CHAPTER 521—H. F. No. 1157.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Police department may form relief association in certain cities.**—The Police Department of each city of the third class employing six or more regular and fully paid policemen when authorized by an ordinance may maintain a policemen's relief

association which shall be duly incorporated under the laws of this state. All such associations now existing as such corporations, or hereafter incorporated under the laws of this state, shall have perpetual existence.

Sec. 2. Organization and operation.—Each such relief association shall be organized, operated, and maintained in accordance with its own articles of incorporation and by-laws, by policemen, as hereinafter defined, who are members of said police department. Each association shall have the power to regulate its own management and its own affairs, and all additional corporate powers which may be necessary or useful; subject, however, to the regulations and restrictions of this act, and other laws of this state pertaining to corporations, not inconsistent herewith.

Sec. 3. Who is policeman under act.—A policeman under this act is a duly appointed policeman, policewoman, or police matron, who is regularly entered on the payroll of the police department of such city, serving on active duty therein, after having completed any probationary period required under the laws or ordinances of such city. Probationers in the police department, substitutes and persons employed irregularly from time to time, and elective officials of such department, shall not be deemed to be included under this act.

All persons who are members of the policemen's relief associations of such cities, at the time of the passage of this act, whether their status is embraced within the definition of a policeman herein contained or otherwise, shall have the right to continue as members of their respective associations and be entitled to all benefits pertaining thereto, and any member included under the definition of policeman herein provided shall have the right to retain his membership on promotion or appointment to other positions to which such policemen herein may be subject.

This act shall not affect any pensions or other benefits which have been allowed or which are being paid by any such relief association under or in accordance with any prior act or acts, at the time this act becomes effective. Payment of such pensions and benefits shall be continued by the respective associations in accordance with their articles of incorporation and by-laws, and shall be subject to all of the provisions thereof, existing at the time of the passage of this act, or as thereafter duly repealed or amended.

Sec. 4. Acting policemen to become members.—Every policeman as herein defined shall automatically become a member of the policemen's relief association of any such city upon the completion of any probationary period required under the laws or ordinances

of such city and his appointment as a regular policeman of such city as defined in Section 3 hereof. He shall thereupon become subject to the articles of incorporation and by-laws of such association, and shall be entitled to all of the privileges and benefits therein provided for members of the policemen's relief association of such city.

Sec. 5. Officers of association.—The officers of the relief association shall be a president, one or more vice presidents, a secretary and a treasurer. The offices of assistant secretary and assistant treasurer may be created by the by-laws of any such associations. The affairs of each association shall be managed by a board of directors elected in the manner prescribed by the articles of incorporation of the association.

The secretary and treasurer of each relief association shall each furnish a corporate bond to the association for the faithful performance of their duties, in such amounts as the association from time to time may determine. They shall file duplicate original copies thereof with the clerk or city recorder of the city in which the association is located, and with the mayor and the treasurer thereof. No money shall be paid to a relief association by the city in which the association is located until said report is so filed.

Sec. 7. Tax levy.—The city council or other governing body of each such city wherein such a relief association is located may each year, at the time the tax levies for the support of the city are made, and in addition thereto, levy a tax for the benefit of the special relief fund of such policemen's relief association of one mill on all taxable property within such city, until the balance in said special fund of such policemen's relief association in any such city has reached the sum of \$50,000.00, and thereafter said levy may be reduced by such city to a sum sufficient to maintain the balance in said special fund at not less than \$50,000.00.

The tax so levied shall be transmitted with other tax levies to the auditor of the county in which such city is located and by

said county shall be collected and payment thereof enforced, when and in like manner as state and county taxes are paid.

As soon as practicable after the first day of June and the first day of November, in each year, the county treasurer of each such county shall pay to the treasurer of each such relief association within said county the amount of such tax then collected and payable to said association, together with all interest and penalties so collected, and all interest collected thereon between the time of collection and the time of payment to such relief association. And the city treasurer of such city, in the event that such tax or any part thereof is paid to him, shall likewise pay the same to the treasurer of the policemen's relief association of such city, as soon as the same has been collected, together with all interest and penalties thereon.

Sec. 8. **Deductions from salaries.**—In addition, and only if such tax is levied, the city treasurer, finance commissioner or other officer charged with the responsibility of the city's finances, shall, each month, deduct from the salary of each policeman of such city subject to the provisions of this act, two per cent of the basic pay of all such policemen of such city, and transfer the total thereof to the treasurer of the special fund of the policemen's relief association, who shall credit said total to the special fund of such association and to the credit of each individual policeman from whose pay said deductions were so made.

If a policeman in any such city is separated from the service due to resignation or some reason not involving malfeasance, non-feasance, moral turpitude, or if his separation from such service is caused by injury, death or other disability, under such circumstances that no pension benefits are payable to him or his widow or children, the treasurer of the special fund shall return to such policeman, or in case of his death, to his heirs, executors or administrators, all of the amounts so deducted from his base pay without interest, but less the amount of any disability or other benefits theretofore paid to such policeman.
