

CHAPTER 49—H.F.No. 947

An act relating to human services; distinguishing and clarifying law regarding civil commitment of sexually dangerous persons and persons with sexual psychopathic personalities from other civil commitments; amending Minnesota Statutes 2012, sections 253B.02, subdivisions 18a, 24; 253B.03, subdivision 1a; 253B.045, subdivision 1a; 253B.092, subdivision 1; 253B.17, subdivision 1; 253B.185; 253B.19, subdivision 2; proposing coding for new law as Minnesota Statutes, chapter 253D.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2012, section 253B.02, subdivision 18a, is amended to read:

Subd. 18a. **Secure treatment facility.** "Secure treatment facility" means the Minnesota Security Hospital and the Minnesota sex offender program facility in Moose Lake and any portion of the Minnesota sex offender program operated by the Minnesota sex offender program at the Minnesota Security Hospital, but does not include services or programs administered by the ~~secure treatment facility~~ Minnesota Security Hospital outside a secure environment.

Sec. 2. Minnesota Statutes 2012, section 253B.02, subdivision 24, is amended to read:

Subd. 24. **Administrative restriction.** "Administrative restriction" means any measure utilized by the commissioner to maintain safety and security, protect possible evidence, and prevent the continuation of suspected criminal acts. Administrative restriction does not mean protective isolation as defined by Minnesota Rules, part 9515.3090, subpart 4. Administrative restriction may include increased monitoring, program limitations, loss of privileges, restricted access to and use of possessions, and separation of a patient committed person from the normal living environment, as determined by the commissioner or the commissioner's designee. Administrative restriction applies only to patients committed persons in a secure treatment facility as defined in ~~subdivision 18a~~ section 253D.02, subdivision 9, who:

- (1) are suspected of committing a crime or charged with a crime;
- (2) are the subject of a criminal investigation;
- (3) are awaiting sentencing following a conviction of a crime; or
- (4) are awaiting transfer to a correctional facility.

~~The commissioner shall establish policies and procedures according to section 246.014, paragraph (d), regarding the use of administrative restriction. The policies and procedures shall identify the implementation and termination of administrative restrictions. Use of administrative restriction and the reason associated with the use shall be documented in the patient's medical record.~~

Sec. 3. Minnesota Statutes 2012, section 253B.03, subdivision 1a, is amended to read:

Subd. 1a. **Administrative restriction.** (a) A patient committed person has the right to be free from unnecessary or excessive administrative restriction. Administrative restriction shall not be used for the convenience of staff, for retaliation for filing complaints, or as a substitute for program treatment. Administrative restriction may not involve any further deprivation of privileges than is necessary.

(b) Administrative restriction may include separate and secure housing.

(c) Patients Committed Persons under administrative restriction shall not be limited in access to their attorney.

(d) If a patient committed person is placed on administrative restriction because the patient committed person is suspected of committing a crime, the secure treatment facility must report the crime to the appropriate police agency within 24 hours of the beginning of administrative restriction. The patient committed person must be released from administrative restriction if a police agency does not begin an investigation within 72 hours of the report.

(e) A patient committed person placed on administrative restriction because the patient committed person is a subject of a criminal investigation must be released from administrative restriction when the investigation is completed. If the patient committed person is charged with a crime following the investigation, administrative restriction may continue until the charge is disposed of.

(f) The secure treatment facility must notify the patient's committed person's attorney of the patient committed person being placed on administrative restriction within 24 hours after the beginning of administrative restriction.

(g) The commissioner shall establish policies and procedures according to section 246.014, paragraph (d), regarding the use of administrative restriction. The policies and procedures shall identify the implementation and termination of administrative restrictions. Use of administration restriction and the reason associated with the use shall be documented in the committed person's medical record.

Sec. 4. Minnesota Statutes 2012, section 253B.045, subdivision 1a, is amended to read:

Subd. 1a. **Exception Correctional facilities.** (a) A person who is being petitioned for commitment under ~~section 253B.185~~ this chapter and who is placed under a judicial hold order under section 253B.07, subdivision 2b or 7, may be confined at a Department of Corrections or a county correctional or detention facility, rather than a secure treatment facility, until a determination of the commitment petition as specified in this subdivision.

