The Minnesota Amateur Sports Commission shall develop a plan to promote the development of proposals for new statewide public ice facilities including proposals for ice centers and matching grants based on the criteria in this section.

(a) For ice center proposals, the commission will give priority to proposals that come from more than one local government unit. Institutions of higher education are not eligible to receive a grant.

(b) The commission must give priority to grant applications for indoor air quality improvements and projects that eliminate R-22. For purposes of this section:

(1) "indoor air quality improvements" means: (i) renovation or replacement of heating, ventilating, and air conditioning systems in existing indoor ice arenas whose ice resurfacing and ice edging equipment are not powered by electricity in order to reduce concentrations of carbon monoxide and nitrogen dioxide; and (ii) acquisition of zero-emission ice resurfacing and ice edging equipment. The new or renovated systems may include continuous electronic air monitoring devices to automatically activate the ventilation systems when the concentration of carbon monoxide or nitrogen dioxide reaches a predetermined level; and

(2) "projects that eliminate R-22," means replacement of ice-making systems in existing public facilities that use R-22 as a refrigerant, with systems that use alternative non-ozone-depleting refrigerants.

(c) In the metropolitan area as defined in section 473.121, subdivision 2, the commission is encouraged to give priority to the following proposals:

- (1) proposals for construction of two or more ice sheets in a single new facility;
- (2) proposals for construction of an additional sheet of ice at an existing ice center;
- (3) proposals for construction of a new, single sheet of ice as part of a sports complex with multiple sports facilities; and

(4) proposals for construction of a new, single sheet of ice that will be expanded to a two-sheet facility in the future.

(d) The commission shall administer a site selection process for the ice centers. The commission shall invite proposals from cities or counties or consortia of cities. A proposal for an ice center must include matching contributions including in-kind contributions of land, access roadways and access roadway improvements, and necessary utility services, landscaping, and parking.

(e) Proposals for ice centers and matching grants must provide for meeting the demand for ice time for female groups by offering up to 50 percent of prime ice time, as needed, to female groups. For purposes of this section, prime ice time means the hours of 4:00 p.m. to 10:00 p.m. Monday to Friday and 9:00 a.m. to 8:00 p.m. on Saturdays and Sundays.

(f) The location for all proposed facilities must be in areas of maximum demonstrated interest and must maximize accessibility to an arterial highway.

(g) To the extent possible, all proposed facilities must be dispersed equitably, must be located to maximize potential for full utilization and profitable operation, and must accommodate noncompetitive family and community skating for all ages.

(h) The commission may also use the money to upgrade current facilities, purchase girls' ice time, or conduct amateur women's hockey and other ice sport tournaments.

(i) To the extent possible, 50 percent of all grants must be awarded to communities in greater Minnesota.

(j) To the extent possible, technical assistance shall be provided to Minnesota communities by the commission on ice arena planning, design, and operation, including the marketing of ice time and on projects described in paragraph (b).

(k) A grant for new facilities may not exceed \$250,000.

(l) The commission may make grants for rehabilitation and renovation. A rehabilitation or renovation grant for air quality may not exceed \$200,000 and a rehabilitation or renovation grant for R-22 elimination may not exceed ~~\$50,000~~ \$250,000 for indirect cooling systems and may not exceed ~~\$400,000~~ \$500,000 for direct cooling systems. Priority must be given to grant applications for indoor air quality improvements, including zero emission ice resurfacing equipment, and for projects that eliminate R-22.

(m) Grant money may be used for ice centers designed for sports other than hockey.

(n) Grant money may be used to upgrade existing facilities to comply with the bleacher safety requirements of section 326B.112.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 17. Minnesota Statutes 2018, section 375.08, is amended to read:

**375.08 BOARD TO FILL VACANCIES IN COUNTY OFFICES.**

When a vacancy occurs in the office of an elected county auditor, county treasurer, county recorder, sheriff, county attorney, county surveyor, or coroner, the county board shall fill it by appointment. For that purpose it shall meet at the usual place of meeting, upon one day's notice from the chair or clerk, which shall be served personally upon each member in the same manner as a district court summons. The person appointed shall give the bond and take the oath required by law, and serve the remainder of the term, and until a

successor qualifies. When a vacancy occurs in an office that has a chief deputy or first assistant, the chief deputy or first assistant may perform all the duties and functions of the office until it is filled by appointment by the county board.

Sec. 18. Minnesota Statutes 2018, section 375A.10, subdivision 5, is amended to read:

Subd. 5. **Auditor-treasurer.** In any county exercising the option provided in subdivision 2, clause (c), the office shall be known thereafter as the office of auditor-treasurer, if the office is to remain elective. If the board chooses to make the office of auditor-treasurer elective, and not require a referendum, it must act with the concurrence of at least 80 percent of its members.

In the exercise of this option, the county board shall direct which of the offices of auditor or treasurer shall be terminated for the purpose of providing for the election to the single office of auditor-treasurer. The duties, functions and responsibilities which have been heretofore and which shall hereafter be required by statute to be performed by the county auditor and the county treasurer shall be vested in and performed by the auditor-treasurer without diminishing, prohibiting or avoiding those specific duties required by statute to be performed by the county auditor and the county treasurer.

Nothing in this subdivision shall preclude the county from exercising the option to make the combined office of auditor-treasurer appointive as if it had been specifically enumerated in subdivision 2. If the combined office is to be appointive, a referendum under section 375A.12 shall be necessary, except as provided by section 375A.1205.

If the combined office is to be elective, a referendum under section 375A.12 shall be necessary if:

(a) the county board requires a referendum; or

(b) a referendum is required by a petition of a number of voters equal to ten percent of those voting in the county at the last general election that is received by the county auditor within 30 days after the second publication of the board resolution that orders the combination.

The persons last elected to the positions of auditor and treasurer before adoption of the resolution shall serve in those offices and perform the duties of those offices until the completion of the terms to which they were elected.

Sec. 19. Minnesota Statutes 2018, section 375A.12, subdivision 2, is amended to read:

Subd. 2. **Form of government options.** Except as provided in section 375A.1205 or by special law, the options provided in sections 375A.01 to 375A.10 shall be adopted in any county only after an affirmative vote of the voters in the county on the question of the adoption of the option. Except as provided in section 375A.01, only one such plan may be submitted at any one election.

