BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2014, section 201.091, subdivision 4, is amended to read:

Subd. 4. **Public information lists.** The county auditor shall make available for inspection a public information list which must contain the name, address, year of birth, and voting history of each registered voter in the county. The list must include the party choice of any voter who voted in the most recent presidential nomination primary. The telephone number must be included on the list if provided by the voter. The public information list may also include information on voting districts. The county auditor may adopt reasonable rules governing access to the list. No individual inspecting the public information list shall tamper with or alter it in any manner. No individual who inspects the public information list or who acquires a list of registered voters prepared from the public information list may use any information contained in the list for purposes unrelated to elections, political activities, or law enforcement. The secretary of state may provide copies of the public information lists and other information from the statewide registration system for uses related to elections, political activities, or in response to a law enforcement inquiry from a public official concerning a failure to comply with any criminal statute or any state or local tax statute.

Before inspecting the public information list or obtaining a list of voters or other information from the list, the individual shall provide identification to the public official having custody of the public information list and shall state in writing that any information obtained from the list will not be used for purposes unrelated to elections, political activities, or law enforcement. Requests to examine or obtain information from the public information lists or the statewide registration system must be made and processed in the manner provided in the rules of the secretary of state.

Upon receipt of a statement signed by the voter that withholding the voter's name from the public information list is required for the safety of the voter or the voter's family, the secretary of state and county auditor must withhold from the public information list the name of a registered voter.

Sec. 2. Minnesota Statutes 2014, section 202A.14, subdivision 1, is amended to read:

Subdivision 1. **Time and manner of holding; postponement.** (a) In every state general election year, beginning at 7:00 p.m. on the date established pursuant to paragraph (b), there shall be held for every election precinct a party caucus in the manner provided in sections 202A.14 to 202A.19.

(b)(1) The chairs of the two largest major political parties shall jointly submit to the secretary of state, no later than March 1 of each odd-numbered year, the single date on which the two parties

have agreed to conduct their precinct caucuses in the next even-numbered year. For a year when a presidential nomination primary is scheduled, the date submitted must not be the date of the presidential nomination primary, or the town general election date provided in section 205.075, subdivision 1.

(2) Within two business days after the parties have agreed on a single date on which to conduct their precinct caucuses, the secretary of state shall publicly announce the official state precinct caucus date for the following general election year.

(3) If the chairs of the two largest major political parties do not jointly submit a single date for conducting their precinct caucuses as provided in this paragraph, then for purposes of the next general election year, one of the first Tuesday in February following dates shall be considered the day of a major political party precinct caucus and sections 202A.19 and 202A.192 shall only apply on that date:

(i) the first Tuesday in February in a year when no presidential nomination primary is required;
or

(ii) the Tuesday immediately prior to the presidential nomination primary in a year when a presidential nomination primary is required.

(4) For purposes of this paragraph, the two largest major political parties shall be the parties whose candidates for governor received the greatest and second greatest number of votes at the most recent gubernatorial election.

(c) In the event of severe weather a major political party may request the secretary of state to postpone caucuses. If a major political party makes a request, or upon the secretary of state's own initiative, after consultation with all major political parties and on the advice of the federal Weather Bureau and the Department of Transportation, the secretary of state may declare precinct caucuses to be postponed for a week in counties where weather makes travel especially dangerous. The secretary of state shall submit a notice of the postponement to news media covering the affected counties by 6:00 p.m. on the scheduled day of the caucus. A postponed caucus may also be postponed pursuant to this subdivision.

Sec. 3. Minnesota Statutes 2014, section 202A.18, subdivision 2a, is amended to read:

Subd. 2a. **Preference ballot.** Prior to the opening of nominations for the election of permanent offices and delegates, a ballot must be distributed to permit caucus participants to indicate their preference for the ~~offices of president of the United States or~~ office of the governor. The results of preference voting must be reported to the secretary of state immediately upon conclusion of the voting, in the manner provided by the secretary of state. The secretary of state shall provide the appropriate forms to the party for reporting the results.

