BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

ARTICLE 1**OUTDOOR HERITAGE FUND**Section 1. **APPROPRIATIONS.**

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this article. The appropriations are from the outdoor heritage fund for the fiscal year indicated for each purpose. The figures "2018" and "2019" used in this article mean that the appropriations listed under the figure are available for the fiscal year ending June 30, 2018, and June 30, 2019, respectively. The "first year" is fiscal year 2018. The "second year" is fiscal year 2019. The "biennium" is fiscal years 2018 and 2019, respectively. The appropriations in this article are onetime appropriations.

Sec. 2. **OUTDOOR HERITAGE FUND**

<u>Subdivision 1. Total Appropriation</u>	\$	<u>102,605,000</u>	\$	<u>1,958,000</u>
--	-----------	---------------------------	-----------	-------------------------

This appropriation is from the outdoor heritage fund.
The amounts that may be spent for each purpose are
specified in the following subdivisions.

<u>Subd. 2. Prairies</u>		<u>29,489,000</u>		<u>1,373,000</u>
---------------------------------	--	--------------------------	--	-------------------------

(a) DNR Wildlife Management Area and Scientific and
Natural Area Acquisition - Phase IX

\$3,064,000 the first year and \$1,373,000 the second
year are to the commissioner of natural resources to
acquire in fee and restore lands for wildlife
management purposes under Minnesota Statutes,
section 86A.05, subdivision 8, and to acquire land in
fee for scientific and natural area purposes under
Minnesota Statutes, section 86A.05, subdivision 5.

Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquiring lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. A list of proposed land acquisitions must be provided as part of the required accomplishment plan.

(b) Accelerating the Wildlife Management Area Acquisition - Phase IX

\$5,603,000 the first year is to the commissioner of natural resources for an agreement with Pheasants Forever to acquire in fee and restore lands for wildlife management area purposes under Minnesota Statutes, section 86A.05, subdivision 8. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquiring lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. A list of proposed land acquisitions must be provided as part of the required accomplishment plan.

(c) Minnesota Prairie Recovery Project - Phase VII

\$1,901,000 the first year is to the commissioner of natural resources for an agreement with The Nature Conservancy to acquire land in fee for native prairie, wetland, and savanna and to restore and enhance grasslands, wetlands, and savanna. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquiring lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. No later than 180 days after The Nature Conservancy's fiscal year ends, The Nature Conservancy must submit to the Lessard-Sams Outdoor Heritage Council annual income statements and balance sheets for income and expenses from land acquired with this appropriation. A list of proposed land acquisitions must be provided as part of the required accomplishment plan and must be consistent with the priorities identified in Minnesota Prairie Conservation Plan.

(d) Northern Tallgrass Prairie National Wildlife Refuge Land Acquisition - Phase VIII

\$2,683,000 the first year is to the commissioner of natural resources for an agreement with The Nature Conservancy in cooperation with the United States Fish and Wildlife Service to acquire land in fee or permanent conservation easements and restore lands in the Northern Tallgrass Prairie Habitat Preservation Area in western Minnesota for addition to the Northern

Tallgrass Prairie National Wildlife Refuge. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquiring lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. A list of proposed land acquisitions must be provided as part of the required accomplishment plan, and the acquisitions must be consistent with the priorities in Minnesota Prairie Conservation Plan.

(e) Cannon River Headwaters Habitat Complex - Phase VII

\$1,436,000 the first year is to the commissioner of natural resources for an agreement with The Trust for Public Land to acquire in fee and restore lands in the Cannon River watershed for wildlife management purposes under Minnesota Statutes, section 86A.05, subdivision 8. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquiring lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. A list of proposed land acquisitions must be provided as part of the required accomplishment plan.

(f) Accelerated Native Prairie Bank Protection - Phase VI

\$2,481,000 the first year is to the commissioner of natural resources to acquire permanent conservation easements to implement the strategies in Minnesota Prairie Conservation Plan to protect and restore native prairie. Of this amount, up to \$140,000 is for establishing monitoring and enforcement funds as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquiring lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. A list of permanent conservation easements must be provided as part of the final report.

(g) Reinvest In Minnesota (RIM) Buffers for Wildlife and Water - Phase VII

\$5,333,000 the first year is to the Board of Water and Soil Resources to restore habitat and acquire permanent conservation easements under Minnesota Statutes, section 103F.515, to protect, restore, and enhance habitat by expanding the riparian-buffer program of the clean water fund for at least equal wildlife benefits from buffers on private land. Of this amount, up to

\$858,000 is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of permanent conservation easements must be provided as part of the final report.

(h) Prairie Chicken Habitat Partnership of the Southern Red River Valley - Phase III

\$1,908,000 the first year is to the commissioner of natural resources for an agreement with Pheasants Forever in cooperation with the Minnesota Prairie Chicken Society to acquire land in fee and restore and enhance lands in the southern Red River valley for wildlife management purposes under Minnesota Statutes, section 86A.05, subdivision 8, or to be designated and managed as waterfowl-production areas in Minnesota in cooperation with the United States Fish and Wildlife Service. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquiring lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. A list of proposed land acquisitions must be provided as part of the required accomplishment plan.

(i) Accelerated Prairie Restoration and Enhancement on DNR Lands - Phase IX

\$3,950,000 the first year is to the commissioner of natural resources to accelerate restoration and enhancement of prairies, grasslands, and savannas on wildlife management areas, scientific and natural areas, native prairie bank land, bluff prairies on state forest land in southeastern Minnesota, and United States Fish and Wildlife Service waterfowl-production area and refuge lands. A list of proposed land restorations and enhancements must be provided as part of the required accomplishment plan.

(j) Anoka Sandplain Habitat Restoration and Enhancement - Phase V

\$1,130,000 the first year is to the commissioner of natural resources for agreements to acquire permanent conservation easements and to restore and enhance wildlife habitat on public lands in Anoka, Benton, Isanti, Morrison, and Stearns Counties as follows: \$41,000 is to the Anoka Conservation District, \$231,000 is to the Isanti County Soil and Water Conservation District, \$345,000 is to Great River Greening, \$163,000 is to the Stearns County Soil and Water Conservation District, and \$350,000 is to Minnesota Land Trust. Up to \$40,000 to Minnesota

Land Trust is for establishing monitoring and enforcement funds as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of proposed permanent conservation easements, restorations, and enhancements must be provided as part of the required accomplishment plan.

Subd. 3. Forests

(a) Carnelian Creek Conservation Corridor

\$2,458,000 the first year is to the commissioner of natural resources for an agreement with Minnesota Land Trust to acquire permanent conservation easements in Washington County. Of this amount, up to \$30,000 is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of proposed permanent conservation easements must be provided as part of the required accomplishment plan.

(b) Laurentian Forest - St. Louis County Habitat Project

\$2,400,000 the first year is to the commissioner of natural resources for agreements with the Minnesota Deer Hunters Association in cooperation with The Conservation Fund and St. Louis County to acquire land in fee to be transferred to St. Louis County for wildlife habitat purposes. The amount is for agreements as follows: \$2,292,000 to the Minnesota Deer Hunter Association and \$108,000 to The Conservation Fund. A list of proposed land acquisitions must be provided as part of the required accomplishment plan.

(c) Southeast Minnesota Protection and Restoration - Phase V

\$2,375,000 the first year is to the commissioner of natural resources to acquire land in fee for wildlife management purposes under Minnesota Statutes, section 86A.05, subdivision 8; to acquire land in fee for scientific and natural areas under Minnesota Statutes, section 86A.05, subdivision 5; to acquire land in fee for state forest purposes under Minnesota Statutes, section 86A.05, subdivision 7; to acquire permanent conservation easements; and to restore and enhance prairie, grassland, forest, and savanna. The amount is for agreements as follows: \$1,000,000 to The Nature Conservancy, \$675,000 to The Trust for Public Land, and \$700,000 to Minnesota Land Trust. Up to \$80,000 to Minnesota Land Trust is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to

Minnesota Statutes, section 97A.056, subdivision 17. No later than 180 days after the The Nature Conservancy's fiscal year ends, The Nature Conservancy must submit to the Lessard-Sams Outdoor Heritage Council annual income statements and balance sheets for income and expenses from land acquired in fee with this appropriation and not transferred to the state or a local governmental unit. A list of proposed land acquisitions must be provided as part of the required accomplishment plan.

(d) Minnesota Forests for the Future - Phase V

\$2,291,000 the first year is to the commissioner of natural resources to acquire easements for forest, wetland, and shoreline habitat through working forest permanent conservation easements under the Minnesota forests for the future program pursuant to Minnesota Statutes, section 84.66. A conservation easement acquired with money appropriated under this paragraph must comply with Minnesota Statutes, section 97A.056, subdivision 13. The accomplishment plan must include an easement monitoring and enforcement plan. Of this amount, up to \$72,000 is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of permanent conservation easements must be provided as part of the final report.

(e) State Forest Acquisitions - Phase IV

\$1,000,000 the first year is to the commissioner of natural resources to acquire lands in fee for wildlife habitat purposes in the Richard J. Dorer Memorial Hardwood State Forest under Minnesota Statutes, section 86A.05, subdivision 7. A list of proposed land acquisitions must be provided as part of the required accomplishment plan.