Sec. 20. **[375A.1205] APPOINTING COUNTY OFFICERS.**

Subdivision 1. **Authority to appoint certain officers.** A county board may appoint the county auditor, county treasurer, or county recorder under section 375A.10, subdivision 2, or the auditor-treasurer under section 375A.10, subdivision 5, by following the process outlined in this section. Notwithstanding section 375A.12, a referendum is not required if the appointment is made pursuant to this section. A county board shall only use the authority to appoint under the following circumstances:

(1) there is a vacancy in the office as provided in section 351.02;

(2) the current office holder has notified the county board that the officer will not file for the office, as provided in subdivision 2; or

(3) there is a signed contract with the county board and the incumbent auditor, treasurer, auditor-treasurer, or recorder that provides that the incumbent officer will be appointed to the position and retain tenure, pay, and benefits equal to or greater than length of service.

Subd. 2. **Responsibility of county officer.** At least 104 days before the filing date for office under section 204B.09, an elected county officer must notify the county board in writing whether the officer will be filing for another term. If the officer indicates in writing that the officer will not file for the office and the county board has passed a resolution under subdivision 6, affidavits of candidacy will not be accepted for that office, and the office will not be placed on the ballot.

Subd. 3. **Board controls; may change as long as duties done.** Upon adoption of a resolution by the county board of commissioners and subject to subdivisions 5 and 6, the duties of an elected official required by statute whose office is made appointive as authorized by this section must be discharged by the county board of commissioners acting through a department head appointed by the board for that purpose. Reorganization, reallocation, delegation, or other administrative change or transfer does not diminish, prohibit, or avoid the discharge of duties required by statute.

Subd. 4. **Discharge or demotion.** (a) A county auditor, county treasurer, county auditor-treasurer, or county recorder who was elected at the most recent election for that office prior to a county board resolution to make the office an appointed position, and the elected official is subsequently appointed by the county board to the office, may not be involuntarily demoted or discharged except for incompetency or misconduct.

(b) Prior to demoting or discharging an office holder under this subdivision, the board must notify the office holder in writing and state its grounds for the proposed demotion or discharge in reasonable detail. Within ten days after receipt of this notification, the office holder may make a written request for a hearing before an arbitrator and the request must be granted before final action is taken. Failure to request a hearing before an arbitrator during this period is considered acquiescence to the board's action. The board may suspend an office holder with pay pending the conclusion of the hearing and determination of the issues raised in the hearing after charges have been filed which constitute grounds for demotion or discharge. If an office holder has been charged with a felony and the underlying conduct that is the subject of the felony charge is grounds for a proposed discharge, the suspension pending the conclusion of the hearing and determination of the issues may be without pay. If a hearing under this subdivision is held, the board must reimburse the office holder for any salary or compensation withheld if the final decision of the arbitrator does not result in a penalty or discharge of the office holder.

(c) If the office holder and the board are unable to mutually agree on an arbitrator, the board must request from the Bureau of Mediation Services a list of seven persons qualified to serve as an arbitrator. If the office holder and the board are unable to mutually agree on an arbitrator from the list provided, the parties shall alternately strike names from the list until the name of one arbitrator remains. The person remaining after the striking procedure must be the arbitrator. If the parties are unable to agree on who shall strike the first name, the question must be decided by a flip of a coin. The office holder and the board must share equally the costs and fees of the arbitrator except as set forth in paragraph (g).

(d) The arbitrator shall determine, by a preponderance of the evidence, whether the grounds for discharge or demotion exist to support the proposed discharge or demotion. A lesser penalty than demotion or discharge may be imposed by the arbitrator only to the extent that either party proposes such lesser penalty in the

proceeding. In making the determination, the arbitration proceeding is governed by sections 572B.15 to 572B.28.

(e) An arbitration hearing conducted under this subdivision is a meeting for preliminary consideration of allegations or charges within the meaning of section 13D.05, subdivision 3, paragraph (a), and must be closed, unless the office holder requests it to be open.

(f) The arbitrator's award is final and binding on the parties, subject to sections 572B.18 to 572B.28.

(g) In the event the arbitrator rules not to demote or discharge the office holder, the board shall pay all of the costs and fees of the arbitrator and the attorney fees of the office holder.

Subd. 5. **Incumbents to complete term.** The person elected at the last general election to an office made appointive under this section must serve in that capacity and perform the duties, functions, and responsibilities required by statute until the completion of the term of office to which the person was elected, or until a vacancy occurs in the office, whichever occurs earlier.

Subd. 6. **Publishing resolution; petition; referendum.** (a) Before the adoption of the resolution to provide for the appointment of an office as described in subdivision 1, the county board must publish a proposed resolution notifying the public of its intent to consider the issue once each week, for two consecutive weeks, in the official publication of the county. Following publication and prior to formally adopting the resolution, the county board shall provide an opportunity at its next regular meeting for public comment relating to the issue. After the public comment opportunity, at the same meeting or a subsequent meeting, the county board of commissioners may adopt a resolution that provides for the appointment of the office or offices as permitted in this section. The resolution must be approved by at least 80 percent of the members of the county board. The resolution may take effect 30 days after it is adopted, or at a later date stated in the resolution, unless a petition is filed as provided in paragraph (b).

(b) Except when an office is made appointive under subdivision 1, clause (3), within 30 days after the county board adopts the resolution, a petition requesting a referendum may be filed with the county auditor. The petition must be signed by at least ten percent of the registered voters of the county. The petition must meet the requirements of the secretary of state, as provided in section 204B.071, and any rules adopted to implement that section. If the petition is sufficient, the county board resolution is rescinded.

Subd. 7. **Reverting to elected offices.** (a) The county board may adopt a resolution to provide for the election of an office that was made an appointed position under this section, but not until at least three years after the office was made an appointed position. The county board must publish a proposed resolution notifying the public of its intent to consider the issue once each week, for two consecutive weeks, in the official publication of the county. Following publication and before formally adopting the resolution, the county board must provide an opportunity at its next regular meeting for public comment relating to the issue. After the public comment opportunity, at the same meeting or a subsequent meeting, the county board of commissioners may adopt the resolution. The resolution must be approved by at least 60 percent of the members of the county board and is effective August 1 following adoption of the resolution.