Sec. 4. Minnesota Statutes 2014, section 204B.14, subdivision 2, is amended to read:

Subd. 2. **Separate precincts; combined polling place.** (a) The following shall constitute at least one election precinct:

- (1) each city ward; and
- (2) each town and each statutory city.

(b) A single, accessible, combined polling place may be established no later than November 1 if a presidential nomination primary is scheduled to occur in the following year or May 1 of any other year:

(1) for any city of the third or fourth class, any town, or any city having territory in more than one county, in which all the voters of the city or town shall cast their ballots;

(2) for contiguous precincts in the same municipality;

(3) for up to four contiguous municipalities located entirely outside the metropolitan area, as defined by section 200.02, subdivision 24, that are contained in the same county; or

(4) for noncontiguous precincts located in one or more counties.

A copy of the ordinance or resolution establishing a combined polling place must be filed with the county auditor within 30 days after approval by the governing body. A polling place combined under clause (3) must be approved by the governing body of each participating municipality. A polling place combined under clause (4) must be approved by the governing body of each participating municipality and the secretary of state and may be located outside any of the noncontiguous precincts. A municipality withdrawing from participation in a combined polling place must do so by filing a resolution of withdrawal with the county auditor no later than October 1 if a presidential nomination primary is scheduled to occur in the following year or April 1 of any other year.

The secretary of state shall provide a separate polling place roster for each precinct served by the combined polling place, except that in a precinct that uses electronic rosters the secretary of state shall provide separate data files for each precinct. A single set of election judges may be appointed to serve at a combined polling place. The number of election judges required must be based on the total number of persons voting at the last similar election in all precincts to be voting at the combined polling place. Separate ballot boxes must be provided for the ballots from each precinct. The results of the election must be reported separately for each precinct served by the combined polling place, except in a polling place established under clause (2) where one of the precincts has fewer than ten registered voters, in which case the results of that precinct must be reported in the manner specified by the secretary of state.

Sec. 5. Minnesota Statutes 2014, section 204B.14, subdivision 4, is amended to read:

Subd. 4. **Boundary change procedure.** Any change in the boundary of an election precinct must be adopted at least ten weeks before the date of the next election and, for the state primary and general election or presidential nomination primary, no later than ~~June~~ December 1 in the year prior to the year of the state general election. The precinct boundary change shall not take effect until notice of the change has been posted in the office of the municipal clerk or county auditor for at least 56 days.

The county auditor must publish a notice illustrating or describing the congressional, legislative, and county commissioner district boundaries in the county in one or more qualified newspapers in the county at least 14 days before the first day to file affidavits of candidacy for the state general election in the year ending in two.

Alternate dates for adopting changes in precinct boundaries, posting notices of boundary changes, and notifying voters affected by boundary changes pursuant to this subdivision, and procedures for

coordinating precinct boundary changes with reestablishing local government election district boundaries may be established in the manner provided in the rules of the secretary of state.

Sec. 6. Minnesota Statutes 2015 Supplement, section 204C.04, subdivision 2, is amended to read:

Subd. 2. **Elections covered.** For purposes of this section, "election" means a regularly scheduled election, an election to fill a vacancy in the office of United States senator or United States representative, an election to fill a vacancy in nomination for a constitutional office, ~~or~~ an election to fill a vacancy in the office of state senator or state representative, or a presidential nomination primary under chapter 207A.

~~(c)~~ (d) After the applicant signs the roster or voter signature certificate, the judge shall give the applicant a voter's receipt. The voter shall deliver the voter's receipt to the judge in charge of ballots as proof of the voter's right to vote, and thereupon the judge shall hand to the voter the ballot. The voters' receipts must be maintained during the time for notice of filing an election contest.

Sec. 8. Minnesota Statutes 2014, section 204D.09, subdivision 1, is amended to read:

The date selected must not be the date of the town general election provided in section 205.075, subdivision 1. If a date is not jointly submitted by the deadline, the presidential nomination primary must be held on the first Tuesday in March in the year of the presidential election. No other election may be conducted on the date of the presidential nomination primary.

