

**CHAPTER 136—H.F.No. 1070**

*An act relating to capital improvements; appropriating money to acquire and better public land and buildings and other improvements of a capital nature; authorizing the sale and issuance of state bonds; modifying and cancelling prior appropriations; amending Laws 2002, chapter 393, section 22, subdivision 6, as amended; Laws 2005, chapter 20, article 1, section 20, subdivision 3, as amended; Laws 2006, chapter 258, sections 17, subdivision 8, as amended; 18, subdivision 6; Laws 2008, chapter 179, section 21, subdivision 3; Laws 2008, chapter 365, section 4, subdivision 3, as amended; Laws 2010, chapter 189, section 16, subdivision 4, as amended; Laws 2011, First Special Session chapter 12, section 10.*

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **CAPITAL IMPROVEMENT APPROPRIATIONS.**

The sums shown in the column under "Appropriations" are appropriated from the bond proceeds fund, or another named fund, to the state agencies or officials indicated, to be spent for public purposes. Appropriations of bond proceeds must be spent as authorized by the Minnesota Constitution, article XI, section 5, paragraph (a), to acquire and better public land and buildings and other public improvements of a capital nature or as authorized by the Minnesota Constitution, article XI, section 5, paragraphs (b) to (j), or article XIV. Unless otherwise specified, money appropriated in this act for a capital program or project may be used to pay state agency staff costs that are attributed directly to the capital program or project in accordance with accounting policies adopted by the commissioner of management and budget. Unless otherwise specified, the appropriations in this act are available until the project is completed or abandoned subject to Minnesota Statutes, section 16A.642.

**APPROPRIATIONS**

Sec. 2. NATURAL RESOURCES§ 20,000,000

To the commissioner of natural resources for the purposes specified in this section.

(a) For the state share of flood hazard mitigation grants for publicly owned capital improvements to prevent or alleviate flood damage under Minnesota Statutes, section 103F.161.

(b) Levee projects, to the extent practical, shall meet the state standard of three feet above the 100-year flood elevation.

(c) Project priorities shall be determined by the commissioner as appropriate and based on need, and to the extent possible, address needs in the Moorhead area first.

(d) This appropriation includes money for the following county, township, and municipal projects as prioritized by the commissioner: Ada, Afton, Alvarado, Argyle, Austin, Borup, Breckenridge, Browntown, Climax, Crookston, Delano, Granite Falls, Inver Grove Heights, Maynard, Melrose, Minneota, Minnesota River Area II, Montevideo, Moorhead, Newport, Nielsville, Oakport Township, Oslo, Roseau, Rushford, St. Vincent, and Shelly.

(e) This appropriation includes money for the following watershed projects: North Ottawa, Bois de Sioux Watershed District; Quick, Two Rivers Watershed District; Redpath, Bois de Sioux Watershed District; Roseau Wildlife Management Area, Roseau River Watershed District; and Shell Rock Watershed District.

(f) For any project listed in this subdivision that the commissioner determines is not ready to proceed or does not expend all the money allocated to it, the commissioner may allocate that project's money to a project on the commissioner's priority list.

(g) To the extent that the cost of a project exceeds two percent of the median household income in a municipality or township multiplied by the number of households in the municipality or township, this appropriation is also for the local share of the project.

Sec. 3. ADMINISTRATIONSubdivision 1. Total Appropriation131,680,000

To the commissioner of administration for the purposes specified in this section.

**Subd. 2. Capitol Renovation and Restoration**

109,000,000

This appropriation may be used for one or more of the following purposes:

(1) to complete the design of, and to construct, repair, improve, renovate, restore, furnish, and equip the State Capitol building and grounds; including but not limited to exterior stone repairs and window replacement; asbestos and hazardous materials abatement; mechanical, electrical, plumbing, and security systems replacement; general construction, including but not limited to demolition, site improvements, life safety improvements, accessibility, security and telecommunications; roof replacement; and finish work; and

(2) to predesign, design, conduct hazardous materials abatement, construct, repair, renovate, remodel, furnish, and equip the State Office Building, Administration Building, Centennial Office Building, 321 Grove Street Building, and other buildings and parking facilities located on the Capitol campus as determined by the commissioner of administration to meet temporary and permanent office, storage, parking, and other space needs occasioned by and in furtherance of an efficient restoration of the State Capitol Building and for the efficient and effective function of the tenants currently located in the Capitol Building.