(b) The question of whether an office that was made an appointed position under this section must be made an elected office must be placed on the ballot at the next general election if (1) the position has been an appointed position for at least three years; (2) a petition signed by at least ten percent of the registered voters of the county is filed with the office of the county auditor by August 1 of the year in which the general election is held; and (3) the petition meets the requirements of the secretary of state, as provided in section 204B.071, and any rules adopted to implement that section. If a majority of the voters of the county voting

on the question vote in favor of making the office an elected position, the election for that office must be held at the next regular or special election.

Sec. 21. Minnesota Statutes 2018, section 382.01, is amended to read:

**382.01 OFFICERS ELECTED; TERMS.**

In every county in this state there shall be elected at the general election in 1918 a county auditor, a county treasurer, sheriff, county recorder, county attorney, and coroner.

The terms of office of these officers shall be four years and shall begin on the first Monday in January next succeeding their election. They shall hold office until their successors are elected and qualified. Each of these offices shall must be filled by election every four years thereafter, unless an office is consolidated with another county office or made appointive under chapter 375A or other general or special law.

Sec. 22. Minnesota Statutes 2018, section 382.02, is amended to read:

**382.02 VACANCIES, HOW FILLED.**

Any appointment made to fill a vacancy in any of the offices named in section 382.01 that has not been made appointive under chapter 375A or other general or special law shall be for the balance of such entire term, and be made by the county board.

Sec. 23. **INITIAL APPOINTMENTS.**

(a) Appointing authorities for the Legislative Commission on Housing Affordability under Minnesota Statutes, section 3.8845, must make initial appointments by June 1, 2019, to serve a term ending in January 2021.

(b) The speaker of the house must designate one member of the commission to convene the first meeting of the commission by June 15, 2019. A member of the house of representatives shall serve as the first chair of the commission. A member of the senate shall serve as chair of the commission beginning in January 2021.

Sec. 24. **ADVISORY TASK FORCE ON STATE EMPLOYMENT AND RETENTION OF EMPLOYEES WITH DISABILITIES.**

Subdivision 1. **Members.** (a) A task force on state employment and retention of employees consists of the following ten members:

(1) a person serving on the Commission of the Deaf, Deafblind and Hard-of-Hearing, appointed by the executive director of the commission;

(2) a person serving on the governor's Council on Developmental Disabilities, appointed by the executive director;

(9) a representative of A System of Technology to Achieve Results who is an employee of the Department of Administration, appointed by the commissioner of administration; and

(10) an employee of Minnesota Management and Budget, appointed by the commissioner of management and budget.

(b) Appointing authorities must make their appointments by July 31, 2019.

Subd. 2. **Chair; convening authority; first meeting.** The governor shall appoint a chair of the task force, who shall convene the first meeting by September 30, 2019.

Subd. 3. **Duties; timing.** The task force must submit a report to the chairs and ranking minority members of the committees in the house of representatives and the senate with jurisdiction over state government finance and policy, the chairs and ranking minority members of the Finance Committee in the senate and the Committee on Ways and Means in the house of representatives, and to the commissioner of management and budget on strategies for attracting and retaining state employees with disabilities. The report must include a proposal for any legislation necessary to implement recommendations of the task force. The report must be submitted by January 15, 2021.

Subd. 4. **Administration.** The commissioner of management and budget shall provide administrative support and meeting space to the task force.

Subd. 5. **Open meetings.** The meetings of the task force are subject to Minnesota Statutes, chapter 13D.

Subd. 6. **Compensation.** Members may be compensated and reimbursed for expenses as provided in Minnesota Statutes, section 15.059.

Subd. 7. **Sunset.** This section expires after the task force submits the report, as required in subdivision 3, or February 16, 2021, whichever is later.

## Sec. 25. **MINNESOTA CENSUS 2020 MOBILIZATION.**

Subdivision 1. **Duty of commissioner of administration; grants and contracts.** (a) The commissioner of administration must, in collaboration with the Minnesota Census 2020 Mobilization Partnership, facilitate the administration of a census mobilization program. The purpose of the program must be to increase the participation of Minnesotans in the 2020 United States Census by implementing the outreach and mobilization activities described in subdivisions 2 to 5.

(b) At least 45 percent of any appropriation provided to the commissioner for the program required by this section must be allocated for a grant to the Minnesota Council on Foundations. The Minnesota Council on Foundations must use the grant to issue subgrants of up to \$5,000 to the identified fiscal hosts of any

Minnesota-based complete count committees. To be eligible for a subgrant, a complete count committee must be registered with the United States Census Bureau and be a tribal nation, political subdivision, nonpartisan nonprofit community organization, or public or private college or university engaged in census mobilization work in Minnesota. The commissioner must advance up to 50 percent of the grant and the Minnesota Council on Foundations may advance all or a portion of a subgrant awarded under this section. Any appropriations not allocated for grants may be used by the commissioner to further implement the outreach and mobilization activities described in subdivisions 2 to 5 by contract or by directing the work of the office of the state demographer.

(c) The commissioner of administration may waive application of all or any portion of Minnesota Statutes, sections 16B.97 to 16B.991, in awarding grants; Minnesota Statutes, chapter 16C, in entering contracts; and Minnesota Statutes, chapter 16E, in purchasing technology systems and software under this section to facilitate the timely distribution of funds and to maximize the impact of the outreach and mobilization activities. Notwithstanding the waivers authorized by this paragraph, the commissioner may not waive application of policies or procedures designed to ensure diversity and the inclusion of traditionally underrepresented groups among grant recipients and contract vendors.

(d) The commissioner must contract with Community Connection Labs to purchase communication and technical tools designed to support census outreach efforts. If the commissioner is unable to enter this contract, the commissioner may contract with another vendor or vendors offering comparable products and tools, or may award grants to support the purchase of comparable communication and technology tools.

Subd. 2. **Engaging hard to reach households.** The census mobilization partnership program must support:

(1) initiatives to increase census response rates among households outside of the 11-county metropolitan area who receive mail through a post office box; and

(2) initiatives to increase awareness among census employees, multiunit apartment managers and owners, and renters on the laws governing access to multiunit apartment buildings by census employees.

Subd. 3. **Adapting to the electronic census.** The census mobilization partnership program must support:

(1) opportunities for Minnesotans to submit their census response electronically through online portals provided in common gathering spaces within a community; and

(2) commit-to-the-census initiatives that organize Minnesotans to commit to participate in the census and include electronic reminders to facilitate their participation.

