Subd. 3. In order to utilize modern accounting methods in processing payrolls, the commissioner of administration may adjust salaries of all state officers and employees whether fixed by statute or otherwise on an annual, monthly, semi-monthly, daily or other basis, so that they are payable in equal payments throughout the year. The salaries so adjusted shall be based on a year of 2088 working hours. Sec. 2. Minnesota Statutes 1957, Section 16.027, is amended by adding a subdivision to read:

Subd. 4. If the commissioner provides for equal payments of salaries throughout the year, the payroll shall be allocated as provided in this subdivision.

No provision of any subsequent law relating to the budget, allotment, and encumbrance system or to appropriations for the payment of salaries of state officers and employees shall be construed as inconsistent with this subdivision unless and except only so far as expressly provided in such subsequent act that the provisions of this subdivision shall not be applicable or shall be superseded, modified, amended, or repealed.*
