An act to provide for the incorporation and regulation of voluntary nonprofit medical service plan corporations and to prescribe penalties for the violation of the provisions of this act.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Purpose.** It is the purpose and intent of this act, and the policy of the Legislature, to make possible a wider and more timely availability of medical care, thereby advancing the public health and the science and art of medicine in this State.

Sec. 2. **Incorporation and organization.** Nonprofit medical service plan corporations hereinafter incorporated may be organized under and in accordance with the provisions of this

act by not less than 21 persons, all of whom shall be legal residents of this State and duly licensed and registered doctors of medicine under the laws of this State.

Such nonprofit medical service plan corporation shall have the right to establish, maintain and operate a voluntary nonprofit medical service plan, whereby the services of duly licensed and registered doctors of medicine are provided in the manner hereinafter specified at the expense of such corporation to persons who become subscribers to said plan under contracts which entitle such subscribers to specified medical and surgical care, appliances and supplies, by such duly licensed and registered doctors of medicine. Such medical and surgical care, appliances and supplies may be provided in their entirety or in part as such corporation may determine and as set forth in such contracts. The term "subscribers" shall include all persons covered under such contracts.

All such nonprofit medical service plan corporations shall be subject to and governed by the provisions of this act, and shall not be subject to the laws of this State relating to insurance and insurance companies, except as hereinafter specifically provided.

The corporate name shall not be the same as, nor deceptively similar to the name of any other domestic corporation.

(b) Its purposes, which shall be in strict conformity with the provisions of this act, and which shall clearly set forth that all medical and surgical care provided a subscriber under such contract, shall be rendered by a duly licensed and registered doctor of medicine of the subscriber's own choice.

(c) The name and post office address of each of the incorporators.

(d) The duration of the corporation, which may be limited or perpetual.

(e) The location and post office address of its principal office for the transaction of its affairs in this State.

(g) The amount of stated capital with which the corporation will begin business, which shall not be less than \$25,000, all of which shall be paid in in cash before the corporation commences business.

Articles of incorporation may contain any other provisions, consistent with the laws of this State, for regulating the corporation's affairs, which said articles of incorporation and any by-laws adopted thereunder or any amendments thereto, as well as the contract to be sold to the subscribers, shall be submitted to the Attorney General of the State for examination and approval, so as to carry out the intent and purpose of this act.

Sec. 4. Recording; certificate; publication. (a) The articles of incorporation shall be filed for record with the Secretary of State. If the articles conform to law he shall, when all fees and charges have been paid as required by law, record the same and issue and record a certificate of incorporation which shall state the name of the corporation and the fact and date of incorporation.

(b) Upon the issuance of the certificate of incorporation the corporate existence shall begin. Such certificate of incorporation issued by the Secretary of State shall be conclusive evidence of the fact of incorporation.

(c) Within fourteen days after the issuance of the certificate of incorporation, the corporation shall cause to be published once in a qualified newspaper in the county wherein it has its registered office, a notice stating the name of the corporation, the date of its incorporation, the general nature of the business being, or about to be conducted by it, the address of its registered office, and the names and addresses of the incorporators and of the first board of directors. Proof of the publication of such notice shall be filed with the Secretary of State within ten days after its publication. If a corporation shall fail to comply with the provisions of this subdivision it shall forfeit to the State \$50.00.

Sec. 5. Filing with register of deeds; insurance commissioner. There shall also be paid to the Secretary of State, for transmission by him to such Register of Deeds, and to such Commissioner of Insurance, a sum sufficient under existing laws to pay the proper fees of the Register of Deeds and the Commissioner of Insurance for recording such instruments.

Sec. 6. Amount of fund; contract filed with insurance commissioner. No such nonprofit medical service plan corporation shall enter into any contracts with any subscribers for medical and surgical care, appliances and supplies, nor secure any applications therefor, unless there is actually available, in the corporation, for working capital, the sum of not less than \$25,000, and not less than three copies of each type of contract proposed to be issued by said corporation shall have first been filed with the Commissioner of Insurance; the sum contributed as the working capital of such corporation shall be repayable only out of surplus earnings of such corporation, after reserves for incurred claims, unearned subscribers' payments and a reasonable amount for contingencies have been provided and approved by the Commissioner of Insurance.

The names of the doctors of medicine belonging to said corporation or enrolled as members therein, shall not be printed or listed upon any contracts furnished to subscribers.

Sec. 8. Contract between subscriber and physician. No nonprofit medical service plan corporation shall enter into

any contract, agreement or understanding, directly or indirectly, with any physician and surgeon whereby such physician and surgeon shall render any services to any subscriber, but all such matters shall be a matter of agreement directly between the patient and the doctor of medicine selected by the patient to treat him.

Sec. 9. Emergency service. In case of emergency or expediency, and subject to the approval of the governing body of such nonprofit medical service plan corporation, the benefits to which a subscriber is entitled under his contract, may be rendered in another state or country, provided such services are rendered by a duly licensed doctor of medicine in such other state or country.

Sec. 10. Classes of service. Every nonprofit medical service plan corporation may, as determined by its board of directors, or as provided in its articles of incorporation or by-laws, limit the benefits that it will provide, and may divide such benefits as it determines to provide, into various classifications, including general and special medical and surgical care benefits and such services and supplies as may be incidental to such medical and surgical care.

Sec. 11. Investment securities. The funds of every nonprofit medical service plan corporation shall be invested only in those securities and property designated by the laws of this state for the investment of the capital, surplus and other funds of domestic life insurance companies.

sonable times, to free access to all books and records of such corporation in all matters pertaining to its financial condition, and may summon and examine, under oath, the officers and employees of such corporation in all such matters. The expense of any such examination of its books and financial condition shall be borne by such corporation. The Commissioner of Insurance may, in the event such corporation has acted in a manner detrimental and unjust to persons who become subscribers to said plan, or contrary to or in violation of the articles and by-laws of said corporation, request the Attorney General to bring an action against such corporation to terminate its corporate existence, provided that such action shall not be instituted unless the Commissioner of Insurance or the Attorney General shall have given such corporation written notice of the action complained of, if correction can be made thereof, and the corporation shall fail to institute proceedings to correct the same within 30 days thereafter.

Sec. 15. Dissolution. A nonprofit medical service plan corporation may be wound up and dissolved either voluntarily or involuntarily. If the proceedings are voluntary, they may be conducted either out of court or subject to the supervision of the district court. If involuntary, they shall be subject to the supervision of the district court. In either event the dissolution shall be in accord with the proceedings for dissolution under the Minnesota Business Corporation Act.

Sec. 16. Misdemeanor. Any person, or any officer or agent of such a corporation, who violates any of the provisions of this act, or who shall make any false statement with respect to any report or statement required by this act, shall be guilty of a misdemeanor.
