SEC. 2. The common council shall have power to levy a special tax upon all the taxable property in the city, or of the different wards of the same, for the purpose of constructing, maintaining bridges and culverts, and opening, constructing, maintaining and repairing roads, highways, streets and alleys; for the construction of reservoirs, cisterns, sewers, [drains and street gutters, and grading of streets, and for other purposes, conducive to good order and cleanliness, and to protection against crime, disease and fire; *Provided*, That such taxes shall in no year exceed five mills upon a dollar of the assessed valuation; *And provided further*, That for the improvements in this section mentioned, the common council shall have power to assess the tax, to pay the same upon the ward or wards benefited by such improvements, in such manner and to such extent as the common council may think just and equitable. The tax shall be apportioned upon a cash valuation of the property which it shall be determined is liable to assessment for such improvements. The common council may, by a vote of two-thirds of those present and voting, issue the bonds of said city, bearing interest not exceeding ten per cent. per annum, in such amounts and under such regulations as the common council may prescribe, for a term not exceeding two years, or may issue orders drawn upon the city treasury, bearing interest not exceeding ten per cent. per annum, for all purposes named in this section, or they may issue both bonds and orders; *Provided*, That the amount of such bonds and orders, with the interest accruing thereon, shall not exceed four-fifths of the amount authorized by this section to be levied in the same or succeeding year to that in which such bonds and orders are issued.]

SEC. 3. The common council shall have power, and it shall be the duty of the common council, to levy annually, upon the taxable property of said city, taxes sufficient to pay all bonds or other indebtedness due and payable in any year, or the interest on bonds or other indebtedness due or payable in any year, unless that previously to the first day of September in each year, some other adequate provision has been made for the payment of the same. The common council shall have the power to issue bonds and levy taxes exceeding the amount authorized by other sections of this act, to establish and maintain a free ferry across the Minnesota river, and to procure the right of way for and open streets or highways leading to and from such ferry, either within or outside the limits of said city, or for other purposes lawful; *Provided*, That the same be authorized by a majority of the voters present, and voting, at an election to be held for that purpose. The time, place and manner

of holding such election to be prescribed by the common council, the same notice to be given as at other elections.

SEC. 4. Taxes may be levied by resolution of the common council, and no tax shall be invalid by reason of any informality in the manner of levying the same, nor because the amount levied shall exceed the amount required to be raised for a special purpose for which the same is levied; but in such case the surplus shall, if the tax be a general tax, go into the general fund of the city; if it be a bond or interest tax, it shall be kept and used for the future payment of principal or interest of the same class of bonds, or the purchase thereof before due; if it be for improvements, it shall be kept and used for future improvements of the same character.

SEC. 5. The common council shall cause to be transmitted to the county auditor of Scott county, on or before the first day of September of each year, a statement of all taxes by them levied, and such taxes shall be collected, and the payment thereof enforced, with and in like manner as state and county taxes are paid, and the payment thereof enforced, and the county treasurer of said county shall pay such taxes over, as now provided by law in case of town taxes, to the treasurer of said city.

SEC. 6. No moneys shall be paid out of the city treasury unless such payment be authorized by a vote of the common council, and these shall be drawn out only upon orders by the mayor, and countersigned by the recorder, which orders shall specify the purpose for which they were drawn, and the fund out of which they are now payable, and the name of the person in whose favor the same are drawn, and may be made [payable] to the order of such person or to the bearer, as the common council may determine.

SEC. 7. When any such order shall have been paid or received by the treasurer, it shall not again be issued, but he shall immediately endorse date of payment thereon, sign his name thereto, and when delivered to the recorder, he shall receive credit therefor.

SEC. 8. It shall be lawful for the common council of said city at any time to levy a corporation poll tax upon every qualified voter in said city, exempting all over the age of sixty years, and to enforce the collection of said tax by ordinance and proceedings thereby authorized, in the same or similar manner as other ordinances of the city are enforced, and violations thereof punished; *Provided*, That such tax shall not in any one year exceed the sum of two dollars upon each person.

CHAPTER VI.