(f) Critical Shoreland Protection Program - Phase IV

\$1,700,000 the first year is to the commissioner of natural resources for an agreement with Minnesota Land Trust to acquire permanent conservation easements along rivers and lakes in the northern forest region. Of this amount, up to \$120,000 is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of proposed permanent conservation easements must be provided as part of the required accomplishment plan.

(g) Bushmen Lake

\$4,600,000 the first year is to the commissioner of natural resources for an agreement with The Conservation Fund in cooperation with the United States Forest Service to acquire lands in fee adjacent to Bushmen Lake in St. Louis County to be managed for wildlife habitat purposes. A list of proposed land acquisitions must be provided as part of the required accomplishment plan.

Subd. 4. Wetlands

28,869,000

-0-

(a) Accelerating Waterfowl-Production Area Acquisition - Phase IX

\$5,500,000 the first year is to the commissioner of natural resources for an agreement with Pheasants Forever to acquire land in fee and restore and enhance wetlands and grasslands to be designated and managed as waterfowl-production areas in Minnesota in cooperation with the United States Fish and Wildlife Service. A list of proposed land acquisitions must be provided as part of the required accomplishment plan.

(b) Shallow Lakes and Wetland Protection Program - Phase VI

\$5,750,000 the first year is to the commissioner of natural resources for an agreement with Ducks Unlimited to acquire land in fee and restore prairie lands, wetlands, and land-buffering shallow lakes for wildlife management purposes under Minnesota Statutes, section 86A.05, subdivision 8. A list of proposed acquisitions must be provided as part of the required accomplishment plan.

(c) RIM Wetlands Partnership - Phase VIII

\$10,398,000 the first year is to the Board of Water and Soil Resources to acquire permanent conservation easements and to restore wetlands and native grassland habitat under Minnesota Statutes, section 103F.515. Of this amount, up to \$306,000 is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of permanent conservation easements must be provided as part of the final report.

(d) Wild-Rice Shoreland Protection Program - Phase V

\$750,000 the first year is to the Board of Water and Soil Resources to acquire permanent conservation easements on wild-rice lake shoreland habitat for native wild-rice bed protection. Of this amount, up to \$59,000 is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject

to Minnesota Statutes, section 97A.056, subdivision 17. A list of permanent conservation easements must be provided as part of the final report by the Board of Water and Soil Resources.

(e) Accelerated Shallow Lakes and Wetlands Enhancement - Phase IX

\$1,755,000 the first year is to the commissioner of natural resources to enhance and restore shallow lakes and wetland habitat statewide. A list of proposed land restorations and enhancements must be provided as part of the required accomplishment plan.

(f) Living Shallow Lakes and Wetland Initiative - Phase VI

\$4,716,000 the first year is to the commissioner of natural resources for an agreement with Ducks Unlimited to restore and enhance shallow lakes and wetlands on public lands and wetlands under permanent conservation easement for wildlife management purposes. A list of proposed shallow-lake enhancements and wetland restorations must be provided as part of the required accomplishment plan.

Subd. 5. Habitats

26,544,000

-0-

(a) Mississippi Headwaters Habitat Corridor Partnership - Phase III

\$1,617,000 the first year is to the commissioner of natural resources to acquire lands in fee and restore wildlife habitat in the Mississippi headwaters and for agreements as follows: \$60,000 to the Mississippi Headwaters Board and \$1,557,000 to The Trust for Public Land. \$779,000 the first year is to the Board of Water and Soil Resources to acquire lands in permanent conservation easements and to restore wildlife habitat. Up to \$59,000 to the Board of Water and Soil Resources is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of proposed acquisitions must be included as part of the required accomplishment plan.

(b) Fisheries Habitat Protection on Strategic North-Central Minnesota Lakes - Phase III

\$1,716,000 the first year is to the commissioner of natural resources to acquire land in permanent conservation easements to sustain healthy fish habitat on coldwater lakes in Aitkin, Cass, Crow Wing, and Hubbard Counties for agreements as follows: \$113,000 to the Leech Lake Area Watershed Foundation and

\$1,603,000 to Minnesota Land Trust. Up to \$120,000 to Minnesota Land Trust is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of permanent conservation easements must be provided as part of the required accomplishment plan.

(c) Goose Prairie

\$600,000 the first year is to the commissioner of natural resources for an agreement with the Wild Rice Watershed District, in cooperation with the Department of Natural Resources, to enhance aquatic and upland habitat in and adjacent to the Goose Prairie Marsh Wildlife Management Area in Clay County. A list of proposed land enhancements must be provided as part of the required accomplishment plan.

(d) Minnesota Trout Unlimited Coldwater Fish Habitat Enhancement and Restoration - Phase IX

\$2,403,000 the first year is to the commissioner of natural resources for an agreement with Minnesota Trout Unlimited to restore or enhance habitat for trout and other species in and along coldwater rivers, lakes, and streams in Minnesota. A list of proposed restorations and enhancements must be provided as part of the required accomplishment plan.

(e) DNR Stream Habitat - Phase II

\$2,166,000 the first year is to the commissioner of natural resources to restore and enhance habitat in degraded streams and critical aquatic-species habitat and to facilitate fish passage. A list of proposed land restorations and enhancements must be provided as part of the required accomplishment plan.

(f) St. Louis River Restoration Initiative - Phase IV

\$3,392,000 the first year is to the commissioner of natural resources to restore aquatic habitats in the St. Louis River estuary. Of this appropriation, up to \$226,000 is for an agreement with Minnesota Land Trust. A list of proposed restorations must be provided as part of the required accomplishment plan.

(g) Shell Rock River Watershed Habitat Restoration Program - Phase VI

\$1,779,000 the first year is to the commissioner of natural resources for an agreement with the Shell Rock River Watershed District to acquire land in fee and restore and enhance aquatic habitat in the Shell Rock River watershed. A list of proposed acquisitions,

restorations, and enhancements must be provided as part of the required accomplishment plan.

(h) Lake Wakanda Enhancement Project

\$921,000 the first year is to the commissioner of natural resources for an agreement with Kandiyohi County to enhance aquatic habitat in and adjacent to Lake Wakanda in Kandiyohi County. A list of proposed land enhancements must be provided as part of the required accomplishment plan.

(i) Wolverton Creek Habitat Restoration

\$1,877,000 the first year is to the commissioner of natural resources for an agreement with the Buffalo-Red River Watershed District to acquire permanent conservation easements and restore and enhance aquatic and upland habitat associated with Wolverton Creek in the Buffalo-Red River watershed. A list of proposed acquisitions, restorations, and enhancements must be provided as part of the required accomplishment plan.

(j) Conservation Partners Legacy Grant Program: Statewide and Metro Habitat - Phase IX

\$9,294,000 the first year is to the commissioner of natural resources for a program to provide competitive matching grants of up to \$400,000 to local, regional, state, and national organizations for enhancing, restoring, or protecting forests, wetlands, prairies, or habitat for fish, game, or wildlife in Minnesota. Of this amount, up to \$2,660,000 is for grants in the seven-county metropolitan area and cities with a population of 50,000 or greater. Grants must not be made for activities required to fulfill the duties of owners of lands subject to conservation easements. Grants must not be for projects that have a total project cost exceeding \$575,000. Of the total appropriation, \$634,000 may be spent for personnel costs and other direct and necessary administrative costs. Grantees may acquire land or interests in land. Easements must be permanent. Grants may not be used to establish easement stewardship accounts. Land acquired in fee must be open to hunting and fishing during the open season unless otherwise provided by law. The program must require a match of at least ten percent from nonstate sources for all grants. The match may be cash or in-kind resources. For grant applications of \$25,000 or less, the commissioner must provide a separate, simplified application process. Subject to Minnesota Statutes, the commissioner must, when evaluating projects of equal value, give priority to organizations that have a history of receiving or a charter to receive

private contributions for local conservation or habitat projects. If acquiring land in fee or a conservation easement, priority must be given to projects associated with or within one mile of existing wildlife management areas under Minnesota Statutes, section 86A.05, subdivision 8; scientific and natural areas under Minnesota Statutes, sections 84.033 and 86A.05, subdivision 5; or aquatic management areas under Minnesota Statutes, sections 86A.05, subdivision 14, and 97C.02. All restoration or enhancement projects must be on land permanently protected by a permanent covenant ensuring perpetual maintenance and protection of restored and enhanced habitat, by a conservation easement, or by public ownership, or must be in public waters as defined in Minnesota Statutes, section 103G.005, subdivision 15. Priority must be given to restoration and enhancement projects on public lands. Minnesota Statutes, section 97A.056, subdivision 13, applies to grants awarded under this paragraph. This appropriation is available until June 30, 2021. No less than five percent of the amount of each grant must be held back from reimbursement until the grant recipient has completed a grant accomplishment report by the deadline and in the form prescribed by and satisfactory to the Lessard-Sams Outdoor Heritage Council. The commissioner must provide notice of the grant program in the game and fish law summary prepared under Minnesota Statutes, section 97A.051, subdivision 2.

