Sec. 2. **OUTDOOR HERITAGE FUND**

<u>Subdivision 1. Total Appropriation</u>	<u>\$</u>	<u>162,111,000</u>	<u>\$</u>	<u>775,000</u>
--	-----------	--------------------	-----------	----------------

This appropriation is from the outdoor heritage fund.
The amounts that may be spent for each purpose are
specified in the following subdivisions.

<u>Subd. 2. Prairies</u>		<u>33,432,000</u>		<u>-0-</u>
---------------------------------	--	-------------------	--	------------

(a) Martin County DNR WMA Acquisition, Phase 9

\$1,332,000 the first year is to the commissioner of
natural resources for agreements to acquire land in fee
and restore and enhance strategic prairie grassland,
wetland, and other wildlife habitat in Martin County

for wildlife management area purposes under Minnesota Statutes, section 86A.05, subdivision 8, as follows: \$970,000 to Fox Lake Conservation League, Inc., \$327,000 to Ducks Unlimited, and \$35,000 to the Conservation Fund.

(b) Prairie Chicken Habitat Partnership of the Southern Red River Valley, Phase 11

\$3,607,000 the first year is to the commissioner of natural resources for an agreement with Pheasants Forever, in cooperation with the Minnesota Prairie Chicken Society, to acquire land in fee and restore and enhance lands in the southern Red River Valley for wildlife management purposes under Minnesota Statutes, section 86A.05, subdivision 8, or to be designated and managed as waterfowl production areas in Minnesota, in cooperation with the United States Fish and Wildlife Service. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquisitions of lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie.

(c) RIM Grasslands Reserve, Phase 6

\$3,375,000 the first year is to the Board of Water and Soil Resources to acquire permanent conservation easements and to restore and enhance grassland habitat under Minnesota Statutes, sections 103F.501 to 103F.531. Of this amount, up to \$70,000 is to establish a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. Subdivision 8, paragraph (b), does not apply to this project. A list of permanent conservation easements must be provided as part of the final report.

(d) RIM Buffers for Wildlife and Water, Phase 11

\$4,000,000 the first year is to the Board of Water and Soil Resources to acquire permanent conservation easements and restore habitat under Minnesota Statutes, section 103F.515, to protect, restore, and enhance habitat by expanding the riparian buffer program under the clean water fund for additional wildlife benefits from buffers on private land. Of this amount, up to \$60,000 is to establish a monitoring and

enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. Subdivision 8, paragraph (b), does not apply to this project. A list of permanent conservation easements must be provided as part of the final report.

(e) Accelerating the Wildlife Management Area Program, Phase 17

\$4,863,000 the first year is to the commissioner of natural resources for an agreement with Pheasants Forever to acquire in fee and restore and enhance lands for wildlife management area purposes under Minnesota Statutes, section 86A.05, subdivision 8. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquisition of lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie.

(f) Minnesota Prairie Recovery Program, Phase 14

\$2,433,000 the first year is to the commissioner of natural resources for an agreement with The Nature Conservancy to acquire land in fee and restore and enhance native prairie, grasslands, wetlands, and savanna. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquiring lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. Annual income statements and balance sheets for income and expenses from land acquired with this appropriation must be submitted to the Lessard-Sams Outdoor Heritage Council no later than 180 days following the close of The Nature Conservancy's fiscal year. A list of proposed land acquisitions, restorations, and enhancements must be provided as part of the required accomplishment plan and must be consistent with the priorities identified in Minnesota Prairie Conservation Plan.

(g) Northern Tallgrass Prairie National Wildlife Refuge, Phase 15

\$3,658,000 the first year is to the commissioner of natural resources for an agreement with The Nature

Conservancy, in cooperation with the United States Fish and Wildlife Service, to acquire land in fee or permanent conservation easements and to restore and enhance lands in the Northern Tallgrass Prairie Habitat Preservation Area in western Minnesota for addition to the Northern Tallgrass Prairie National Wildlife Refuge. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquiring lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie.

(h) DNR Wildlife Management Area and Scientific and Natural Area Acquisition, Phase 17

\$1,916,000 the first year is to the commissioner of natural resources to acquire in fee and restore and enhance lands for wildlife management purposes under Minnesota Statutes, section 86A.05, subdivision 8, and to acquire land in fee for scientific and natural area purposes under Minnesota Statutes, section 86A.05, subdivision 5. Subject to evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquisition of lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie.

(i) Enhanced Public Land - Grasslands, Phase 8

\$3,440,000 the first year is to the commissioner of natural resources for an agreement with Pheasants Forever to enhance and restore grassland and wetland habitat on public lands in the forest prairie transition, metro urban, and prairie ecoregions of Minnesota.

(j) Accelerating the USFWS Habitat Conservation Easement Program, Phase 5

\$4,808,000 the first year is to the commissioner of natural resources for agreements to restore and enhance wetland and prairie habitat on habitat easements of the United States Fish and Wildlife Service as follows: \$3,100,000 to Ducks Unlimited and \$1,708,000 to Pheasants Forever.

Subd. 3. Forests

(n) DNR Trout Stream Conservation Easements, Phase 4

\$973,000 the first year is to the commissioner of natural resources to acquire land in permanent conservation easements to protect trout-stream aquatic habitat. Of this amount, up to \$120,000 is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17.

(o) Fisheries Habitat Protection on Strategic North-Central Minnesota Lakes, Phase 11

\$2,878,000 the first year is to the commissioner of natural resources for agreements to acquire land in fee and permanent conservation easements and to restore and enhance wildlife habitat to sustain healthy fish habitat on coldwater lakes in Aitkin, Cass, Crow Wing, and Hubbard Counties as follows: \$1,259,000 to Northern Waters Land Trust and \$1,619,000 to Minnesota Land Trust. Up to \$168,000 to Minnesota Land Trust is to establish a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17.

(p) Minnesota Statewide Trout Habitat Enhancement, Phase 2

\$2,124,000 the first year is to the commissioner of natural resources for an agreement with Minnesota Trout Unlimited to restore and enhance habitat for

trout and other species in and along coldwater rivers, lakes, and streams throughout Minnesota.

(q) Restoring and Enhancing Minnesota's Important Bird Areas, Phase 4

\$2,003,000 the first year is to the commissioner of natural resources for an agreement with Audubon Minnesota to restore and enhance wildlife habitat in important bird areas or Minnesota Prairie Conservation Plan Priority areas of northwestern Minnesota.

(r) Fall River Restoration

\$1,318,000 the first year is to the commissioner of natural resources for an agreement with Cook County to restore and enhance coldwater stream habitat in the Fall River in Cook County.

(s) DNR Aquatic Habitat Restoration and Enhancement, Phase 8

\$3,800,000 the first year is to the commissioner of natural resources to restore and enhance aquatic habitat in degraded streams and aquatic management areas and to facilitate fish passage throughout Minnesota.

(t) Rum River Corridor Fish and Wildlife Habitat Enhancement, Phase 3

\$1,356,000 the first year is to the commissioner of natural resources for an agreement with the Anoka County Soil and Water Conservation District to restore and enhance upland and riverine habitat in the Rum River corridor.

(u) DNR Roving Crew, Phase 3

\$12,642,000 the first year is to the commissioner of natural resources to restore and enhance fish and wildlife habitat on permanently protected lands throughout Minnesota using the roving crew program of the Department of Natural Resources.

(v) Conservation Partners Legacy Grant Program: Statewide and Metro Habitat, Phase 17

\$11,716,000 the first year is to the commissioner of natural resources for a program to provide competitive

matching grants of up to \$500,000 to local, regional, state, and national organizations for enhancing, restoring, or protecting forests, wetlands, prairies, or habitat for fish, game, or wildlife in Minnesota. Of this amount, unless not enough eligible grant applications are received, at least \$3,000,000 is for grants in the seven-county metropolitan area and cities with a population of 50,000 or more and at least \$2,620,000 is for grants to applicants that have not previously applied for money from the outdoor heritage fund. Grants must not be made for activities required to fulfill the duties of owners of lands subject to conservation easements. Grants must not be made from the appropriation in this paragraph for projects that have a total project cost exceeding \$1,000,000. Of the total appropriation, \$600,000 may be spent for personnel costs, outreach, and support to first-time applicants and other direct and necessary administrative costs. Grantees may acquire land or interests in land. Easements must be permanent. Grants may not be used to establish easement stewardship accounts. The program must require a match of at least ten percent from nonstate sources for all grants. The match may be cash or in-kind. For grant applications of \$25,000 or less, the commissioner must provide a separate, simplified application process. Subject to Minnesota Statutes, the commissioner of natural resources must, when evaluating projects of equal value, give priority to organizations that have a history of receiving, or a charter to receive, private contributions for local conservation or habitat projects. All restoration or enhancement projects must be on land permanently protected by a permanent covenant ensuring perpetual maintenance and protection of restored and enhanced habitat, by a conservation easement, or by public ownership or in public waters as defined in Minnesota Statutes, section 103G.005, subdivision 15. Priority must be given to restoration and enhancement projects on public lands. Minnesota Statutes, section 97A.056, subdivision 13, applies to grants awarded under this paragraph. This appropriation is available until June 30, 2028. No less than five percent of the amount of each grant must be held back from reimbursement until the grant recipient completes a grant accomplishment report by the deadline and in the form prescribed by and satisfactory to the Lessard-Sams Outdoor Heritage Council. The commissioner must provide notice of the grant program

in the summary of game and fish law prepared under Minnesota Statutes, section 97A.051, subdivision 2.

