Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Same—Presidential electors—Groups voted for together.**—That Section 175, Revised Laws of Minnesota for 1905, be amended so as to read as follows:

“Section 175. The political or party designation shall appear but once for each group, said designation following a scroll or bracket on the right, and immediately following this, in the center, shall be printed in bold type the surname of the presidential candidate represented. To the right of, and on a line of such surname, near the margin, shall be placed a square, in which the voter may indicate his choice by a mark (X), and one such mark opposite a group of presidential electors shall be counted as a vote for each elector in such group, the form for each group to be substantially as follows:*

For Presiden- tial Electors:	John Doe	Charles Boe	Republican—Taft	_____
	E. E. Smith	R. T. Cones		
	James Jones	L. O. Cooke		
	Richard Doe	R. C. Dunn		
	William Smith	G. W. Wilson

The relative position of the several groups shall be determined by the rules applicable to other state officers. The groups of electors shall be separated by a blank space *one quarter* of an inch in width and so arranged as to permit placing a cross (X) after each name, and no blank lines shall be printed therein as in the case of other candidates or groups. Above the names of the electors shall be printed in bold type, “Presidential ticket, vote once opposite group.” The state ballot, with the required heading, shall be printed below the electors, with a blank space between, one inch in width.”
