

Sec. 5. **Chap. 126, G. L. 1905 repealed.**—Chapter 126 of General Laws of 1905, is hereby repealed.

Sec. 6. This act shall take effect and be in force from and after its passage.

Approved April 9, 1913.

CHAPTER 229—S. F. No. 471.

An Act to amend Section 1737, Revised Laws of Minnesota 1905, regarding reports from persons engaged in the purchase, manufacture or sale of dairy products.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Reports from operators of skimming stations, etc., may be required by commissioner.**—Section 1737, Revised Laws of Minnesota 1905, is hereby amended so as to read as follows:

“Section 1737. Rooms shall be provided in the capitol for the office and laboratory of the commissioner. He may require reports from persons engaged in the *purchase*, manufacture or sale of dairy products, and all owners or operators of *skimming stations or other places engaged in the business of purchasing cream*, or operators of creameries and cheese factories, shall on March first (1st) in each year and at such other times as he may fix, send to him a full and accurate report of the amount of business done during the year preceding, together with such other statistical information as he may require.”

Sec. 2. This act shall take effect and be in force from and after its passage.

Approved April 9, 1913.

CHAPTER 230—S. F. No. 472.

An Act to amend Chapter 468, General Laws 1909, to prevent unlawful discrimination in the sale of milk, cream, butterfat and to provide a punishment for the same.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Unfair discrimination in sale of milk, cream, etc., prohibited.**—Any person, firm, co-partnership or corporation engaged in the business of buying milk, cream or butterfat for the purpose of manufacture who shall, with the intention of creating a monopoly or destroying the business of a competitor, discriminate between different sections, localities, communities or cities of this state by purchasing such commodity at a higher
