Approved April 19, 1899.

H. F. No. 438.

CHAPTER 284.

Cities' engineering department records.

An act declaring the effect, as evidence, of the records and files of the engineering department of municipalities in the state.

Be it enacted by the Legislature of the State of Minnesota:

Records of surveys to be prima facie evidence.

SECTION 1. All records of surveys made by the engineering department of any municipality in this state, including field notes of surveys, profiles, plats, plans and other files and records of such department, shall be prima facie evidence in any proceeding in all courts in this state of the correctness of the showing and statements therein made; and the existence of such files and records in the office of such engineering department shall be considered prima facie evidence of the fact that such files and records were made by such engineering department for the use and benefit of such municipality.

SEC. 2. This act shall take effect and be in force from and after its passage and approval.

Approved April 19, 1899.

H. F. No. 670.

CHAPTER 285.

Poor, care of by counties and towns.

An act authorizing county commissioners to allow and appropriate money to towns in counties changing from the county system of caring for the poor in certain cases.

Be it enacted by the Legislature of the State of Minnesota:
