

SEC. 40. This act shall take effect and be in force from and after its passage.

Approved April 20, 1903.

H. F. No. 771.

CHAPTER 292.

Counties of
200,000 and
over.

An act authorizing county commissioners in all counties of this state now having or which shall hereafter have a population of two hundred thousand (200,000) inhabitants or over to purchase and equip a power road roller and a rock crusher and to provide for the operation, maintenance and management of the same.

Be it enacted by the Legislature of the State of Minnesota:

Authorized
to purchase
power road
roller
and rock
crusher.

SECTION 1. The county commissioner in all counties of this state now having or which shall hereafter have a population of two hundred thousand (200,000) inhabitants or over are hereby authorized and empowered to expend the sum of six thousand (6,000) dollars or so much thereof as is necessary for the purchasing and equipping a power road roller and a rock crusher.

Licensed
engineer.

SEC. 2. Such county commissioners are hereby authorized to employ a licensed engineer to operate said road roller and sufficient help to operate said rock crusher and to annually expend necessary funds for the maintenance of said crusher and roller.

Used on
county
work only.

SEC. 3. Said road roller and rock crusher and equipment shall be used only upon county work.

SEC. 4. During the year 1903 such board of county commissioners are hereby authorized to purchase said rock crusher, road roller and equipment with any funds in the county treasury not otherwise appropriated.

SEC. 5. In determining whether any county in the state has a population of two hundred thousand (200,000) inhabitants or over reference shall be had to the last national or state census.

SEC. 6. This act shall take effect and be in force from and after its passage.

Approved April 20, 1903.