SECTION 1. The common council of said city shall have the care, supervision and control of all the highways, bridges, streets, alleys, levees, public squares and grounds within the limits of the city, and shall have power to build and keep in repair bridges, lay out, open, alter and vacate public squares, highways, streets, lanes and alleys, and widen or straighten the same, and to take grounds for the site of public buildings, subject to the assessments of damage as hereinafter provided; *Provided*, That no right, title or interest in or to any street, levee, park, public ground, or square, in said city, shall

be granted, conveyed, released or discharged by the common council of said city, unless the same shall be submitted to a vote of the legal voters of said city, and receive a majority of said voters present and voting at an annual or special election in said city, and in which election notice of the object of said election shall be given as hereinbefore prescribed. The said city council shall be *ex-officio* fence viewers within the limits of said city, and shall have the same power and authority in relation to fences as the supervisors of towns now or hereafter may have by the general laws of this state.

Sec. 2. The common council shall have power to order and contract for the opening, grading, repairing and cleaning of the streets, alleys, public grounds, reservoirs, cisterns, gutters, sewers and sidewalks within the city, and to direct and control the persons employed thereon.

Sec. 3. Whenever it shall be necessary to take private property for the purposes contemplated in the two last sections, application shall be made on the part of the common council to the judge of the district court for Scott county, who shall appoint three commissioners, who shall be freeholders and qualified electors of the city, and one of whom, at least, shall be resident of the ward in which is situated the property proposed to be taken, to view the premises, and assess the damages which may be occasioned by the taking of such property. Said commissioners shall be notified, as soon as practicable, by the city recorder, to attend at his office on a day fixed by him, for the purpose of qualifying and entering upon their duties; and in case any such commissioner, upon being so notified, shall neglect or refuse to attend as aforesaid, he shall forfeit and pay to the city a fine not exceeding fifty dollars, and may be prosecuted therefor before the city justice, as in the case of fines imposed for the violation of any city ordinance, by-law or regulation, and the commissioner in attendance shall be authorized to fill all vacancies by the selection of a proper person or persons, or application may be made to the district judge aforesaid, to fill the vacancy. The commissioners shall be sworn by the city recorder, or any other officer authorized to administer oaths, to discharge their duties as commissioners in the matter with impartiality and fidelity, and to make due returns of their actions and doings to the common council, which said oaths shall be reduced to writing, and subscribed by said commissioners, and which, together with the appointments of said commissioners (which shall also be in writing), shall be filed with the city recorder. The said commissioners shall, with all reasonable dispatch, with the assistance of the city surveyor, cause a survey and plat of the said improvement, or grounds, to be made and filed with the city recorder, exhibiting, as far as practicable, the land or parcels of property proposed to be taken, or which may be damaged thereby, and shall thereupon fix a time and place when they will meet to assess the damages for the property to be taken, or that may be damaged by the proposed improvement. Such time shall be sufficient to give personal notice to the owners, or their agents, of the property to be taken or injured; the recorder shall thereupon immediately cause a notice, in writing, of the time, place and purpose of the meeting of the commissioners, to be served on

each of the owners (or their agents) of said property, and proof of service shall be made and filed with the report of the commissioners. In case any of such owners are non-residents of the state, such notice shall be mailed to them at their residence, and if their residence is unknown, and cannot be ascertained upon diligent inquiry, such fact must appear by affidavit, and in such case notice shall be given by publication in the city paper for the space of four weeks, said notice to be published at least once in a week. If such owners are infants, a guardian must be appointed before the damages are assessed, and notice given to the guardian. And the like notice shall be served upon lessees, mortgagees and judgment creditors. At the time and place designated in such notice, the commissioners shall proceed to view the premises, may hear any evidence offered by the parties interested, and adjourn from day to day for said purpose. When their said hearing aforesaid shall be concluded, they shall determine and assess the damages to be paid to the owner or owners of each parcel of property proposed to be taken, or which may be damaged by such improvement, and in so doing shall take into consideration the value of the property proposed to be taken, and such other damages as may be incidental thereto, and also the advantages which shall accrue to such owner or owners, in making such improvement.