In addition to any other approvals required, the commissioner of administration must submit the schematic design, design development, and work packages to the Capitol Preservation Commission, and may not proceed with a work package until the commission approves that work package.

The commissioner must incorporate life safety (Tier 1), water management (Tier 2), and selective restoration of architectural features (Tier 3), as described in the Minnesota State Capitol Exterior Stone Repair Project report dated May 8, 2013, into repair work on the exterior stone of the Capitol that is funded under this appropriation.

The commissioner of administration must not construct or place any permanent building, structure, or facility for offices, parking, storage, or other use,

in the area commonly known as Lief Erikson Park in the Capitol complex.

**Subd. 3. Tenant approval**

(a) The commissioner of administration must not prepare final plans and specifications for any construction authorized under subdivision 2 until the program plan and cost estimates for all elements necessary to complete the project have been approved by each tenant representative as to the space proposed for that tenant. The program plans and cost estimates must be presented to a tenant representative at least 30 days before the approval is needed from that representative. In addition, the appropriation in 2013 House File No. 677, article 12, section 22, if enacted, is not available for relocation of a tenant until that tenant representative approves a relocation plan submitted by the commissioner of administration for that tenant at least ten days before approval is needed from that representative. The relocation plan shall:

(1) describe when each person who currently occupies office space located in the Capitol building will be moved out of the Capitol building;

(2) identify the building and office space assigned to each person relocated during renovation of the Capitol building;

(3) identify the parking spaces that will be assigned to each person relocated during renovation, including the funding mechanism for any new parking spaces;

(4) state when each person relocated during renovation will be moved back into permanent office space and where the office space will be located; and

(5) include a written, signed tenant agreement for tenancy in the Capitol building after renovation.

For the purposes of this paragraph, "tenant representative" includes the secretary of the senate, on behalf of the senate; the chief clerk of the house of representatives, on behalf of the house of representatives; the governor; the court administrator, on behalf of the judicial branch; and the attorney general, on behalf of the attorney general's office.

(b) The commissioner of administration must not install new windows in the Capitol building office spaces that cannot be opened by the tenants of the building, unless otherwise approved by a tenant occupying an office.

(c) The commissioner of administration shall consult and collaborate with the director of the Historical Society on plans and specifications for construction authorized under subdivision 2.

**Subd. 4. Legislative Office Building**

The plans and specifications for a new legislative office building as provided in 2013 H.F. No. 677, article 12, section 21, are subject to approval by the house Committee on Rules and Legislative Administration in addition to approval by the senate Committee on Rules and Administration.

**Subd. 5. Parking Facilities**

22,680,000

To design, construct, furnish, and equip one or more parking facilities in the Capitol complex to accommodate up to approximately 880 parking stalls, with a net replacement of approximately 675 parking stalls, including to address temporary parking needed during construction of permanent parking facilities.

Notwithstanding any other provision of law, any parking facility proposed to be located on state-owned land located on the block bordered by Sherburne Avenue on the north, Park Street on the east, University Avenue on the south, and Rice Street on the west, must not require demolition of the historic Ford Building unless approved by the house Committee on Rules and Legislative Administration and the senate Committee on Rules and Administration. The parking facilities must accommodate the needs of members and staff of the house of representatives as well as other tenants of the Capitol complex.

The parking facilities developed with this appropriation are exempt from the requirements for design competition under Minnesota Statutes, section 15B.10.

Notwithstanding any law to the contrary, under Minnesota Statutes, sections 16C.32 and 16C.33, if the commissioner elects to utilize a design-build delivery method to design and construct one or more parking facilities with this appropriation, the Capital Area Architectural and Planning Board, in cooperation with the commissioner, shall create a selection committee to act as the board under Minnesota Statutes, sections 16C.32 and 16C.33. Notwithstanding Minnesota Statutes, section 16B.33, if the commissioner elects to contract with a

primary designer to design one or more parking facilities with this appropriation, the Capital Area Architectural and Planning Board, in cooperation with the commissioner, shall create a selection committee to conduct the selection process in accordance with the standards in Minnesota Statutes, chapters 15B and 16B. Notwithstanding Minnesota Statutes, section 16C.33, subdivision 5, paragraph (b), after obtaining and evaluating qualifications from each design-builder, in accordance with the weighted criteria and subequatorial and procedures set forth in the request for qualifications, the selection committee shall select a short list of up to five proposals.

