CHAPTER 319—S. F. No. 519

An act relating to the correction of errors in recorded plats by the recording of corrected and supplemental plats in certain cases.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Certain plats may be corrected.**—That in all cases where the plats, or what purport to be plats, of any portion of the lands contained within any town, village or city of this state of additions or subdivisions thereof, which have been executed and filed in an office of any register of deeds previous to January 1st, 1915, fail to identify or correctly describe the land to be so platted or to show correctly upon their face the tract of land intended or purported to be platted thereby, or any such plats are defective by reason of the plat and the description of the land purported to be platted thereby being inconsistent or incorrect, or there exists a defect in the execution of said plats on the part of the grantors thereof, the governing board or council of the municipality containing land so platted or purported to be so platted may authorize, within *six months* from the passage of this act, referring by the record book and page of such plat or plats in the office of the register of deeds to the plat or plats to be correct, the making of one or more plats which shall correctly show on the face thereof and by description the land intended to be platted, which plat or plats may vary from the original plats in description as to lots and blocks to suit the best purpose and secure the best results, and such plat or plats, in a declaration thereon, shall recite such resolution and shall identify each separate tract of land described therein with such tract of land in the purported plat or plats intended to be corrected thereby, and shall be certified by the proper officers
