(c) A prescription for a controlled substance in Schedule II, III, IV, or V that is transmitted by facsimile, either computer to facsimile machine or facsimile machine to facsimile machine, is void unless it complies with the applicable requirements of Code of Federal Regulations, title 21, part 1306.

(d) Every licensed pharmacy that dispenses a controlled substance prescription shall retain the original prescription in a file for a period of not less than two years, open to inspection by any officer of the state, county, or municipal government whose duty it is to aid and assist with the enforcement of this chapter. (e) Every licensed pharmacy shall distinctly label the container in which a controlled substance is dispensed with the directions contained in the prescription for the use of that controlled substance.

Subd. 1a. **Prescription requirements for Schedule II controlled substances.** No person may dispense a controlled substance included in Schedule II of section 152.02 without a prescription ~~written~~ issued by a doctor of medicine, a doctor of osteopathy

Provided that in emergency situations, as authorized by federal law, such drug may be dispensed upon oral prescription reduced promptly to writing and filed by the pharmacist. Such prescriptions shall be retained in conformity with section 152.101. No prescription for a Schedule II substance may be refilled.

~~For the purposes of this chapter, a written prescription or oral prescription, which shall be reduced to writing, for a controlled substance in Schedule II, III, IV or V is void unless (1) it is written in ink and contains the name and address of the person for whose use it is intended, (2) it states the amount of the controlled substance to be compounded or dispensed, with directions for its use, (3) if a written prescription, it contains the signature, address and federal registry number of the prescriber and a designation of the branch of the healing art pursued by the prescriber, and if an oral prescription, the name and address of the prescriber and a designation of the prescriber's branch of the healing art, and (4) it shows the date when signed by the prescriber, or the date of acceptance in the pharmacy if an oral prescription. Every licensed pharmacist who compounds any such prescription shall retain such prescription in a file for a period of not less than two years, open to inspection by any officer of the state, county, or municipal government, whose duty it is to aid and assist with the enforcement of this chapter. Every such pharmacist shall distinctly label the container with the directions contained in the prescription for the use thereof.~~

Subd. 2. **Written or oral Prescription requirement requirements for Schedule III or IV controlled substances.** No person may dispense a controlled substance included in Schedule III or IV of section 152.02 without a ~~written or oral~~ prescription ~~from~~ issued, as permitted under subdivision 1, by a doctor of medicine, a doctor of osteopathy licensed to practice medicine, a doctor of dental surgery, a doctor of dental medicine, a doctor of podiatry, a doctor of optometry limited to Schedule IV, or a doctor of veterinary medicine, lawfully licensed to prescribe in this state or from a practitioner licensed to prescribe controlled substances by the state in which the prescription is issued, and having a current federal drug enforcement administration registration number. Subd. 2a. **Federal registration number exemption.** A prescription need not bear a federal drug enforcement administration registration number that authorizes the prescriber to prescribe controlled substances if the drug prescribed is not a controlled substance in Schedule II, III, IV, or V. No person shall impose a requirement inconsistent with this subdivision.

Subd. 2b. **Restriction on release of federal registration number.** No person or entity may offer for sale, sell, lease, or otherwise release a federal drug enforcement administration registration number for any reason, except for drug enforcement purposes authorized by this chapter and the federal controlled substances registration system. (b) This subdivision applies only to purchases of controlled substances that are not covered, in whole or in part, by a health plan company or other third-party payor. ~~The Board of Pharmacy shall report to the legislature by July 1, 2009, on the effect of this subdivision. The board shall include in the report the incidence of complaints, if any, generated by the requirements of this subdivision and whether this subdivision is creating barriers to pharmaceutical access.~~

Subd. 3. **Dispensing orphan drugs.** For the purpose of ~~subdivisions 1 and 2~~ this section, nothing shall prohibit the dispensing of orphan drugs prescribed by a person practicing in and licensed by another state as a physician, dentist, veterinarian, or podiatrist; who has a current federal drug enforcement administration registration number; and who may legally prescribe Schedule II, III, IV, or V controlled substances in that state.
