CHAPTER 135—S. F. No. 109

An act relating to resident pupils attending high school in adjoining state and providing for the payment of tuition.

Be it enacted by the Legislature of the State of Minnesota :

Section 1. Pupils to attend school in adjoining state.—That any person under twenty-one years of age residing in any school district of this state not maintaining a high school, who has successfully completed the eighth grade, may with the consent of a majority of the school board of his residence district, expressed at a meeting thereof attend any high school in an adjoining state willing to admit him, which high school is nearer to his place of residence than any duly established high school in Minnesota, the distances being measured by the usual traveled routes.

Sec. 2. Tuition.—That any tuition charged by the district so attended shall be paid by the school district in which such person resides; provided, however, that such tuition shall not be more than such district charges non-resident pupils residing in such state if any such tuition is charged, and if no tuition is charged for non-resident pupils of said state, then such tuition shall not exceed the sum of ten dollars (\$10.00) per month. Provided further, that the person so attending high school in another state shall continue to be treated as a pupil of the district of his residence in apportionment of the current school fund and the payment of state aid.

Sec. 3. This act shall take effect and be in force from and after its passage.