Subd. 6. Administration

879,000

585,000

(a) Contract Management

\$150,000 the first year is to the commissioner of natural resources for contract management duties assigned in this section. The commissioner must provide an accomplishment plan in the form specified by the Lessard-Sams Outdoor Heritage Council for expending this appropriation. The accomplishment plan must include a copy of the grant contract template and reimbursement manual. No money may be expended before the Lessard-Sams Outdoor Heritage Council approves the accomplishment plan.

(b) Legislative Coordinating Commission

\$571,000 the first year and \$578,000 the second year is to the Legislative Coordinating Commission for Lessard-Sams Outdoor Heritage Council administrative expenses and for compensating and reimbursing expenses of council members. This appropriation is available until June 30, 2019. Minnesota Statutes, section 16A.281, applies to this appropriation.

(c) Technical Evaluation Panel

\$150,000 the first year is to the commissioner of natural resources for a technical evaluation panel to conduct up to 20 restoration and enhancement evaluations under Minnesota Statutes, section 97A.056, subdivision 10.

(d) Legacy Web site

\$8,000 the first year and \$7,000 the second year are to the Legislative Coordinating Commission for the Web site required in Minnesota Statutes, section 3.303, subdivision 10.

Subd. 7. Appropriation Availability

Money appropriated in this section may not be spent on activities unless they are directly related to and necessary for a specific appropriation and are specified in the accomplishment plan approved by the Lessard-Sams Outdoor Heritage Council. Money appropriated in this section must not be spent on institutional overhead charges that are not directly related to and necessary for a specific appropriation. Unless otherwise provided, the amounts in this section are available until June 30, 2020. For acquiring real property, the amounts in this section are available until June 30, 2021, if a binding agreement with a landowner or purchase agreement is entered into by June 30, 2020, and closed no later than June 30, 2021. Appropriations for restoration or enhancement are available until June 30, 2022, or five years after acquisition, whichever is later, so that initial restoration or enhancement work can be completed. If a project receives at least 15 percent of its funding from federal funds, the appropriation period may be extended to equal the availability of federal funding to a maximum of six years, provided the federal funding was confirmed and included in the first draft accomplishment plan. Money appropriated for fee title acquisition of land may be used to restore, enhance, and provide for public use of the land acquired with the appropriation. Public use facilities must have no more than a minimal impact on habitat in acquired lands.

Subd. 8. Payment Conditions and Capital Equipment Expenditures

All agreements referred to in this section must be administered on a reimbursement basis unless otherwise provided in this section. Notwithstanding Minnesota Statutes, section 16A.41, expenditures directly related to each appropriation's purpose made on or after July 1, 2017, or the date of accomplishment

plan approval, whichever is later, are eligible for reimbursement unless otherwise provided in this section. For the purposes of administering appropriations and legislatively authorized agreements paid out of the outdoor heritage fund, an expense must be considered reimbursable by the administering agency when the recipient presents the agency with an invoice or binding agreement with the landowner and the recipient attests that the goods have been received or the landowner agreement is binding. Periodic reimbursement must be made upon receiving documentation that the items articulated in the accomplishment plan approved by the Lessard-Sams Outdoor Heritage Council have been achieved, including partial achievements as evidenced by progress reports approved by the Lessard-Sams Outdoor Heritage Council. Reasonable amounts may be advanced to projects to accommodate cash-flow needs, support future management of acquired lands, or match a federal share. The advances must be approved as part of the accomplishment plan. Capital equipment expenditures for specific items over \$10,000 must be itemized in and approved as part of the accomplishment plan.

Subd. 9. Mapping

Each direct recipient of money appropriated in this section, as well as each recipient of a grant awarded pursuant to this section, must provide geographic information to the Lessard-Sams Outdoor Heritage Council for mapping any lands acquired in fee with money appropriated in this section and open to public taking of fish and game. The commissioner of natural resources must include the lands acquired in fee with money appropriated in this section on maps showing public recreation opportunities. Maps must include information on and acknowledgment of the outdoor heritage fund, including a notation of any restrictions.

Subd. 10. Fiscal Year 2019 Recommendations

The Lessard-Sams Outdoor Heritage Council must consider recommending up to \$15,000,000 for fiscal year 2019 appropriations from the outdoor heritage fund for conservation easements and restoration as provided in subdivision 4, paragraph (c).

Sec. 3. Minnesota Statutes 2016, section 97A.056, is amended by adding a subdivision to read:

Subd. 22. **Revenues.** (a) A recipient must disclose to the Lessard-Sams Outdoor Heritage Council and the commissioner all revenues that are received by the recipient before the availability of the appropriation ends and that are generated from activities on land acquired in fee title or easement, restored, or enhanced

with money from the outdoor heritage fund. The revenues must be disclosed to the council and commissioner no later than 60 days after the availability of the appropriation ends.

(b) For all revenues disclosed under paragraph (a), a recipient must:

(1) use the revenues to protect, restore, or enhance wetlands, prairies, forests, or habitat for fish, game, or wildlife according to the appropriation purposes and the approved accomplishment plan;

(2) use the revenues for other purposes as approved in the accomplishment plan by the Lessard-Sams Outdoor Heritage Council; or

(3) transfer the revenues to the outdoor heritage fund no later than 60 days after the availability of the appropriation ends, unless otherwise approved by the council.

(c) Paragraph (b), clause (3), does not apply to the state and its departments and agencies.

Sec. 4. Minnesota Statutes 2016, section 97A.056, is amended by adding a subdivision to read:

Subd. 23. **Reserve requirement.** In any fiscal year, at least five percent of that year's projected tax receipts determined by the most recent forecast for the outdoor heritage fund must not be appropriated.

Sec. 5. Minnesota Statutes 2016, section 97A.056, is amended by adding a subdivision to read:

Subd. 24. **Previous funding notification requirement.** Any state agency or organization requesting a direct appropriation from the outdoor heritage fund must inform the Lessard-Sams Outdoor Heritage Council and the house of representatives and senate committees having jurisdiction over the outdoor heritage fund, at the time the request for funding is made, whether the request is supplanting or is a substitution for any previous funding that was not from a legacy fund and was used for the same purpose.

Sec. 6. Laws 2012, chapter 264, article 1, section 2, subdivision 5, as amended by Laws 2015, First Special Session chapter 2, article 1, section 7, is amended to read:

Subd. 5. Habitats	-0-	28,620,000
--------------------------	-----	------------

(a) DNR Aquatic Habitat - Phase IV

\$3,480,000 in the second year is to the commissioner of natural resources to acquire interests in land in fee or permanent conservation easements for aquatic management areas under Minnesota Statutes, sections 86A.05, subdivision 14, and 97C.02, and to restore and enhance aquatic habitat. A list of proposed land acquisitions must be provided as part of the required accomplishment plan. The accomplishment plan must include an easement stewardship plan. Up to \$25,000 is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. An annual financial report is required for any monitoring and enforcement fund established, including expenditures from the fund and a description of annual monitoring and enforcement activities.

(b) Metro Big Rivers Habitat - Phase III

\$3,680,000 in the second year is to the commissioner of natural resources for agreements to acquire interests in land in fee or permanent conservation easements and to restore and enhance natural systems associated with the Mississippi, Minnesota, and St. Croix Rivers as follows: \$1,000,000 to the Minnesota Valley National Wildlife Refuge Trust, Inc.; \$375,000 to the Friends of the Mississippi; \$375,000 to Great River Greening; \$930,000 to The Minnesota Land Trust; and \$1,000,000 to The Trust for Public Land. A list of proposed acquisitions, restorations, and enhancements must be provided as part of the required accomplishment plan. The accomplishment plan must include an easement stewardship plan. Up to \$51,000 is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. An annual financial report is required for any monitoring and enforcement fund established, including expenditures from the fund and a description of annual monitoring and enforcement activities.

(c) Dakota County Riparian and Lakeshore Protection and Management - Phase III

\$480,000 in the second year is to the commissioner of natural resources for an agreement with Dakota County to acquire permanent conservation easements and restore and enhance habitats along the Mississippi, Cannon, and Vermillion Rivers. A list of proposed acquisitions, restorations, and enhancements must be provided as part of the required accomplishment plan. The accomplishment plan must include an easement stewardship plan. Up to \$20,000 is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. An annual financial report is required for any monitoring and enforcement fund established, including expenditures from the fund and a description of annual monitoring and enforcement activities.

(d) Lower St. Louis River Habitat Restoration

\$3,670,000 in the second year is to the commissioner of natural resources to restore habitat in the lower St. Louis River estuary. A list of proposed projects must be provided as part of the required accomplishment plan.

(e) Coldwater Fish Habitat Enhancement - Phase IV

\$2,120,000 in the second year is to the commissioner of natural resources for an agreement with Minnesota

Trout Unlimited to restore and enhance coldwater fish lake, river, and stream habitats in Minnesota. A list of proposed restorations and enhancements must be provided as part of the required accomplishment plan.

(f) Grand Marais Creek Outlet Restoration

\$2,320,000 in the second year is to the commissioner of natural resources for an agreement with the Red Lake Watershed District to restore and enhance stream and related habitat in Grand Marais Creek. A list of proposed restorations and enhancements must be provided as part of the required accomplishment plan.

(g) Knife River Habitat Restoration

\$380,000 in the second year is to the commissioner of natural resources for an agreement with the Lake Superior Steelhead Association to restore trout habitat in the Upper Knife River Watershed. A list of proposed restorations must be provided as part of the required accomplishment plan. Notwithstanding rules of the commissioner of natural resources, restorations conducted pursuant to this paragraph may be accomplished by excavation.

