

## CHAPTER 447—H. F. No. 1166

[Not Coded]

*An act providing for annual tax levies for general corporation, water and light and other public utilities furnished by a municipally owned water and light plant, and for library purposes in certain villages having a population of more than 12,000 according to the last state or federal census, and an assessed valuation of which more than 50 per cent consists of iron ore.*

Be it enacted by the Legislature of the State of Minnesota:

**Section 1. Village of more than 12,000 inhabitants; iron ore valuation.** This act shall apply to villages having a population of more than 12,000, according to the last state or federal census, and an assessed valuation of which more than 50 per cent consists of iron ore.

**Sec. 2. Tax levy for certain purposes.** The amount which may be included by any such village in its annual tax levy in each year hereafter made for general corporation and for water, light and other public utilities furnished by a municipally owned water and light plant, shall be 28 mills on the dollar of the taxable valuation of said village. From and after January 1, 1951, the said amount which may be included for general corporation water, light, and other public utilities furnished by a municipally owned water and light plant and library purposes shall be 33 mills on the dollar of the taxable valuation of said village. Such levies shall be within the limitations of Minnesota Statutes 1945, Section 275.11.

Approved April 15, 1949.
