Such expenditures may be made by direct payment for specified projects or operations or by contributions to the commissioner of conservation for disposal in accordance with any agreement made hereunder.

[84.56] Sec. 4. **Appropriation.** The following sums, or so much thereof as may be necessary, are hereby appropriated to the commissioner of conservation for the purpose of this act, out of any moneys in the state treasury not otherwise appropriated:

\$50,000 immediately available, \$50,000 to be available for the fiscal year ending June 30, 1951. Moneys allotted hereunder for surveys and mapping may be expended directly therefor or may be paid over on order of the commissioner of conservation to an authorized officer of the United States for disposal in accordance with any agreement made hereunder; provided, that all expenditures or contributions from state, county, or municipal funds for any survey or mapping projects or operations pursuant to any agreement with the United States Geological Survey or other federal agency hereunder shall be made only upon condition that at least equal amounts be expended for such projects or operations from federal funds. Unexpended balances of all said appropriations shall not lapse at the end of any fiscal year, but shall remain available for the specified purpose until the work is completed.

CHAPTER 670—S. F. No. 1241

[Coded as Section 101.47]

An act relating to the taking of fish from certain lakes and rivers, and amending Laws 1949, Chapter 150, Section 40.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Laws 1949, Chapter 150, Section 40, is amended to read as follows:

[101.47] Sec. 40. **Regulation of overcrowded lakes.** The commissioner of conservation is authorized to establish a list of lakes *and rivers* not including more than *six* in any one county, or more than *100* at any one time in the state, which lakes *or rivers* have been found by the director of game and fish to contain an unbalanced fish population or to contain *species* of fish which by overcrowding have become stunted. The seasons, limits and methods of taking fish from the lakes *and rivers* so listed may be prescribed by the commissioner by order duly published in the county where any such lakes *and rivers* lie. Such regulations may be changed from time to time by similarly published order, and within the limitations hereby prescribed, the list of lakes *and rivers* herein provided for may be changed or amended from time to time in the discretion of the commissioner.