Subd. 6. Administration

2,043,000

775,000

(a) Contract Management

\$410,000 the first year is to the commissioner of natural resources for contract management duties assigned in this section. The commissioner must provide an accomplishment plan in the form specified by the Lessard-Sams Outdoor Heritage Council on expending this appropriation. The accomplishment plan must include a copy of the grant contract template and reimbursement manual. No money may be expended before the Lessard-Sams Outdoor Heritage Council approves the accomplishment plan. Money appropriated in this paragraph is available until June 30, 2027.

(b) Legislative Coordinating Commission

\$732,000 the first year and \$772,000 the second year are to the Legislative Coordinating Commission for administrative expenses of the Lessard-Sams Outdoor Heritage Council and for compensating and reimbursing expenses of council members. This appropriation is available until June 30, 2027. Minnesota Statutes, section 16A.281, applies to this appropriation.

(c) Technical Evaluation Panel

\$157,000 the first year is to the commissioner of natural resources for a technical evaluation panel to conduct up to 20 restoration and enhancement evaluations under Minnesota Statutes, section 97A.056, subdivision 10. Money appropriated in this paragraph is available until June 30, 2027.

(d) Core Functions in Partner-Led OHF Land Acquisitions

\$740,000 the first year is to the commissioner of natural resources for administering the initial development, restoration, and enhancement of land acquired in fee with money appropriated from the outdoor heritage fund. This appropriation may be used

for land acquisition costs incurred by the department as part of conveyance of parcels to the Department of Natural Resources and initial development activities on fee title acquisitions. Money appropriated in this paragraph is available until June 30, 2033.

(e) Legacy Website

\$4,000 the first year and \$3,000 the second year are to the Legislative Coordinating Commission for the website required under Minnesota Statutes, section 3.303, subdivision 10.

Subd. 7. Availability of Appropriation

(a) Money appropriated in this section may not be spent on activities unless they are directly related to and necessary for a specific appropriation and are specified in the accomplishment plan approved by the Lessard-Sams Outdoor Heritage Council. Money appropriated in this section must not be spent on indirect costs or other institutional overhead charges that are not directly related to and necessary for a specific appropriation. Money appropriated for fee title acquisition of land may be used to restore, enhance, and provide for public use of the land acquired with the appropriation. Public-use facilities must have a minimal impact on habitat in acquired lands.

(b) Money appropriated in this section is available as follows:

(1) money appropriated for acquiring real property is available until June 30, 2029;

(2) money appropriated for restoring and enhancing land acquired with an appropriation in this article is available for four years after the acquisition date with a maximum end date of June 30, 2033;

(3) money appropriated for restoring and enhancing other land is available until June 30, 2030;

(4) notwithstanding clauses (1) to (3), money appropriated for a project that receives at least 15 percent of its funding from federal funds is available until a date sufficient to match the availability of federal funding to a maximum of six years if the

federal funding was confirmed and included in the original approved draft accomplishment plan; and

(5) money appropriated for other projects is available until the end of the fiscal year in which it is appropriated.

Subd. 8. Payment Conditions and Capital Equipment Expenditures

(a) All agreements referred to in this section must be administered on a reimbursement basis unless otherwise provided in this section. Notwithstanding Minnesota Statutes, section 16A.41, expenditures directly related to each appropriation's purpose made on or after July 1, 2025, or the date of accomplishment plan approval, whichever is later, are eligible for reimbursement unless otherwise provided in this section. For the purposes of administering appropriations and legislatively authorized agreements paid out of the outdoor heritage fund, an expense must be considered reimbursable by the administering agency when the recipient presents the agency with an invoice or binding agreement with the landowner and the recipient attests that the goods have been received or the landowner agreement is binding. Periodic reimbursement must be made upon receiving documentation that the items articulated in the accomplishment plan approved by the Lessard-Sams Outdoor Heritage Council have been achieved, including partial achievements as evidenced by progress reports approved by the Lessard-Sams Outdoor Heritage Council. Reasonable amounts may be advanced to projects to accommodate cash flow needs, support future management of acquired lands, or match a federal share. The advances must be approved as part of the accomplishment plan. Capital equipment expenditures for specific items in excess of \$10,000 must be itemized in and approved as part of the accomplishment plan.

(b) Unless otherwise provided, no money appropriated from the outdoor heritage fund in this article may be used to acquire, restore, or enhance any real property unless the specific acquisition, restoration, or enhancement is approved as part of the accomplishment plan on the parcel list.

Subd. 9. Mapping

Each direct recipient of money appropriated in this section, as well as each recipient of a grant awarded under this section, must provide geographic information to the Lessard-Sams Outdoor Heritage Council for mapping of any lands acquired in fee with funds appropriated in this section and open to the public taking of fish and game. The commissioner of natural resources must include the lands acquired in fee with money appropriated in this section on maps showing public recreation opportunities. Maps must include information on and acknowledgment of the outdoor heritage fund, including a notation of any restrictions.

Subd. 10. Carryforward

(a) The availability of the appropriation for Laws 2020, chapter 104, article 1, section 2, subdivision 5, paragraph (b), Metro Big Rivers - Phase X, is extended to June 30, 2026.

(b) The availability of the appropriation for Laws 2020, chapter 104, article 1, section 2, subdivision 5, paragraph (k), St. Louis River Restoration Initiative - Phase VII, is extended to June 30, 2026.

(c) The availability of the appropriation for Laws 2023, chapter 40, article 1, section 2, subdivision 6, paragraph (d), Core Functions in Partner-Led OHF Land Acquisitions, is extended to June 30, 2031.

Subd. 11. Cancellation

\$120,000 of the outdoor heritage fund appropriation in Laws 2020, chapter 104, article 1, section 2, subdivision 2, paragraph (i), is canceled no later than June 29, 2025.

EFFECTIVE DATE. Subdivisions 10 and 11 are effective the day following final enactment.

Sec. 3. Minnesota Statutes 2024, section 97A.056, is amended by adding a subdivision to read:

Subd. 25. Federal grant fund requirements. An interest in real property acquired with money appropriated from the outdoor heritage fund may be used to leverage federal grant funds for related conservation programs, such as Pittman-Robertson Wildlife Restoration, United States Code, title 16, section 669 et seq.; Dingell-Johnson Sport Fish Restoration, United States Code, title 16, section 777 et seq.; and the North American Wetlands Conservation Act, United States Code, title 16, section 4401. These grant

programs may place conditions on land use that require the continued use of the land for conservation purposes. Placement of conditions on land use under these programs does not require prior review and approval of the Lessard-Sams Outdoor Heritage Council or its successor under subdivision 15, paragraph (b).

ARTICLE 2

CLEAN WATER FUND

Section 1. CLEAN WATER FUND APPROPRIATIONS.

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this article. The appropriations are from the clean water fund and are available for the fiscal years indicated for allowable activities under the Minnesota Constitution, article XI, section 15. The figures "2026" and "2027" used in this article mean that the appropriations listed under the figure are available for the fiscal year ending June 30, 2026, or June 30, 2027, respectively. "The first year" is fiscal year 2026. "The second year" is fiscal year 2027. "The biennium" is fiscal years 2026 and 2027. These are onetime appropriations.

Sec. 2. CLEAN WATER FUND

<u>Subdivision 1. Total Appropriation</u>	<u>\$</u>	<u>144,625,000</u>	<u>\$</u>	<u>159,301,000</u>
--	------------------	---------------------------	------------------	---------------------------

This appropriation is from the clean water fund. The amounts that may be spent for each purpose are specified in the following sections.

