An act relating to reciprocal permission to non-resident motor vehicle owners, and amending Mason's Supplement 1940, Section 2684-1.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Law amended.**—Mason's Supplement 1940, section 2684-1, is hereby amended so as to read as follows:

"2684-1. Reciprocal permission to non-resident auto owners.—Any resident of any state, District of Columbia, Canadian province or other foreign power, who owns and is duly licensed under the laws of his own state or country to operate a motor vehicle upon the highways thereof, may also operate such motor vehicle personally or by his authorized driver upon the streets and highways of townships, boroughs, villages, and cities in this state, subject to the following conditions and limitations:

"First. Upon condition that the exemptions provided by this act as hereinafter limited shall be operative as to a motor vehicle owned by a non-resident only to the extent that under the laws of the state or Canadian province of his residence (or that under the laws of the District of Columbia or other foreign power if that is his residence) like exemptions and privileges are granted to motor vehicles registered under the laws and owned by residents of Minnesota.

“Second. Upon condition that any such motor vehicle so operated in this State by any such non-resident at all times shall carry and display all license number plates or like insignia required by the laws of the home state or country of said non-resident.

“Third. Upon condition that such non-resident motor vehicle owner shall first file with the registrar of motor vehicles in this State an instrument in writing, subscribed by him and duly acknowledged before a notary public or other officer with like authority, setting forth the name and address of the owner and of each person having any interest in such motor vehicle, the name and address of the person from whom such motor vehicle was purchased or acquired, the name of the manufacturer and of the motor vehicle if it has a name, the year when manufactured, the serial number or other number and model identifying such motor vehicle, the weight in pounds of such motor vehicle and the number of cylinders of the motor engine. Said written instrument shall also contain substantially the following:

“The undersigned owner of the above described motor vehicle hereby consents and agrees that the use and operation of said motor vehicle inside the state of Minnesota shall always be subject to all the laws, ordinances, rules and regulations applicable to like operation thereof by a citizen and resident of the state of Minnesota except as it may be expressly provided otherwise by the laws of Minnesota. The undersigned owner hereby consents to be sued or otherwise proceeded against, either civilly or criminally, at any place in Minnesota where the above described motor vehicle is operated, upon any claim or cause of action arising from such operation in the same *manner* as a Minnesota citizen and resident owner and operator of a like motor vehicle might be sued or proceeded against in like circumstances. And in any such civil proceedings, legal process and other notices or papers may be served upon the undersigned owner of the above described motor vehicle by depositing a copy thereof in the United States mails, properly enveloped, sealed, postage prepaid, and addressed to the undersigned owner at his above stated address or at such other address as he may have later filed in writing supplementary to this agreement. Such service shall be deemed personal service, and shall have the same force and effect as like process or notice served personally upon a motor vehicle owner residing in and being a citizen of the state of Minnesota.’”
