Section 1. Municipalities may levy special assessment against school property in certain cases.—Any city, village, or borough however organized, may levy special assessments against the property of a school district, except one operating under the home rule charter of any city of the first class, or a county benefited by an improvement, to the same extent as if such property were privately owned. Sec. 2. Special assessments for improvements heretofore made.—When any local improvement has heretofore been made and special assessments have been levied to finance all or part of the cost of such improvement under any law or charter not expressly authorizing assessments against public property, any county or school district owning property benefited by such improvement may pay to the city, village, or borough making the improvement the amount of any benefit received therefrom not in excess of the amount that would have been assessable against such property were it privately owned.

Sec. 3. Application of act.—This act shall not modify any law or charter provision authorizing the imposition of special assessments against counties and school districts.