Subd. 2. Availability of Appropriation

Money appropriated in this article may not be spent on activities unless they are directly related to and necessary for a specific appropriation. Money appropriated in this article must be spent in accordance with Minnesota Management and Budget MMB Guidance to Agencies on Legacy Fund Expenditure. Notwithstanding Minnesota Statutes, section 16A.28, and unless otherwise specified in this article, fiscal year 2026 appropriations are available until June 30, 2027, and fiscal year 2027 appropriations are available until June 30, 2028. If a project receives federal funds,

the period of the appropriation is extended to equal the availability of federal funding.

Subd. 3. Disability Access

Where appropriate, grant recipients of clean water funds, in consultation with the Council on Disability and other appropriate governor-appointed disability councils, boards, committees, and commissions, should make progress toward providing people with disabilities greater access to programs, print publications, and digital media related to the programs the recipient funds using appropriations made in this article.

Subd. 4. Increasing Diversity in Environmental Careers

Agencies should work to provide opportunities that encourage a diversity of students to pursue careers in environment and natural resources when implementing appropriations in this article.

<u>Sec. 3. DEPARTMENT OF AGRICULTURE</u>	<u>\$</u>	<u>16,075,000</u>	<u>\$</u>	<u>17,275,000</u>
---	------------------	--------------------------	------------------	--------------------------

(a) \$370,000 the first year and \$370,000 the second year are to increase monitoring for pesticides and pesticide degradates in surface water and groundwater and to use data collected to assess pesticide use practices.

(b) \$3,100,000 the first year and \$3,100,000 the second year are for monitoring and evaluating trends in the concentration of nitrate in groundwater; promoting, developing, and evaluating regional and crop-specific nutrient best management practices, cover crops, and other vegetative cover; assessing adoption of best management practices and other recommended practices; education and technical support from University of Minnesota Extension; grants to support agricultural demonstration and implementation activities, including research activities at the Rosholt Research Farm; and other actions to protect groundwater from degradation from nitrate.

(c) \$2,000,000 the first year and \$2,000,000 the second year are for the agriculture best management practices loan program. Any unencumbered balance at the end of the second year must be added to the corpus of the loan fund.

(d) \$1,600,000 the first year and \$1,600,000 the second year are for technical assistance; research, demonstration, and promotion projects on properly implementing best management practices and vegetative cover; and more-precise information on nonpoint contributions to impaired waters and for grants to support on-farm demonstration of agricultural practices.

(e) \$50,000 the first year and \$50,000 the second year are for maintenance of the Minnesota Water Research Digital Library. Costs for information technology development or support for the digital library may be paid to Minnesota IT Services.

(f) \$3,500,000 the first year and \$3,500,000 the second year are to implement the Minnesota agricultural water quality certification program statewide.

(g) \$155,000 the first year and \$155,000 the second year are for a regional irrigation water quality specialist through University of Minnesota Extension.

(h) \$2,000,000 the first year and \$3,000,000 the second year are for grants to the Board of Regents of the University of Minnesota to fund the Forever Green initiative and to protect the state's natural resources while increasing the efficiency, profitability, and productivity of Minnesota farmers by incorporating perennial and winter-annual crops into existing agricultural practices.

(i) \$500,000 the first year and \$500,000 the second year are for testing drinking-water wells for pesticides.

(j) \$1,750,000 the first year and \$1,750,000 the second year are for conservation equipment assistance grants to purchase equipment or items to retrofit existing equipment that has climate and water quality benefits.

(k) \$1,050,000 the first year and \$1,250,000 the second year are for expanding the existing state weather station and soil temperature network to provide accurate and timely weather data to optimize the timing of irrigation, fertilizer, pesticide, and manure applications and support land management decisions.

(l) Unless otherwise specified, the appropriations in this section are available until June 30, 2030.

Sec. 4. **POLLUTION CONTROL AGENCY**

\$

24,501,000 **\$**

24,702,000

(a) \$9,450,000 the first year and \$9,450,000 the second year are for completing needed statewide assessments of surface water quality and trends according to Minnesota Statutes, chapter 114D.

(b) \$7,250,000 the first year and \$7,250,000 the second year are to support public participation in the watershed approach and to update watershed restoration and protection strategies, which include total maximum daily load (TMDL) and other supporting studies according to Minnesota Statutes, chapter 114D, for waters on the impaired waters list approved by the United States Environmental Protection Agency.

(c) \$1,000,000 the first year and \$1,000,000 the second year are for groundwater assessment, including enhancing the ambient monitoring network, modeling, and evaluating trends.

(d) \$1,600,000 the first year and \$1,600,000 the second year are for national pollutant discharge elimination system wastewater and stormwater TMDL implementation efforts.

(e) \$3,340,000 the first year and \$3,541,000 the second year are for enhancing the county-level delivery systems for subsurface sewage treatment system (SSTS) activities necessary to implement Minnesota Statutes, sections 115.55 and 115.56, for protecting groundwater. This appropriation includes base grants for all counties with SSTS programs. Counties that receive base grants must report the number of properties with noncompliant systems upgraded through an SSTS replacement, connection to a centralized sewer system, or other means, including property abandonment or buyout. Counties also must report the number of existing SSTS compliance inspections conducted in areas under county jurisdiction. The required reports must be part of the established annual reporting for SSTS programs. Of this amount, at least \$900,000 each year is available to counties for grants to low-income landowners to address systems that pose an imminent threat to public health or safety or fail to protect groundwater. A county receiving a grant under this paragraph must submit a report to the agency listing the projects funded, including an account of the expenditures.

(f) \$650,000 the first year and \$650,000 the second year are for activities and grants that reduce chloride pollution.

(g) \$461,000 the first year and \$461,000 the second year are to support activities of the Clean Water Council according to Minnesota Statutes, section 114D.30, subdivision 1.

(h) \$750,000 the first year and \$750,000 the second year are for a grant program for sanitary sewer projects that are included in the draft or any updated Voyageurs National Park Clean Water Project Comprehensive Plan to restore the water quality of waters in Voyageurs National Park. Grants must be awarded to local government units for projects approved by the Voyageurs National Park Clean Water Joint Powers Board and must be matched by at least 25 percent from sources other than the clean water fund.

(i) Any unencumbered grant balances in the first year do not cancel but are available for grants in the second year. Notwithstanding Minnesota Statutes, section 16A.28, the appropriations in this section are available until June 30, 2030.

Sec. 5. <u>DEPARTMENT OF NATURAL RESOURCES</u>	<u>\$</u>	<u>14,150,000</u>	<u>\$</u>	<u>14,650,000</u>
---	------------------	--------------------------	------------------	--------------------------

(a) \$2,825,000 the first year and \$2,825,000 the second year are for stream flow monitoring.

(b) \$1,525,000 the first year and \$1,525,000 the second year are for lake Index of Biological Integrity (IBI) assessments.

(c) \$550,000 the first year and \$550,000 the second year are for assessing mercury and other fish contaminants, including PFAS compounds, and monitoring to track the status of impaired waters over time.

(d) \$2,250,000 the first year and \$2,500,000 the second year are for developing targeted, science-based watershed restoration and protection strategies and for technical assistance for local governments.

(e) \$2,350,000 the first year and \$2,350,000 the second year are for water-supply planning, aquifer protection, and monitoring activities and analysis.

(f) \$2,100,000 the first year and \$2,250,000 the second year are for technical assistance to support local implementation of nonpoint source restoration and protection activities and targeted forest stewardship for water quality.

(g) \$700,000 the first year and \$700,000 the second year are for tool development and evaluation, including maintaining and updating spatial data for watershed boundaries, streams, and water bodies and integrating high-resolution digital elevation data and for assessing the effectiveness of forestry best management practices for water quality.

(h) \$100,000 the first year and \$100,000 the second year are for accelerating completion of or updates to county geologic atlases and supplementing water chemistry or chemical movement studies.

(i) \$350,000 the first year and \$350,000 the second year are for increasing native freshwater mussel production capacity and restoring and monitoring freshwater mussel restoration efforts.

(j) \$1,400,000 the first year and \$1,500,000 the second year are for providing technical and financial assistance for county and local governments to replace failing or ineffective culverts using modern designs that restore floodplain connectivity, biological connectivity, and channel stability. This appropriation is available for up to two additional years.