Subd. 4. **Reaching historically undercounted communities.** The census mobilization partnership program must support:

(1) job sourcing initiatives that encourage a sufficient pool of qualified candidates to apply for positions with the Census Bureau, and efforts to ensure that the pool of candidates reflects the diversity of Minnesota's communities, including those communities historically undercounted in census reports; and

(2) initiatives that engage historically undercounted communities and reduce census participation gaps in these communities compared to Minnesota's historically high overall census response rate.

Subd. 5. **Shared services.** The census mobilization partnership program must support efficiency in census mobilization efforts by providing shared services to support local and community census outreach,

including development of multilingual educational and promotional materials and tools to reach respondents through a variety of communication platforms and services.

Subdivision 1. **Emergency disbursements.** Imprest cash funds for the purpose of making minor disbursements, providing for change, and providing employees with travel advances or a portion or all of their payroll ~~warrant~~ where the ~~warrant payment~~ has not been received through the payroll system, may be established by state departments or agencies from existing appropriations in the manner prescribed by this section.

Sec. 2. Minnesota Statutes 2018, section 15.191, subdivision 3, is amended to read:

Subd. 3. ~~**Warrant Payment against designated appropriation.**~~ Imprest cash funds established under this section shall be created by ~~warrant drawn~~ payment issued against the appropriation designated by the commissioner of management and budget.

Sec. 3. Minnesota Statutes 2018, section 16A.065, is amended to read:

**16A.065 PREPAY SOFTWARE, SUBSCRIPTIONS, UNITED STATES DOCUMENTS.**

Notwithstanding section 16A.41, subdivision 1, the commissioner may allow an agency to make advance deposits or payments for software or software maintenance services for state-owned or leased electronic data processing equipment, for information technology hosting services, for sole source maintenance agreements where it is not cost-effective to pay in arrears, for exhibit booth space or boat slip rental when

required by the renter to guarantee the availability of space, for registration fees where advance payment is required or advance payment discount is provided, ~~and~~ for newspaper, magazine, and other subscription fees, and other costs where advance payment discount is provided or are customarily paid for in advance. The commissioner may also allow advance deposits by any department with the Library of Congress and federal Supervisor of Documents for items to be purchased from those federal agencies.

Sec. 4. Minnesota Statutes 2018, section 16A.13, subdivision 2a, is amended to read:

Subd. 2a. **Procedure.** The commissioner shall see that the deduction for the withheld tax is made from an employee's pay on the payroll abstract. The commissioner shall approve one ~~warrant payable~~ payment to the commissioner for the total amount deducted on the abstract. Deductions from the pay of an employee paid direct by an agency shall be made by the employee's payroll authority. A later deduction must correct an error made on an earlier deduction. The paying authority shall see that a ~~warrant or check~~ payment for the deductions is promptly sent to the commissioner. The commissioner shall deposit the amount of the ~~warrant or check~~ payment to the credit of the proper federal authority or other person authorized by federal law to receive it.

Sec. 5. Minnesota Statutes 2018, section 16A.15, subdivision 3, is amended to read:

Subd. 3. **Allotment and encumbrance.** (a) A payment may not be made without prior obligation. An obligation may not be incurred against any fund, allotment, or appropriation unless the commissioner has certified a sufficient unencumbered balance or the accounting system shows sufficient allotment or encumbrance balance in the fund, allotment, or appropriation to meet it. The commissioner shall determine when the accounting system may be used to incur obligations without the commissioner's certification of a sufficient unencumbered balance. An expenditure or obligation authorized or incurred in violation of this chapter is invalid and ineligible for payment until made valid. A payment made in violation of this chapter is illegal. An employee authorizing or making the payment, or taking part in it, and a person receiving any part of the payment, are jointly and severally liable to the state for the amount paid or received. If an employee knowingly incurs an obligation or authorizes or makes an expenditure in violation of this chapter or takes part in the violation, the violation is just cause for the employee's removal by the appointing authority or by the governor if an appointing authority other than the governor fails to do so. In the latter case, the governor shall give notice of the violation and an opportunity to be heard on it to the employee and to the appointing authority. A claim presented against an appropriation without prior allotment or encumbrance may be made valid on investigation, review, and approval by the agency head in accordance with the commissioner's policy, if the services, materials, or supplies to be paid for were actually furnished in good faith without collusion and without intent to defraud. The commissioner may then ~~draw a warrant to~~ pay the claim just as properly allotted and encumbered claims are paid.

(b) The commissioner may approve payment for materials and supplies in excess of the obligation amount when increases are authorized by section 16C.03, subdivision 3.

(c) To minimize potential construction delay claims, an agency with a project funded by a building appropriation may allow a contractor to proceed with supplemental work within the limits of the appropriation before money is encumbered. Under this circumstance, the agency may requisition funds and allow contractors to expeditiously proceed with a construction sequence. While the contractor is proceeding, the agency shall immediately act to encumber the required funds.

Sec. 6. Minnesota Statutes 2018, section 16A.272, subdivision 3, is amended to read:

Subd. 3. **Section 7.19 16A.271 to apply.** The provisions of Minnesota Statutes ~~1941~~, section ~~7.19~~ 16A.271, shall apply to deposits of securities made pursuant to this section.

Sec. 7. Minnesota Statutes 2018, section 16A.40, is amended to read:

**16A.40 WARRANTS AND ELECTRONIC FUND TRANSFERS.**

Money must not be paid out of the state treasury except upon the warrant of the commissioner or an electronic fund transfer approved by the commissioner. Warrants must be drawn on printed blanks that are in numerical order. The commissioner shall enter, in numerical order in a ~~warrant~~ payment register, the number, amount, date, and payee for every ~~warrant~~ payment issued.

The commissioner may require payees to supply their bank routing information to enable the payments to be made through an electronic fund transfer.

Sec. 8. Minnesota Statutes 2018, section 16A.42, subdivision 2, is amended to read:

Subd. 2. **Approval.** If the claim is approved, the commissioner shall ~~complete and sign a warrant issue~~ a payment in the amount of the claim.

