or real estate salesperson by way of commission-splitting, rebate, referral fees, finder's fees, or otherwise.

(b) This subdivision does not apply to transactions:

(1) between a licensed real estate broker or salesperson and the parties to the transaction;

(2) among persons licensed as provided in this chapter;

(3) between a licensed real estate broker or salesperson and persons from other jurisdictions similarly licensed in that jurisdiction;

(4) involving timeshare or other recreational lands where the amount offered or paid does not exceed \$150, and payment is not conditioned upon any sale but is made merely for providing the referral and the person paying the fee is bound by any representations made by the person receiving the fee; and

(5) involving a person who receives a referral fee from a person or an agent of a person licensed under this section, provided that in any 12-month period, no recipient may earn more than the value of one month's rent, that the recipient is a resident of the property or has lived there within 60 days of the payment of the fee, and that the person paying the fee is bound by any representations made by the recipient of the fee.

Subd. 2. **Undisclosed compensation.** A licensee shall not accept, give, or charge any undisclosed compensation or realize any direct or indirect remuneration that inures to the benefit of the licensee on an expenditure made for a principal.

Subd. 2a. **Sharing of compensation with other brokers.** The seller may, in the listing agreement, authorize the seller's broker to disburse part of the broker's compensation to other brokers, including the buyer's brokers solely representing the buyer.

Subd. 3. **Limitation on broker when transaction not completed.** When the owner fails or is unable to consummate a real estate transaction, through no fault of the purchaser, the listing broker may not claim any portion of any trust funds deposited with the broker by the purchaser, absent a separate agreement with the purchaser.

Subd. 3a. **Directing payment of compensation.** A licensed real estate broker or salesperson may assign or direct that commissions or other compensation earned in connection with a real estate or business opportunity transaction be paid to a corporation, limited liability company, or sole proprietorship of which the licensed real estate broker or salesperson is the sole owner.

Subd. 3b. **Closing agent fee.** A real estate closing agent may not charge a fee for closing services to a borrower, and a borrower may not be required to pay such a fee at settlement, if the fee was not previously disclosed in writing at least one business day before the settlement. This disclosure requirement is satisfied if a disclosure is made or an estimate given under section 507.45.

Sec. 51. Minnesota Statutes 2008, section 82.21, subdivision 2, is amended to read:

Subd. 2. **Listing agreements.** (a) **Requirement.** Licensees shall obtain a signed listing agreement or other signed written authorization from the owner of real property or from another person authorized to offer the property for sale or lease before advertising to the general public that the real property is available for sale or lease.

For the purposes of this section "advertising" includes placing a sign on the owner's property that indicates that the property is being offered for sale or lease.

(b) **Contents.** All listing agreements must be in writing and must include:

- (1) a definite expiration date;
- (2) a description of the real property involved;
- (3) the list price and any terms required by the seller;

(4) the amount of any compensation or commission or the basis for computing the commission;

(5) a clear statement explaining the events or conditions that will entitle a broker to a commission;

(6) a clear statement explaining if the agreement may be canceled and the terms under which the agreement may be canceled;

~~(6)~~ (7) information regarding an override clause, if applicable, including a statement to the effect that the override clause will not be effective unless the licensee supplies the seller with a protective list within 72 hours after the expiration of the listing agreement;

~~(7)~~ (8) the following notice in not less than ten point boldface type immediately preceding any provision of the listing agreement relating to compensation of the licensee:

"NOTICE: THE COMPENSATION FOR THE SALE, LEASE, RENTAL, OR MANAGEMENT OF REAL PROPERTY SHALL BE DETERMINED BETWEEN EACH INDIVIDUAL BROKER AND THE BROKER'S CLIENT.";

~~(8)~~ (9) for residential property listings, the following "dual agency" disclosure statement:

