

JOINT RESOLUTIONS

PASSED AND APPROVED AT THE THIRTEENTH SESSION OF THE STATE LEGISLATURE, COMMENCING JANUARY THIRD, ONE THOUSAND EIGHT HUNDRED AND SEVENTY-ONE, AND TERMINATING MARCH THIRD, ONE THOUSAND EIGHT HUNDRED AND SEVENTY-ONE.

NUMBER I.

Joint Resolution requiring uniformity and completeness in the official railroad maps of the State.

March 4, 1871.

WHEREAS, The maps relating to the railroads of the state hitherto deposited with the governor, and by him filed in the office of the state land commissioner, are in many cases insufficient, and drawn on various and small scales; and whereas it is advisable that completeness and uniformity should exist in such records; therefore,

Be it resolved by the Legislature of the State of Minnesota:

SECTION 1. That the governor shall receive no railroad map for filing, either of location or construction, that shall not be on the same scale as the plats of the United States land surveys, viz: that of two (2) inches to one (1) mile.

Requiring uniformity and completeness in the official railroad maps of the State

SEC. 2. That those land grant railroad companies which have not yet filed maps of the constructed portions of their roads, shall be required by the governor to do so within a reasonable time.

SEC. 3. That any railroad company now organized, or hereafter to be organized, under the general laws of the state shall, when its road is constructed, file with the

governor a map of the same of the scale prescribed by section one of this resolution.

SEC. 4. That previous to the final settlement with the land grant companies of their respective quotas of land, the governor shall require compliance with the provisions of this resolution, if the same shall not have already been fully complied with by said companies.

Approved March 4, 1871.

NUMBER II.

March 6, 1871.

Joint Resolution relating to additional copies of the laws, reports and executive documents for one thousand eight hundred and seventy-one.

Preamble.

WHEREAS, The senate and house of representatives, have authorized the commissioner of public printing, to compile and condense the several laws relating to public printing, into one bill and to report the same to the next legislature; and

WHEREAS, From the large increase in the membership of the next legislature and the rapid growth of the state, there will exist a necessity for a largely increased number of copies of laws, reports and executive documents for one thousand eight hundred and seventy-one; therefore,

Be it resolved by the Legislature of the State of Minnesota:

That the commissioner of public printing shall cause to be printed in addition to the number now required by law, three thousand copies of the general laws, the same to be so printed and published on or before the first day of July, A. D., one thousand eight hundred and seventy-one, and one thousand copies of the special laws for one thousand eight hundred and seventy one, the same with