Sec. 9. Minnesota Statutes 2018, section 16A.42, is amended by adding a subdivision to read:

Subd. 5. **Invalid claims.** If the commissioner determines that a claim is invalid after issuing a warrant, the commissioner may void an unpaid warrant. The commissioner is not liable to any holder who took the void warrant for value.

Sec. 10. Minnesota Statutes 2018, section 16A.671, subdivision 1, is amended to read:

Subdivision 1. **Authority; advisory recommendation.** To ensure that cash is available when needed to ~~pay warrants~~ make payments drawn on the general fund under appropriations and allotments, the commissioner may (1) issue certificates of indebtedness in anticipation of the collection of taxes levied for and other revenues appropriated to the general fund for expenditure during each biennium; and (2) issue additional certificates to refund outstanding certificates and interest on them, under the constitution, article XI, section 6.

Sec. 11. Minnesota Statutes 2018, section 16B.37, subdivision 4, is amended to read:

Subd. 4. **Work of department for another.** To avoid duplication and improve efficiency, the commissioner may direct an agency to do work for another agency or may direct a division or section of an agency to do work for another division or section within the same agency and shall require reimbursement for the work. Reimbursements received by an agency are reappropriated to the account making the original expenditure in accordance with the transfer ~~warrant~~ procedure established by the commissioner of management and budget.

Sec. 12. Minnesota Statutes 2018, section 16D.09, subdivision 1, is amended to read:

Subdivision 1. **Generally.** (a) When a debt is determined by a state agency to be uncollectible, the debt may be written off by the state agency from the state agency's financial accounting records and no longer recognized as an account receivable for financial reporting purposes. A debt is considered to be uncollectible

when (1) all reasonable collection efforts have been exhausted, (2) the cost of further collection action will exceed the amount recoverable, (3) the debt is legally without merit or cannot be substantiated by evidence, (4) the debtor cannot be located, (5) the available assets or income, current or anticipated, that may be available for payment of the debt are insufficient, (6) the debt has been discharged in bankruptcy, (7) the applicable statute of limitations for collection of the debt has expired, or (8) it is not in the public interest to pursue collection of the debt. ~~The determination of the uncollectibility of a~~

(b) Uncollectible debt must be reported by the state agency along with the basis for that decision as part of its quarterly reports to the commissioner of management and budget. The basis for the determination of the uncollectibility of the debt must be maintained by the state agency. to set aside amounts in addition to the following percentages, if the contract is in writing and ~~filed with~~ reviewed by the commission for compliance with this subdivision:

(1) for live races conducted at a class A facility, 8.4 percent of handle;

(2) for simulcasts conducted any day a class A facility is licensed, not less than 37 percent of the ~~takeout amount~~ amount remaining after deduction for the state pari-mutuel tax, payment to the breeders fund, and payment to the sending out-of-state racetrack for receipt of the signal.

The commission may by rule provide for the administration and enforcement of this subdivision. The deductions for payment to the sending out-of-state racetrack must be actual, except that when there exists any overlap of ownership, control, or interest between the sending out-of-state racetrack and the receiving licensee, the deduction must not be greater than three percent unless agreed to between the licensee and the horsepersons' organization representing the majority of horsepersons racing the breed racing the majority of races during the existing racing meeting or, if outside of the racing season, during the most recent racing meeting.

The licensee shall pay to the commission for deposit in the Minnesota breeders fund 5-1/2 percent of the takeout from all pari-mutuel pools generated by wagering at the licensee's facility on simulcasts of races not conducted in this state.

(b) ~~From the money set aside for purses,~~ The licensee shall pay to the horseperson's organization representing the majority of the horsepersons racing the breed involved and contracting with the licensee with respect to purses and the conduct of the racing meetings and providing representation to its members, an amount as may be determined by agreement by the licensee and the horsepersons' organization sufficient to provide benevolent programs, benefits, and services for horsepersons and their on-track employees. With respect to racing meetings where more than one breed is racing, the licensee may contract independently with the horseperson's organization representing each breed racing. The contract must be in writing and reviewed by the commission for compliance with this subdivision.

(c) Notwithstanding sections 325D.49 to 325D.66, a horseperson's organization representing the majority of the horsepersons racing a breed at a meeting, and the members thereof, may agree to withhold horses during a meeting.

The agreement shall be in writing and ~~filed with~~ reviewed by the commission for compliance with this subdivision prior to the first day of the live mixed meet. In the absence of a written agreement ~~filed with~~ reviewed by the commission, the money set aside for purses and payments to the breeders fund from wagering on simulcasts, occurring during a live mixed meet, shall be allotted to each breed participating in the live mixed meet in the same proportion that the number of live races run by each breed bears to the total number of live races conducted during the period of the mixed meet.

(e) The allocation of money set aside for purses to particular racing meets may be adjusted, relative to overpayments and underpayments, by contract between the licensee and the horsepersons' organization

representing the majority of horsepersons racing the breed involved at the licensee's facility. The contract must be in writing and reviewed by the commission for compliance with this subdivision.

(f) Subject to the provisions of this chapter, money set aside from pari-mutuel pools for purses must be for the breed involved in the race that generated the pool, except that if the breed involved in the race generating the pari-mutuel pool is not racing in the current racing meeting, or has not raced within the preceding 12 months at the licensee's class A facility, money set aside for purses may be distributed proportionately to those breeds that have run during the preceding 12 months or paid to the commission and used for purses or to promote racing for the breed involved in the race generating the pari-mutuel pool, or both, in a manner prescribed by the commission.

(g) This subdivision does not apply to a class D licensee.

Sec. 8. Minnesota Statutes 2018, section 240.131, subdivision 7, is amended to read:

Subd. 7. **Payments to state.** (a) A regulatory fee is imposed at the rate of one percent of all amounts wagered by Minnesota residents with an authorized advance deposit wagering provider. The fee shall be declared on a form prescribed by the commission. The ADW provider must pay the fee to the commission no more than ~~seven~~ 15 days after the end of the month in which the wager was made. Fees collected under this paragraph must be deposited in the state treasury and credited to a racing and card-playing regulation account in the special revenue fund and are appropriated to the commission to offset the costs associated with regulating horse racing and pari-mutuel wagering in Minnesota.

(b) A breeders fund fee is imposed in the amount of one-quarter of one percent of all amounts wagered by Minnesota residents with an authorized advance deposit wagering provider. The fee shall be declared on a form prescribed by the commission. (b) From all amounts set aside under paragraph (a), the licensee shall set aside ten percent to be deposited in the breeders fund.

