Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1949, Section 215.11, is amended to read:

215.11. **Examination of counties, fees.** All the powers and duties conferred and imposed upon the public examiner shall be exercised and performed by him in respect to the offices, institutions, public property, and improvements of several counties of the state. At least once in each year, if funds and personnel permit, the public examiner shall visit, without previous notice, each county and make a thorough examination of all accounts and records relating to the receipt and disbursement of the public funds and the custody of the public funds and other property. He shall prescribe and install systems of accounts and financial reports that shall be uniform, so far as practicable, for the same class of offices. A copy of the report of such examination shall be filed and be subject to public inspection in the office of the public examiner and another copy in the office of the auditor of the county thus examined. The public examiner may accept the records and audit, or any part thereof, of the division of social welfare in lieu of his examination of the county social welfare funds, if such audit has been made within any period covered by the public examiner's audit of the other records of the county. If any such examination shall disclose malfeasance, misfeasance, or non-feasance in any office of such county, such report shall be filed with the county attorney of the county, and it shall be his duty to institute such civil and criminal proceedings as the law and the protection of the public interests shall require.

The county receiving such examination shall pay to the state the total cost and expenses of such examination, including the salaries paid to the examiners while actually engaged in making such examination. *The public examiner if he deems it advisable may bill counties, having a population of 200,000 or over, monthly for services rendered and the officials responsible for approving and paying claims shall cause said bill to be promptly paid.* The revolving fund of the public examiner shall be credited with all collections made for any such examinations.