If there should be any building standing in whole or in part upon the land to be taken, the said commissioners shall, in each case, determine the amount of damages which should be paid to the owner or owners thereof, in case such building, or as much thereof as might be necessary, should be taken, and also determine and assess the damages which should be paid to such owner or owners, in case he or they should elect to remove such building, and the damages in relation to buildings shall be assessed separately from the damages in relation to land upon which they are erected. If the land and buildings belong to different persons, or if the land be subject to lease, mortgage, judgment, or other lien, or if there be any estate in it less than an estate in fee, the injury or damage done to such persons or interests respectively, may be awarded to them by the commissioners, less the benefit resulting to them from the improvements. Said commissioners having ascertained and assessed the damages as aforesaid, shall make and file with the recorder a written report to the common council, of their action in the premises, embracing a schedule or assessment of the damages in each case, with a description of the land and the names of the owners, if known to them, and also a statement of the costs of the proceedings. Upon such report being filed in the office of the city recorder, said city shall cause to be published in the official paper of said city, a notice to the effect that said assessment had been returned and filed, and that the same will be confirmed by the common council at a meeting then to be named in said notice, and shall be at least ten days after the publication thereof, unless objections are made in writing by persons interested in any lands required to be taken. Any persons interested in buildings, in whole or in part, upon lands to be taken, shall, on or before the time specified in said notice, notify the common council, in writing, of their election to remove said buildings, (if they so

elect,) according to the award of the commissioners. The common council, upon the day fixed for the consideration of said report, or at any subsequent meeting to be held, (the same may stand over or be referred,) shall have power in their discretion to confirm, revise or annul the assessment, and to discontinue or postpone indefinitely the whole proceedings, giving due consideration to the claims and objections interposed by the parties interested. The damages assessed shall be paid, or tendered, or deposited, and set apart in the city treasury, to and for the use of the parties entitled thereto, within one year from the confirmation of said assessment and report, and the land required to be taken shall not be appropriated or used by the public until the damages assessed therefor to the owner thereof shall be paid or tendered to the owner or his agent, or deposited and set apart for his use as aforesaid; and in case the said city shall be unable to determine to whom the damages in any particular case so awarded should be paid, or in case of disputed claims in relation thereto, the damages in such case may be deposited, by order of the common council, in the district court of Scott county, in the same manner as moneys are paid into court, until claimants and parties shall substantiate their claims thereto. In case the owner or owners of any buildings as aforesaid shall have elected in the manner aforesaid to remove his or their buildings, he or they shall remove the same within thirty days from the confirmation of such report, or within such further time as the common council may allow for such purpose, and shall thereupon be entitled to payment from the city of the amount of damages awarded in such case, in case of removal. When such person or persons shall not have elected to remove such buildings, or shall have neglected (after such election) to remove the same within the time prescribed, such buildings, or so much thereof as may be necessary, upon payment or depositing the damages awarded for taking in manner aforesaid, may then be taken and appropriated, sold or disposed of, in such manner as the common council shall direct, and the same or the proceeds thereof shall belong to the city. When any known owner of the lands or tenements affected by the proceedings under this act, shall be an infant, or labor under legal disability, the judge of the district court or court commissioner for said county of Scott, may, upon the application of the aforesaid commissioners, or of the mayor of the city, or of the party laboring under such disability, or his next friend, appoint suitable person as guardian for said person, which guardian shall stand in all respects for and in the place of the party whom he represents in the proceedings.

Any person feeling aggrieved by such assessments, may, by notice in writing served on the mayor of said city, a copy whereof, with proof of service, shall be filed in the office of the clerk of the district court in said Scott county, within twenty days after the confirmation of such report or assessment of damages, appeal from such assessment to [the] district court aforesaid. Such appeal shall be tried by the court, or jury, or both, as in ordinary cases; but no pleading shall be required, and the party appealing shall specify, in the notice of appeal, the grounds of objection to such assessment, and shall not be entitled to have any other objections than those so

specified considered, and a transcript of such report, certified by the recorder, or the original thereof, shall be *prima facie* evidence of the facts therein stated; and that such assessment was regular and just, and made in conformity to law, and that all proper notices were given, and proper proceeding had. The judgment of the district court thereon shall be final. Such appeal shall be entered, and brought on for trial, and be governed by the same rules in other respects as appeals from justices of the peace in civil actions. And the property shall not be taken until said appeal is heard and determined.

CHAPTER VII.