(b) A court may order that a person who is being petitioned for commitment under ~~section 253B.185~~ this chapter be confined in a Department of Corrections facility pursuant to the judicial hold order under the following circumstances and conditions:

(1) The person is currently serving a sentence in a Department of Corrections facility and the court determines that the person has made a knowing and voluntary (i) waiver of the right to be held in a secure treatment facility and (ii) election to be held in a Department of Corrections facility. The order confining the person in the Department of Corrections facility shall remain in effect until the court vacates the order or the person's criminal sentence and conditional release term expire.

In no case may the person be held in a Department of Corrections facility pursuant only to this subdivision, and not pursuant to any separate correctional authority, for more than 210 days.

(2) A person who has elected to be confined in a Department of Corrections facility under this subdivision may revoke the election by filing a written notice of intent to revoke the election with the court and serving the notice upon the Department of Corrections and the county attorney. The court shall order the person transferred to a secure treatment facility within 15 days of the date that the notice of revocation was filed with the court, except that, if the person has additional time to serve in prison at the end of the 15-day period, the person shall not be transferred to a secure treatment facility until the person's prison term expires. After a person has revoked an election to remain in a Department of Corrections facility under this subdivision, the court may not adopt another election to remain in a Department of Corrections facility without the agreement of both parties and the Department of Corrections.

(3) Upon petition by the commissioner of corrections, after notice to the parties and opportunity for hearing and for good cause shown, the court may order that the person's place of confinement be changed from the Department of Corrections to a secure treatment facility.

(4) While at a Department of Corrections facility pursuant to this subdivision, the person shall remain subject to all rules and practices applicable to correctional inmates in the facility in which the person is placed including, but not limited to, the powers and duties of the commissioner of corrections under section 241.01, powers relating to use of force under section 243.52, and the right of the commissioner of corrections to determine the place of confinement in a prison, reformatory, or other facility.

(5) A person may not be confined in a Department of Corrections facility under this provision beyond the end of the person's executed sentence or the end of any applicable conditional release period, whichever is later. If a person confined in a Department of Corrections facility pursuant to this provision reaches the person's supervised release date and is subject to a period of conditional release, the period of conditional release shall commence on the supervised release date even though the person remains in the Department of Corrections facility pursuant to this provision. At the end of the later of the executed sentence or any applicable conditional release period, the person shall be transferred to a secure treatment facility.

(6) Nothing in this section may be construed to establish a right of an inmate in a state correctional facility to participate in sex offender treatment. This section must be construed in a manner consistent with the provisions of section 244.03.

(c) The committing county may offer a person who is being petitioned for commitment under ~~section 253B.185~~ this chapter and who is placed under a judicial hold order under section 253B.07, subdivision 2b or 7, the option to be held in a county correctional or detention facility rather than a secure treatment facility, under such terms as may be agreed to by the county, the commitment petitioner, and the commitment respondent. If a person makes such an election under this paragraph, the court hold order shall specify the terms of the agreement, including the conditions for revoking the election.

Sec. 5. Minnesota Statutes 2012, section 253B.092, subdivision 1, is amended to read:

Subdivision 1. **General.** Neuroleptic medications may be administered, only as provided in this section, to patients subject to early intervention or civil commitment as mentally ill ~~or~~, mentally ill and dangerous ~~only as provided in this section,~~ a sexually dangerous person, or a person with a sexual psychopathic personality. For purposes of this section, "patient" includes a proposed patient who is the subject of a petition for early intervention or commitment and a committed person as defined in section 253D.02, subdivision 3.

