CHAPTER 557—S. F. No. 2122

[Coded]

An act declaring the public interest in the mining, production and beneficiation of copper, copper-nickel and nickel; authorizing the issuance of permits, licenses, and leases to corporations engaged in or proposing to engage in the business of mining, producing or beneficiating copper, copper-nickel or nickel.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **[93.43] Copper and nickel mining; permits, licenses, and leases.** The business of mining, producing or beneficiating copper, copper-nickel or nickel is declared to be in the public interest and necessary to the public welfare, and the use of property therefor is declared to be a public use and purpose. The commissioner of conservation is authorized to grant permits or licenses on and across lands owned by the state to any corporation or association engaged in the business of or preparing to engage in the business of mining, producing or beneficiating copper, copper-nickel or nickel for pipe lines, pole lines, conduits, sluiceways, roads, railroads, tramways or flowage, and to lease any lands owned by the state to any such corporation or association for the depositing of stripping, lean ores, tailings, or waste products of such business. The commissioner of conservation is also authorized to license the flooding of state lands in connection with any permit or authorization for the use of public waters issued by the legislature or by the commissioner pursuant to law. Such permits, licenses, and leases shall be upon such conditions and for such consideration and for such period of time as the commissioner may determine. The county auditor, with the approval of the county board, is authorized to grant permits,