Sec. 6. <u>BOARD OF WATER AND SOIL RESOURCES</u>	<u>\$</u>	<u>64,332,000</u>	<u>\$</u>	<u>75,004,000</u>
---	------------------	--------------------------	------------------	--------------------------

(a) \$39,962,000 the first year and \$48,138,000 the second year are for agreements to implement state-approved watershed-based plans. The agreements may be used to implement projects or programs that protect, enhance, and restore surface water quality in lakes, rivers, and streams; protect groundwater from degradation; and protect drinking water sources. Activities must be identified in a comprehensive watershed plan developed under the One Watershed, One Plan program and seven-county metropolitan groundwater or surface water management frameworks as provided for in Minnesota Statutes, chapters 103B, 103C, 103D, and 114D. Other legacy funds may be used to supplement projects funded under this paragraph. This appropriation may be used for:

(1) implementing state-approved plans, including within the following watershed planning areas: Big Fork River, Blue Earth River, Bois de Sioux - Mustinka, Buffalo-Red River, Cannon River, Cedar - Wapsipinicon, Chippewa River, Clearwater River, Cottonwood-Middle Minnesota, Crow Wing River, Des Moines River, Greater Zumbro River, Hawk Creek - Middle Minnesota, Kettle and Upper St. Croix, Lac qui Parle-Yellow Bank, Lake of the Woods, Lake Superior North, Le Sueur River, Leech Lake River, Little Fork River, Long Prairie River, Lower Minnesota River East, Lower Minnesota River West, Lower St. Croix River, Middle-Snake-Tamarac Rivers, Minnesota River-Mankato, Mississippi River Brainerd, Mississippi River Headwaters, Mississippi River St. Cloud, Mississippi River-Sartell, Mississippi River Winona/La Crescent, Missouri River Basin, Nemadji River, North Fork Crow River, Otter Tail, Pine River, Pomme de Terre River, Rainy-Rapid River, Rainy Headwaters - Vermilion, Rainy River-Rainy Lake, Red Lake River, Redeye River, Redwood River, Root River, Roseau River, Rum River, Sand Hill River, Sauk River, Shell Rock and Winnebago River, Snake River, South Fork of the Crow River, St. Louis River, Thief River, Two Rivers Plus, Upper and Lower Red Lake, Upper Minnesota River, Upper Mississippi - Grand Rapids, Watonwan River, Wild Rice - Marsh, and Yellow Medicine River;

(2) implementing seven-county metropolitan groundwater or surface water management frameworks; and

(3) implementing other comprehensive watershed management plan planning areas that have a board-approved and local-government-adopted plan as authorized in Minnesota Statutes, section 103B.801.

The board must establish eligibility criteria and determine whether a planning area is ready to proceed.

(b) \$2,935,000 the first year and \$3,065,000 the second year are for agreements with local government units to protect and restore surface water and drinking water; to keep water on the land; to protect, enhance, and restore water quality in lakes, rivers, and streams; and to protect groundwater and drinking water, including feedlot water quality and subsurface sewage treatment system projects and stream bank, stream channel,

shoreline restoration, and ravine stabilization projects. The projects must use practices demonstrated to be effective, be of long-lasting public benefit, include a match, and be consistent with total maximum daily load (TMDL) implementation plans, watershed restoration and protection strategies (WRAPS), groundwater restoration and protection strategies (GRAPS), or local water management plans or their equivalents. Up to 50 percent of this appropriation is available for land-treatment projects and practices that benefit drinking water.

(c) \$4,350,000 the first year and \$4,350,000 the second year are for accelerated implementation, local resource protection, statewide analytical targeting or technology tools that fill an identified gap, program enhancements for technical assistance, citizen and community outreach, compliance, and training and certification.

(d) \$1,250,000 the first year and \$1,250,000 the second year are:

(1) to provide state oversight and accountability, evaluate and communicate results, provide implementation tools, and measure the value of conservation program implementation by local governments; and

(2) to submit to the legislature by December 15 each even-numbered year a biennial report detailing the recipients and projects funded and the results accomplished under this section.

(e) \$2,000,000 the first year and \$2,000,000 the second year are to provide assistance, oversight, and support for local governments in implementing and complying with riparian protection and excessive soil loss requirements.

(f) \$1,000,000 the first year and \$1,000,000 the second year are for a working lands floodplain program and to purchase, restore, or preserve riparian land and floodplains adjacent to lakes, wetlands, rivers, streams, and tributaries, by conservation easements or other agreements to keep water on the land, to decrease sediment, pollutant, and nutrient transport; reduce hydrologic impacts to surface waters; and increase protection and recharge for groundwater. Up to \$60,000 is for deposit in a conservation easement

stewardship account established according to Minnesota Statutes, section 103B.103.

(g) \$2,500,000 the first year and \$2,500,000 the second year are for conservation easements under Minnesota Statutes, section 103F.501 to 103F.535, or for agreements with local units of government or Tribal governments for long-term protection of groundwater supply sources. Priority must be placed on drinking water supply management areas where the vulnerability of the drinking water supply is designated as high or very high by the commissioner of health, that are mitigation level 1 or 2 under the groundwater protection rule, where drinking water protection plans developed by Tribal governments have identified high vulnerability, or where drinking water protection plans have identified specific activities that will achieve long-term protection. Up to \$200,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103.

(h) \$100,000 the first year and \$100,000 the second year are for a technical evaluation panel to conduct restoration evaluations under Minnesota Statutes, section 114D.50, subdivision 6.

(i) \$500,000 the first year and \$500,000 the second year are for assistance to, oversight of, and agreements with local governments to enhance and update comprehensive watershed management plans developed under Minnesota Statutes, section 103B.801.

(j) \$1,000,000 the first year and \$1,000,000 the second year are for technical and financial assistance for the conservation drainage program, in consultation with the Drainage Work Group, coordinated under Minnesota Statutes, section 103B.101, subdivision 13, and including projects to improve multipurpose water management under Minnesota Statutes, section 103E.015.

(k) \$500,000 the first year and \$500,000 the second year are to purchase permanent conservation easements to protect lands adjacent to public waters that have good water quality but that are threatened with degradation. Up to \$60,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103.

(l) \$425,000 the first year and \$425,000 the second year are to systematically collect data and produce county, watershed, and statewide estimates of soil erosion caused by water and wind, and track adoption of conservation measures, including cover crops, to address erosion. This appropriation may be used for agreements with the University of Minnesota to complete this work.

(m) \$500,000 the first year and \$500,000 the second year are for implementing a water legacy program to expand partnerships for clean water.

(n) \$2,500,000 the first year and \$2,500,000 the second year are for permanent conservation easements to protect and restore wetlands and associated uplands. Up to \$100,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103.

(o) \$3,560,000 the first year and \$5,926,000 the second year are for financial and technical assistance to enhance adoption of cover crops and other soil health practices to achieve water quality or drinking water benefits. The board may use agreements with local governments, the United States Department of Agriculture, AgCentric at Minnesota State Center for Excellence, and other practitioners and partners to accomplish this work. Up to \$450,000 is for an agreement with the University of Minnesota Office for Soil Health for applied research and education on Minnesota's agroecosystems and soil health management systems. This appropriation may be extended to leverage available federal funds.

(p) \$750,000 the first year and \$750,000 the second year are to contract for delivery of services with Conservation Corps Minnesota and Iowa for restoration, maintenance, training, and other activities consistent with this section.

(q) \$500,000 the first year and \$500,000 the second year are to provide support to soil and water conservation districts and other local governments and partner organizations in the Lake Superior basin to leverage Great Lakes Restoration Initiative or other federal funding to implement prioritized activities.

(r) The board may shift funds in this section and may adjust the technical and administrative assistance

portion of the funds to leverage federal or other nonstate funds, to facilitate oversight responsibilities, or to address high-priority activities identified by the board consistent with local water management plans.

(s) The board must require grantees to specify the outcomes that will be achieved by the grants.

(t) The appropriations in this section are available until June 30, 2030, except grant or easement funds are available for five years after the date a grant or other agreement is executed. Returned funds must be repurposed consistent with the purposes of this section.

Sec. 7. **DEPARTMENT OF HEALTH**

\$

14,295,000 \$

15,845,000

(a) \$5,925,000 the first year and \$5,925,000 the second year are to develop health risk limits and other health-based guidance and conduct outreach activities for contaminants found or anticipated to be found in Minnesota drinking water; to accredit private laboratories to conduct analyses for these contaminants; and to increase the capacity of the department's laboratory to analyze for these contaminants.