Sec. 6. Minnesota Statutes 2012, section 253B.17, subdivision 1, is amended to read:

Subdivision 1. **Petition.** Any patient, except one committed as a sexually dangerous person or a person with a sexual psychopathic personality or as a person who is mentally ill and dangerous to the public ~~or as a sexually dangerous person or person with a sexual psychopathic personality~~ as provided in section 253B.18, subdivision 3, or any interested person may petition the committing court or the court to which venue has been transferred for an order that the patient is not in need of continued care and treatment or for an order that an individual is no longer a person who is mentally ill, developmentally disabled, or chemically dependent, or for any other relief. A patient committed as a person who is mentally ill or mentally ill and dangerous ~~or a sexually dangerous person or person with a sexual psychopathic personality~~ may petition the committing court or the court to which venue has been transferred for a hearing concerning the administration of neuroleptic medication.

Sec. 7. Minnesota Statutes 2012, section 253B.185, is amended to read:

253B.185 SEXUAL PSYCHOPATHIC PERSONALITY; SEXUALLY DANGEROUS; SEXUAL PSYCHOPATHIC PERSONALITY.

Subdivision 1. **Commitment generally.** (a) Except as otherwise provided in this section, the provisions of this chapter pertaining to persons who are mentally ill and dangerous to the public apply with like force and effect to persons who are alleged or found to be sexually dangerous persons or persons with a sexual psychopathic personality. For purposes of this section, "sexual psychopathic personality" includes any individual committed as a "psychopathic personality" under Minnesota Statutes 1992, section 526.10.

(b) (a) Before commitment proceedings are instituted, the facts shall first be submitted to the county attorney, who, if satisfied that good cause exists, will prepare the petition. The county attorney may request a prepetition screening report. The petition is to be executed by a person having knowledge of the facts and filed with the district court of the county of financial responsibility, as defined in section 253B.02, subdivision 4c, or the county where the patient respondent is present. If the patient respondent is in the custody of the commissioner of corrections, the petition may be filed in the county where the conviction for which the person is incarcerated was entered.

(c) (b) Upon the filing of a petition alleging that a proposed patient respondent is a sexually dangerous person or is a person with a sexual psychopathic personality, the court shall hear the petition as provided in section 253B.18, except that section 253B.18, subdivisions 2 and 3, shall not apply sections 253B.07 and 253B.08.

(d) In commitments under this section, (c) If the court finds by clear and convincing evidence that the respondent is a sexually dangerous person or a person with a sexual psychopathic personality, the court shall commit the patient person to a secure treatment facility unless the patient person establishes by clear and convincing evidence that a less restrictive treatment program is available ~~that~~, is willing to accept the respondent under commitment, and is consistent with the patient's person's treatment needs and the requirements of public safety.

(e) (d) After a final determination that a patient respondent is a sexually dangerous person or a person with a sexual psychopathic personality, the court shall order commitment for an indeterminate period of time and the patient committed person shall be transferred, provisionally discharged, or discharged, only as provided in this section chapter.

Subd. 1a. **Temporary confinement Jails.** During any hearing held under this section chapter, or pending emergency revocation of a provisional discharge, the court may order the patient committed person or proposed patient committed person temporarily confined in a jail or lockup but only if:

- (1) there is no other feasible place of confinement for the patient person within a reasonable distance;
- (2) the confinement is for less than 24 hours or, if during a hearing, less than 24 hours prior to commencement and after conclusion of the hearing; and
- (3) there are protections in place, including segregation of the patient person, to ensure the safety of the patient person.

Subd. 1b. **County attorney access to data.** Notwithstanding sections 144.291 to 144.298; 245.467, subdivision 6; 245.4876, subdivision 7; 260B.171; 260B.235, subdivision 8; 260C.171; and 609.749, subdivision 6, or any provision of chapter 13 or other state law, prior to filing a petition for commitment as a sexual psychopathic personality or as a sexually dangerous person of a sexually dangerous person or a person with a sexual psychopathic personality, and upon notice to the proposed patient committed person, the county attorney or the county attorney's designee may move the court for an order granting access to any records or data, to the extent it relates to the proposed patient committed person, for the purpose of

determining whether good cause exists to file a petition and, if a petition is filed, to support the allegations set forth in the petition.