If a buyer represented by broker wishes to buy the seller's property, a dual agency will be created. This means that broker will represent both the seller(s) and the buyer(s), and owe the same duties to the buyer(s) that broker owes to the seller(s). This conflict of interest will prohibit broker from advocating exclusively on the seller's behalf. Dual agency will limit the level of representation broker can provide. If a dual agency should arise, the seller(s) will need to agree that confidential information about price, terms, and motivation will still be kept confidential unless the seller(s) instruct broker in writing to disclose specific information about the seller(s). All other information will be shared. Broker cannot act as a dual agent unless both the seller(s) and the buyer(s) agree to it. By agreeing to a possible dual agency, the seller(s) will be giving up the right to exclusive representation in an in-house transaction. However, if the seller(s) should decide not to agree to a possible dual agency, and the seller(s) want broker to represent the seller(s), the seller(s) may give up the opportunity to sell the property to buyers represented by broker.

Seller's Instructions to Broker

Having read and understood this information about dual agency, seller(s) now instructs broker as follows:

..... Seller(s) will agree to a dual agency representation and will consider offers made by buyers represented by broker.

..... Seller(s) will not agree to a dual agency representation and will not consider offers made by buyers represented by broker.

.....
Seller Real Estate Company Name
..... By:
Seller Salesperson
Date :

~~(9)~~ (10) a notice requiring the seller to indicate in writing whether it is acceptable to the seller to have the licensee arrange for closing services or whether the seller wishes to arrange for others to conduct the closing; and

~~(10)~~ (11) for residential listings, a notice stating that after the expiration of the listing agreement, the seller will not be obligated to pay the licensee a fee or commission if the seller has executed another valid listing agreement pursuant to which the seller is obligated to pay a fee or commission to another licensee for the sale, lease, or exchange of the real property in question. This notice may be used in the listing agreement for any other type of real estate.

(c) **Prohibited provisions.** Except as otherwise provided in paragraph (d), clause (2), licensees shall not include in a listing agreement a holdover clause, automatic extension, or any similar provision, or an override clause the length of which is more than six months after the expiration of the listing agreement.

(d) **Override clauses.** (1) Licensees shall not seek to enforce an override clause unless a protective list has been furnished to the seller within 72 hours after the expiration of the listing agreement.

(2) A listing agreement may contain an override clause of up to two years in length when used in conjunction with the purchase or sale of a business. The length of the override clause must be negotiable between the licensee and the seller of the business. The protective list provided in connection with the override clause must include the written acknowledgment of each party named on the protective list, that the business which is the subject of the listing agreement was presented to that party by the licensee.

(e) **Protective lists.** A broker or salesperson has the burden of demonstrating that each person on the protective list has, during the period of the listing agreement, either made an affirmative showing of interest in the property by responding to an advertisement or by contacting the broker or salesperson involved or has been physically shown the property by the broker or salesperson. For the purpose of this section, the mere mailing or other distribution by a licensee of literature setting forth information about the property in question does not, of itself, constitute an affirmative showing of interest in the property on the part of a subsequent purchaser.

For listings of nonresidential real property which do not contain the notice described in paragraph (b), clause ~~(10)~~ (11), the protective list must contain the following notice in boldface type:

"IF YOU RELIST WITH ANOTHER BROKER WITHIN THE OVERRIDE PERIOD AND THEN SELL YOUR PROPERTY TO ANYONE WHOSE NAME APPEARS ON THIS LIST, YOU COULD BE LIABLE FOR FULL COMMISSIONS TO BOTH BROKERS. IF THIS NOTICE IS NOT FULLY UNDERSTOOD, SEEK COMPETENT ADVICE."

The issuing authority must submit to the commissioner the applicant's proof of financial responsibility. This subdivision does not prohibit a local unit of government from requiring higher insurance or bond coverages, or a larger deposit of cash or securities. The minimum requirement for proof of financial responsibility may be given by filing:

(1) a certificate that there is in effect for the license period an insurance policy issued by an insurer required to be licensed under section 60A.07, subdivision 4, or by an insurer recognized as an eligible surplus lines carrier pursuant to section 60A.206 or pool providing at least \$50,000 of coverage because of bodily injury to any one person in any one occurrence, \$100,000 because of bodily injury to two or more persons in any one occurrence, \$10,000 because of injury to or destruction of property of others in any one occurrence, \$50,000 for loss of means of support of any one person in any one occurrence, and \$100,000 for loss of means of support of two or more persons in any one occurrence;

(c) An annual aggregate policy limit for dram shop insurance of not less than \$300,000 per policy year may be included in the policy provisions.