(h) Protect Aquatic Habitat from Invasive Carp

\$7,500,000 in the second year is to the commissioner of natural resources for design construction, including acquisition, operation, and evaluation of structural deterrents for invasive carp to protect Minnesota's aquatic habitat. Use of this money requires a one-to-one match for projects on state boundary waters. A match is not required for design or feasibility studies. This appropriation is available until June 30, 2019.

(i) Outdoor Heritage Conservation Partners Grant Program - Phase IV

\$4,990,000 in the second year is to the commissioner of natural resources for a program to provide competitive, matching grants of up to \$400,000 to local, regional, state, and national organizations for enhancing, restoring, or protecting forests, wetlands, prairies, and habitat for fish, game, or wildlife in Minnesota. Grants shall not be made for activities required to fulfill the duties of owners of lands subject to conservation easements. Grants shall not be made from appropriations in this paragraph for projects that have a total project cost exceeding \$575,000. \$366,000 of this appropriation may be spent for personnel costs and other direct and necessary administrative costs. Grantees may acquire land or interests in land.

Easements must be permanent. Land acquired in fee must be open to hunting and fishing during the open season unless otherwise provided by state law. The program shall require a match of at least ten percent from nonstate sources for all grants. The match may be cash or in-kind resources. For grant applications of \$25,000 or less, the commissioner shall provide a separate, simplified application process. Subject to Minnesota Statutes, the commissioner of natural resources shall, when evaluating projects of equal value, give priority to organizations that have a history of receiving or charter to receive private contributions for local conservation or habitat projects. If acquiring land or a conservation easement, priority shall be given to projects associated with existing wildlife management areas under Minnesota Statutes, section 86A.05, subdivision 8; scientific and natural areas under Minnesota Statutes, sections 84.033 and 86A.05, subdivision 5; and aquatic management areas under Minnesota Statutes, sections 86A.05, subdivision 14, and 97C.02. All restoration or enhancement projects must be on land permanently protected by a conservation easement or public ownership or in public waters as defined in Minnesota Statutes, section 103G.005, subdivision 15. Priority shall be given to restoration and enhancement projects on public lands. Minnesota Statutes, section 97A.056, subdivision 13, applies to grants awarded under this paragraph. This appropriation is available until June 30, 2016. No less than five percent of the amount of each grant must be held back from reimbursement until the grant recipient has completed a grant accomplishment report by the deadline and in the form prescribed by and satisfactory to the Lessard-Sams Outdoor Heritage Council. The commissioner shall provide notice of the grant program in the game and fish law summaries that are prepared under Minnesota Statutes, section 97A.051, subdivision 2.

EFFECTIVE DATE. This section is effective the day following final enactment.

(a) DNR Wildlife Management Area and Scientific and Natural Area Acquisition - Phase VII

\$4,570,000 in the first year is to the commissioner of natural resources to acquire land in fee for wildlife management purposes under Minnesota Statutes, section 86A.05, subdivision 8, and to acquire land in

fee for scientific and natural area purposes under Minnesota Statutes, section 86A.05, subdivision 5. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquisition of lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. A list of proposed land and permanent conservation easement acquisitions must be provided as part of the required accomplishment plan.

**(b) Accelerating Wildlife Management Area Acquisition
- Phase VII**

\$7,452,000 in the first year is to the commissioner of natural resources for an agreement with Pheasants Forever to acquire land in fee for wildlife management area purposes under Minnesota Statutes, section 86A.05, subdivision 8. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquisition of lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. A list of proposed land acquisitions must be provided as part of the required accomplishment plan.

(c) Minnesota Prairie Recovery Project - Phase VI

\$4,032,000 in the first year is to the commissioner of natural resources for an agreement with The Nature Conservancy to acquire native prairie, wetlands, and savanna and restore and enhance grasslands, wetlands, and savanna. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquisition of lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. Annual income statements and balance sheets for income and expenses from land acquired with this appropriation must be submitted to the Lessard-Sams Outdoor Heritage Council no later than 180 days following the close of The Nature Conservancy's fiscal year. A list of proposed land acquisitions must be provided as part of the required accomplishment plan and must be consistent with the priorities identified in the Minnesota Prairie Conservation Plan.

**(d) Northern Tallgrass Prairie National Wildlife Refuge
Land Acquisition - Phase VI**

\$3,430,000 in the first year is to the commissioner of natural resources for an agreement with The Nature Conservancy in cooperation with the United States Fish and Wildlife Service to acquire land in fee or permanent conservation easements within the Northern

Tallgrass Prairie Habitat Preservation Area in western Minnesota for addition to the Northern Tallgrass Prairie National Wildlife Refuge. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquisition of lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. A list of proposed land acquisitions must be provided as part of the required accomplishment plan and must be consistent with the priorities in the Minnesota Prairie Conservation Plan.

(e) Accelerated Native Prairie Bank Protection - Phase IV

\$3,740,000 in the first year is to the commissioner of natural resources to implement the Minnesota Prairie Conservation Plan through the acquisition of permanent conservation easements to protect native prairie and grasslands. Up to \$165,000 is for establishing monitoring and enforcement funds as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquisition of lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. A list of permanent conservation easements must be provided as part of the final report.

(f) Minnesota Buffers for Wildlife and Water - Phase V

\$4,544,000 in the first year is to the Board of Water and Soil Resources to acquire permanent conservation easements to protect and enhance habitat by expanding the clean water fund riparian buffer program for at least equal wildlife benefits from buffers on private land. Up to ~~\$72,500~~ \$728,000 is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of permanent conservation easements must be provided as part of the final report.

(g) Cannon River Headwaters Habitat Complex - Phase V

\$1,380,000 in the first year is to the commissioner of natural resources for an agreement with The Trust for Public Land to acquire and restore lands in the Cannon River watershed for wildlife management purposes under Minnesota Statutes, section 86A.05, subdivision 8. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquisition

of lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. A list of proposed land acquisitions must be provided as part of the required accomplishment plan.

(h) Prairie Chicken Habitat Partnership of the Southern Red River Valley

\$1,800,000 in the first year is to the commissioner of natural resources for an agreement with Pheasants Forever in cooperation with the Minnesota Prairie Chicken Society to acquire and restore lands in the southern Red River Valley for wildlife management purposes under Minnesota Statutes, section 86A.05, subdivision 8, or for designation and management as waterfowl production areas in Minnesota, in cooperation with the United States Fish and Wildlife Service. A list of proposed land acquisitions must be provided as part of the required accomplishment plan.

(i) Protecting and Restoring Minnesota's Important Bird Areas

\$1,730,000 in the first year is to the commissioner of natural resources for agreements to acquire conservation easements within important bird areas identified in the Minnesota Prairie Conservation Plan, to be used as follows: \$408,000 is to Audubon Minnesota and \$1,322,000 is to Minnesota Land Trust, of which up to \$100,000 is for establishing monitoring and enforcement funds as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of permanent conservation easements must be provided as part of the final report.

(j) Wild Rice River Corridor Habitat Restoration

\$2,270,000 in the first year is to the commissioner of natural resources for an agreement with the Wild Rice Watershed District to acquire land in fee and permanent conservation easement and to restore river and related habitat in the Wild Rice River corridor. A list of proposed acquisitions and restorations must be provided as part of the required accomplishment plan.

(k) Accelerated Prairie Restoration and Enhancement on DNR Lands - Phase VII

\$4,880,000 in the first year is to the commissioner of natural resources to accelerate the restoration and enhancement of prairie communities on wildlife management areas, scientific and natural areas, state forest land, and land under native prairie bank

easements. A list of proposed land restorations and enhancements must be provided as part of the required accomplishment plan.

(I) Enhanced Public Land Grasslands - Phase II

\$1,120,000 in the first year is to the commissioner of natural resources for an agreement with Pheasants Forever to enhance and restore habitat on public lands. A list of proposed land restorations and enhancements must be provided as part of the final report.

Sec. 10. OUTDOOR HERITAGE FUND INDIRECT COSTS; REPORT.

By October 1, 2017, the commissioner of management and budget must submit to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over the outdoor heritage fund a report of the amount from the outdoor heritage fund used to reimburse the general fund for indirect costs under Minnesota Statutes, section 16A.127. The report must include:

(1) information for all years that outdoor heritage fund appropriations have been made through fiscal year 2017;

(2) the legal authority of the specific appropriations from which indirect costs were funded; and

(3) information on how statewide indirect cost allocations from the outdoor heritage fund contribute to the constitutional requirement that funds be spent only to restore, protect, and enhance wetlands, prairies, forests, and habitat for fish, game, and wildlife.

Sec. 11. REPEALER.

Minnesota Statutes 2016, section 97A.056, subdivision 8, is repealed.

ARTICLE 2**CLEAN WATER FUND****Section 1. CLEAN WATER FUND APPROPRIATIONS.**

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this article. The appropriations are from the clean water fund and are available for the fiscal years indicated for allowable activities under the Minnesota Constitution, article XI, section 15. The figures "2018" and "2019" used in this article mean that the appropriations listed under them are available for the fiscal year ending June 30, 2018, or June 30, 2019, respectively. "The first year" is fiscal year 2018. "The second year" is fiscal year 2019. "The biennium" is fiscal years 2018 and 2019. The appropriations in this article are onetime.