SECTION 1. The common council shall have power to purchase fire engines and other fire apparatus, and to authorize the formation of fire engine, hook-and-ladder and hose companies, and to provide for the due and proper support and regulation of the same, and to order such companies to be disbanded, and their meetings [to be] prohibited, and their apparatus to be given up. Each company shall not exceed one hundred able-bodied men, between the ages of eighteen and fifty years, and may elect their own officers and form their own by-laws, not inconsistent with the laws of this state, or the ordinances of said city, and shall be formed only by voluntary enlistments. Every member of each company hereby authorized to be formed, shall be exempt from highway work and poll tax, from serving on juries and military duty, during the continuance of such membership, and any person having served for the term of five years in either of said companies, shall be forever thereafter exempt from serving on juries, from poll tax, and from military duty, except in cases of insurrection and invasion.

SEC. 2. There shall be a meeting of the members of said companies on the third Monday of November in each year, at such places as may be designated by the chief engineer, when they may nominate, and recommend to the common council for appointment, one chief engineer and two assistant engineers, and the common council shall thereupon confirm said nominations, and the persons so appointed shall perform such duties as the common council may prescribe.

SEC. 3. At the same time the members of said companies shall nominate, and the common council shall appoint the same, one fire warden for each ward, who shall perform such duties as the common council may prescribe; and they may at any time enter into or upon any house, barn [or other building] or enclosure, for the purpose of inspecting the same.

SEC. 4. The common council, for the purpose of guarding against the calamities of fires, shall have power to prescribe the limits within which wooden buildings, or other buildings, the material or construction of which shall be regarded as dangerous to surrounding property, shall not hereafter be erected, placed or repaired, and to direct that all and any buildings within the limits prescribed, shall hereafter be built and constructed in such manner, and of such material, as, in the judgment of the common council, shall not be

dangerous to surrounding property, and to prohibit the repairing or rebuilding of wooden buildings within the fire limits, when the same shall have been damaged by fire, or otherwise, to the extent of fifty per cent. of the value thereof, and to prescribe the manner of ascertaining such damages. The common council shall have power, by resolution, to order any building, structure, or materials therefor, hereafter erected, or in process of erection, of which the construction or materials are [may be] dangerous to surrounding property, to be taken down, or removed beyond the fire limits of the city, and shall have power to prescribe the notice to be given to the owner or agent to remove such building, and in case the same is not removed in pursuance of the notice given, to order the same taken down, removed by the police, or in such manner as the common council may see fit, and the common council may prescribe penalties for the violation of any of the provisions of this section, or of any ordinance made or enacted to carry out the provisions thereof, not exceeding one hundred dollars, which may be imposed by a city justice upon the complaint of any citizen.

SEC. 5. The common council shall have power to prevent the dangerous construction and condition of chimneys, fireplaces, hearths, stoves, stove-pipes, ovens, boilers, and apparatus used in and about any building, and to cause the same to be removed, or placed in a safe or secure condition, when considered dangerous. To prevent the deposit of ashes in unsafe places, and the throwing of ashes into the streets and alleys. To require the inhabitants to provide as many fire buckets, and in such manner [and time] as they shall prescribe, and to regulate the use of them in time of fire. To regulate and prevent the carrying on of manufactures dangerous in causing or promoting fires. To regulate and prevent the use of firearms and fireworks. To compel owners or occupants of buildings to have scuttles in the roofs, and stairs or ladders to the same. To authorize the mayor, aldermen, fire wardens and other officers of the city, to keep away from the vicinity of the [any] fire, all idle and suspected persons, and to compel all bystanders to aid in the extinguishment of fires and the preservation of property exposed to danger thereat, and generally to establish such regulations for the prevention and extinguishment of fires as the common council may deem expedient.

SEC. 6. Whenever any person shall refuse to obey any lawful order of any engineer, fire warden, mayor or alderman, at any fire, it shall be lawful for the officer giving such order, to arrest, or direct orally any constable, police officer, watchman, or any citizen, to arrest such person and to confine him temporarily in any safe place, until such fire shall be extinguished; and in the same manner such officers, or any of them, may arrest, or direct the arrest and confinement of any person at such fire who shall be intoxicated or disorderly; and any person who shall disobey [refuse to obey] any such lawful order, or who shall refuse to arrest, or aid in arresting any such person so refusing to obey, shall be liable to such penalty as the common council may prescribe, not exceeding a fine of fifty dollars.

SEC. 7. The common council may provide by ordinance for the

organization of the fire department in said city and the duties of the several officers and members thereof. They may make reasonable appropriations for the support of said fire department or of the several companies thereof, which shall be paid out of the general fund of said city.

CHAPTER VIII.

