Section 1. Minnesota Statutes 1965, Section 268.06, Subdivision 24, is amended to read:

Subd. 24. **Employment security; employer contributions; re-assignment.** Notwithstanding any inconsistent provisions of law any employer who has been assigned a contribution rate pursuant to subdivisions 4, 6, and 8 may, for the calendar year 1949, or any calendar year thereafter, upon the voluntary payment of an amount equivalent to any portion or all of the benefits charged to his account during the period ending June 30 of the preceding year used for the purpose of computing an employer's experience ratio as authorized by said subdivisions 4, 6 and 8, obtain a cancellation of benefits charged to his account during such period equal to such payment so voluntarily made. Upon the payment of such voluntary contribution, plus a surcharge of 25 percent of such benefit charged, within 30 days from the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, the commissioner shall cancel the benefits equal to such payment, excluding the 25 percent surcharge, so voluntarily made and compute a new experience ratio for such employer. The employer then shall be assigned the contribution rate applicable to the category within which his recomputed experience ratio is included. In the event that the employer fails to make the voluntary contribution with the 30-day period above specified and it is shown by proper evidence that such failure was, in the opinion of the commissioner, for good cause, the commissioner may extend the time for payment but in no event shall the commissioner extend such time for payment beyond the expiration of a period of 120 days from the beginning of the year for which such rates are effective. Any adjustments under this subdivision shall be used only in the form of credits against accrued or future contributions.

When all or a part of the benefits charged to an employer's account are for the unemployment of 75 percent or more of the employees in an employing unit and the unemployment is caused by damages to the unit by fire, flood, wind or other act of God, the employer may obtain a cancellation of benefits incurred because of that unemployment in the manner provided by this subdivision without being subject to the surcharge of 25 percent otherwise required.
