Be it enacted by the Legislature of the State of Minnesota :

Section 1. Minnesota Statutes 1945, Section 502.70, is amended to read as follows :

502.70. **Powers of creditor of donee.** When a donee is authorized *either* to appoint to himself *or to appoint to his estate* all or part of the property covered by a power of appointment, a creditor of the donee, *during the life of the donee*, may subject to his claim all property which the donee could then appoint to himself, *and, after the death of the donee*, may subject to his claim all property which the donee could at his death have appointed to his estate, but only to the extent that other property available for the payment of his claim is insufficient for such payment. When a donee has exercised such a power by deed, the rules relating to fraudulent conveyances shall apply as if the property transferred to the appointee had been owned by the donee. When a donee has exercised such a power by will in favor of a taker without value *or in favor of a creditor*, a creditor of the donee *or a creditor* of his estate may subject such property to the payment of his claim, *but only to the extent that other property available for the payment of the claim is insufficient for such payment.*
