CHAPTER 71--H.F.No. 670

An act relating to capital investment; authorizing spending to acquire and better land and buildings and for other improvements of a capital nature with certain conditions; establishing and modifying programs; modifying requirements for certain projects and procedures; canceling prior appropriations; appropriating money; amending Minnesota Statutes 2022, sections 15B.03, subdivision 4; 16A.966, subdivision 2; 116J.435, subdivisions 1, 7; 134.45, subdivision 5; 240A.20, subdivisions 1, 3, by adding subdivisions; 256E.37, subdivision 1; repealing Minnesota Statutes 2022, sections 16A.93; 16A.94; 16A.96.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

ARTICLE 1

APPROPRIATIONS

Section 1. **CAPITAL IMPROVEMENT APPROPRIATIONS.**

(a) The sums shown in the column under "Appropriations" are appropriated from the general fund in fiscal year 2024 to the state agencies or officials indicated, to be spent for public purposes. These are onetime appropriations. Money appropriated in this act is available until the project is completed or abandoned, subject to Minnesota Statutes, section 16A.642.

(b) For any project funded in whole or in part by this act, workers on the project must be paid at least the prevailing wage rate as defined in Minnesota Statutes, section 177.42, subdivision 6, and the project is subject to the requirements and enforcement provisions in Minnesota Statutes, sections 177.27, 177.30, 177.32, and 177.41 to 177.45. For the purposes of this act, "project" means demolition, erection, construction, remodeling, or repairing of a public building, facility, or other public work financed in whole or part by state funds. Project also includes demolition, erection, construction, remodeling, or repairing of a building, facility, or public work when the acquisition of property, predesign, design, or demolition is financed in whole or in part by state funds.

(c) Money appropriated in this act: (1) is available for a grant after the commissioner of management and budget determines that an amount sufficient to complete the project as described in this act has been committed to the project, as required by Minnesota Statutes, section 16A.502; and (2) may be used to pay state agency staff costs that are attributed directly to the capital program or project for capitalizable staff costs.

(d) The sustainable building guidelines under Minnesota Statutes, section 16B.325, are mandatory for all new buildings and major renovations owned or to be owned by the state, state agencies, Minnesota State Colleges and Universities, and the University of Minnesota that are funded with an appropriation in this act.

(e) Recipients of grants from money appropriated in this act must demonstrate to the commissioner of the agency making the grant that the recipient has the ability and a plan to fund the program intended for the facility. This paragraph does not apply to state agencies.

APPROPRIATIONS

Sec. 2. **NATURAL RESOURCES**

Subdivision 1. **Total Appropriation** **$** **14,116,000**

(a) To the commissioner of natural resources for the purposes specified in this section.

(b) The appropriations in this section are subject to the requirements of the natural resources capital improvement program under Minnesota Statutes, section 86A.12, unless this section or the statutes referred to in this section provide more specific standards, criteria, or priorities for projects than Minnesota Statutes, section 86A.12.

Subd. 2. **Community Tree Planting Grants** 1,663,000

For grants to cities, counties, townships, Tribal governments, and park and recreation boards in cities of the first class, to remove and plant shade trees on public or Tribal land to provide environmental benefits; to replace trees lost to forest pests, disease, or storm; or to establish a more diverse community forest better able to withstand disease and forest pests. For purposes of this appropriation, "shade tree" means a woody perennial grown primarily for aesthetic or environmental purposes with minimal to residual timber value. Any tree planted with money under this subdivision must be a climate-adapted species to Minnesota.

Subd. 3. **Canisteo Legacy Mine Pit Complex** 8,875,000

(a) For the acquisition of land or interests in land and for construction of publicly owned infrastructure to mitigate the imminent threat to public safety, property, and regional water quality from the rising water at the Canisteo legacy mine pit complex.

(b) Upon substantial completion of the project authorized in this subdivision and after written notice to the commissioner of management and budget, the commissioner of natural resources may use any money remaining in this appropriation to design, engineer, and construct publicly owned water mitigation

infrastructure at the Hill annex open pit mining complex.

(c) Notwithstanding Minnesota Statutes, sections 92.50 and 282.04, or other law to the contrary, the commissioner and the county may enter into leases for this project for a term that is consistent with meeting project needs. A lease entered into under this subdivision must include a provision that provides for the amendment or termination of the lease when (1) the commissioner of natural resources determines that the project is no longer needed to serve the intended purpose or identifies a more effective alternative to the constructed project; or (2) mining operations are fully permitted to resume in all or part of the property acquired or improved with this appropriation.

