Sec. 8. Completion of contracts. Whenever all the contracts have been entered into for the completion of any project for which an appropriation is made by Section 2, 3, 4, or 6 of this act, and the total amount encumbered therefor is less than the maximum amount appropriated for such project, the commissioner of administration is authorized to use an amount equal to the difference between the total amount so encumbered and the maximum amount so appropriated for any other purpose authorized by Sections 2, 3, 4, or 6 of this act, and the amounts of such differences are hereby appropriated to the commissioner of administration for such other purposes. If an item in any section hereof, except Section 6, provides for the construction of more than one building, no bid shall be awarded therefor unless available funds are sufficient to pay the cost of all buildings provided for in such item.

Sec. 9. Tax levies; duty of state auditor. Subdivision 1. For the purpose of providing funds with which to carry out the provisions of Section 1 of this act, the state auditor is hereby authorized and directed to cause to be levied upon all taxable property in the state, including notwithstanding the provisions of Minnesota Statutes 1945, Section 273.13, Subdivisions 6 and 7, all platted or unplatted real estate used for the purpose of a homestead, in the manner in which all other state taxes are levied, for each year commencing in the year 1949 and for each of the next succeeding fourteen years, taxes sufficient to produce \$1,143,067 each year, together with such additional sum each year as may be necessary to pay the interest upon the certificates of indebtedness issued pursuant to the provisions of this section. The state auditor shall reduce the amount of the annual tax levy hereinbefore provided for each year by the amount of the moneys transferred on September 1 of each year from the dormitory and cafeteria account to the Minnesota State Building Fund, pursuant to Section 4, Subd. 6 hereof. If certificates of indebtedness shall have been issued in anticipation of the collection of any of the taxes hereinbefore provided for, the amount of such tax levy shall not be reduced as above provided, but the moneys transferred pursuant to Section 4, Subd. 6, hereof shall be

used for the retirement of such certificates of indebtedness and such money is hereby appropriated for such purposes. In the event of a deficiency in the proceeds of a levy for any year, the state auditor shall levy such additional amount in succeeding years as may be necessary to produce the full amount herein authorized. The proceeds from the taxes herein authorized shall be credited to the fund known as the Minnesota State Building Fund.

Subd. 2. Pending the levy and collection of the taxes authorized by Subdivision 1 hereof, the state auditor is authorized and directed to issue and sell certificates of indebtedness of the state not exceeding the amount required from time to time to meet the appropriations made in Section 1 hereof and not exceeding in the aggregate \$17,146,000. These certificates shall be issued and sold by the state auditor upon request of the commissioner of administration as funds are needed for the purposes of Section 1 hereof. These certificates shall be known as state building fund certificates of 1949-1964, shall be numbered consecutively, and shall be issued and sold at not less than par upon sealed bids after two weeks' published notice, unless sold to the State Board of Investment, which is hereby authorized to invest any funds under its control or direction in any of these certificates of indebtedness so issued and to purchase such certificates at a rate of interest not exceeding three per cent per annum. These certificates shall be in such form and of such denominations and shall mature at such times as the state auditor shall determine, not exceeding the time when funds shall be available for the payment thereof from the tax levies authorized in Subdivision 1 of this section. These certificates shall bear such rate of interest, payable semi-annually, and shall contain such other terms and provisions, not inconsistent herewith, as the state auditor may determine. These certificates shall be signed by the state treasurer and attested by the state auditor under their official seals, and the state auditor and state treasurer shall keep records thereof. The principal of these certificates shall be payable only from the proceeds of the taxes authorized by Subdivision 1 of this section, and so much thereof as may be necessary is hereby appropriated for such payments, provided that such interest as may become due at any time when there is not on hand a sufficient amount from the proceeds of such taxes to pay the same shall be paid out of the general revenue fund in the state treasury, and the amount necessary therefor is hereby appropriated, to be reimbursed from the proceeds of the taxes authorized by Subdivision 1 of this section.

Subd. 3. The amounts obtained from the sale of the certificates of indebtedness authorized by this section shall be credited to the Minnesota State Building Fund to pay the appropriation made by Section 1 hereof.

Sec. 10. **Effective date.** This act shall be effective immediately upon its final enactment.

Approved April 25, 1949.