The court may grant the motion if: (1) the Department of Corrections refers the case for commitment ~~as a sexual psychopathic personality or a sexually dangerous person~~ of a sexually dangerous person or a person with a sexual psychopathic personality; or (2) upon a showing that the requested category of data or records may be relevant to the determination by the county attorney or designee. The court shall decide a motion under this ~~subdivision~~ section within 48 hours after a hearing on the motion. Notice to the proposed ~~patient~~ committed person need not be given upon a showing that such notice may result in harm or harassment of interested persons or potential witnesses.

Notwithstanding any provision of chapter 13 or other state law, a county attorney considering the civil commitment of a person under this ~~section~~ chapter may obtain records and data from the Department of Corrections or any probation or parole agency in this state upon request, without a court order, for the purpose of determining whether good cause exists to file a petition and, if a petition is filed, to support the allegations set forth in the petition. At the time of the request for the records, the county attorney shall provide notice of the request to the person who is the subject of the records.

Data collected pursuant to this ~~subdivision~~ section shall retain their original status and, if not public, are inadmissible in any court proceeding unrelated to civil commitment, unless otherwise permitted.

Subd. 2. Transfer to correctional facility. (a) If a person has been committed under this ~~section~~ chapter and later is committed to the custody of the commissioner of corrections for any reason, including but not limited to, being sentenced for a crime or revocation of the person's supervised release or conditional release under section 244.05; 609.3455, subdivision 6, 7, or 8; Minnesota Statutes 2004, section 609.108, subdivision 6; or Minnesota Statutes 2004, section 609.109, subdivision 7, the person shall be transferred to a facility designated by the commissioner of corrections without regard to the procedures provided in ~~subdivision 11~~ section 253D.29, subdivision 1.

(b) If a person is committed under this ~~section~~ chapter after a commitment to the commissioner of corrections, the person shall first serve the sentence in a facility designated by the commissioner of corrections. After the person has served the sentence, the person shall be transferred to a treatment program designated by the commissioner of human services.

Subd. 3. Not to constitute defense. The existence in any person of a condition of a sexual psychopathic personality or the fact that a person is a sexually dangerous person shall not in any case constitute a defense to a charge of crime, nor relieve such person from liability to be tried upon a criminal charge.

Subd. 4. Statewide judicial panel; commitment proceedings. (a) The Supreme Court may establish a panel of district judges with statewide authority to preside over commitment proceedings of ~~sexual psychopathic personalities and sexually dangerous persons~~ sexually dangerous persons or persons with sexual psychopathic personalities. Only one judge of the panel is required to preside over a particular commitment proceeding. Panel members shall serve for one-year terms. One of the judges shall be designated as the chief judge of the panel, and is vested with the power to designate the presiding judge in a particular case, to set the proper venue for the proceedings, and to otherwise supervise and direct the operation of the panel. The chief judge shall designate one of the other judges to act as chief judge whenever the chief judge is unable to act.

(b) If the Supreme Court creates the judicial panel authorized by this section, all petitions for civil commitment brought under ~~subdivision 1~~ section 253D.07 shall be filed with the supreme court instead of with the district court in the county where the proposed patient is present, notwithstanding any provision of ~~subdivision 1~~ section 253D.07 to the contrary. Otherwise, all of the other applicable procedures contained

in this chapter and sections 253B.07 and 253B.08 apply to commitment proceedings conducted by a judge on the panel.

Subd. 5. **Financial responsibility.** (a) For purposes of this subdivision, "state facility" has the meaning given in section 246.50 and also includes a Department of Corrections facility when the proposed patient respondent is confined in such a facility pursuant to section ~~253B.045~~, subdivision 1a 253D.10, subdivision 2.

(b) Notwithstanding sections 246.54, ~~253B.045~~ 253D.10, and any other law to the contrary, when a petition is filed for commitment under this ~~section~~ chapter pursuant to the notice required in section 244.05, subdivision 7, the state and county are each responsible for 50 percent of the cost of the person's confinement at a state facility or county jail, prior to commitment.

