The paper registration application may include the voter's email address, if provided by the voter. The electronic voter registration application must include the voter's email address. The registration application may include the voter's interest in serving as an election judge, if indicated by the voter. The application must also contain the following certification of voter eligibility:

"I certify that I:

- (1) will be at least 18 years old on election day;
- (2) am a citizen of the United States;
- (3) will have resided in Minnesota for 20 days immediately preceding election day;

- (5) am not under court-ordered guardianship in which the court order revokes my right to vote;
- (6) have not been found by a court to be legally incompetent to vote;

The certification must include boxes for the voter to respond to the following questions:

"(1) Are you a citizen of the United States?" and

"(2) Will you be 18 years old on or before election day?"

And the instruction:

"If you checked 'no' to either of these questions, do not complete this form."

The form of the voter registration application and the certification of voter eligibility must be as provided in this subdivision and approved by the secretary of state. Voter registration forms authorized by the National Voter Registration Act must also be accepted as valid. The federal postcard application form must also be accepted as valid if it is not deficient and the voter is eligible to register in Minnesota.

An individual may use a voter registration application to apply to register to vote in Minnesota or to change information on an existing registration.

Sec. 3. [201.276] DUTIES OF SECRETARY OF STATE; INFORMATION ABOUT VOTING RIGHTS.
