

**Sec. 15. Appeal to district court.**—Appeals from the order of confirmation may be taken to the district court by any person aggrieved, in like manner as from the determination of the board in laying out roads. On such appeal the court may inquire into and review all matters relating to the survey or assessment or expenses affecting the party appealing, which are specified in the notice of appeal.

**Sec. 16. Not to affect agreed lines or roads.**—Nothing herein shall be construed to authorize the change of any line fixed by agreement of landowners or of any traveled road.

**Sec. 17. County board may contract.**—That the county board, if it shall grant the petition for any survey or subdivision of any township or section as herein provided, may appoint the county surveyor of said county in lieu of any other competent surveyor to make the survey petitioned for, and if such county surveyor shall be appointed as the surveyor, it shall not be necessary to make a written contract with him for the performance of said work. That all the expenses of such survey as made under the direction of said county surveyor, including the value of his services as fixed by the county board and a reasonable attorney's fee if one be employed to attend to the legal work in connection with such survey, by either the county surveyor or other surveyor, also to be fixed by said county board, shall be equitably apportioned and assessed by the county board to the several tracts of land affected, in the same manner as though incurred by a surveyor other than the county surveyor.

**Sec. 18. Inconsistent acts repealed.**—All acts or parts of acts inconsistent herewith are hereby repealed.

**Sec. 19. Effective May 1, 1923.**—This act shall take effect and be in force from and after May 1st, 1923.