Subd. 4. **Grant Administration** 209,000

For administration of direct grants funded with an appropriation in bills that appropriate money for capital investment projects.

Subd. 5. **Glendalough State Park** 200,000

To complete the paved multipurpose trail from the bridge at the northwest corner of Annie Battle Lake to the park entrance at Glendalough State Park established under Minnesota Statutes, section 85.012, subdivision 23a.

Subd. 6. **All-Terrain Vehicle Trail Systems** 1,294,000

(a) For capital improvements to the Voyageur Country, Prospector Loop, and Quad Cities all-terrain vehicle trail systems in the counties of St. Louis, Lake, and Koochiching. This appropriation is exempt from the requirements under Minnesota Statutes, section 16A.86, subdivision 4.

(b) $844,000 of this appropriation is for acquisition of real property, predesign, design, and construction of alignment and extension of the Voyageur Country all-terrain vehicle trail.

(c) $450,000 of this appropriation is for predesign, design, and construction of capital improvements to and extension of the Prospector all-terrain vehicle trail

to create a trail connection point at the Pfeiffer Lake recreation area.

(d) $50,000 of this appropriation is for predesign, design, and construction of capital improvements to the Quad Cities all-terrain vehicle trail to repair erosion damage, improve storm water management, and widen the trail.

(e) Any unexpended amount for a project described in paragraph (b), (c), or (d) that has been substantially completed may be applied to any other project described in this subdivision.

Subd. 7. **Rochester; Willow Creek Trail** 1,875,000

For a grant to the city of Rochester to predesign, design, engineer, construct, furnish, and equip a paved trail to extend the Rochester Trail network approximately 2.5 miles from 28th Street SE to Gamehaven Regional Park and the future extension of the Bluestem Trail to Stewartville. This project includes a trail crossing under U.S. Highway 52, property/easement acquisition, trail rehabilitation, creek crossing, trail construction, installation of trail wayfinding and rest areas, and a trailhead located at Gamehaven Regional Park.

Subd. 8. **Unspent Appropriations**

The unspent portion of an appropriation for a project in this section that is complete, upon written notice to the commissioner of management and budget, is available for asset preservation under Minnesota Statutes, section 84.946. Minnesota Statutes, section 16A.642, applies from the date of the original appropriation to the unspent amount transferred.

Sec. 3. **POLLUTION CONTROL AGENCY**

Subdivision 1. **Total Appropriation** **$** **47,728,000**

To the Pollution Control Agency for the purposes specified in this section.

Subd. 2. **Pope-Douglas Solid Waste Management; Materials Recovery Facility** 12,833,000

For a grant to the Pope-Douglas Solid Waste Management Joint Powers Board under the solid waste capital assistance grant program under Minnesota Statutes, section 115A.54, to predesign, design, and construct the renovation of the existing Material Recovery Facility to add additional space for the installation of advanced processing equipment with the ability to process raw incoming municipal solid waste with the capability to switch over to processing single sort recycling. This appropriation is notwithstanding the maximum amount of grant assistance for a project under Minnesota Statutes, section 115A.54, and is in addition to the appropriation made in Laws 2020, Fifth Special Session chapter 3, article 1, section 8, subdivision 4.

Subd. 3. **Andover; Drinking Water Contamination Mitigation** 6,100,000

(a) For a grant to the city of Andover for the design and construction of new municipal water mains, new water service lines on private property that connect to the municipal water mains, and for capping private wells in the city's Red Oaks neighborhood where testing has found contamination in private drinking water wells.

(b) Notwithstanding Minnesota Statutes, section 115B.17, subdivisions 6 and 16, any money recovered by the Pollution Control Agency in a civil action for expenses paid under this appropriation shall be transferred to the commissioner of management and budget for deposit in the general fund.

Subd. 4. **Hennepin County; Anaerobic Digester** 26,000,000

For a grant to Hennepin County to predesign, design, construct, furnish, and equip a new anaerobic digestion facility in the city of Brooklyn Park.

