Sec. 3. Minnesota Statutes 1965, Section 18.022, is amended by adding a subdivision to read:

*Subd. 7. Failure of political subdivision to act; commissioner's duties. If the governing body of a political subdivision does not appropriate money for the control of Dutch elm disease pursuant to subdivision 1, or does not adopt and enforce regulations to control and prevent the spread of Dutch elm disease pursuant to subdivision 6, and if the commissioner determines that economic, recreational, or esthetic losses will result, the commissioner shall proceed as provided in Minnesota Statutes, Section 18.48, Subdivisions 1 and 4, to control the spread of Dutch elm disease. However, the expense of these control activities performed on land owned by a county, city, village, borough, or town is a charge upon the county, city, village, borough, or town owning the land and shall be paid by the governing body from money which it shall appropriate pursuant to subdivision 1 and, if necessary, for which it shall levy taxes pursuant to subdivision 2. The purpose of this subdivision and of the increased maximum tax levies authorized by subdivision 2, clause (b), is to protect elm trees from Dutch elm disease and thus prevent the economic, recreational, and esthetic losses which occur when elm trees are killed by Dutch elm disease.*