(b) \$2,300,000 the first year and \$3,700,000 the second year are for ensuring safe drinking water for private well users in southeast Minnesota and statewide by designing and implementing voluntary interventions to reduce health risks to private well users, including identifying private well locations, studying the occurrence and magnitude of contaminants in private wells, developing guidance and conducting outreach and education about well testing and mitigation, awarding grants to local governments, and offering well testing.

(c) \$3,770,000 the first year and \$3,920,000 the second year are for protecting sources of drinking water, including planning, implementation, and monitoring activities and grants to local governments and public water systems.

(d) \$1,750,000 the first year and \$1,750,000 the second year are to develop and deliver groundwater restoration and protection strategies on a watershed scale for use in local comprehensive water planning efforts, to provide resources to local governments for activities that sustain groundwater and protect sources of

drinking water, and to enhance approaches that improve the capacity of local governmental units to protect and restore groundwater resources.

(e) \$250,000 the first year and \$250,000 the second year are to develop public health policies and approaches to address threats to safe drinking water, including implementation of a statewide action plan for protecting drinking water.

(f) \$300,000 the first year and \$300,000 the second year are for optimizing the statewide recreational water portal that includes an inventory of public beaches and information about local monitoring results and closures and that provides information about preventing illness and recreational water stewardship.

(g) Unless otherwise specified, the appropriations in this section are available until June 30, 2029.

Sec. 8. **METROPOLITAN COUNCIL**

\$

2,025,000 \$

2,125,000

(a) \$1,375,000 the first year and \$1,375,000 the second year are to support communities implementing projects that address emerging drinking water supply threats and overall water sustainability, provide cost-effective regional solutions, leverage interjurisdictional coordination, support local implementation of wellhead protection plans, and prevent degradation of groundwater and surface water resources. These activities will provide communities with:

(1) potential solutions to better connect land use impacts on water supply and overall water sustainability;

(2) ways to balance regional water use by using surface water, stormwater, wastewater, and groundwater;

(3) an analysis of infrastructure requirements needed to maintain and strengthen the reliability of water systems;

(4) development of planning-level cost estimates, including capital costs and operating costs;

(5) funding mechanisms and an equitable cost-sharing structure for regionally beneficial water supply development projects;

(6) information and tools to use to address climate change impacts on overall water supply systems and overall water sustainability; and

(7) ways to reduce impacts on the groundwater system through stormwater reuse grants to assist communities in reducing water use.

(b) \$650,000 the first year and \$750,000 the second year are for grants that implement water demand reduction measures. The grants are to assist municipalities in the metropolitan area with implementing water demand reduction measures to ensure the reliability and protection of drinking water supplies.

Sec. 9. **UNIVERSITY OF MINNESOTA**

\$

1,000,000 \$

1,400,000

(a) \$400,000 the first year and \$400,000 the second year are for developing Part A of county geologic atlases. This appropriation is available until June 30, 2030.

(b) \$600,000 the first year and \$1,000,000 the second year are for a program to evaluate performance and technology transfer for stormwater best management practices, to evaluate best management performance and effectiveness to support meeting total maximum daily loads, to develop standards and incorporate state-of-the-art guidance using minimal impact design standards as the model, and to implement a system to transfer knowledge and technology across the local government, industry, and regulatory sectors. This appropriation is available until June 30, 2032.

Sec. 10. **PUBLIC FACILITIES AUTHORITY**

\$

8,240,000 \$

8,300,000

(a) \$8,190,000 the first year and \$8,250,000 the second year are for the point source implementation grants program under Minnesota Statutes, section 446A.073. This appropriation is available until June 30, 2032.

(b) \$50,000 the first year and \$50,000 the second year are for small community wastewater treatment grants and loans under Minnesota Statutes, section 446A.075. This appropriation is available until June 30, 2032.

(c) If there is any uncommitted money at the end of each fiscal year under paragraph (a) or (b), the Public Facilities Authority may transfer the remaining funds

to eligible projects under any of the programs listed in this section according to a project's priority rank on the Pollution Control Agency's project priority list.

Sec. 11. <u>LEGISLATURE</u>	<u>\$</u>	<u>7,000</u>	<u>\$</u>	<u>-0-</u>
------------------------------------	------------------	---------------------	------------------	-------------------

\$7,000 the first year is for the Legislative Coordinating Commission for the website required under Minnesota Statutes, section 3.303, subdivision 10.

Sec. 12. Minnesota Statutes 2024, section 114D.30, subdivision 7, is amended to read:

Subd. 7. **Reports to legislature.** By January 15 each odd-numbered year, the council must submit a report to the legislature that includes:

- (1) a summary of the activities for which money has been or will be spent in the current biennium;
- (2) the recommendations required under subdivision 6 for how money in the clean water fund should be spent in the next biennium, broken out by fiscal year and including recommended legislative bill language; and
- (3) the impact on economic development of the implementation of efforts to protect and restore groundwater and the impaired waters program.

Sec. 13. ASH RIVER SANITARY SEWER COLLECTION AND TREATMENT SYSTEM APPROPRIATION EXTENSION.

The portion of the appropriation in Laws 2019, First Special Session chapter 2, article 2, section 5, paragraph (h), as amended by Laws 2021, First Special Session chapter 1, article 2, section 18, for the Ash River Sanitary Sewer Collection and Treatment System is available until June 30, 2026.

EFFECTIVE DATE. This section is effective the day following final enactment.

ARTICLE 3

PARKS AND TRAILS FUND

Section 1. **PARKS AND TRAILS FUND APPROPRIATIONS.**

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this article. The appropriations are from the parks and trails fund and are available for the fiscal years indicated for each purpose. The figures "2026" and "2027" used in this article mean that the appropriations listed under the figure are available for the fiscal year ending June 30, 2026, or June 30, 2027, respectively. "The first year" is fiscal year 2026. "The second year" is fiscal year 2027. "The biennium" is fiscal years 2026 and 2027. These are onetime appropriations.

APPROPRIATIONS

		<u>2026</u>	<u>2027</u>
Sec. 2. <u>PARKS AND TRAILS FUND</u>			
Subdivision 1. <u>Total Appropriation</u>	\$	<u>61,434,000</u>	\$ <u>68,733,000</u>
<p><u>The amounts that may be spent for each purpose are specified in the following sections.</u></p>			
Subd. 2. <u>Availability of Appropriation</u>			
<p><u>Money appropriated in this article may not be spent on activities unless they are directly related to and necessary for a specific appropriation. Money appropriated in this article must be spent in accordance with Minnesota Management and Budget MMB Guidance to Agencies on Legacy Fund Expenditure. Notwithstanding Minnesota Statutes, section 16A.28, and unless otherwise specified in this article, fiscal year 2026 appropriations are available until June 30, 2028, and fiscal year 2027 appropriations are available until June 30, 2029. Subd. 3. <u>Disability Access</u>			
<p><u>Where appropriate, grant recipients of parks and trails funds, in consultation with the Council on Disability and other appropriate governor-appointed disability councils, boards, committees, and commissions, should make progress toward providing people with disabilities greater access to programs, print publications, and digital media related to the programs the recipient funds using appropriations made in this article.</u></p>			
Subd. 4. <u>Energy and Water Conservation</u>			
<p><u>Grant recipients of parks and trails funds should prioritize water and energy conservation technology and the use of renewable energy for construction and building projects funded with an appropriation made in this article.</u></p>			
Sec. 3. <u>DEPARTMENT OF NATURAL RESOURCES</u>	\$	<u>37,120,000</u>	\$ <u>41,511,000</u>

(a) \$24,310,000 the first year and \$27,222,000 the second year are for state parks, recreation areas, and trails to:

(1) connect people to the outdoors;

(2) acquire land and create opportunities;

(3) maintain existing holdings; and

(4) improve cooperation by coordinating with partners to implement the 25-year long-range parks and trails legacy plan.

(b) The commissioner may spend money appropriated under paragraph (a) on I Can! programs, including but not limited to programs designed to provide underserved youth the opportunity to experience the outdoors with similar peers.