This appropriation is not available until Hennepin County submits a plan for the cessation of operations at the Hennepin Energy Recovery Center to the chairs and ranking minority members of the legislative committees with primary jurisdiction over capital investment and environment and natural resources.

Subd. 5. **Todd County; Solid Waste Facility** 2,795,000

For a grant to Todd County under the solid waste capital assistance grant program under Minnesota Statutes, section 115A.54, to design, construct, and equip a new solid waste transfer station and household hazardous waste facility. This appropriation is in addition to the appropriation in Laws 2020, Fifth Special Session chapter 3, article 1, section 8, subdivision 8, for the same purpose.

Sec. 4. **BOARD OF WATER AND SOIL RESOURCES** **$** **1,500,000**

To the Board of Water and Soil Resources for one or more grants to local governments for the state's share of a grant for capital improvements to prevent or alleviate flood damage in Area II of the Minnesota River Basin. This appropriation is not available until the board determines that $1 has been committed from nonstate sources for every $3 of state grant funding.

Sec. 5. **AGRICULTURE** **$** **73,000**

To the commissioner of administration to design, construct, and equip the renovation and repair of the plant protection division's potato inspection facility located in East Grand Forks. This appropriation may also be used to design and complete hazardous materials abatement.

ARTICLE 2

MISCELLANEOUS

Section 1. Minnesota Statutes 2022, section 15B.03, subdivision 4, is amended to read:

Subd. 4. **Executive secretary, employees, contractors.** (a) The chair of the board must appoint an executive secretary to serve the board. The chair must consult with the board before making an appointment. The executive secretary serves in the unclassified service.

(b) The board may employ any other officers and employees it considers necessary. Those employed under this paragraph are in the state classified civil service.

(c) The board may contract for professional and other similar services on the terms it considers desirable.

Sec. 2. Minnesota Statutes 2022, section 16A.966, subdivision 2, is amended to read:

Subd. 2. **Authorization to issue appropriation bonds.** (a) Subject to the limitations of this subdivision, the commissioner may sell and issue appropriation bonds of the state under this section for public purposes as provided by law, including for the purposes of financing the cost of implementing removal or remedial actions permitted under section 115B.17 and further subject to the conditions in chapter 115B to address risks to human health and the environment at contaminated sites. Appropriation bonds may be sold and issued in amounts that, in the opinion of the commissioner, are necessary to provide sufficient money to the commissioner of the Pollution Control Agency under subdivision 7, not to exceed $30,400,000 net of costs of issuance, for the purposes as provided under this subdivision, and to pay debt service including capitalized interest, costs of issuance, costs of credit enhancement, or make payments under other agreements entered into under paragraph (d). Notwithstanding section 115B.17, subdivision 6 or 16, any money recovered in a civil action or any money received from the disposition of property acquired for a response action and financed with bonds under this section shall be transferred to the commissioner and applied toward principal and interest on outstanding bonds.

(b) Proceeds of the appropriation bonds must be credited to a special appropriation state response to releases bond proceeds fund in the state treasury. All income from investment of the bond proceeds, as estimated by the commissioner, is appropriated to the commissioner for the payment of principal and interest on the appropriation bonds.

(c) Appropriation bonds may be issued in one or more issues or series on the terms and conditions the commissioner determines to be in the best interests of the state, but the term on any series of appropriation bonds may not exceed 21 years. The appropriation bonds of each issue and series thereof shall be dated and bear interest, and may be includable in or excludable from the gross income of the owners for federal income tax purposes.

(d) At the time of, or in anticipation of, issuing the appropriation bonds, and at any time thereafter, so long as the appropriation bonds are outstanding, the commissioner may enter into agreements and ancillary arrangements relating to the appropriation bonds, including but not limited to trust indentures, grant agreements, lease or use agreements, operating agreements, management agreements, liquidity facilities, remarketing or dealer agreements, letter of credit agreements, insurance policies, guaranty agreements, reimbursement agreements, indexing agreements, or interest exchange agreements. Any payments made or received according to the agreement or ancillary arrangement shall be made from or deposited as provided in the agreement or ancillary arrangement. The determination of the commissioner included in an interest exchange agreement that the agreement relates to an appropriation bond shall be conclusive.

