

## CHAPTER 378—H. F. No. 1188

*An act to amend Section 5474, Chapter 31, General Statutes 1923, relative to the inspection of steam vessels and boilers.*

Be it enacted by the Legislature of the State of Minnesota:

**Section 1. Appointment of district chief and deputy chief boiler inspectors and duties.**—That Section 5474, General Statutes 1923, be amended so as to read as follows:

*“5474. The Industrial Commission of Minnesota shall appoint a resident of each senatorial district as a district boiler inspector for such district, except in counties where there is more than one senatorial district, in which case there shall be appointed one district boiler inspector for such county, for a term of two years commencing July 1, 1927.*

*The district boiler inspector shall inspect all steam boilers and pressure vessels in use in his district not expressly excepted from such inspection by law, and shall issue and sign a license for such boiler, or a certificate condemning such boiler and sealing the same, upon forms to be prepared and furnished by the Industrial Commission of Minnesota. Each district boiler inspector shall examine all applicants residing in his district for second-class and special engineer's licenses, and shall certify the result of such examination to the said chief of the division of boiler inspection, whereupon such chief of the division of boiler inspection shall issue such license as the certification of the district boiler inspector shall show the applicant to be entitled to receive.*

*The chief of the division of boiler inspection, or his deputy, shall hold examinations at such time and place as he may fix and determine for the purpose of examining applicants for chief and first-class engineer's license, and shall give notice to all applicants of the time and place for such examination, and shall grant and sign such license certificates as such applicants may be entitled to receive upon such examination. All engineer's licenses shall be for a period of one year, with privilege of renewal upon application for such renewal and payment of the fee provided by law, not later than ten days after the expiration of such license.*

*The district boiler inspectors shall receive as full compensation for their services all fees collected by them for the inspection of boilers, pressure vessels, and hulls, and fifty per cent (50%) of all fees collected by them for examination of applicants for engineer's license, and also fifty per cent (50%) of the annual renewal fees received from such engineers. Fifty per cent (50%) of such renewal fees shall be remitted to said chief of the division of boiler inspection.*

*The district boiler inspector shall make monthly reports to said chief of the division of boiler inspection in such form as shall be prescribed by the Industrial Commission of Minnesota.*

*All fees collected by the chief of the division of boiler inspection under this act shall be paid into the State Treasury in the manner provided by law for fees received by other state departments, to be credited to the Revenue Fund, except that fifty per cent (50%) of such license fees collected by said chief of the division of boiler inspection for chief and first-class engineer's licenses shall be paid to the district boiler inspector of the district in which the applicant resides.*

*Every district boiler inspector who shall collect fees in excess of Three Hundred Seventy-five Dollars (\$375.00) in any calendar month, after deducting such necessary expenses as may be allowed by the Industrial Commission of Minnesota, subject to the approval of the Commission of Administration and Finance, shall pay the excess of such sum of Three Hundred Seventy-five Dollars (\$375.00) and expenses into the State Treasury, to be credited to the Revenue Fund. Provided, that any such district boiler inspector whose fees amount to less than Three Hundred Seventy-five Dollars (\$375.00) in any one month, after deducting such expense, shall have the right to retain a sufficient amount of fees collected in any succeeding calendar month in excess of the amount herein provided to be retained by him in such calendar month, to reimburse such district boiler inspector for any deficit due such inspector in such prior month. Provided, further, that any arrangement heretofore made between any district boiler inspector and the Governor of this state, by which it has been agreed that any part of the funds collected by such district boiler inspector should be and the same have been turned over or deposited to the credit of the State of Minnesota, is hereby approved, and any such sum or sums so agreed to be or having been turned over to the State of Minnesota is hereby accepted to be credited to the Revenue Fund.*

Approved April 22, 1927.