(c) The county shall submit an invoice to the state court administrator for reimbursement of the state's share of the cost of confinement.

(d) Notwithstanding paragraph (b), the state's responsibility for reimbursement is limited to the amount appropriated for this purpose.

Subd. 7. **Rights of patients persons committed under this section chapter.** (a) The commissioner ~~or the commissioner's designee~~ may limit the statutory rights described in paragraph (b) for patients persons committed to the Minnesota sex offender program under this ~~section~~ chapter or with the commissioner's consent under section 246B.02. The statutory rights described in paragraph (b) may be limited only as necessary to maintain a therapeutic environment or the security of the facility or to protect the safety and well-being of patients committed persons, staff, and the public.

(b) The statutory rights that may be limited in accordance with paragraph (a) are those set forth in section 144.651, subdivision 19, personal privacy; section 144.651, subdivision 21, private communications; section 144.651, subdivision 22, retain and use of personal property; section 144.651, subdivision 25, manage personal financial affairs; section 144.651, subdivision 26, meet with visitors and participate in groups; section 253B.03, subdivision 2, correspond with others; and section 253B.03, subdivision 3, receive visitors and make telephone calls. Other statutory rights enumerated by sections 144.651 and 253B.03, or any other law, may be limited as provided in those sections.

Subd. 8. **Petition and report required.** (a) Within 120 days of receipt of a preliminary determination from a court under section 609.1351, or a referral from the commissioner of corrections pursuant to section 244.05, subdivision 7, a county attorney shall determine whether good cause under ~~this section~~ 253D.07 exists to file a petition, and if good cause exists, the county attorney or designee shall file the petition with the court.

(b) Failure to meet the requirements of paragraph (a) does not bar filing a petition under ~~subdivision 1~~ section 253D.07, subdivision 2, any time the county attorney determines pursuant to ~~subdivision 1~~ section 253D.07 that good cause for such a petition exists.

Subd. 9. **Petition for reduction in custody.** (a) This subdivision applies only to committed persons as defined in ~~paragraph (b)~~ section 253D.02, subdivision 4. The procedures in ~~subdivision 10~~ section 253D.14 for victim notification and right to submit a statement apply to petitions filed and reductions in custody recommended under this subdivision.

(b) ~~As used in this subdivision:~~

~~(1) "committed person" means an individual committed under this section, or under this section and under section 253B.18, as mentally ill and dangerous. It does not include persons committed only as mentally ill and dangerous under section 253B.18; and~~

~~(2)~~ For the purposes of this section, "reduction in custody" means transfer out of a secure treatment facility, a provisional discharge, or a discharge from commitment. A reduction in custody is considered to be a commitment proceeding under section 8.01.

(c) A petition for a reduction in custody or an appeal of a revocation of provisional discharge may be filed by either the committed person or by the ~~head of the treatment facility~~ executive director and must be filed with and considered by a panel of the special review board authorized under section 253B.18, subdivision 4c. A committed person may not petition the special review board any sooner than six months following either:

(1) the entry of judgment in the district court of the order for commitment issued under section 253B.18, ~~subdivision 3~~ 253D.07, subdivision 5, or upon the exhaustion of all related appeal rights in state court relating to that order, whichever is later; or

(2) any recommendation of the special review board or order of the judicial appeal panel, or upon the exhaustion of all appeal rights in state court, whichever is later. The ~~head of the treatment facility~~ executive director may petition at any time. The special review board proceedings are not contested cases as defined in chapter 14.

(d) The special review board shall hold a hearing on each petition before issuing a recommendation ~~and report~~ under ~~paragraph (f) section 253D.30, subdivision 4~~. Fourteen days before the hearing, the committing court, the county attorney of the county of commitment, the ~~designated agency county attorney of the county of financial responsibility~~, an interested person, the petitioner and the petitioner's counsel, and the committed person and the committed person's counsel must be given written notice by the commissioner of the time and place of the hearing before the special review board. Only those entitled to statutory notice of the hearing or those administratively required to attend may be present at the hearing. The patient committed person may designate interested persons to receive notice by providing the names and addresses to the commissioner at least 21 days before the hearing.

