CHAPTER 369—S. F. No. 882

An act amending Mason's Minnesota Statutes 1927, Section 7755, relating to building and loan associations.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Withdrawal of funds.**—That Mason's Minnesota Statutes 1927, Section 7755, be amended so as to read as follows:

"Section 7755. The holder of any *unpledged* shares may withdraw the same upon thirty days' written notice of his intention so to do, given to and duly filed with the Secretary of the association at any time, *provided there are sufficient funds in the treasury not appropriated for incompleated loans, but the directors may waive such notice. The withdrawing shareholder shall be paid the withdrawal value of his shares as determined at the last declaration of dividends before such notice, together with all payments made thereon since such declaration, less fines and other obligations. A withdrawing member, until paid, shall be entitled to dividends upon his shares at the same rate at which dividends are credited upon other shares of the same class. Where payment of withdrawals is deferred, the association shall pay the same in full in the order filed, provided, however, that not exceeding the sum of Five Thousand Dollars per month shall be paid to any one member withdrawing, and shall use at least fifty per cent of its monthly receipts for that purpose, but not over fifty per cent of its monthly receipts shall be so used unless otherwise determined by resolution of the directors.*"