(c) \$12,196,000 the first year and \$13,611,000 the second year are for grants for parks and trails of regional significance outside the seven-county metropolitan area under Minnesota Statutes, section 85.535. The grants awarded under this paragraph must be based on the lists of recommended projects submitted to the legislative committees under Minnesota Statutes, section 85.536, subdivision 10, from the Greater Minnesota Regional Parks and Trails Commission established under Minnesota Statutes, section 85.536. Grants funded under this paragraph must support parks and trails of regional or statewide significance that meet the applicable definitions and criteria for regional parks and trails contained in the Greater Minnesota Regional Parks and Trails Strategic Plan adopted by the Greater Minnesota Regional Parks and Trails Commission on April 22, 2015. Grant recipients identified under this paragraph must submit a grant application to the commissioner of natural resources. Notwithstanding Minnesota Statutes, section 16B.98, subdivision 14, up to 2.5 percent of the appropriation may be used by the commissioner for the actual cost of issuing and monitoring the grants for the commission. Of the amount appropriated, \$500,000 the first year and \$500,000 the second year are for the Greater Minnesota Regional Parks and Trails Commission to carry out its duties under Minnesota Statutes, section 85.536, including the continued development of a statewide system plan for regional

parks and trails outside the seven-county metropolitan area.

(d) By January 15, 2026, the Greater Minnesota Regional Parks and Trails Commission must submit a list of projects that contains the commission's recommendations for funding from the parks and trails fund for fiscal year 2027 to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over environment and natural resources and the parks and trails fund.

(e) By January 15, 2026, the Greater Minnesota Regional Parks and Trails Commission must submit a report that contains the commission's criteria for funding from the parks and trails fund, including the criteria used to determine if a park or trail is of regional significance, to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over environment and natural resources and the parks and trails fund.

(f) \$614,000 the first year and \$678,000 the second year are for coordination and projects between the department, the Metropolitan Council, and the Greater Minnesota Regional Parks and Trails Commission; enhanced web-based information for park and trail users; and support of activities of the Parks and Trails Legacy Advisory Committee.

(g) The commissioner must contract for services with Conservation Corps Minnesota and Iowa for restoration, maintenance, and other activities under this section for at least \$850,000 the first year and \$850,000 the second year.

(h) Grant recipients of an appropriation under this section must give consideration to contracting with Conservation Corps Minnesota and Iowa for restoration, maintenance, and other activities.

(i) In addition to the requirements under paragraph (g), the commissioner should work to provide other opportunities that encourage a diversity of students to pursue careers in environment and natural resources when implementing appropriations in this section.

Sec. 4. METROPOLITAN COUNCIL

\$ 24,310,000 \$ 27,222,000

(a) \$24,310,000 the first year and \$27,222,000 the second year are for distribution according to Minnesota Statutes, section 85.53, subdivision 3.

(b) Money appropriated under this section and distributed to implementing agencies must be used only to fund the list of projects approved by the elected representatives of each of the metropolitan parks implementing agencies. Projects funded by the money appropriated under this section must be substantially consistent with the project descriptions and dollar amounts approved by each elected body. Any money remaining after completing the listed projects may be spent by the implementing agencies on projects to support parks and trails.

(c) Grant agreements entered into by the Metropolitan Council and recipients of money appropriated under this section must ensure that the money is used to supplement and not substitute for traditional sources of funding.

(d) The implementing agencies receiving appropriations under this section must give consideration to contracting with Conservation Corps Minnesota and Iowa for restoration, maintenance, and other activities.

Sec. 5. **LEGISLATURE**

\$

4,000 **\$**

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 7. **CANCELLATIONS**

(a) The unobligated balance from the parks and trails fund appropriation under Laws 2019, First Special Session, chapter 2, article 3, section 3, paragraph (b), for grants estimated to be \$10,000 is canceled to the parks and trails fund no later than June 30, 2025.

(b) The unobligated balance from the parks and trails fund appropriation under Laws 2021, First Special Session, chapter 1, article 3, section 3, paragraph (b), for grants estimated to be \$31,000 is canceled to the parks and trails fund no later than June 30, 2025.

EFFECTIVE DATE. This section is effective the day following final enactment.

ARTICLE 4

ARTS AND CULTURAL HERITAGE FUND

Section 1. **ARTS AND CULTURAL HERITAGE FUND APPROPRIATIONS.**

The sums shown in the columns marked "Appropriations" are appropriated to the entities and for the purposes specified in this article. The appropriations are from the arts and cultural heritage fund and are

available for the fiscal years indicated for allowable activities under the Minnesota Constitution, article XI, section 15, except that any unencumbered balance remaining under this article from the first year does not cancel but is available in the second year. The figures "2026" and "2027" used in this article mean that the appropriations listed under the figure are available for the fiscal year ending June 30, 2026, and June 30, 2027, respectively. "The first year" is fiscal year 2026. "The second year" is fiscal year 2027. "The biennium" is fiscal years 2026 and 2027. All appropriations in this article are onetime.

APPROPRIATIONS

Available for the Year

Ending June 30

2026

2027

Sec. 2. ARTS AND CULTURAL HERITAGE

Subdivision 1. Total Appropriation

\$

85,293,000

\$

94,618,000

The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. Availability of Appropriation

Money appropriated in this article must not be spent on activities unless they are directly related to and necessary for a specific appropriation. Money appropriated in this article must not be spent on institutional overhead charges that are not directly related to and necessary for a specific appropriation. Money appropriated in this article must be spent in accordance with Minnesota Management and Budget MMB Guidance to Agencies on Legacy Fund Expenditure. Notwithstanding Minnesota Statutes, section 16A.28, and unless otherwise specified in this article, fiscal year 2026 appropriations are available until June 30, 2027, and fiscal year 2027 appropriations are available until June 30, 2028. Water and energy conservation technology and the use of renewable energy should be priorities for construction and building projects funded through this appropriation. If a project receives federal funds, the period of the appropriation is extended to equal the availability of federal funding.

Sec. 3. MINNESOTA STATE ARTS BOARD

Subdivision 1. Total Appropriation

\$

37,686,000

\$

46,872,000

The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. Grant Agreements

The amounts in this section are appropriated to the Minnesota State Arts Board for arts, arts education, arts preservation, and arts access. Grant agreements entered into by the Minnesota State Arts Board and other recipients of appropriations in this section must ensure that the money is used to supplement and not substitute for traditional sources of funding. Each grant program established in this appropriation must be separately administered from other state appropriations for program planning and outcome measurements, but may take into consideration other state resources awarded in the selection of applicants and grant award size.

Subd. 3. Arts and Arts Access Initiatives

29,669,000

37,978,000

\$29,669,000 the first year and \$37,978,000 the second year are to support Minnesota artists and arts organizations in creating, producing, and presenting high-quality arts activities; to preserve, maintain, and interpret art forms and works of art so that they are accessible to Minnesota audiences; to overcome barriers to accessing high-quality arts activities; and to instill the arts into the community and public life in this state. Grants provided under this subdivision must prioritize artists and arts organizations that plan to present art from communities that have been historically underrepresented in the arts or that improve access to the programs and projects for groups, including youth and historically underserved communities, that have struggled to access arts programming in the past.

Subd. 4. Arts Education

6,013,000

6,670,000

\$6,013,000 the first year and \$6,670,000 the second year are for high-quality, age-appropriate arts education for Minnesotans of all ages to develop knowledge, skills, and understanding of the arts. Priority in the award of grants under this subdivision must be given to providing educational opportunities to underserved communities with grants for organizations or entities providing opportunities to K-12 students throughout

the state for arts education, including access to arts instruction, arts programming, museums, and arts presentations.

Subd. 5. Arts and Cultural Heritage

2,004,000

2,224,000

\$2,004,000 the first year and \$2,224,000 the second year are for events and activities that represent, preserve, and maintain the diverse cultural arts traditions, including folk and traditional artists and art organizations, represented in this state.

Subd. 6. Administrative Costs

Notwithstanding Minnesota Statutes, section 16B.98, subdivision 14, up to five percent of the totals in subdivisions 3 to 5 each year is for administering grant programs, delivering technical services, providing fiscal oversight for the statewide system, and ensuring accountability in fiscal years 2026 and 2027.

Subd. 7. Regional Arts Councils

Thirty percent of the remaining total appropriation to each of the categories listed in subdivisions 3 to 5 is for grants to the regional arts councils. Notwithstanding any other provision of law, regional arts council grants or other arts council grants for touring programs, projects, or exhibits must ensure the programs, projects, or exhibits are able to tour in their own region as well as all other regions of the state.

Sec. 4. MINNESOTA HISTORICAL SOCIETY

Subdivision 1. Total Appropriation

\$

17,618,000

\$

18,768,000

The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. Grant Agreements

(a) The amounts in this section are appropriated to the governing board of the Minnesota Historical Society to preserve and enhance access to Minnesota's history and its cultural and historical resources. Grant agreements entered into by the Minnesota Historical Society and other recipients of appropriations in this section must ensure that the money is used to

supplement and not substitute for traditional sources of funding. Money directly appropriated to the Minnesota Historical Society must be used to supplement and not substitute for traditional sources of funding. Notwithstanding Minnesota Statutes, section 16A.28, for historic preservation projects that improve historic structures, the amounts are available until June 30, 2029. The Minnesota Historical Society or grant recipients of the Minnesota Historical Society using money from the arts and cultural heritage fund under this section must give consideration to Conservation Corps Minnesota and Iowa and Northern Bedrock Historic Preservation Corps, or an organization carrying out similar work, for projects with the potential to need historic preservation services.