(e) A person or agency receiving notice that submits documentary evidence to the special review board before the hearing must also provide copies to the committed person, the committed person's counsel, the county attorney of the county of commitment, ~~and the case manager, and the commissioner~~ county attorney of the county of financial responsibility. The special review board must consider any statements received from victims under ~~subdivision 10~~ section 253D.14.

(f) Within 30 days of the hearing, the special review board shall issue a report with written findings of fact and shall recommend denial or approval of the petition to the judicial appeal panel established under section 253B.19. The commissioner shall forward the recommendation report of the special review board to the judicial appeal panel and to every person entitled to statutory notice. No reduction in custody or reversal of a revocation of provisional discharge recommended by the special review board is effective until it has been reviewed by the judicial appeal panel and until 15 days after an order from the judicial appeal panel affirming, modifying, or denying the recommendation.

Subd. 10. **Victim notification of petition and release; right to submit statement.** (a) As used in this ~~subdivision~~ section:

(1) "crime" has the meaning given to "violent crime" in section 609.1095, and includes criminal sexual conduct in the fifth degree and offenses within the definition of "crime against the person" in section 253B.02, subdivision 4a, and also includes offenses listed in section 253B.02, subdivision 7a, paragraph (b), regardless of whether they are sexually motivated;

(2) "victim" means a person who has incurred loss or harm as a result of a crime, the behavior for which forms the basis for a commitment under this ~~section or section 253B.18~~ chapter; and

(3) "convicted" and "conviction" have the meanings given in section 609.02, subdivision 5, and also include juvenile court adjudications, findings under Minnesota Rules of Criminal Procedure, rule 20.02, that the elements of a crime have been proved, and findings in commitment cases under this section or section 253B.18, that an act or acts constituting a crime occurred.

(b) A county attorney who files a petition to commit a person under this ~~section~~ chapter shall make a reasonable effort to provide prompt notice of filing the petition to any victim of a crime for which the person was convicted. In addition, the county attorney shall make a reasonable effort to promptly notify the victim of the resolution of the petition.

(c) Before provisionally discharging, discharging, granting pass-eligible status, approving a pass plan, or otherwise permanently or temporarily releasing a person committed under this ~~section~~ chapter from a treatment facility, the ~~head of the treatment facility~~ executive director shall make a reasonable effort to notify any victim of a crime for which the person was convicted that the person may be discharged or released and that the victim has a right to submit a written statement regarding decisions of the ~~head of the treatment facility or designee~~ executive director, or special review board, with respect to the person. To the extent possible, the notice must be provided at least 14 days before any special review board hearing or before a determination on a pass plan. Notwithstanding section 611A.06, subdivision 4, the commissioner shall provide the judicial appeal panel with victim information in order to comply with the provisions of this section. The judicial appeal panel shall ensure that the data on victims remains private as provided for in section 611A.06, subdivision 4.

(d) This subdivision applies only to victims who have requested notification through the Department of Corrections electronic victim notification system, or by contacting, in writing, the county attorney in the county where the conviction for the crime occurred or where the civil commitment was filed or, following commitment, the ~~head of the treatment facility~~ executive director. A request for notice under this subdivision received by the commissioner of corrections through the Department of Corrections electronic victim notification system shall be promptly forwarded to the prosecutorial authority with jurisdiction over the offense to which the notice relates or, following commitment, the ~~head of the treatment facility~~ executive director. A county attorney who receives a request for notification under this ~~paragraph~~ subdivision following commitment shall promptly forward the request to the commissioner of human services.

(e) Rights under this ~~subdivision~~ section are in addition to rights available to a victim under chapter 611A. This provision does not give a victim all the rights of a "notified person" or a person "entitled to statutory notice" under ~~subdivision 12 or 13 or~~ section 253B.18, subdivision 4a, 4b, or 5; 253D.23; or 253D.27.