(c) It is the intent of the legislature that the proceeds of the card playing activities authorized by this chapter be used to improve the horse racing industry by improving purses. The licensee and the horseperson's organization representing the majority of horsepersons who have raced at the racetrack during the preceding 12 months may negotiate percentages that exceed those stated in this section if the agreement is in writing

and ~~filed with~~ reviewed by the commission for compliance with this section. The commission shall annually review the financial details of card playing activities and determine if the present use of card playing proceeds is consistent with the policy established by this paragraph. If the commission determines that the use of the proceeds does not comply with the policy set forth herein, then the commission shall direct the parties to make the changes necessary to ensure compliance. If these changes require legislation, the commission shall make the appropriate recommendations to the legislature.

Receipts are appropriated, within the meaning of Article XI, section 1, of the Minnesota Constitution, to the commission to pay the costs of providing the services and all other costs necessary to allow the commission to fulfill its regulatory oversight duties required by chapter 240 and commission rule. Sec. 4. **[326A.045] RETIRED STATUS.**

Subdivision 1. **Retired status requirements.** The board shall grant retired status to a person who meets the following criteria:

- (1) is age 55 or older;

(2) holds a current active license to practice public accounting under this chapter with a license status of active, inactive, or exempt under Minnesota Rules, part 1105.3700;

(3) declares that he or she is not practicing public accounting in any jurisdiction;

(4) was in good standing with the board at the time the person last held a license under this chapter; and

(5) submits an application for retired status on a form provided by the board.

Subd. 2. **Retired status effect.** Retired status is an honorific status. Retired status is not a license to engage in the practice of public accounting. A person granted retired status shall not perform or offer to perform services for which a license under this chapter is required.

Subd. 3. **Documentation of status.** The board shall provide to a person granted retired status a document stating that retired status has been granted.

Subd. 4. **Representation to the public.** A person granted retired status may represent themselves as "Certified Public Accountant - Retired," "CPA - Retired," "Retired Certified Public Accountant," or "Retired CPA," but shall not represent themselves or allow themselves to be represented to the public as a current licensee of the board.

Subd. 5. **Continuing education not required.** A person is not required to comply with the continuing education requirements in section 326A.04, subdivision 4, to acquire or maintain retired status.

Subd. 6. **Renewal not required.** A person granted retired status is not required to renew the person's registration or pay renewal fees to maintain retired status.

Subd. 7. **Change to active or inactive status.** The board shall change a license status from retired to active or inactive if a person with retired status requests a status change and meets requirements for reactivation prescribed by rule.

Sec. 5. Minnesota Statutes 2018, section 326A.08, subdivision 4, is amended to read:

**Subd. 4. Cease and desist orders.** (a) The board, or the complaint committee if authorized by the board, may issue and have served upon a certificate holder, a permit holder, a registration holder, a person with practice privileges granted under section 326A.14, a person who has previously been subject to a disciplinary order by the board, or an unlicensed firm or person an order requiring the person or firm to cease and desist from the act or practice constituting a violation of the statute, rule, or order. The order must be calculated to give reasonable notice of the rights of the person or firm to request a hearing and must state the reasons for the entry of the order. No order may be issued until an investigation of the facts has been conducted pursuant to section 214.10.

(b) Service of the order is effective when the order is served on the person, firm, or counsel of record personally, or by certified mail to the most recent address provided to the board for the person, firm, or counsel of record, may be by first class United States mail, including certified United States mail, or overnight express mail service, postage prepaid and addressed to the party at the party's last known address. Service by United States mail, including certified mail, is complete upon placing the order in the mail or otherwise delivering the order to the United States mail service. Service by overnight express mail service is complete upon delivering the order to an authorized agent of the express mail service.

(c) Unless otherwise agreed by the board, or the complaint committee if authorized by the board, and the person or firm requesting the hearing, the hearing must be held no later than 30 days after the request for the hearing is received by the board.

(d) The administrative law judge shall issue a report within 30 days of the close of the contested case hearing record, notwithstanding Minnesota Rules, part 1400.8100, subpart 3. Within 30 days after receiving the report and any exceptions to it, the board shall issue a further order vacating, modifying, or making permanent the cease and desist orders as the facts require.

(e) If no hearing is requested within 30 days of service of the order, the order becomes final and remains in effect until it is modified or vacated by the board.

(f) If the person or firm to whom a cease and desist order is issued fails to appear at the hearing after being duly notified, the person or firm is in default and the proceeding may be determined against that person or firm upon consideration of the cease and desist order, the allegations of which may be considered to be true.

(g) In lieu of or in addition to the order provided in paragraph (a), the board may require the person or firm to provide to the board a true and complete list of the person's or firm's clientele so that they can, if deemed necessary, be notified of the board's action. Failure to do so, or to provide an incomplete or inaccurate list, is an act discreditable.

Sec. 6. Minnesota Statutes 2018, section 326A.08, subdivision 5, is amended to read:

Subd. 5. **Actions against persons or firms.** (a) The board may, by order, deny, refuse to renew, suspend, temporarily suspend, or revoke the application, or practice privileges, registration or certificate of a person or firm; censure or reprimand the person or firm; prohibit the person or firm from preparing tax returns or reporting on financial statements; limit the scope of practice of any licensee; limit privileges under section 326A.14; refuse to permit a person to sit for examination; or refuse to release the person's examination grades if the board finds that the order is in the public interest and that, based on a preponderance of the evidence presented, the person or firm:

(1) has violated a statute, rule, or order that the board has issued or is empowered to enforce;

(2) has engaged in conduct or acts that are fraudulent, deceptive, or dishonest whether or not the conduct or acts relate to performing or offering to perform professional services, providing that the fraudulent, deceptive, or dishonest conduct or acts reflect adversely on the person's or firm's ability or fitness to provide professional services;

(3) has engaged in conduct or acts that are negligent or otherwise in violation of the standards established by board rule, where the conduct or acts relate to providing professional services, including in the filing or failure to file the licensee's income tax returns;

