

valid.—If for any reason this act shall be held to be invalid, then all such taxes when collected shall be paid into the state treasury and credited to the General Revenue Fund.

Sec. 3. This act shall take effect and be in force from and after its passage.

Approved April 19, 1923.

CHAPTER 403—H. F. No. 1389.

An act to amend Section 5031 General Statutes of Minnesota for 1913 relating to fees for examination of pharmacists.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. State pharmacy board—Fees for examination.—That Section 5031 General Statutes of Minnesota for 1913 be and the same is hereby amended so as to read as follows:

"5031. The board shall meet at least once in every three months to examine applicants for registration and transact its other business, giving reasonable notice of all examinations, by mail, to known applicants therefor. The secretary shall record the names of all persons registered by the board, together with the grounds upon which the right of each to registration was claimed. The fee for examination shall be ten dollars. All registered pharmacists and assistants, while employed as such, shall be exempt from service as jurors. On hearing, the board may revoke any certificate of registration obtained by false representation or other fraud, or when the holder is addicted to the liquor or drug habit so as to unfit him for the practice of pharmacy, and may refuse registration to any person so addicted."

Approved April 19, 1923.

CHAPTER 404—H. F. No. 774.

An act providing for the adoption, purchase and use in cities of the first class, in the State of Minnesota, of a mechanical ballot assembling device, for the use of the same at general, special and primary elections in such cities.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. City council may purchase mechanical ballot device.—The City Council or other governing body of cities of the first class in the State of Minnesota is hereby authorized to contract with the owner or owners of a mechanical ballot assembling device embodying a series of spring controlled equally spaced clamping dogs with means for simultaneously setting said dogs in an open or elevated position and means for holding said dogs in said position and permitting each dog to be independently released and moved