APPROPRIATIONS**Available for the Year****Ending June 30****2018****2019****Sec. 2. CLEAN WATER****Subdivision 1. Total Appropriation**

\$	<u>100,497,000</u>	\$	<u>111,373,000</u>
-----------	---------------------------	-----------	---------------------------

The amounts that may be spent for each purpose are specified in the following sections.

Subd. 2. Availability of Appropriation

Money appropriated in this article may not be spent on activities unless they are directly related to and necessary for a specific appropriation. Money

appropriated in this article must be spent in accordance with Minnesota Management and Budget's Guidance to Agencies on Legacy Fund Expenditure. Notwithstanding Minnesota Statutes, section 16A.28, and unless otherwise specified in this article, fiscal year 2018 appropriations are available until June 30, 2019, and fiscal year 2019 appropriations are available until June 30, 2020. If a project receives federal funds, the period of the appropriation is extended to equal the availability of federal funding.

Subd. 3. **Disability Access**

Where appropriate, grant recipients of clean water funds, in consultation with the Council on Disability and other appropriate governor-appointed disability councils, boards, committees, and commissions, should make progress toward providing greater access to programs, print publications, and digital media for people with disabilities related to the programs the recipient funds using appropriations made in this article.

Sec. 3. **DEPARTMENT OF AGRICULTURE**

\$

8,283,000 \$

9,283,000

(a) \$350,000 the first year and \$350,000 the second year are to increase monitoring for pesticides and pesticide degradates in surface water and groundwater and to use data collected to assess pesticide use practices.

(b) \$2,085,000 the first year and \$2,086,000 the second year are for monitoring and evaluating trends in the concentration of nitrate in groundwater in areas vulnerable to groundwater degradation; promoting, developing, and evaluating regional and crop-specific nutrient best management practices; assessing best management practice adoption; education and technical support from University of Minnesota Extension; grants to support agricultural demonstration and implementation activities; and other actions to protect groundwater from degradation from nitrate. This appropriation is available until June 30, 2022.

(c) \$75,000 the first year and \$75,000 the second year are for administering clean water funds managed through the agriculture best management practices loan program. Any unencumbered balance at the end of the second year shall be added to the corpus of the loan fund.

(d) \$1,125,000 the first year and \$1,125,000 the second year are for technical assistance, research, and

demonstration projects on proper implementation of best management practices and more precise information on nonpoint contributions to impaired waters and for grants to support on-farm demonstration of agricultural practices. This appropriation is available until June 30, 2022.

(e) \$663,000 the first year and \$662,000 the second year are for research to quantify and reduce agricultural contributions to impaired waters and for development and evaluation of best management practices to protect and restore water resources. This appropriation is available until June 30, 2022.

(f) \$50,000 the first year and \$50,000 the second year are for a research inventory database containing water-related research activities. Costs for information technology development or support for this research inventory database may be paid to the Office of MN.IT Services. This appropriation is available until June 30, 2022.

(g) \$2,000,000 the first year and \$3,000,000 the second year are to implement the Minnesota agricultural water quality certification program statewide. Funds appropriated in this paragraph are available until June 30, 2021.

(h) \$110,000 the first year and \$110,000 the second year are to provide funding for a regional irrigation water quality specialist through University of Minnesota Extension.

(i) \$750,000 the first year and \$750,000 the second year are for grants to the Board of Regents of the University of Minnesota to fund the Forever Green Agriculture Initiative and to protect the state's natural resources while increasing the efficiency, profitability, and productivity of Minnesota farmers by incorporating perennial and winter-annual crops into existing agricultural practices. This appropriation is available until June 30, 2022.

(j) \$1,000,000 the first year and \$1,000,000 the second year are for pesticide testing of private wells where nitrate is detected, as part of the Township Testing Program. This appropriation is available until June 30, 2022.

(k) \$75,000 the first year and \$75,000 the second year are to evaluate market opportunities and develop markets for crops that can be profitable for farmers and beneficial for water quality and soil health.

Statutes, chapter 114D. The agency shall complete an average of ten percent of the TMDLs each year over the biennium.

(c) \$1,181,000 the first year and \$1,182,000 the second year are for groundwater assessment, including enhancing the ambient monitoring network, modeling, and evaluating trends, including the reassessment of groundwater that was assessed ten to 15 years ago and found to be contaminated.

(d) \$750,000 the first year and \$750,000 the second year are for implementation of the St. Louis River System Area of Concern Remedial Action Plan. This appropriation must be matched at a rate of 65 percent nonstate money to 35 percent state money.

(e) \$500,000 the first year and \$500,000 the second year are for TMDL research and database development.

(f) \$900,000 the first year and \$900,000 the second year are for national pollutant discharge elimination system wastewater and storm water TMDL implementation efforts.

(g) \$3,500,000 the first year and \$3,370,000 the second year are for enhancing the county-level delivery systems for subsurface sewage treatment system (SSTS) activities necessary to implement Minnesota Statutes, sections 115.55 and 115.56, for protection of groundwater, including base grants for all counties with SSTS programs and competitive grants to counties with specific plans to significantly reduce water pollution by reducing the number of systems that are an imminent threat to public health or safety or are otherwise failing. Counties that receive base grants must report the number of sewage noncompliant properties upgraded through SSTS replacement, connection to a centralized sewer system, or other means, including property abandonment or buy-out. Counties also must report the number of existing SSTS compliance inspections conducted in areas under county jurisdiction. These required reports are to be part of established annual reporting for SSTS programs. Counties that conduct SSTS inventories or those with an ordinance in place that requires an SSTS to be inspected as a condition of transferring property or as a condition of obtaining a local permit must be given priority for competitive grants under this paragraph. Of this amount, \$1,000,000 each year is available to counties for grants to low-income landowners to address systems that pose an imminent threat to public health or safety or fail to protect groundwater. A grant awarded under this paragraph

may not exceed \$40,000 for the biennium. A county receiving a grant under this paragraph must submit a report to the agency listing the projects funded, including an account of the expenditures.

(h) \$225,000 the first year and \$225,000 the second year are for accelerated implementation of MS4 permit requirements including additional technical assistance to municipalities experiencing difficulties understanding and implementing the basic requirements of the municipal storm water program.

(i) \$800,000 the first year and \$1,200,000 the second year are for a grant program for sanitary sewer projects that are included in the draft or any updated Voyageurs National Park Clean Water Project Comprehensive Plan to restore the water quality of waters in Voyageurs National Park. Grants must be awarded to local government units for projects approved by the Voyageurs National Park Clean Water Joint Powers Board and must be matched by at least 25 percent from sources other than the clean water fund.

(j) \$200,000 the first year and \$200,000 the second year are for coordination with the state of Wisconsin and the National Park Service on comprehensive phosphorous reduction activities in the Minnesota portion of Lake St. Croix on the St. Croix River. The commissioner must work with the St. Croix Basin Water Resources Planning Team and the St. Croix River Association to implement the water monitoring and phosphorous reduction activities.

(k) \$50,000 the first year and \$50,000 the second year are to support activities of the Clean Water Council according to Minnesota Statutes, section 114D.30, subdivision 1.

(l) Notwithstanding Minnesota Statutes, section 16A.28, the appropriations in this section are available until June 30, 2022.

Sec. 6. <u>DEPARTMENT OF NATURAL RESOURCES</u>	<u>\$</u>	<u>8,446,000</u>	<u>\$</u>	<u>8,446,000</u>
---	------------------	-------------------------	------------------	-------------------------

(a) \$1,950,000 the first year and \$1,950,000 the second year are for stream flow monitoring.

(b) \$1,250,000 the first year and \$1,250,000 the second year are for lake Index of Biological Integrity (IBI) assessments.

(c) \$135,000 the first year and \$135,000 the second year are for assessing mercury and other contaminants

of fish, including monitoring to track the status of impaired waters over time.

(d) \$1,886,000 the first year and \$1,886,000 the second year are for developing targeted, science-based watershed restoration and protection strategies.

(e) \$1,375,000 the first year and \$1,375,000 the second year are for water supply planning, aquifer protection, and monitoring activities.

(f) \$950,000 the first year and \$950,000 the second year are for technical assistance to support local implementation of nonpoint source restoration and protection activities.

(g) \$675,000 the first year and \$675,000 the second year are for applied research and tools, including watershed hydrologic modeling; maintaining and updating spatial data for watershed boundaries, streams, and water bodies and integrating high-resolution digital elevation data; and assessing effectiveness of forestry best management practices for water quality.

(h) \$125,000 the first year and \$125,000 the second year are for developing county geologic atlases.

(i) \$100,000 the first year and \$100,000 the second year are for maintenance and updates to buffer maps and for technical guidance on buffer map interpretation to local units of government for implementation of buffer requirements. Maps must be provided to local units of government and made available to landowners on the Department of Natural Resources' Web site.

