*An Act authorizing county boards in certain counties to appropriate moneys to build dams and embankments to keep and maintain water in certain navigable lakes at natural height and level.*

Be it enacted by the Legislature of the State of Minnesota :

**Maintaining dams to keep water at usual height.**—Section 1. When the whole of any navigable lake is situated in a single county, the county board, in order to improve navigation thereon or to promote the public health or welfare, may appropriate not exceeding in any one year, the sum of three hundred dollars (\$300.00) for erecting and maintaining sufficient dams or embankments upon and along the shores of such lake to keep and maintain the water in such lake at its natural and usual height and level. The money so appropriated shall be expended under the direction of such county board.

Sec. 2. This act shall take effect and be in force from and after its passage.
