CHAPTER 156—H. F. No. 411

[Not Coded]

An act authorizing the renewal of the period of corporate existence of certain hospital associations whose period of duration has expired without renewal thereof.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Corporate renewal; hospital association. Any hospital association organized under the laws of this state whose corporate period of duration has expired less than two years before the passage of this act and which has continued to carry on its business without a renewal of said period, may renew the period of its corporate existence for the period provided in said renewal proceedings with the same force and effect as if said renewal proceedings had been completed before its said period of duration expired, by completing the proceedings provided by law for the renewal of the corporate existence of such hospital association in cases where such renewal is made before the end of the period of duration. The proceedings to obtain such renewal shall be taken within one year after the passage of this act. This act shall not affect any pending litigation, nor apply to any hospital association whose charter has been declared forfeited by any court of competent jurisdiction in this state.

Sec. 2. Relation back. When such steps are taken to renew the corporate existence of such hospital association, such proceedings shall relate back to the date of the expiration of said original corporate period, and when said period is extended as provided by this act, any and all corporate acts and contracts done, performed, made and entered into after the expiration of said original period shall be legal and valid as against the objection that the period of duration of such hospital association had expired.