(c) The secretary of state must adopt rules to implement the provisions of this chapter. The secretary of state shall consult with the party chairs throughout the rulemaking process, including seeking advice about possible rules before issuing a notice of intent to adopt rules, consultation before the notice of comment is published, consultation on the statement of need and reasonableness, consultation in drafting and revising the rules, and consultation regarding any modifications to the rule being considered.

Sec. 11. **[207A.13] FORM OF BALLOTS; CANDIDATES ON BALLOT.**

Subdivision 1. **Form.** (a) Except as provided by law, presidential nomination primary ballots shall be printed in the same manner as state primary ballots as far as practicable. A sufficient number of each ballot shall be printed for each precinct and ward in the state.

(b) There must be separate ballots for the names of the candidates of each political party. Each ballot must be headed by the words "Presidential Nomination Primary Ballot." The heading must also indicate the party that appears on the ballot.

(c) If requested by a party chair, the ballot for that party must contain a place for a voter to indicate a preference for having delegates to the party's national convention remain uncommitted. If requested by a party chair, the ballot for that party must contain a blank line printed below the other choices on the ballot so that a voter may write in the name of a person who is not listed on the ballot. A request under this paragraph must be submitted to the secretary of state no later than 63 days before the presidential nomination primary.

Subd. 2. **Candidates on the ballot.** (a) Each party must determine which candidates are to be placed on the presidential nomination primary ballot for that party. The county auditor shall post a similar notice in the auditor's office with information for any polling places in unorganized territory in the county. The governing body of a municipality or county may publish the notice in addition to posting it. Failure to give notice does not invalidate the election.

Sec. 13. **[207A.15] PRESIDENTIAL NOMINATION PRIMARY ELECTION EXPENSES; LOCAL REIMBURSEMENT.**

Subdivision 1. **Presidential nomination primary elections account; special revenue fund.** (a) A presidential nomination primary elections account is created in the special revenue fund.

The secretary of state may make supplemental certifications to the commissioner of management and budget if new information indicates that the actual costs of conducting the election will exceed the secretary's initial estimate.

(c) Within 15 days of a certification under paragraph (b), the commissioner of management and budget must transfer an amount equal to the certification from the general fund to the presidential nomination primary elections account. The funds in the presidential nomination primary elections account are appropriated to the secretary of state for:

- (1) state costs associated with administering the presidential nomination primary election; and
- (2) making the reimbursements required by subdivision 2.

The commissioner of management and budget must transfer back to the general fund any funds remaining in the presidential nomination primary elections account 120 days after the results of a presidential nomination primary election have been certified by the State Canvassing Board.

Subd. 2. Reimbursable local expenses. The following expenses are eligible for reimbursement: preparation and printing of ballots; postage for absentee ballots; publication of the sample ballot; preparation of polling places in an amount not to exceed \$150 per polling place; preparation of electronic voting systems in an amount not to exceed \$100 per precinct; compensation for temporary staff or overtime payments; salaries of election judges; and compensation of county canvassing board members.

(b) Within 60 days after the results of a presidential nomination primary are certified by the State Canvassing Board, the county auditor must submit a request for payment of the costs incurred by the county for conducting the presidential nomination primary, and the municipal clerk must submit a request for payment of the costs incurred by the municipality for conducting the presidential nomination primary. The request for payment must be submitted to the secretary of state, and must be accompanied by an itemized description of actual county or municipal expenditures, including copies of invoices. In addition, the county auditor or municipal clerk must certify that the request for reimbursement is based on actual costs incurred by the county or municipality in the presidential nomination primary.

(c) The secretary of state shall provide each county and municipality with the appropriate forms for requesting payment and certifying expenses under this subdivision. The secretary of state must not reimburse expenses unless the request for payment and certification of costs has been submitted as provided in this subdivision.