(e) The commissioner may enter into written agreements or contracts relating to the continuing disclosure of information necessary to comply with or facilitate the issuance of appropriation bonds in accordance with federal securities laws, rules, and regulations, including Securities and Exchange Commission rules and regulations in Code of Federal Regulations, title 17, section 240.15c 2-12. An agreement may be in the form of covenants with purchasers and holders of appropriation bonds set forth in the order or resolution authorizing the issuance of the appropriation bonds, or a separate document authorized by the order or resolution.

(f) The appropriation bonds are not subject to chapter 16C.

(g) Notwithstanding section 16A.642, the bond authorization and appropriation of bond proceeds for this project are available until December 31, 2027.

Sec. 3. Minnesota Statutes 2022, section 116J.435, subdivision 1, is amended to read:

Subdivision 1. **Creation of account.** (a) An innovative business development public infrastructure account is created in the bond proceeds fund. Money in the account may only be used for capital costs of public infrastructure for eligible innovative business development projects.

(b) An innovative business development public infrastructure account is created in the general fund. The account consists of funds as provided by law and any other money donated, allotted, transferred, or otherwise provided to the account. Money in the account may only be expended on a project receiving financial assistance as provided under this section.

Sec. 4. Minnesota Statutes 2022, section 116J.435, subdivision 7, is amended to read:

Subd. 7. **Repayment of grant.** If an eligible project supported by public infrastructure funded with a grant awarded under this section is not occupied by an innovative business in accordance with the grant application under subdivision 4 within five years after the date of the last grant payment, the grant recipient must repay the amount of the grant received. The commissioner must deposit all money received under this subdivision into the state treasury and credit it to the debt service account in the state bond fund if the grant was funded with state general obligation bond proceeds or to the general fund if the grant was funded with money from the general fund.

Sec. 5. Minnesota Statutes 2022, section 134.45, subdivision 5, is amended to read:

Subd. 5. **Qualification; accessibility grants.** A public library jurisdiction may apply for a grant in an amount up to ~~$300,000~~ $450,000 or 50 percent of the approved costs of removing architectural barriers from a building or site, whichever is less. Grants may be made only for projects in existing buildings used as a library, or to prepare another existing building for use as a library. Renovation of an existing building may include an addition to the building if the additional space is necessary to provide accessibility or if relocating public spaces to the ground level provides improved overall accessibility. Grants must not be used to pay part of the cost of meeting accessibility requirements in a new building.

Sec. 6. Minnesota Statutes 2022, section 240A.20, subdivision 1, is amended to read:

Subdivision 1. **Definition.** For purposes of this section, "skate" means wheeled, nonmotorized recreation, including skateboarding, roller blading, ~~and~~ roller skating, and ~~not including cycling or~~ BMX biking.

Sec. 7. Minnesota Statutes 2022, section 240A.20, subdivision 3, is amended to read:

Subd. 3. **Criteria for grants to local units of government for public skate parks.** (a) The commission shall administer a site selection process for the skate parks. The commission shall invite proposals from cities ~~or~~, towns, counties ~~or~~, consortia of cities, park boards, and school districts that are eligible to receive a grant under this program. A proposal for a skate park must include matching contributions including in-kind contributions of land, access roadways and access roadway improvements, and necessary utility services, landscaping, and parking.

(b) The skate park must be accessible to the public without charge for personal use.

(c) The skate park must be constructed of concrete.

~~(b)~~ (d) The location for all proposed facilities must be in areas of maximum demonstrated interest and must maximize accessibility to an arterial highway, transit, or pedestrian or bike path.

~~(c)~~ (e) To the extent possible, all proposed facilities must be dispersed equitably, must be located to maximize potential for full utilization, must accommodate noncompetitive family and community skating for all ages, and must encourage use of skate parks by a diverse population.

~~(d)~~ (f) The commission will give priority to proposals that come from more than one local government unit.

~~(e)~~ (g) The commission may also use the money to upgrade~~, rehabilitate, or renovate~~ current facilities.

~~(f)~~ (h) To the extent possible, 50 percent of all grants must be awarded to communities in greater Minnesota.

~~(g)~~ (i) A grant awarded under subdivision 2, clause (2), may not exceed ~~$250,000~~ $500,000 unless the grantee demonstrates that the facility will have a regional or statewide draw. A grant awarded under subdivision 2, clause (2), may be for up to ~~$750,000~~ $1,000,000 for a skate park with regional impact. A grant awarded under subdivision 2, clause (2), may be for up to $2,000,000 for a skate park ~~with statewide draw~~ that has or will have more than 40,000 square feet.