Subd. 10a. **Scope of community notification.** (a) Notification of the public and disclosure of information under section 244.052, subdivision 4, regarding an individual who was committed under this ~~section~~ chapter or Minnesota Statutes 1992, section 526.10, is as provided under section 244.052, subdivision 4, paragraphs (b), clause (3), and (g), and subdivision 4b, regardless of the individual's assigned risk level. The restrictions under section 244.052, subdivision 4, paragraph (b), clause (3), placed on disclosing information on individuals living in residential facilities do not apply to persons committed under this section or Minnesota Statutes 1992, section 526.10. The local law enforcement agency may proceed with the broadest disclosure authorized under section 244.052, subdivision 4.

(b) After four years from the date of an order for provisional discharge or discharge of civil commitment, the individual may petition the ~~head of the treatment facility from which the individual was provisionally discharged or discharged~~ executive director to have the scope of notification and disclosure based solely upon the individual's assigned risk level under section 244.052.

(c) If an individual's provisional discharge is revoked for any reason, the four-year time period under paragraph (b) starts over from the date of a subsequent order for provisional discharge or discharge except

that the ~~head of the treatment facility or designee~~ executive director may, in ~~the~~ that person's sole discretion of the ~~head or designee~~, determine that the individual may petition before four years have elapsed from the date of the order of the subsequent provisional discharge or discharge and notify the individual of that determination.

(d) The ~~head of the treatment facility~~ executive director shall appoint a multidisciplinary committee to review and make a recommendation on a petition made under paragraph (b). The ~~head of the treatment facility or designee~~ executive director may grant or deny the petition. There is no review or appeal of the decision. If a petition is denied, the individual may petition again after two years from the date of denial.

(e) Nothing in this ~~subdivision~~ section shall be construed to give an individual an affirmative right to petition the ~~head of the treatment facility~~ executive director earlier than four years after the date of an order for provisional discharge or discharge.

(f) The ~~head of the treatment facility~~ executive director shall act in place of the individual's corrections agent for the purpose of section 244.052, subdivision 3, paragraph (h), when the individual is not assigned to a corrections agent.

Subd. 11. **Transfer.** (a) A patient person who is committed as a sexually dangerous person or a person with a sexual psychopathic personality shall not be transferred out of a secure treatment facility unless it appears to the satisfaction of the judicial appeal panel, after a hearing and recommendation by a majority of the special review board, that the transfer is appropriate. Transfer may be to other treatment programs under the commissioner's control.

(b) The following factors must be considered in determining whether a transfer is appropriate:

- (1) the person's clinical progress and present treatment needs;
- (2) the need for security to accomplish continuing treatment;
- (3) the need for continued institutionalization;
- (4) which facility can best meet the person's needs; and
- (5) whether transfer can be accomplished with a reasonable degree of safety for the public.

Subd. 11a. **Transfer; Voluntary readmission to a secure facility.** (a) After a patient committed person has been transferred out of a secure facility pursuant to section 253D.29, subdivision ~~1~~ 1, and with the consent of the executive director of the Minnesota sex offender program, a patient committed person may voluntarily return to a secure facility operated by the Minnesota sex offender program for a period of up to 60 days.

(b) If the patient committed person is not returned to the facility to which the patient person was originally transferred pursuant to section 253D.29, subdivision ~~1~~ 1, within 60 days of being readmitted to a secure facility, the transfer is revoked and the patient committed person shall remain in a secure facility. The patient committed person shall immediately be notified in writing of the revocation.

(c) Within 15 days of receiving notice of the revocation, the patient committed person may petition the special review board for a review of the revocation. The special review board shall review the circumstances of the revocation and shall recommend to the judicial appeal panel whether or not the revocation shall be upheld. The special review board may also recommend a new transfer at the time of the revocation hearing.