(4) has been convicted of, has pled guilty or nolo contendere to, or has been sentenced as a result of the commission of a felony or crime, an element of which is dishonesty or fraud; has been shown to have or admitted to having engaged in acts or practices tending to show that the person or firm is incompetent; or has engaged in conduct reflecting adversely on the person's or firm's ability or fitness to provide professional services, whether or not a conviction was obtained or a plea was entered or withheld and whether or not dishonesty or fraud was an element of the conduct;

(5) employed fraud or deception in obtaining a certificate, permit, registration, practice privileges, renewal, or reinstatement or in passing all or a portion of the examination;

(6) has had the person's or firm's permit, registration, practice privileges, certificate, right to examine, or other similar authority revoked, suspended, canceled, limited, or not renewed for cause, or has committed unprofessional acts for which the person or firm was otherwise disciplined or sanctioned, including, but not limited to, being ordered to or agreeing to cease and desist from prescribed conduct, in any state or any foreign country;

(7) has had the person's or firm's right to practice before any federal, state, other government agency, or Public Company Accounting Oversight Board revoked, suspended, canceled, limited, or not renewed for cause, or has committed unprofessional acts for which the person or firm was otherwise disciplined or sanctioned, including, but not limited to, being ordered to or agreeing to cease and desist from prescribed conduct;

(8) failed to meet any requirement for the issuance or renewal of the person's or firm's certificate, registration or permit, or for practice privileges;

(9) with respect to temporary suspension orders, has committed an act, engaged in conduct, or committed practices that may result or may have resulted, in the opinion of the board or the complaint committee if authorized by the board, in an immediate threat to the public;

(10) has engaged in any conduct reflecting adversely upon the person's or firm's fitness to perform services while a licensee, individual granted privileges under section 326A.14, or a person registered under section 326A.06, paragraph (b); or

(11) has, prior to a voluntary surrender of a certificate or permit to the board, engaged in conduct which at any time resulted in the discipline or sanction described in clause (6) or (7).

(b) In lieu of or in addition to any remedy provided in paragraph (a), the board, or the complaint committee if authorized by the board, may require, as a condition of continued possession of a certificate, a registration, or practice privileges, termination of suspension, reinstatement of permit, registration of a person or firm or of practice privileges under section 326A.14, a certificate, an examination, or release of examination grades, that the person or firm:

(1) submit to a peer review of the person's or firm's ability, skills, or quality of work, conducted in a fashion and by persons, entity, or entities as required by the board; and

(2) complete to the satisfaction of the board continuing professional education courses specified by the board.

(c) ~~Service of the order is effective if the order is served on the person, firm, or counsel of record personally or by certified mail to the most recent address provided to the board for the person, firm, or counsel of record.~~ may be by first class United States mail, including certified United States mail, or overnight express mail service, postage prepaid and addressed to the party at the party's last known address. Service by United States mail, including certified mail, is complete upon placing the order in the mail or otherwise delivering the order to the United States mail service. Service by overnight express mail service is complete upon delivering the order to an authorized agent of the express mail service. The order shall state the reasons for the entry of the order.

(d) All hearings required by this subdivision must be conducted in accordance with chapter 14 except with respect to temporary suspension orders as provided for in subdivision 6.

(e) In addition to the remedies authorized by this subdivision, the board, or the complaint committee if authorized by the board, may enter into an agreement with the person or firm for corrective action and may unilaterally issue a warning to a person or firm.

(f) The board shall not use agreements for corrective action or warnings in any situation where the person or firm has been convicted of or pled guilty or nolo contendere to a felony or crime and the felony or crime is the basis of the board's action against the person or firm, where the conduct of the person or firm indicates a pattern of related violations of paragraph (a) or the rules of the board, or where the board concludes that the conduct of the person or firm will not be deterred other than by disciplinary action under this subdivision or subdivision 4 or 6.

(g) Agreements for corrective action may be used by the board, or the complaint committee if authorized by the board, where the violation committed by the person or firm does not warrant disciplinary action pursuant to this subdivision or subdivision 4 or 6, but where the board, or the complaint committee if authorized by the board, determines that corrective action is required to prevent further such violations and to otherwise protect the public. Warnings may be used by the board, or the complaint committee if authorized by the board, where the violation of the person or firm is de minimus, does not warrant disciplinary action under this subdivision or subdivision 4 or 6, and does not require corrective action to protect the public.

(h) Agreements for corrective action must not be considered disciplinary action against the person's or firm's application, permit, registration or certificate, or practice privileges under section 326A.14. However, agreements for corrective action are public data. Warnings must not be considered disciplinary action against the person's or firm's application, permit, registration, or certificate or person's practice privileges and are private data.

Sec. 7. Minnesota Statutes 2018, section 326A.08, is amended by adding a subdivision to read:

Subd. 10. **Actions against lapsed license, certificate, or permit.** If a person's or firm's permit, registration, practice privileges, license, certificate, or other similar authority lapses, expires, is surrendered, withdrawn, terminated, canceled, limited, not renewed, or otherwise becomes invalid, the board may institute a proceeding under this subdivision within two years after the date the license, certificate, or permit was last effective and enter a revocation or suspension order as of the last date on which the license, certificate, or permit was in effect, or impose a civil penalty as provided for in subdivision 7.

Sec. 8. Minnesota Statutes 2018, section 326A.10, is amended to read:

### **326A.10 UNLAWFUL ACTS.**

(a) Only a licensee and individuals who have been granted practice privileges under section 326A.14 may issue a report on financial statements of any person, firm, organization, or governmental unit that results from providing attest services, or offer to render or render any attest service. Only a certified public accountant, an individual who has been granted practice privileges under section 326A.14, a CPA firm, or, to the extent permitted by board rule, a person registered under section 326A.06, paragraph (b), may issue a report on financial statements of any person, firm, organization, or governmental unit that results from providing compilation services or offer to render or render any compilation service. These restrictions do not prohibit any act of a public official or public employee in the performance of that person's duties or prohibit the performance by any nonlicensee of other services involving the use of accounting skills, including the preparation of tax returns, management advisory services, and the preparation of financial statements without the issuance of reports on them. Nonlicensees may prepare financial statements and issue nonattest transmittals or information on them which do not purport to be in compliance with the Statements on Standards for

Accounting and Review Services (SSARS). Nonlicensees registered under section 326A.06, paragraph (b), may, to the extent permitted by board rule, prepare financial statements and issue nonattest transmittals or information on them.