~~(h)~~ (j) In selecting projects to be awarded grants under this section, the commission must give priority to those projects that are ~~designated~~ designed by experts in the field of concrete skate park design and are to be constructed by professionals with experience in the construction of concrete skate parks.

~~(i)~~ (k) To be eligible for a grant under this section, a local government must have engaged or must commit to engage youth in the planning, design, and programming for the concrete skate park.

Sec. 8. Minnesota Statutes 2022, section 240A.20, is amended by adding a subdivision to read:

Subd. 6. **Awarding a design-build contract.** Notwithstanding section 471.345, cities, towns, counties, park boards, and school districts may solicit and award a design-build or construction manager at-risk contract for a construction or upgrade project funded under this section on the basis of a best value selection process. The city, town, county, park board, or school district must consider at least three proposals when awarding a design-build contract under this section.

Sec. 9. Minnesota Statutes 2022, section 240A.20, is amended by adding a subdivision to read:

Subd. 7. **Availability of funds.** A grant of money from an appropriation under this program is available to each grantee until the project that is the subject of the grant is completed or abandoned, subject to section 16A.642.

Sec. 10. Minnesota Statutes 2022, section 256E.37, subdivision 1, is amended to read:

Subdivision 1. **Grant authority.** The commissioner may make grants to state agencies and political subdivisions to construct or rehabilitate facilities for early childhood programs, crisis nurseries, or parenting time centers. The following requirements apply:

(1) The facilities must be owned by the state or a political subdivision, but may be leased under section 16A.695 to organizations that operate the programs. The commissioner must prescribe the terms and conditions of the leases.

(2) A grant for an individual facility must not exceed $500,000 for each program that is housed in the facility, up to a maximum of $2,000,000 for a facility that houses three programs or more. Programs include Head Start, School Readiness, Early Childhood Family Education, licensed child care, and other early childhood intervention programs.

(3) State appropriations must be matched on a 50 percent basis with nonstate funds. The matching requirement must apply program wide and not to individual grants.

~~(4) At least 80 percent of grant funds must be distributed to facilities located in counties not included in the definition under section 473.121, subdivision 4.~~

Sec. 11. **CAPITOL AREA LAND USE PROJECTS; ZONING AND DESIGN.**

Minnesota Statutes, sections 15B.05, subdivision 3; 15B.06; 15B.08; and 16B.31, subdivision 4, and any rules adopted under the authority of those sections, do not apply to any project to address critical health, life safety, and security needs on the State Capitol complex and for which funds are available on or before December 31, 2023, if the primary affected tenant has given final approval to the project.

Sec. 12. **CONVEYANCE AUTHORIZED; AMATEUR SPORTS COMMISSION.**

Subdivision 1. **National Sports Center.** The Minnesota Amateur Sports Commission may sell no more than 2.5 acres of land situated at the National Sports Center in Blaine, Minnesota, and identified as 10610 Nassau Street NE, Blaine, Minnesota, legally described in subdivision 3, to the city of Blaine or the Blaine Economic Development Authority provided that such sale must be completed in accordance with the provisions contained in Minnesota Statutes, section 16A.695.

Subd. 2. **Appropriation.** Upon completion of the sale, an amount of funds equal to the net proceeds of the sale are appropriated to the Minnesota Amateur Sports Commission from the state's general fund in fiscal year 2024 for use thereby for public improvements of a capital nature at the National Sports Center in Blaine, Minnesota. This appropriation is onetime and is contingent on the sale of the land and the commissioner of management and budget receiving all net proceeds from the sale of the land, estimated to be $433,000, by June 30, 2024. This appropriation is available until the project is completed or abandoned, subject to Minnesota Statutes, section 16A.642.

Subd. 3. **Description.** The real property to be conveyed is located in Anoka County and is legally described as:

Lot 2, Block 1, Northeast NSC Extension, Anoka County, Minnesota.

Sec. 13. **REPEALER.**

Minnesota Statutes 2022, sections 16A.93; 16A.94; and 16A.96, are repealed.

Sec. 14. **EFFECTIVE DATE.**

Except as otherwise specified, this article is effective the day following final enactment.

Presented to the governor May 30, 2023

Signed by the governor June 1, 2023, 1:15 p.m.
