CHAPTER 363—H. F. No. 734.

An Act to relieve county commissioners, drainage engineers and contractors, who are constructing ditches under contracts let prior to April 18th, 1905.

Be it enacted by the Legislature of the State of Minnesota:

Inspection—interests on warrants.—Section 1. That all contracts for the construction of ditches made prior to April 18th, 1905, and which contracts are not yet completed, the drainage engineer, in charge of such work, on being notified by any contractor that his job is completed, shall inspect the same, and if he find it complete, according to contract, plans and specifications, he shall accept it, and give the contractor a certificate of acceptance, stating that said section or sections (by number), are completed according to the contract, plans and specifications, as set forth in the report of said engineer, whereupon, if approved by the board of county commissioners, and upon the presentation and surrender of said certificate of acceptance by said contract to the auditor, said auditor shall draw a warrant on the county treasurer of his county for the full amount found to be due on said contract, or preliminary certificate, as hereinafter provided for, and said warrant shall be paid out of the general ditch fund to be provided by the board of county commissioners, as hereinafter specified. Said warrants shall become due and payable out of said fund at once, and if there shall be no cash in said fund to pay said warrant when the same is presented, the county treasurer shall endorse said warrant, "Not paid for want of funds," and date and sign such endorsement, and the amount, said warrant shall draw interest at the rate of six per cent per annum, until called in by the treasurer or auditor of said county, and paid; *provided, however,* that the engineer, upon the written approval of the auditor, may issue preliminary certificates for not to exceed eighty-five per cent of the

engineer's estimate of all the work performed, which certificates shall be treated as hereinbefore provided, but no such certificate shall be furnished except when accompanied by the engineer's written certificate that no loss will result therefrom.

Approved April 23, 1907.
