The allowance for clerk or deputy hire shall in all cases be for actual services rendered, and the total amount shall not exceed in any one year the amount as fixed by the county commissioners; *provided*, that for each day during any general or special term of said court hereafter held in said county, the deputy clerk of said court shall receive as compensation the sum of three dollars and fifty cents (\$3.50) per day, and no more, which shall be allowed and paid to such deputy as other clerk hire is allowed and paid, and the amounts so allowed and paid shall not be reckoned as any part of the two hundred (200) dollars hereinbefore mentioned.

Said statements shall be kept on file in the office of the county auditor, and the county auditor shall cause the said statements to be presented for examination at the next succeeding regular meeting of the board of county commissioners.

SEC. 6. No official business shall be performed by said clerk of court, or his clerk or deputy, except upon the cash payment in full of the legal fees for such services, except in cases wherein the payment is to be made by the state of Minnesota or the county of Wright.

SEC. 7. It shall be the duty of the chairman of the board of county commissioners and the county attorney of said county, at least three (3) times during each year, to make an examination of the books, records, reports, receipts and other matters pertaining to the office of the clerk of court, to compare the receipts and vouchers on file in the auditor's office and in the clerk of court's office, and to make a report thereof in writing.

SEC. 8. That all acts and parts of acts inconsistent with the provisions of this act, so far as such acts and parts of acts are inconsistent herewith, are hereby repealed, and no general law passed in the future, shall be construed to apply to said Wright county, when its provisions are in conflict with the provisions of this act, unless such application is specifically mentioned.
