Any employee in the service of any public corporation now or hereafter created in and for any two or more contiguous cities, the funds of which public corporation are in whole or in part raised by taxation on the property in such cities, may become a member of the contributing class by giving a written notice to the retirement board of his acceptance of and his desire to avail himself of the provisions of

sections 422.01 to 422.23, within six months from the date of the passage of Laws 1945, Chapter 181, or of his employment, whichever is the later date.

The non-contributing class shall consist of all employees, including common laborers, whose individual pay or compensations do not exceed \$750 per annum; provided, that when the compensation of an employee who is paid on a monthly basis equals or exceeds \$62.50 per month on a 12-month basis, such employee shall be classified as a contributor and shall from and after such time contribute to the fund and assume all the obligations imposed upon and be entitled to all the benefits conferred upon members of the contributing class, as herein and in sections 422.01 to 422.23 specifically set forth.

Any employee in the non-contributing class may, upon written application filed with the retirement board prior to attaining the age of 50 years, elect to become a member of the contributing class, and shall then assume all the obligations imposed upon and be entitled to all the benefits conferred upon members of the contributing class, as in sections 422.01 to 422.29 specifically set forth. Such election, when made, shall be final and irrevocable.