(b) Notwithstanding Minnesota Statutes, section 16B.98, subdivision 14, up to five percent of the totals in subdivisions 3 and 4 each year is for administering grants and grant programs, delivering technical services, providing fiscal oversight, and ensuring accountability in fiscal years 2026 and 2027.

Subd. 3. Historical Grants and Programs

16,493,000

17,643,000

(a) Statewide Historic and Cultural Grants

\$6,093,000 the first year and \$6,858,000 the second year are for statewide historic and cultural grants to local, county, regional, or other historical or cultural organizations or for activities to preserve significant historic and cultural resources. Money must be distributed through a competitive grant process. The Minnesota Historical Society must administer the money using established grant mechanisms with assistance from the advisory committee created under Laws 2009, chapter 172, article 4, section 2, subdivision 4, paragraph (b), item (ii).

(b) Statewide History Programs

\$6,775,000 the first year and \$7,160,000 the second year are for historic and cultural programs and purposes related to the heritage of the state.

(c) History Partnerships

\$2,875,000 the first year and \$2,875,000 the second year are for history partnerships involving multiple organizations, which may include the Minnesota Historical Society, to preserve and enhance access to Minnesota's history and cultural heritage in all regions of the state.

(d) Statewide Survey of Historical and Archaeological Sites

\$375,000 the first year and \$375,000 the second year are for one or more contracts to be competitively awarded to conduct statewide surveys or investigations of Minnesota's sites of historical, archeological, and cultural significance. Results of the surveys or investigations must be published in a searchable form and available to the public cost-free. The Minnesota Historical Society, the Office of the State Archeologist, the Indian Affairs Council, and the State Historic Preservation Office must each appoint a representative to an oversight board to select contractors and direct the conduct of the surveys or investigations. The oversight board must consult with the Departments of Transportation and Natural Resources.

(e) Digital Library

\$375,000 the first year and \$375,000 the second year are for a digital library project to preserve, digitize, and share Minnesota images, documents, and historical materials. The Minnesota Historical Society must cooperate with the Minitex interlibrary loan system and must jointly share this appropriation for these purposes.

Subd. 4. Grants

1,125,000

1,125,000

(a) \$1,000,000 each year is for grants to community-based organizations and local units of government for statues and memorials commemorating the historical significance and cultural contributions of Minnesotans and for buildings or structures that are considered historically significant to their local communities to improve access to the buildings or structures, to preserve the buildings or structures, or to enhance the use of the buildings or structures, including improving access to museums, music halls, opera houses, libraries, and sites celebrating diverse

cultures and heritages throughout the state. Grant money not encumbered in the first year is available for statewide history programs in the second year. The Minnesota Historical Society must give priority consideration for funding under this paragraph to the city of St. Paul to design and construct a mural and statue honoring Tou Ger Xiong at Lake Phalen's Tou Ger Xiong Island in St. Paul, the city of Marshall to replace the historic bandshell at Liberty Park, the George Stoppel Farmstead, the Serbian Home in South St. Paul, the Forest Lake Veterans Memorial Committee to construct a memorial to veterans of the United States armed forces at Lakeside Memorial Park in the city of Forest Lake, the Fairmont Opera House for structural beam repair, and the Litchfield Opera House for expanding and installing balcony seating.

(b) \$125,000 the first year and \$125,000 the second year are for a grant to Special Guerrilla Units Veterans and Families of USA, Inc. to collect, document, archive, and preserve the oral histories of Hmong veterans of the United States-sponsored Secret War in Laos and to create programming and educational resources to teach the public and future generations about the history, legacy, and cultural heritage of the Hmong in Minnesota.

Sec. 5. DEPARTMENT OF EDUCATION

\$ 2,700,000 \$ 2,700,000

\$2,700,000 the first year and \$2,700,000 the second year are appropriated to the commissioner of education for grants to the 12 Minnesota regional library systems to provide educational opportunities in the arts, history, literary arts, and cultural heritage of Minnesota. When possible, funding under this section should be used to promote and share the work of Minnesota authors, including authors from diverse backgrounds. This money must be allocated using the formulas in Minnesota Statutes, section 134.355, subdivisions 3 to 5, with the remaining 25 percent to be distributed to all qualifying systems in an amount proportionate to the number of qualifying system entities in each system. For purposes of this section, "qualifying system entity" means a public library, a regional library system, a regional library system headquarters, a county, or an outreach service program. This money may be used to sponsor programs provided by regional libraries or to provide grants to local arts and cultural

heritage programs for programs in partnership with regional libraries. This money must be distributed in ten equal payments per year. Notwithstanding Minnesota Statutes, section 16A.28, the appropriations encumbered on or before June 30, 2027, as grants or contracts in this section are available until June 30, 2029. Notwithstanding Minnesota Statutes, section 16B.98, subdivision 14, up to two percent of the amount in this section is for administering the grants in this section.

Sec. 6. **DEPARTMENT OF ADMINISTRATION**

Subdivision 1. <u>Total Appropriation</u>	<u>\$</u>	<u>9,105,000</u>	<u>\$</u>	<u>10,505,000</u>
--	------------------	-------------------------	------------------	--------------------------

The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. **Grant Agreements**

(a) The amounts in this section are appropriated to the commissioner of administration for grants to the named organizations for the purposes specified in this section.

(b) Grant agreements entered into by the commissioner and recipients of appropriations under this section must ensure that money appropriated in this section is used to supplement and not substitute for traditional sources of funding.

(c) Notwithstanding Minnesota Statutes, section 16B.98, subdivision 14, up to five percent of the amounts in subdivision 3 are for administering the grants, providing fiscal oversight, and ensuring accountability in fiscal years 2026 and 2027.

Sec. 8. MINNESOTA HUMANITIES CENTER

Subdivision 1. <u>Total Appropriation</u>	<u>\$</u>	<u>14,424,000</u>	<u>\$</u>	<u>12,018,000</u>
--	------------------	--------------------------	------------------	--------------------------

The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. Grant Agreements

(a) The amounts in this section are appropriated to the Board of Directors of the Minnesota Humanities Center for the purposes specified in this section. Notwithstanding Minnesota Statutes, section 16B.98, subdivision 14, the Minnesota Humanities Center may use up to 5.5 percent of the appropriations for the administration of these funds and to cover the cost of administering, planning, evaluating, and reporting these grants. The Minnesota Humanities Center must develop a written plan to issue the grants under this

section and must submit the plan for review and approval by the commissioner of administration. The written plan must require the Minnesota Humanities Center to create and adhere to grant policies that are similar to those established according to Minnesota Statutes, section 16B.97, subdivision 4, paragraph (a), clause (1).

(b) No grants awarded under this section may be used for travel outside the state of Minnesota. The grant agreement must specify the repercussions for failing to comply with the grant agreement.

Subd. 3. Programs

2,525,000

2,500,000

(a) \$2,500,000 the first year and \$2,500,000 the second year are for statewide humanities programs and to support and expand outreach, partnerships, and humanities programming with organizations and individuals throughout the state, including but not limited to programming related to veterans and the military experience, professional development opportunities for educators, and programming celebrating, representing, and reflecting upon the heritage of diverse Minnesota communities that have been historically underserved.

(b) \$25,000 the first year is for outreach and education on the humanities center grant program with a focus on reaching underserved community organizations and providing assistance with grant opportunities, qualifications, and reporting requirements, and specifically providing technical assistance and a nontraditional application process to improve access to grant funding.

(b) \$525,000 each year is to provide grants to preserve the Dakota and Ojibwe Indian language through support of projects and services and to support educational programs and immersion efforts in Dakota and Ojibwe language.

(c) \$130,000 each year is for the Indian Affairs Council to carry out responsibilities under Minnesota Statutes, section 307.08, to comply with Public Law 101-601,

the Native American Graves Protection and Repatriation Act.