(b) Licensees and individuals who have been granted practice privileges under section 326A.14 performing attest or compilation services must provide those services in accordance with professional standards. To the extent permitted by board rule, registered accounting practitioners performing compilation services must provide those services in accordance with standards specified in board rule.

(c) A person who does not hold a valid certificate issued under section 326A.04 or a practice privilege granted under section 326A.14 shall not use or assume the title "certified public accountant," the abbreviation "CPA," or any other title, designation, words, letters, abbreviation, sign, card, or device tending to indicate that the person is a certified public accountant.

(d) A firm shall not provide attest services or assume or use the title "certified public accountants," the abbreviation "CPA's," or any other title, designation, words, letters, abbreviation, sign, card, or device tending to indicate that the firm is a CPA firm unless (1) the firm has complied with section 326A.05, and (2) ownership of the firm is in accordance with this chapter and rules adopted by the board.

(e) A person or firm that does not hold a valid certificate or permit issued under section 326A.04 or 326A.05 or has not otherwise complied with section 326A.04 or 326A.05 as required in this chapter shall not assume or use the title "certified accountant," "chartered accountant," "enrolled accountant," "licensed accountant," "registered accountant," "accredited accountant," "accounting practitioner," "public accountant," "licensed public accountant," or any other title or designation likely to be confused with the title "certified public accountant," or use any of the abbreviations "CA," "LA," "RA," "AA," "PA," "AP," "LPA," or similar abbreviation likely to be confused with the abbreviation "CPA." The title "enrolled agent" or "EA" may only be used by individuals so designated by the Internal Revenue Service.

(f) Persons registered under section 326A.06, paragraph (b), may use the title "registered accounting practitioner" or the abbreviation "RAP." A person who does not hold a valid registration under section 326A.06, paragraph (b), shall not assume or use such title or abbreviation.

(g) Except to the extent permitted in paragraph (a), nonlicensees may not use language in any statement relating to the financial affairs of a person or entity that is conventionally used by licensees in reports on financial statements or on an attest service. In this regard, the board shall issue by rule safe harbor language that nonlicensees may use in connection with such financial information. A person or firm that does not hold a valid certificate or permit, or a registration issued under section 326A.04, 326A.05, or 326A.06, paragraph (b), or has not otherwise complied with section 326A.04 or 326A.05 as required in this chapter shall not assume or use any title or designation that includes the word "accountant" or "accounting" in connection with any other language, including the language of a report, that implies that the person or firm holds such a certificate, permit, or registration or has special competence as an accountant. A person or firm that does not hold a valid certificate or permit issued under section 326A.04 or 326A.05 or has not otherwise complied with section 326A.04 or 326A.05 as required in this chapter shall not assume or use any title or designation that includes the word "auditor" in connection with any other language, including the language of a report, that implies that the person or firm holds such a certificate or permit or has special competence as an auditor. However, this paragraph does not prohibit any officer, partner, member, manager, or employee of any firm or organization from affixing that person's own signature to any statement in reference to the financial affairs of such firm or organization with any wording designating the position, title, or office that the person holds, nor prohibit any act of a public official or employee in the performance of the person's duties as such.

(h)(1) No person holding a certificate or registration or firm holding a permit under this chapter shall use a professional or firm name or designation that is misleading about the legal form of the firm, or about the persons who are partners, officers, members, managers, or shareholders of the firm, or about any other matter. However, names of one or more former partners, members, managers, or shareholders may be included in the name of a firm or its successor.

(2) A common brand name or network name part, including common initials, used by a CPA firm in its name, is not misleading if the firm is a network firm as defined in the American Institute of Certified Public Accountants (AICPA) Code of Professional Conduct ~~in effect July 1, 2011~~ incorporated by reference in Minnesota Rules, part 1105.0250, and when offering or rendering services that require independence under AICPA standards, the firm must comply with the AICPA code's applicable standards on independence.

(i) Paragraphs (a) to (h) do not apply to a person or firm holding a certification, designation, degree, or license granted in a foreign country entitling the holder to engage in the practice of public accountancy or its equivalent in that country, if:

(1) the activities of the person or firm in this state are limited to the provision of professional services to persons or firms who are residents of, governments of, or business entities of the country in which the person holds the entitlement;

(2) the person or firm performs no attest or compilation services and issues no reports with respect to the information of any other persons, firms, or governmental units in this state; and

(3) the person or firm does not use in this state any title or designation other than the one under which the person practices in the foreign country, followed by a translation of the title or designation into English, if it is in a different language, and by the name of the country.

(j) No holder of a certificate issued under section 326A.04 may perform attest services through any business form that does not hold a valid permit issued under section 326A.05.

(k) No individual licensee may issue a report ~~in standard form~~ upon a compilation of financial information through any form of business that does not hold a valid permit issued under section 326A.05, unless the report discloses the name of the business through which the individual is issuing the report, and the individual:

(1) signs the compilation report identifying the individual as a certified public accountant;

(2) meets the competency requirement provided in applicable standards; and

(3) undergoes no less frequently than once every three years, a peer review conducted in a manner specified by the board in rule, and the review includes verification that the individual has met the competency requirements set out in professional standards for such services.

(l) No person registered under section 326A.06, paragraph (b), may issue a report ~~in standard form~~ upon a compilation of financial information unless the board by rule permits the report and the person:

(1) signs the compilation report identifying the individual as a registered accounting practitioner;

(2) meets the competency requirements in board rule; and

(3) undergoes no less frequently than once every three years a peer review conducted in a manner specified by the board in rule, and the review includes verification that the individual has met the competency requirements in board rule.

(m) Nothing in this section prohibits a practicing attorney or firm of attorneys from preparing or presenting records or documents customarily prepared by an attorney or firm of attorneys in connection with the attorney's professional work in the practice of law.

(n) The board shall adopt rules that place limitations on receipt by a licensee or a person who holds a registration under section 326A.06, paragraph (b), of:

- (1) contingent fees for professional services performed; and
- (2) commissions or referral fees for recommending or referring to a client any product or service.

(o) Anything in this section to the contrary notwithstanding, it shall not be a violation of this section for a firm not holding a valid permit under section 326A.05 and not having an office in this state to provide its professional services in this state so long as it complies with the applicable requirements of section 326A.05, subdivision 1.