(d) A liability insurance policy required by this section must provide that it may not be canceled for:

Sec. 97. Minnesota Statutes 2008, section 471.61, subdivision 2b, is amended to read:

Subd. 2b. **Insurance continuation.** A unit of local government must allow a former employee and the employee's dependents to continue to participate indefinitely in the employer-sponsored hospital, medical, and dental insurance group that the employee participated in immediately before retirement, under the following conditions:

(a) The continuation requirement of this subdivision applies only to a former employee who is receiving a disability benefit or an annuity from a Minnesota public pension plan other than a volunteer firefighter plan, or who has met age and service requirements necessary to receive an annuity from such a plan.

(b) Until the former employee reaches age 65, the former employee and dependents must be pooled in the same group as active employees for purposes of establishing premiums and coverage for hospital, medical, and dental insurance. However, a former employee under the age of 65 who is enrolled in Medicare Parts A and B due to the former employee's disability and for whom Medicare's obligation to pay claims is primary, and the former employee's dependents, must be pooled in the same group for purposes of this paragraph as former employees who have reached age 65.

(c) A former employee may receive dependent coverage only if the employee received dependent coverage immediately before leaving employment. This subdivision does not require dependent coverage to continue after the death of the former employee. For purposes of this subdivision, "dependent" has the same meaning for former employees as it does for active employees in the unit of local government.

(d) Coverage for a former employee and dependents may not discriminate on the basis of evidence of insurability or preexisting conditions unless identical conditions are imposed on active employees in the group that the employee left.

(e) The former employee must pay the entire premium for continuation coverage, except as otherwise provided in a collective bargaining agreement or personnel policy. A unit of local government may discontinue coverage if a former employee fails to pay

the premium within the deadline provided for payment of premiums under federal law governing insurance continuation.

(f) An employer must notify an employee before termination of employment of the options available under this subdivision, and of the deadline for electing to continue to participate.

(g) A former employee must notify the employer of intent to participate within the deadline provided for notice of insurance continuation under federal law. A former employee who does not elect to continue participation does not have a right to reenter the employer's group insurance program.

(h) A former employee who initially selects dependent coverage may later drop dependent coverage while retaining individual coverage. A former employee may not drop individual coverage and retain dependent coverage.

(i) This subdivision does not limit rights granted to former employees under other state or federal law, or under collective bargaining agreements or personnel plans.

(j) Unless otherwise provided by a collective bargaining agreement, if retired employees were not permitted to remain in the active employee group prior to August 1, 1992, a public employer may assess active employees through payroll deduction for all or part of the additional premium costs from the inclusion of retired employees in the active employee group. This paragraph does not apply to employees covered by section 179A.03, subdivision 7.

(k) Notwithstanding section 179A.20, subdivision 2a, insurance continuation under this subdivision may be provided for in a collective bargaining agreement or personnel policy.

EFFECTIVE DATE. This section is effective August 1, 2010, and applies to coverage in existence on or after that date.

The remainder, if any, shall be paid on demand to the owner or other person entitled thereto. If the property subject to the lien is a motor vehicle registered in this state and subject to a certificate of title, then the lienholder must provide written notice, by ~~registered~~ certified mail, to all secured creditors listed on the certificate of title 45 days before the lienholder's right to sell the motor vehicle is considered effective. Costs for ~~registered~~ certified mail and other reasonable costs related to complying with this notice provision constitute "lawful charges" pursuant to section 514.19. EFFECTIVE DATE. This section is effective the day following final enactment, and applies to notices mailed on or after that date, provided however that it is also permissible to send notices under this section by registered mail prior to August 1, 2010, and the costs of those notices are lawful charges under this section.