Sec. 7. <u>BOARD OF WATER AND SOIL RESOURCES</u>	<u>\$</u>	<u>45,911,000</u>	<u>\$</u>	<u>49,597,000</u>
---	------------------	--------------------------	------------------	--------------------------

(a) \$4,875,000 the first year and \$4,875,000 the second year are for a pilot program to provide performance-based grants to local government units. The grants may be used to implement projects that protect, enhance, and restore surface water quality in lakes, rivers, and streams; protect groundwater from degradation; and protect drinking water sources. Projects must be identified in a comprehensive watershed plan developed under the One Watershed, One Plan or metropolitan surface water management frameworks or groundwater plans. Grant recipients must identify a nonstate match and may use other legacy funds to supplement projects funded under this paragraph.

(b) \$6,882,000 the first year and \$12,618,000 the second year are for grants to protect and restore surface water and drinking water; to keep water on the land; to protect, enhance, and restore water quality in lakes, rivers, and streams; and to protect groundwater and drinking water, including feedlot water quality and subsurface sewage treatment system projects and stream bank, stream channel, shoreline restoration, and ravine stabilization projects. The projects must use practices demonstrated to be effective, be of long-lasting public benefit, include a match, and be consistent with total maximum daily load (TMDL) implementation plans, watershed restoration and protection strategies (WRAPS), or local water management plans or their equivalents. A portion of these funds may be used to seek administrative efficiencies through shared resources by multiple local governmental units.

(c) \$3,325,000 the first year and \$4,275,000 the second year are for accelerated implementation, including local resource protection and enhancement grants and statewide program enhancements of supplements for technical assistance, citizen and community outreach, compliance, and training and certification.

(d) \$950,000 the first year and \$950,000 the second year are to provide state oversight and accountability, evaluate results, provide implementation tools, and measure the value of conservation program implementation by local governments, including submission to the legislature by March 1 each even-numbered year a biennial report prepared by the board, in consultation with the commissioners of natural resources, health, agriculture, and the Pollution Control Agency, detailing the recipients, the projects funded under this section, and the amount of pollution reduced.

(e) \$2,500,000 the first year and \$2,500,000 the second year are to provide assistance, oversight, and grants for supporting local governments in implementing and complying with riparian protection and excessive soil loss requirements.

(f) \$3,875,000 the first year and \$5,875,000 the second year are to restore or preserve permanent conservation on riparian buffers adjacent to lakes, rivers, streams, and tributaries, to keep water on the land in order to decrease sediment, pollutant, and nutrient transport; reduce hydrologic impacts to surface waters; and increase infiltration for groundwater recharge. This appropriation may be used for restoration of riparian buffers permanently protected by easements purchased

with this appropriation or contracts to achieve permanent protection for riparian buffers or stream bank restorations when the riparian buffers have been restored. Up to \$1,920,000 is for deposit in a monitoring and enforcement account.

(g) \$1,750,000 the first year and \$1,750,000 the second year are for permanent conservation easements on wellhead protection areas under Minnesota Statutes, section 103F.515, subdivision 2, paragraph (d), or for grants to local units of government for fee title acquisition to permanently protect groundwater supply sources on wellhead protection areas or for otherwise ensuring long-term protection of groundwater supply sources as described under alternative management tools in the Department of Agriculture's Nitrogen Fertilizer Management Plan, including low nitrogen cropping systems or implementing nitrogen fertilizer best management practices. Priority must be placed on land that is located where the vulnerability of the drinking water supply is designated as high or very high by the commissioner of health, where drinking water protection plans have identified specific activities that will achieve long-term protection, and on lands with expiring Conservation Reserve Program contracts. Up to \$105,000 is for deposit in a monitoring and enforcement account.

(h) \$84,000 the first year and \$84,000 the second year are for a technical evaluation panel to conduct ten restoration evaluations under Minnesota Statutes, section 114D.50, subdivision 6.

(i) \$1,995,000 the first year and \$1,995,000 the second year are for assistance, oversight, and grants to local governments to transition local water management plans to a watershed approach as provided for in Minnesota Statutes, chapters 103B, 103C, 103D, and 114D.

(j) \$750,000 the first year and \$750,000 the second year are for technical assistance and grants for the conservation drainage program in consultation with the Drainage Work Group, coordinated under Minnesota Statutes, section 103B.101, subdivision 13, that includes projects to improve multipurpose water management under Minnesota Statutes, section 103E.015.

(k) \$1,500,000 the first year and \$1,500,000 the second year are to purchase and restore permanent conservation sites via easements or contracts to treat and store water on the land for water quality improvement purposes and related technical assistance.

This work may be done in cooperation with the United States Department of Agriculture with a first priority use to accomplish a conservation reserve enhancement program, or equivalent, in the state. Up to \$2,880,000 is for deposit in a monitoring and enforcement account.

(l) \$1,000,000 the first year and \$1,000,000 the second year are to purchase permanent conservation easements to protect lands adjacent to public waters with good water quality but threatened with degradation. Up to \$60,000 is for deposit in a monitoring and enforcement account.

(m) \$425,000 the first year and \$425,000 the second year are for a program to systematically collect data and produce county, watershed, and statewide estimates of soil erosion caused by water and wind along with tracking adoption of conservation measures, including cover crops, to address erosion.

(n) \$11,000,000 the first year and \$11,000,000 the second year are for payments to soil and water conservation districts for the purposes of Minnesota Statutes, sections 103C.321 and 103C.331. From this appropriation, each soil and water conservation district shall receive an increase in its base funding of \$100,000 per year. Money remaining after the base increase is available for matching grants to soil and water conservation districts based on county allocations to soil and water conservation districts. The board and other agencies may reduce the amount of grants to a county by an amount equal to any reduction in the county's allocation to a soil and water conservation district from the county's previous year allocation when the board determines that the reduction was disproportionate.

(o) \$5,000,000 the first year is for soil and water conservation districts for cost-sharing contracts with landowners or authorized agents to implement riparian buffers or alternative practices on public waters or public ditches consistent with Minnesota Statutes, section 103F.48. Of this amount, up to \$2,500,000 may be targeted outside the 54-county Conservation Reserve Enhancement Area.

(p) The board shall contract for delivery of services with Conservation Corps Minnesota for restoration, maintenance, and other activities under this section for up to \$500,000 the first year and up to \$500,000 the second year.

(q) The board may shift grant or cost-share funds in this section and may adjust the technical and administrative assistance portion of the funds to

leverage federal or other nonstate funds or to address oversight responsibilities or high-priority needs identified in local water management plans.

(r) The board shall require grantees to specify the outcomes that will be achieved by the grants prior to any grant awards.

(s) The appropriations in this section are available until June 30, 2022. Returned grant funds shall be regranted consistent with the purposes of this section.

Sec. 8. **DEPARTMENT OF HEALTH**

\$

4,787,000 **\$**

5,107,000

(a) \$1,100,000 the first year and \$1,100,000 the second year are for addressing public health concerns related to contaminants found in Minnesota drinking water for which no health-based drinking water standards exist, including accelerating the development of health risk limits and improving the capacity of the department's laboratory to analyze unregulated contaminants.

(b) \$2,587,000 the first year and \$2,907,000 the second year are for protection of drinking water sources.

(c) \$250,000 the first year and \$250,000 the second year are for cost-share assistance to public and private well owners for up to 50 percent of the cost of sealing unused wells.

(d) \$200,000 the first year and \$200,000 the second year are to develop and deliver groundwater restoration and protection strategies for use on a watershed scale for use in local water planning efforts and to provide resources to local governments for drinking water source protection activities.

(e) \$400,000 the first year and \$400,000 the second year are for studying the occurrence and magnitude of contaminants in private wells and developing guidance and outreach to reduce risks to private-well owners.

(f) \$100,000 the first year and \$100,000 the second year are for evaluating and addressing the risks from viruses in water supplies.

(g) \$150,000 the first year and \$150,000 the second year are to develop public health policies and an action plan to address threats to safe drinking water and to conduct an analysis to determine the scope of the lead problem in Minnesota's water and the cost to eliminate lead exposure in drinking water.

(h) Unless otherwise specified, the appropriations in this section are available until June 30, 2021.

Sec. 9. **METROPOLITAN COUNCIL**

\$

950,000 **\$**

950,000

\$950,000 the first year and \$950,000 the second year are to implement projects that address emerging drinking-water supply threats, provide cost-effective regional solutions, leverage interjurisdictional coordination, support local implementation of water supply reliability projects, and prevent degradation of groundwater resources in the metropolitan area. These projects will provide to communities:

(1) potential solutions to leverage regional water use through use of surface water, storm water, wastewater, and groundwater;

(2) an analysis of infrastructure requirements for different alternatives;

(3) development of planning level cost estimates, including capital cost and operation cost;

(4) identification of funding mechanisms and an equitable cost-sharing structure for regionally beneficial water supply development projects; and

(5) development of subregional groundwater models.

Sec. 10. **UNIVERSITY OF MINNESOTA**

\$

1,008,000 **\$**

1,007,000

(a) \$125,000 the first year and \$125,000 the second year are for developing county geologic atlases. This appropriation is available until June 30, 2022.

(b) \$750,000 the first year and \$750,000 the second year are for a performance evaluation and technology transfer program for storm water best management practices to enhance data and information management of storm water best management practices; evaluate best management performance and effectiveness to support meeting total maximum daily loads; develop standards and incorporate state-of-the-art guidance using minimal impact design standards as the model; and implement a knowledge and technology transfer system across local government, industry, and regulatory sectors. This appropriation is available until June 30, 2020.