SECTION 1. The common council may cause to be established, from time to time, and as rapidly as the convenience of the inhabitants may require, under the direction of the city surveyor, the grade of all streets, sidewalks and alleys in said city, and it shall cause accurate profiles thereof to be made and kept in the office of the city surveyor.

SEC. 2. Whenever the common council shall deem it necessary to construct or repair any sidewalk in said city of Shakopee, they shall require notice to be given to all owners and occupants of any lot or lots or parcels of land adjoining such sidewalk, to construct or repair the same at his or their own proper expense and charge, within a certain time designated by the publication, as the common council may direct, for not less than two weeks, of a notice to said owners or occupants, setting forth what work is to be done, and the character of the same, by such owners or occupants, and the time within which they are required to do the same.

SEC. 3. If such work is not done and the said sidewalks not built or repaired in the manner and within the time prescribed, the common council may order the same to be done at the expense of the lots and sidewalks [parcels of land] adjoining said sidewalks, and said expenses shall be assessed upon such lots and parcels of land so chargeable; and said assessment so made by the common council shall become a lien upon said lots and parcels of land, as in the case of city, county and state taxes.

SEC. 4. If such assessment be not paid to the street commissioner or the city treasurer on or before the twentieth day of August in any year, a penalty of twenty per cent. shall attach thereto, and the common council shall cause a statement of the same to be transmitted, with the city taxes levied for that year, to the auditor of the county of Scott, on or before the first day of September in each year, and the said auditor shall insert the same with the other taxes in the duplicate statement of taxes annually transmitted by him to the county treasurer, for collection, and payment thereof enforced, with and in like manner as county and state taxes are collected and payment thereof enforced. The common council may at any time, for the purpose of anticipating the levy and collection of such assessments, and of meeting the demands against the city for such improvements, by a vote of two-thirds of those present and voting, issue the bonds of said city in such form, amounts, and under such regulations as they may prescribe, for a time not exceeding two years, and bearing interest not exceeding ten per cent. per annum, or the common council may issue orders drawn upon the city treasury, bearing interest not exceeding ten per cent. per annum, and the proceeds thereof shall be applied to the purposes aforesaid, and the

collections from such assessments, in anticipation whereof they were issued, shall stand appropriated and pledged for the payment of the principal and interest of the same.

SEC. 5. The common council shall prescribe the width of sidewalks, and may establish different widths in different localities, and determine the kind of material of which they shall be constructed, having regard to the business and the amount of travel in the vicinity of each.

CHAPTER IX.

SECTION 1. The common council shall have authority to contract with any person, persons or corporation, for the lighting of such streets, or parts of streets, and public places as they shall deem proper for the convenience and safety of the inhabitants.

SEC. 2. The common council may permit the laying of gas pipes in any and all the streets, alleys, highways and public grounds of the city; but in all cases the common council shall regulate the laying of the same, so that said gas pipes may not at any time interfere with the construction of common sewers or the lateral branches thereof, or with the proper and convenient location of water pipes and mains, and may at any time require the location of any gas pipe to be changed, if the same shall be found to interfere with the proper and convenient location of common sewers, or water mains and pipes.

SEC. 3. The common council may permit any party or corporation to lay water mains and pipes in any and all streets, alleys, highways and public grounds of the city, and shall regulate the position of the same, so that they shall not obstruct or interfere with common sewers, or with the proper drainage of the city.

CHAPTER X.

SECTION 1. No vote of the common council shall be reconsidered or rescinded at a subsequent meeting, unless at such subsequent meeting there be present as large a number of aldermen as were present when the vote was taken.

SEC. 2. No penalty or judgment recovered in favor of the city shall be remitted or discharged, except by the vote of two-thirds of the aldermen elect.

In all prosecutions for any violation of this act, the first process shall be by warrant, on complaint being made; *Provided*, That no warrant shall be necessary in any case of the arrest of any person or persons, while in the act of violating any law of the state of Minnesota, or ordinance or by-law of the city of Shakopee, but the person or persons so arrested may be proceeded against, tried, convicted and punished, or discharged, in the same manner as if the arrest had been made by warrant. All warrants, process or writs by the city justice, for the violation of an ordinance and by-laws of said city, shall be directed to the chief of police, or any police officer of said city.

SEC. 4. In all cases of the imposition of any fine or penalty, or