(d) If the transfer has not been revoked and the patient committed person is to be returned to the facility to which the patient committed person was originally transferred pursuant to section 253D.29, subdivision ~~1~~ 1, with no substantive change to the conditions of the transfer ordered pursuant to section 253D.29, subdivision ~~1~~ 1, no action by the special review board or judicial appeal panel is required.

Subd. 11b. **Transfer; Revocation.** (a) The executive director ~~of the Minnesota sex-offender program or designee~~ may revoke a transfer made pursuant to section 253D.29, subdivision 1, and require a patient committed person to return to a secure treatment facility if:

(1) remaining in a nonsecure setting will not provide a reasonable degree of safety to the patient committed person or others; or

(2) the patient committed person has regressed in clinical progress so that the facility to which the patient committed person was transferred is no longer sufficient to meet the patient's committed person's needs.

(b) Upon the revocation of the transfer, the patient committed person shall be immediately returned to a secure treatment facility. A report documenting reasons for revocation shall be issued by the executive director ~~or designee~~ within seven days after the patient committed person is returned to the secure treatment facility. (b) The following factors are to be considered in determining whether a provisional discharge shall be recommended granted:

(1) whether the patient's committed person's course of treatment and present mental status indicate there is no longer a need for treatment and supervision in the patient's committed person's current treatment setting; and

(2) whether the conditions of the provisional discharge plan will provide a reasonable degree of protection to the public and will enable the patient committed person to adjust successfully to the community.

Subd. 13. **Provisional discharge Plan.** A provisional discharge plan shall be developed, implemented, and monitored by the ~~head of the treatment facility or designee~~ executive director in conjunction with the patient committed person and other appropriate persons. The special review board shall review the circumstances of the revocation and, after applying the standards in section 253D.30, subdivision ~~15~~ 5, paragraph (a), shall recommend to the judicial appeal panel whether or not the revocation shall be upheld. The board may recommend a return to provisional discharge status.

(c) If the provisional discharge has not been revoked and the patient committed person is to be returned to provisional discharge, the Minnesota sex offender program is not required to petition for a further review by the special review board unless the patient's committed person's return to the community results in substantive change to the existing provisional discharge plan.

Subd. 15. **Provisional discharge; Revocation.** (a) The ~~head of the treatment facility~~ executive director may revoke a provisional discharge if either of the following grounds exist:

In determining whether a discharge shall be recommended, the special review board and judicial appeal panel shall consider whether specific conditions exist to provide a reasonable degree of protection to the public and to assist the patient committed person in adjusting to the community. If the desired conditions do not exist, the discharge shall not be granted.

The judicial appeal panel must not consider petitions for relief other than those considered by the commissioner from which the appeal is taken. The petition must be filed with the Supreme Court within 30 days after the decision of the commissioner is signed. The hearing must be held within 45 days of the filing of the petition unless an extension is granted for good cause.

(b) ~~A person committed as a sexual psychopathic personality or as a sexually dangerous person under section 253B.185, or committed as both mentally ill and dangerous to the public under section 253B.18 and as a sexual psychopathic personality or as a sexually dangerous person under section 253B.185; the county attorney of the county from which the person was committed or the county of financial responsibility; or the commissioner may petition the judicial appeal panel for a rehearing and reconsideration of a decision of the special review board under section 253B.185, subdivision 9. The petition must be filed with the Supreme Court within 30 days after the decision is mailed by the commissioner as required in section 253B.185, subdivision 9, paragraph (f). The hearing must be held within 180 days of the filing of the~~

If no party petitions the judicial appeal panel for a rehearing or reconsideration within 30 days, the judicial appeal panel shall either issue an order adopting the recommendations of the special review board or set the matter on for a hearing pursuant to this paragraph.~~

(e) For an appeal under paragraph (a) ~~or (b)~~, the Supreme Court shall refer the petition to the chief judge of the judicial appeal panel. The chief judge shall notify the patient, the county attorney of the county of commitment, the designated agency, the commissioner, the head of the treatment facility, any interested person, and other persons the chief judge designates, of the time and place of the hearing on the petition.