If the commissioner does not receive any proposals, the commissioner may either (1) solicit new proposals, (2) revise the request for qualifications and thereafter solicit new proposals using the revised request for qualifications, or (3) request selection of a primary designer pursuant to Minnesota Statutes, section 16B.33, 16C.08, or 16C.095, and proceed with competitive bidding pursuant to Minnesota Statutes, sections 16C.25 to 16C.29.

The bond debt from the appropriation under this subdivision shall be user-financed. Parking fees collected shall be deposited into a state parking account and credited to the debt service account in the state bond fund as provided under Minnesota Statutes, section 16A.643.

Sec. 4. **VETERANS AFFAIRS**

**§ 18,935,000**

To the commissioner of administration to complete the design of, perform hazardous materials abatement for, and demolish the south wing of Building 17 and adjoining buildings, and design, reconstruct, and furnish the new south wing of Building 17 and adjoining buildings as a new skilled nursing building, construct a new distribution and service tunnel to serve buildings 6, 17 north, and 19, and the future 17 south, and design, construct, and equip a network and server room, including installation of new fiber optic lines.

Sec. 5. **PUBLIC FACILITIES AUTHORITY**

**§ 8,000,000**

To the Public Facilities Authority to match federal grants for the clean water revolving fund under Minnesota Statutes, section 446A.07, and the drinking water revolving fund under Minnesota Statutes,

section 446A.081. This appropriation must be used for qualified capital projects.

Sec. 6. **BOND SALE EXPENSES** **\$** **180,000**

To the commissioner of management and budget for bond sale expenses under Minnesota Statutes, section 16A.641, subdivision 8.

Sec. 7. **BOND SALE SCHEDULE.**

The commissioner of management and budget shall schedule the sale of state general obligation bonds so that, during the biennium ending June 30, 2015, no more than \$1,280,165,000 will need to be transferred from the general fund to the state bond fund to pay principal and interest due and to become due on outstanding state general obligation bonds. During the biennium, before each sale of state general obligation bonds, the commissioner of management and budget shall calculate the amount of debt service payments needed on bonds previously issued and shall estimate the amount of debt service payments that will be needed on the bonds scheduled to be sold. The commissioner shall adjust the amount of bonds scheduled to be sold so as to remain within the limit set by this section. The amount needed to make the debt service payments is appropriated from the general fund as provided in Minnesota Statutes, section 16A.641.

Sec. 8. **BOND SALE AUTHORIZATION.**

To provide the money appropriated in this act from the bond proceeds fund, the commissioner of management and budget shall sell and issue bonds of the state in an amount up to \$178,795,000 in the manner, upon the terms, and with the effect prescribed by Minnesota Statutes, sections 16A.631 to 16A.675, and by the Minnesota Constitution, article XI, sections 4 to 7.

Sec. 9. **CANCELLATION; BOND SALE AUTHORIZATION REDUCTION.**

The \$2,000,000 appropriation in Laws 2009, chapter 93, article 1, section 11, subdivision 7, for the Alexandria aircraft surveillance facility, is canceled. The bond sale authorization in Laws 2009, chapter 93, article 1, section 21, subdivision 1, is reduced by \$2,000,000.

Sec. 10. Laws 2002, chapter 393, section 22, subdivision 6, as amended by Laws 2005, chapter 20, article 1, section 43, is amended to read:

Subd. 6. **Fergus Falls Regional Treatment Center** 3,000,000

To design, renovate, construct, furnish, and equip ancillary support and program facilities, including improvements to basic infrastructure, such as sanitary and storm sewer and water lines, public streets, curb, gutter, street lights, or sidewalks, to make improvements for building envelope and structural integrity for the purposes of stabilizing the buildings for sale, for hazardous materials abatement, and for demolition that will facilitate the relocation of the facility's ancillary support, treatment, and residential programs from the Corkboard buildings and of all or portions of surplus, nonfunctional, or deteriorated facilities and infrastructure or to renovate

surplus, nonfunctional, or deteriorated facilities and infrastructure to facilitate the disposition redevelopment of the Fergus Falls Regional Treatment Center campus. If the property is sold or transferred to a local unit of government, the unspent portion of this appropriation may be granted to the local unit of government that acquires the campus for the purposes stated in this subdivision.

Notwithstanding Minnesota Statutes, section 16A.642, the bond sale authorization and appropriation of bond proceeds in this subdivision are available until December 31, 2016.

Sec. 11. Laws 2005, chapter 20, article 1, section 20, subdivision 3, as amended by Laws 2006, chapter 258, section 47, is amended to read:
