Objections of governor noted.

Approved April 22, 1891; excepting item first (1st) of section three (3), item fifth (5th) of section four (4), item twenty-seventh (27th) of section three (3), item seventh (7th) of section one (1) and item eighth (8th) of section two (2) of this act are objected to for the reasons given in the appended statement:

STATE OF MINNESOTA,  
EXECUTIVE DEPARTMENT,  
ST. PAUL, MINN., April 22d.

SENATE FILE No. 871.] "An act to appropriate money for the general expenses of the state government, and to appropriate money for certain general expenses for the fiscal years ending July thirty-first (31st), eighteen hundred and ninety one (1891), July thirty-first (31st), eighteen hundred and ninety-two (1892), and July thirty-first (31st), eighteen hundred and ninety-three (1893), and for other purposes therein named, for the fiscal year ending July thirty-first (31st), eighteen hundred and ninety-two (1892), and annually thereafter, and for the support of the state institutions, and for certain other purposes named therein."

Item 1 of Sec. 3.

Item First (1st) of section three (3) of this act, making an appropriation for the payment of expenses and salaries for holding farmers' institutes, ten thousand dollars (\$10,000) annually, for the two (2) years ending July thirty first (31st), eighteen hundred and ninety-two (1892), and July thirty-first (31st), eighteen hundred and ninety-three (1893), *Disapproved.*

This appropriation is rejected for the reason that House File number six hundred and sixty-six (666), "An act to establish and maintain farmers' institutes in Minnesota," approved April twenty-second (22d), eighteen hundred and ninety-one (1891), appropriates ten thousand dollars (\$10,000) for the same purpose.

Item Fifth (5th) of section four (4) of this act, making an appropriation of six thousand dollars (\$6,000) for the fiscal year ending July thirty-first (31st), eighteen hundred and ninety-two (1892), and annually thereafter, for the expenses of the Minnesota fish commission, *Disapproved*.

Item 5 of Sec. 4.

This appropriation is rejected for the reason that House File number nine hundred and sixty-six (966), "An act for the preservation, propagation and protection of the game and fish of the state," approved April twentieth (20th), eighteen hundred and ninety-one (1891), makes an appropriation of ten thousand dollars (\$10,000) for the same purpose.

Item Twenty-seventh (27th) of section three (3) of this act, making an appropriation of five thousand dollars (\$5,000) for deficiency in building and repair account of the state normal school at Mankato, *Disapproved*.

Item 27 of Sec. 3.

This appropriation is rejected for the reason that it is duplicated in this act, as item twenty-fifth (25th) of section three (3) of this act makes an appropriation of five thousand dollars (\$5,000) for a similar purpose.

Item Seventh (7th) of section one (1) of this act, making an appropriation for rent of building or room for state arsenal, six hundred dollars (\$600), *Disapproved*.

Item 7 of Sec. 1.

Item Eighth (8th) of section two (2) of this act, making an appropriation of six hundred dollars (\$600) for rent of building or room for state arsenal, *Disapproved*.

Item 8 of Sec. 2.

These last two items are rejected for the reason that House File number two hundred and thirty-seven (237), "An act to provide suitable armories for the companies of national guard," approved April twentieth (20th), eighteen hundred and ninety-one (1891), provides that the city, town or county authorities in which a company is located shall provide suitable quarters for them upon application.

All other items of appropriation in this act are approved.

WILLIAM R. MERRIAM,  
Governor.
