Any additional principal business or professional activity category may only be adopted if the category is enacted by law.

(c) For the purpose of an original statement of economic interest, "compensation in any month" includes only compensation received in the calendar month immediately preceding the date of appointment as a public official or filing as a candidate.

(d) For the purpose of calculating the amount of compensation received from any single source in a single month, the amount shall include the total amount received from the source during the month, whether or not the amount covers compensation for more than one month.

Automobile use provided to a committee by an individual may be valued at the lowest rate used by the state to reimburse its employees for automobile use. When a contribution received from a contributor in a reporting period is added to previously reported unitemized contributions from the same contributor and the aggregate exceeds the disclosure threshold of this paragraph, the name, address, and employer, or occupation if self-employed, of the contributor must then be listed on the report.

(i) The report must disclose the sum of all expenditures made by or on behalf of the reporting entity during the reporting period.

(j) The report must disclose the amount and nature of an advance of credit incurred by the reporting entity, continuously reported until paid or forgiven. If an advance of credit incurred by the principal campaign committee of a candidate is forgiven by the creditor or paid by an entity other than that principal campaign committee, it must be reported as a donation in kind for the year in which the advance of credit was made.

(k) The report must disclose the name, address, and registration number if registered with the board of each political committee, political fund, principal campaign committee, or party unit to which contributions have been made that aggregate in excess of \$200 within the year and the amount and date of each contribution.

The itemization must include the date on which the contribution was received, the individual or association that provided the contribution, and the address of the contributor. Additionally, the itemization for a donation in kind must provide a description of the item or service received. Contributions that are less than the itemization amount must be reported as an aggregate total.

(q) Legislative, statewide, and judicial candidates, party units, political committees and funds, and committees to promote or defeat a ballot question must itemize expenditures and noncampaign disbursements that in aggregate exceed \$200 in a calendar year on reports submitted to the board. The itemization must include the date on which the committee made or became obligated to make the expenditure or disbursement, the name and address of the vendor that provided the service or item purchased, and a description of the service or item purchased.