(c) \$133,000 the first year and \$132,000 the second year are to provide guidance documents and tools evaluating the clean water fund's return on investment

to measure impacts on water quality and human well-being as well as assist in future funding decisions.

Sec. 11. **LEGISLATURE**

\$

15,000

\$15,000 the first year is for the Legislative Coordinating Commission for the Web site required in Minnesota Statutes, section 3.303, subdivision 10.

Sec. 12. Minnesota Statutes 2016, section 114D.50, subdivision 4, is amended to read:

Subd. 4. **Expenditures; accountability.** (a) A project receiving funding from the clean water fund must meet or exceed the constitutional requirements to protect, enhance, and restore water quality in lakes, rivers, and streams and to protect groundwater and drinking water from degradation. Priority may be given to projects that meet more than one of these requirements. A project receiving funding from the clean water fund shall include measurable outcomes, as defined in section 3.303, subdivision 10, and a plan for measuring and evaluating the results. A project must be consistent with current science and incorporate state-of-the-art technology.

(b) Money from the clean water fund shall be expended to balance the benefits across all regions and residents of the state.

(c) A state agency or other recipient of a direct appropriation from the clean water fund must compile and submit all information for proposed and funded projects or programs, including the proposed measurable outcomes and all other items required under section 3.303, subdivision 10, to the Legislative Coordinating Commission as soon as practicable or by January 15 of the applicable fiscal year, whichever comes first. The Legislative Coordinating Commission must post submitted information on the Web site required under section 3.303, subdivision 10, as soon as it becomes available. Information classified as not public under section 13D.05, subdivision 3, paragraph (d), is not required to be placed on the Web site.

(d) Grants funded by the clean water fund must be implemented according to section 16B.98 and must account for all expenditures. Proposals must specify a process for any regrantee envisioned. Priority for grant proposals must be given to proposals involving grants that will be competitively awarded.

(e) Money from the clean water fund may only be spent on projects that benefit Minnesota waters.

(f) When practicable, a direct recipient of an appropriation from the clean water fund shall prominently display on the recipient's Web site home page the legacy logo required under Laws 2009, chapter 172, article 5, section 10, as amended by Laws 2010, chapter 361, article 3, section 5, accompanied by the phrase "Click here for more information." When a person clicks on the legacy logo image, the Web site must direct the person to a Web page that includes both the contact information that a person may use to obtain additional information, as well as a link to the Legislative Coordinating Commission Web site required under section 3.303, subdivision 10.

(g) Future eligibility for money from the clean water fund is contingent upon a state agency or other recipient satisfying all applicable requirements in this section, as well as any additional requirements contained in applicable session law. If the Office of the Legislative Auditor, in the course of an audit or investigation, publicly reports that a recipient of money from the clean water fund has not complied with the laws, rules, or regulations in this section or other laws applicable to the recipient, the recipient must be listed in an annual report to the legislative committees with jurisdiction over the legacy funds. The list must be publicly available. The legislative auditor shall remove a recipient from the list upon determination that the recipient is in compliance. A recipient on the list is not eligible for future funding from the clean water fund until the recipient demonstrates compliance to the legislative auditor.

(h) Money from the clean water fund may be used to leverage federal funds through execution of formal project partnership agreements with federal agencies consistent with respective federal agency partnership agreement requirements.

(i) Any state agency or organization requesting a direct appropriation from the clean water fund must inform the Clean Water Council and the house of representatives and senate committees having jurisdiction over the clean water fund, at the time the request for funding is made, whether the request is supplanting or is a substitution for any previous funding that was not from a legacy fund and was used for the same purpose.

Sec. 13. Minnesota Statutes 2016, section 114D.50, is amended by adding a subdivision to read:

Subd. 7. **Reserve requirement.** In any fiscal year, at least five percent of that year's projected tax receipts determined by the most recent forecast for the clean water fund must not be appropriated.

Sec. 14. **CLEAN WATER FUND INDIRECT COSTS; REPORT.**

By October 1, 2017, the commissioner of management and budget must submit to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over the clean water fund a report of the amount from the clean water fund used to reimburse the general fund for indirect costs under Minnesota Statutes, section 16A.127. The report must include:

(1) information for all years that clean water fund appropriations have been made through fiscal year 2017;

(2) the legal authority of the specific appropriations from which indirect costs were funded; and

(3) information on how statewide indirect cost allocations from the clean water fund contribute to the constitutional requirement that funds be spent only to protect, enhance, and restore water quality in lakes, rivers, and streams and to protect groundwater from degradation.

ARTICLE 3

PARKS AND TRAILS FUND

Section 1. **PARKS AND TRAILS FUND APPROPRIATIONS.**

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this article. The appropriations are from the parks and trails fund and are available for the fiscal years indicated for each purpose. The figures "2018" and "2019" used in this article mean that the appropriations listed under them are available for the fiscal year ending June 30, 2018, or June 30, 2019, respectively. "The first year" is fiscal year 2018. "The second year" is fiscal year 2019. "The biennium" is fiscal years 2018 and 2019. All appropriations in this article are onetime.

APPROPRIATIONS

Available for the Year

Ending June 30

2018

2019

Sec. 2. **PARKS AND TRAILS**

<u>Subdivision 1. Total Appropriation</u>	<u>\$</u>	<u>41,989,000</u>	<u>\$</u>	<u>47,775,000</u>
--	-----------	--------------------------	-----------	--------------------------

The amounts that may be spent for each purpose are specified in the following sections.

Subd. 2. **Availability of Appropriation**

Money appropriated in this article may not be spent on activities unless they are directly related to and necessary for a specific appropriation. Money appropriated in this article must be spent in accordance with Minnesota Management and Budget's Guidance to Agencies on Legacy Fund Expenditure. Notwithstanding Minnesota Statutes, section 16A.28, and unless otherwise specified in this article, fiscal year 2018 appropriations are available until June 30, 2020, and fiscal year 2019 appropriations are available until June 30, 2021. If a project receives federal funds, the time period of the appropriation is extended to equal the availability of federal funding.

Subd. 3. **Disability Access**

Where appropriate, grant recipients of parks and trails funds, in consultation with the Council on Disability and other appropriate governor-appointed disability councils, boards, committees, and commissions, should make progress toward providing greater access to programs, print publications, and digital media for people with disabilities related to the programs the recipient funds using appropriations made in this article.

<u>Sec. 3. DEPARTMENT OF NATURAL RESOURCES</u>	<u>\$</u>	<u>25,398,000</u>	<u>\$</u>	<u>28,884,000</u>
---	-----------	--------------------------	-----------	--------------------------

(a) \$16,584,000 the first year and \$18,891,000 the second year are for state parks, recreation areas, and trails to:

- (1) connect people to the outdoors;
- (2) acquire land and create opportunities;
- (3) maintain existing holdings; and
- (4) improve cooperation by coordinating with partners to implement the 25-year long-range parks and trails legacy plan.

(b) \$8,293,000 the first year and \$9,445,000 the second year are for grants for parks and trails of regional significance outside the seven-county metropolitan area under Minnesota Statutes, section 85.535. The grants awarded under this paragraph shall be based on

the lists of recommended projects submitted to the legislative committees under Minnesota Statutes, section 85.536, subdivision 10, from the Greater Minnesota Regional Parks and Trails Commission established under Minnesota Statutes, section 85.536. Grants funded under this paragraph must support parks and trails of regional or statewide significance that meet the applicable definitions and criteria for regional parks and trails contained in the Greater Minnesota Regional Parks and Trails Strategic Plan adopted by the Greater Minnesota Regional Parks and Trails Commission on April 22, 2015. Grant recipients identified under this paragraph must submit a grant application to the commissioner of natural resources. Up to 2.5 percent of the appropriation may be used by the commissioner for the actual cost of issuing and monitoring the grants for the commission. Of the amount appropriated, \$424,000 the first year and \$399,000 the second year are for the Greater Minnesota Regional Parks and Trails Commission to carry out its duties under Minnesota Statutes, section 85.536, including the continued development of a statewide system plan for regional parks and trails outside the seven-county metropolitan area.

(c) By January 15, 2018, the Greater Minnesota Regional Parks and Trails Commission shall submit a list of projects that contains the commission's recommendations for funding from the parks and trails fund for fiscal year 2019 to the chairs and ranking minority members of the house of representatives and senate committees and divisions with jurisdiction over the environment and natural resources and the parks and trails fund.

(d) By January 15, 2018, the Greater Minnesota Regional Parks and Trails Commission shall submit a report that contains the commission's criteria for funding from the parks and trails fund, including the criteria used to determine if a park or trail is of regional significance, to the chairs and ranking minority members of the house of representatives and senate committees and divisions with jurisdiction over the environment and natural resources and the parks and trails fund.

(e) \$521,000 the first year and \$548,000 the second year are for coordination and projects between the department, the Metropolitan Council, and the Greater Minnesota Regional Parks and Trails Commission; enhanced Web-based information for park and trail users; and support of activities of the Parks and Trails Legacy Advisory Committee.

(f) The commissioner shall contract for services with Conservation Corps Minnesota for restoration, maintenance, and other activities under this section for at least \$1,000,000 the first year and \$1,000,000 the second year.

