Provided, That for the years ending July 31, 1914 and 1915, respectively, the board of control is authorized by and with the approval of the state auditor, to transfer in cases of necessity a portion of the funds appropriated for the current expense of any one of the following institutions, namely:

The St. Peter state hospital for the insane, the Rochester state hospital for the insane, the Fergus Falls state hospital for the insane, the Anoka asylum, the Hastings asylum, the school for the deaf, the school for the blind, the school for the feeble-minded, the state public school, the state training school, the state reformatory, the state prison, the state hospital for indigent, crippled and deformed children, the sanatorium for consumptives, the Minnesota home school for girls, and the state hospital farm for inebriates at Wilmar, to the use of any other of the aforesaid institutions; and it is further authorized, by and with the approval of the auditor, to use the sums not exceeding in the aggregate \$5,000, where necessary, to supplement the appropriations for current expense of any of the above-named institutions.

Provided, That said board may, without such consent and approval of the auditor, use the balance of any appropriation made for a specific purpose at any institution for any other specific purpose in and about such institutions, after the purpose for which such appropriation was made has been accomplished; and

Provided, Further, That said board is hereby authorized and empowered to set aside a portion of the current expense fund of any such institution to be used as a diversified labor fund for the introduction and encouragement of such industries as in its judgment may be beneficial to the inmates of such institutions; and

Provided, Further, That in case of the damage or destruction of any insured buildings belonging to the state, all moneys

derived from the insurance thereon shall be paid into the state treasury to the credit of the institution at which such damage occurred, and the board having the control of such institution shall have the right to expend such insurance money upon the repairs of such building if repairable; otherwise, such money shall be used, with such sums as may be specially appropriated therefor by the legislature, for reconstruction of the buildings so destroyed.

Sec. 19. Governor, auditor and treasurer to borrow funds when necessary.—Whenever it becomes necessary, in order to meet the current demands upon the revenue fund of the payment of appropriations, the governor, auditor and treasurer may, at any time prior to July 31, 1915, make such agreement with banks or other corporations or persons, as they may deem advisable or necessary to pay warrants issued against said revenue fund pursuant to any such appropriation prior to the time when the money to meet such appropriation comes into the state treasury, and whenever any warrants so issued are paid for the accommodation of the state the money necessary to pay interest upon the amount of such warrants from the time when such payment was made until the money to redeem such warrants comes into the state treasury, at the rate agreed upon by the governor, auditor and treasurer, is hereby appropriated.

Sec. 20. This act shall take effect and be in force from and after its passage.

Approved April 28, 1913.

CHAPTER 404—S. F. No. 257.

An Act to authorize the board of managers of the state public school to receive, keep, train and find homes for certain children and to visit the children for whom homes have been found by any institution.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Board of managers to find homes for children.—The board of managers of the state public school is hereby authorized to receive, keep, maintain, train and find homes for such children as the controlling board or other managing authorities of any institution or association which is permitted to receive, find homes for or secure adoption for children under the supervision of the state board of control may request.

Sec. 2. Authorized to visit and investigate conditions.—The board of managers of the state public school is authorized to visit and investigate the conditions of all children for whom homes have been found by any institution within the state of