Sec. 10. **DEPARTMENT OF AGRICULTURE**

Subdivision 1. <u>Total Appropriation</u>	<u>\$</u>	<u>750,000</u>	<u>\$</u>	<u>750,000</u>
--	------------------	-----------------------	------------------	-----------------------

The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. <u>County Fair Grants</u>		<u>500,000</u>		<u>500,000</u>
---	--	-----------------------	--	-----------------------

\$500,000 the first year and \$500,000 the second year are for grants to county agricultural societies to enhance arts access and education and to preserve and promote Minnesota's history and cultural heritage as embodied in its county fairs. The grants may be distributed in equal amounts to each of the county fairs that submitted an application. The grants are in addition to the aid distribution to county agricultural societies under Minnesota Statutes, section 38.02. The commissioner of agriculture must develop grant-making criteria and guidance for expending money under this subdivision to provide funding for projects and events that provide access to the arts or the state's agricultural, historical, and cultural heritage. The commissioner must seek input from all interested parties. Notwithstanding Minnesota Statutes, section 16B.98, subdivision 14, the commissioner may use up to two percent of the amounts in this subdivision for the administration and distribution of the grants. Money not used in the first year may be used in the second year.

Subd. 3. <u>Minnesota FFA</u>		<u>250,000</u>		<u>250,000</u>
--------------------------------------	--	-----------------------	--	-----------------------

(a) \$250,000 the first year and \$250,000 the second year are for grants to the Minnesota FFA to provide new and expanded access for Minnesota FFA members involved in art- and history-related FFA activities. Of this amount:

(1) up to \$100,000 each year may be used to document and commemorate 100 years of fostering leadership, agricultural education, and community service across the state by creating a history book, video storytelling series, and an in-person arts-focused event; and

(2) any amount not spent for the purposes described in clause (1) may be used for other activities that provide new and expanded access for Minnesota FFA members involved in art- and history-related FFA activities, including activities related to national and state FFA band and choir, state and national FFA talent competitions, FFA floriculture, and FFA state fair landscape booths.

(b) The commissioner of agriculture must develop grant-making criteria and guidance for grants under this subdivision to provide funding for projects and events and must seek input from the Minnesota FFA and Minnesota FFA Foundation. Notwithstanding Minnesota Statutes, section 16B.98, subdivision 14, the commissioner may use up to five percent of the amounts in this subdivision to cover the costs of administering, planning, evaluating, and reporting these grants.

Sec. 11. LEGISLATIVE COORDINATING COMMISSION

\$

5,000 \$

-0-

The amount in this section is appropriated to the Legislative Coordinating Commission to maintain the website required under Minnesota Statutes, section 3.303, subdivision 10.

Sec. 12. Minnesota Statutes 2024, section 129D.17, subdivision 2, is amended to read:

Subd. 2. **Expenditures; accountability.** (a) Funding from the arts and cultural heritage fund may be spent only for arts, arts education, and arts access, and to preserve Minnesota's history and cultural heritage. A project or program receiving funding from the arts and cultural heritage fund must include measurable outcomes, and a plan for measuring and evaluating the results. A project or program must be consistent with current scholarship, or best practices, when appropriate and must incorporate state-of-the-art technology when appropriate.

(b) Funding from the arts and cultural heritage fund may be granted for an entire project or for part of a project so long as the recipient provides a description and cost for the entire project and can demonstrate that it has adequate resources to ensure that the entire project will be completed.

(c) Money from the arts and cultural heritage fund shall be expended for benefits across all regions and residents of the state.

(d) A state agency or other recipient of a direct appropriation from the arts and cultural heritage fund must compile and submit all information for funded projects or programs, including the proposed measurable outcomes and all other items required under section 3.303, subdivision 10, to the Legislative Coordinating Commission as soon as practicable or by January 15 of the applicable fiscal year, whichever comes first. The Legislative Coordinating Commission must post submitted information on the website required under section 3.303, subdivision 10, as soon as it becomes available.

(e) Grants funded by the arts and cultural heritage fund must be implemented according to section 16B.98 and must account for all expenditures of funds. Priority for grant proposals must be given to proposals involving grants that will be competitively awarded.

(f) All money from the arts and cultural heritage fund must be for projects located in Minnesota.

(g) When practicable, a direct recipient of an appropriation from the arts and cultural heritage fund shall prominently display on the recipient's website home page the legacy logo required under Laws 2009, chapter 172, article 5, section 10, as amended by Laws 2010, chapter 361, article 3, section 5, accompanied by the phrase "Click here for more information." When a person clicks on the legacy logo image, the website must direct the person to a web page that includes both the contact information that a person may use to obtain additional information, as well as a link to the Legislative Coordinating Commission website required under section 3.303, subdivision 10.

(h) Future eligibility for money from the arts and cultural heritage fund is contingent upon a state agency or other recipient satisfying all applicable requirements in this section, as well as any additional requirements contained in applicable session law. If the Office of the Legislative Auditor, in the course of an audit or investigation, publicly reports that a recipient of money from the arts and cultural heritage fund has not complied with the laws, rules, or regulations in this section or other laws applicable to the recipient, the recipient must be listed in an annual report to the legislative committees with jurisdiction over the legacy funds. The list must be publicly available. The legislative auditor shall remove a recipient from the list upon determination that the recipient is in compliance. A recipient on the list is not eligible for future funding from the arts and cultural heritage fund until the recipient demonstrates compliance to the legislative auditor.

(i) Any state agency or organization requesting a direct appropriation from the arts and cultural heritage fund must inform the house of representatives and senate committees having jurisdiction over the arts and cultural heritage fund, at the time the request for funding is made, whether the request is supplanting or is a substitution for any previous funding that was not from a legacy fund and was used for the same purpose and provide a copy of the most recent year's Internal Revenue Service Form 990, Return of Organization Exempt From Income Tax.

Sec. 13. Minnesota Statutes 2024, section 129D.17, is amended by adding a subdivision to read:

Subd. 7. **Construction costs.** Money from the arts and cultural heritage fund must not be appropriated to fund new construction or for capital construction projects, including major renovations or long-term building projects, with the exception of preservation of historic structures or sites. This prohibition does not apply to:

(1) accessibility accommodations;

(2) the creation of exhibits or installations; and

(3) renovations to provide care for collections or facilitate exhibits, installations, or other projects funded with arts and cultural heritage fund appropriations.

Sec. 14. Laws 2023, chapter 40, article 4, section 2, subdivision 5, is amended to read:

Subd. 5. Department of Education	3,000,000	2,750,000
---	-----------	-----------

(a) \$2,750,000 each year is appropriated to the commissioner of education for grants to the 12

Minnesota regional library systems to provide educational opportunities in the arts, history, literary arts, and cultural heritage of Minnesota. When possible, funding under this subdivision should be used to promote and share the work of Minnesota authors, including authors from diverse backgrounds. This money must be allocated using the formulas in Minnesota Statutes, section 134.355, subdivisions 3 to 5, with the remaining 25 percent to be distributed to all qualifying systems in an amount proportionate to the number of qualifying system entities in each system. For purposes of this subdivision, "qualifying system entity" means a public library, a regional library system, a regional library system headquarters, a county, or an outreach service program. This money may be used to sponsor programs provided by regional libraries or to provide grants to local arts and cultural heritage programs for programs in partnership with regional libraries. This money must be distributed in ten equal payments per year. Notwithstanding Minnesota Statutes, section 16A.28, the appropriations encumbered on or before June 30, ~~2025~~ 2026, as grants or contracts in this subdivision are available until June 30, ~~2026~~ 2027.

(b) \$250,000 the first year is appropriated to the commissioner of education for a water safety grant program. The commissioner of education must allocate grants to eligible applicants. Eligible applicants include nonprofit organizations and city and county parks and recreation programs providing swimming lessons to youth. Eligible applicants are not required to partner with other entities. Grant funds must primarily be used to provide scholarships to low-income and at-risk children for swimming lessons. Up to 15 percent of the grant funds may also be used to hire water safety instructors or lifeguards or train water safety instructors or lifeguards in nationally recognized water safety practices and instruction.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 15. Laws 2023, chapter 40, article 4, section 2, subdivision 6, is amended to read:

Subd. 6. Department of Administration	17,040,000	14,105,000
--	------------	------------

(a) The amounts in this subdivision are appropriated to the commissioner of administration for grants to the named organizations for the purposes specified in this

subdivision. The commissioner of administration may use a portion of this appropriation for costs that are directly related to and necessary for the administration of grants in this subdivision.

(b) Grant agreements entered into by the commissioner and recipients of appropriations under this subdivision must ensure that money appropriated in this subdivision is used to supplement and not substitute for traditional sources of funding.