(g) The implementing agencies receiving appropriations under this section shall give consideration to contracting with Conservation Corps Minnesota for restoration, maintenance, and other activities.

Sec. 4. **METROPOLITAN COUNCIL**

\$ **16,584,000** **\$** **18,891,000**

(a) \$16,584,000 the first year and \$18,891,000 the second year are for distribution according to Minnesota Statutes, section 85.53, subdivision 3.

(b) Money appropriated under this section and distributed to implementing agencies must be used only to fund the list of projects approved by the elected representatives of each of the metropolitan parks implementing agencies. Projects funded by the money appropriated under this section must be substantially consistent with the project descriptions and dollar amounts approved by each elected body. Any funds remaining after completion of the listed projects may be spent by the implementing agencies on projects to support parks and trails.

(c) Grant agreements entered into by the Metropolitan Council and recipients of money appropriated under this section must ensure that the funds are used to supplement and not substitute for traditional sources of funding.

(d) The implementing agencies receiving appropriations under this section shall give consideration to contracting with Conservation Corps Minnesota for restoration, maintenance, and other activities.

Sec. 5. **LEGISLATURE**

\$ **7,000**

\$7,000 the first year is for the Legislative Coordinating Commission for the Web site required in Minnesota Statutes, section 3.303, subdivision 10.

Sec. 6. Minnesota Statutes 2016, section 85.53, is amended by adding a subdivision to read:

Subd. 6. **Reserve requirement.** In any fiscal year, at least five percent of that year's projected tax receipts determined by the most recent forecast for the parks and trails fund must not be appropriated.

Sec. 7. SAUK RIVER REGIONAL PARK GRANT EXTENSION.

The appropriation in Laws 2013, chapter 137, article 3, section 3, paragraph (c), clause (9), from the parks and trails fund for trail enhancement, land acquisition, and other improvements at Sauk River Regional Park is available until June 30, 2022.

EFFECTIVE DATE. This section is effective retroactively from June 30, 2016.

Sec. 8. HYLAND-BUSH-ANDERSON LAKES PARK RESERVE GRANT EXTENSION.

The appropriations for fiscal years 2014 and 2015 in Laws 2013, chapter 137, article 3, section 4, paragraph (c), from the parks and trails fund for grants to the city of Bloomington to reconstruct parking lots at the Hyland-Bush-Anderson Lakes Park Reserve are available until June 30, 2018.

EFFECTIVE DATE. This section is effective retroactively from June 30, 2016.

Sec. 9. ANOKA COUNTY AND DAKOTA COUNTY REALLOCATIONS.

Notwithstanding Laws 2013, chapter 137, article 3, section 4, paragraph (o), and Laws 2015, First Special Session chapter 2, article 3, section 4, paragraph (b):

(1) Anoka County may allocate \$438,000 of its share of the distribution for fiscal year 2017 funds under Minnesota Statutes, section 85.53, subdivision 3, to Bunker Hills Regional Park in accordance with the most recent priority rankings that Anoka County has submitted to the Metropolitan Council; and

(2) Dakota County may allocate \$180,000 of its share of the distribution under Minnesota Statutes, section 85.53, subdivision 3, designated for the Vermillion River Regional Greenway to the phase 2 improvement to Whitetail Woods Regional Park in Dakota County.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 10. PARKS AND TRAILS FUND INDIRECT COSTS; REPORT.

By October 1, 2017, the commissioner of management and budget must submit to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over the parks and trails fund a report of the amount from the parks and trails fund used to reimburse the general fund for indirect costs under Minnesota Statutes, section 16A.127. The report must include:

(1) information for all years that parks and trails fund appropriations have been made through fiscal year 2017;

(2) the legal authority of the specific appropriations from which indirect costs were funded; and

(3) information on how statewide indirect cost allocations from the parks and trails fund contribute to the constitutional requirement that funds be spent only to support parks and trails of regional or statewide significance.

ARTICLE 4**ARTS AND CULTURAL HERITAGE FUND****Section 1. ARTS AND CULTURAL HERITAGE FUND APPROPRIATIONS.**

The sums shown in the columns marked "Appropriations" are appropriated to the entities and for the purposes specified in this article. The appropriations are from the arts and cultural heritage fund and are

available for the fiscal years indicated for allowable activities under the Minnesota Constitution, article XI, section 15. The figures "2018" and "2019" used in this article mean that the appropriations listed under the figure are available for the fiscal year ending June 30, 2018, and June 30, 2019, respectively. "The first year" is fiscal year 2018. "The second year" is fiscal year 2019. "The biennium" is fiscal years 2018 and 2019. All appropriations in this article are onetime.

APPROPRIATIONS

Available for the Year

Ending June 30

2018

2019

Sec. 2. ARTS AND CULTURAL HERITAGE

Subdivision 1. Total Appropriation

\$	<u>57,328,000</u>	\$	<u>66,036,000</u>
----	-------------------	----	-------------------

The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. Availability of Appropriation

Money appropriated in this article may not be spent on activities unless they are directly related to and necessary for a specific appropriation. Money appropriated in this article must not be spent on institutional overhead charges that are not directly related to and necessary for a specific appropriation. Money appropriated in this article must be spent in accordance with the Minnesota Management and Budget's Guidance to Agencies on Legacy Fund Expenditures. Notwithstanding Minnesota Statutes, section 16A.28, and unless otherwise specified in this article, fiscal year 2018 appropriations are available until June 30, 2019, and fiscal year 2019 appropriations are available until June 30, 2020. If a project receives federal funds, the period of the appropriation is extended to equal the availability of federal funding.

Subd. 3. Minnesota State Arts Board

26,370,000

31,736,000

(a) These amounts are appropriated to the Minnesota State Arts Board for arts, arts education, arts preservation, and arts access. Grant agreements entered into by the Minnesota State Arts Board and other recipients of appropriations in this subdivision must ensure that these funds are used to supplement and not substitute for traditional sources of funding. Each grant program established in this appropriation must be separately administered from other state appropriations for program planning and outcome measurements, but may take into consideration other state resources

awarded in the selection of applicants and grant award size.

(b) Arts and Arts Access Initiatives

\$20,700,000 the first year and \$25,589,000 the second year are to support Minnesota artists and arts organizations in creating, producing, and presenting high-quality arts activities; to preserve, maintain, and interpret art forms and works of art so that they are accessible to Minnesota audiences; to overcome barriers to accessing high-quality arts activities; and to instill the arts into the community and public life in this state.

(c) Arts Education

\$4,115,000 the first year and \$4,610,000 the second year are for high-quality, age-appropriate arts education for Minnesotans of all ages to develop knowledge, skills, and understanding of the arts.

(d) Arts and Cultural Heritage

\$1,430,000 the first year and \$1,537,000 the second year are for events and activities that represent, preserve, and maintain the diverse cultural arts traditions, including folk and traditional artists and art organizations, represented in this state.

(e) Grants

\$50,000 the first year is for a grant or contract to an organization for designing, consulting, creating, and administering a statewide arts software application to be used on electronic and mobile electronic devices to locate and access artists, arts organizations, and art education programs throughout Minnesota. The grantee must work in consultation with the Minnesota State Arts Board, regional arts councils, private and nonprofit arts organizations, and the regional library system to develop criteria for content to import to the software application and must make the application free to download. A portion of the funding may be used to pay the ongoing costs associated with developing content and updating the software or with contracting to develop and update the software and expand electronic content in fiscal years 2018 and 2019.

\$75,000 the first year is for a grant to the city of Savage to design and construct a statue of Dan Patch to be placed in the city of Savage. Grant recipients

must provide a funding match of at least 25 percent of the total eligible project costs.

(f) Up to 4.5 percent of the funds appropriated in paragraphs (b) to (d) may be used by the board for administering grant programs, delivering technical services, providing fiscal oversight for the statewide system, and ensuring accountability.

(g) Up to 30 percent of the remaining total appropriation to each of the categories listed in paragraphs (b) to (d) is for grants to the regional arts councils. Notwithstanding any other provision of law, regional arts council grants or other arts council grants for touring programs, projects, or exhibits must ensure the programs, projects, or exhibits are able to tour in their own region as well as all other regions of the state.

(h) Any unencumbered balance remaining under this subdivision the first year does not cancel but is available the second year.

Subd. 4. Minnesota Historical Society

11,815,000

16,305,000

(a) These amounts are appropriated to the governing board of the Minnesota Historical Society to preserve and enhance access to Minnesota's history and its cultural and historical resources. Grant agreements entered into by the Minnesota Historical Society and other recipients of appropriations in this subdivision must ensure that these funds are used to supplement and not substitute for traditional sources of funding. Funds directly appropriated to the Minnesota Historical Society must be used to supplement and not substitute for traditional sources of funding. Notwithstanding Minnesota Statutes, section 16A.28, for historic preservation projects that improve historic structures, the amounts are available until June 30, 2021. The Minnesota Historical Society or grant recipients of the Minnesota Historical Society using arts and cultural heritage funds under this subdivision must give consideration to Conservation Corps Minnesota and Northern Bedrock Historic Preservation Corps, or an organization carrying out similar work, for projects with the potential to need historic preservation services.
