Any city whose maximum annual tax levy for all purposes is limited by charter provision or statute, may, notwithstanding said maximum of annual tax levy, levy the tax herein provided for in addition to the levy as limited by said charter or statute. Nothing contained in the provisions of any local charter or any general or special law shall limit or curtail the levy hereby authorized and directed. Provided, further, that in addition thereto and only if such tax is levied the city treasurer, finance commissioner or other officer charged with the responsibility of the city's finances, shall each month deduct the sum of \$5.00 from the basic monthly pay of all firemen and transfer the total thereof to the treasurer of the special fund of the firemen's relief association, who shall credit said total to the special fund and to the credit of the individual firemen. No member shall be entitled to draw both a disability and a service pension at the same time, and in no event shall the total pension exceed the sum of \$100 per month.
